LE MINERALS LIMITED

ASX: LEL

ASX ANNOUNCEMENT

25 November 2026

Extension of Closing Date Under M Battery Materials Limited IPO Prospectus

LE Minerals Limited (ASX:LEL) (**LE Minerals**, **LEL** or the **Company**) refers to its previously announced agreement with M Battery Materials Limited (**MBM**) to sell its Burke, Mt Dromedary and Corella Graphite Projects in Queensland (**Graphite Projects**) for $20 million in cash and scrip (the **Graphite Sale**)[1]. MBM proposes to combined these projects with its Yambungan Graphite Project and Queensland Vanadium Projects to establish an ASX-listed battery materials company.

MBM's Prospectus (refer www.mbatterymaterials.com.au) seeks to raise between $15 million and $25 million through the issue of shares at $0.50 each, with the Offer Closing Date now extended to 30 November 2026.
