

COMPLETION OF PLACEMENT

Enterprise Metals Limited (“Enterprise” or “the Company”, ASX: ENT) is pleased to announce that it has today issued 6,388,889 fully paid ordinary shares in the Company at an issue price per share of 1.8 cents, the same issue price of the recent Share Purchase Plan, raising \$115,000.

This brings the total amount raised under the Share Purchase Plan and the placement to \$331,000. As announced on 17 February 2016, the Company’s largest shareholder SinoTech Minerals agreed to subscribe for \$100,000 in shares issued at 1.8 cents each in the private placement. A further \$15,000 in shares were issued to a sophisticated and professional existing shareholder of the Company.

The funds raised through the Share Purchase Plan and placement will be largely directed towards continued exploration for copper and gold at the Company’s Doolgunna Project, newly granted tenements at its Yalgoo Project and for working capital purposes.

“On behalf of the Board I thank shareholders who participated in the Company’s Share Purchase Plan and this placement, and extend that thanks to all shareholders for their on-going support as we advance the Company’s exploration assets” said Dermot Ryan, Managing Director of the Company.

An Appendix 3B is attached to this ASX announcement.
