SHARE PURCHASE PLAN

The directors have decided to put in place a Share Purchase Plan (SPP) whereby shareholders may acquire up to a maximum of \$5,000.00 worth of shares. The issue price has been set at 5.42 cents per share which is based on the weighted average share price for the five immediately preceding days on which the company's shares have been traded.

A copy of the letter to shareholders is attached.

An application for listing (Appendix 3B) is attached for the maximum number of shares which may be issued pursuant to the SPP. A final Appendix 3B will be issued once final allotments are known.

Yours faithfully
