## ASX Announcement

### Contractor Accident

GWR Group Limited (the Company) (ASX:GWR) regrets to confirm that around daybreak yesterday one of its contractor's trucks rolled over on the Goldfields Highway heading West towards Meekatharra resulting in a fatality. The truck was carrying iron ore from the C4 mine located at the company's Wiluna West operations destined for the Mid West port of Geraldton.

Whilst no further details are available at this stage GWR together with its contractor are assisting WA police and other authorities to determine the cause of this tragic accident.

The Company's immediate thoughts are for the worker, their family and their team. It is our priority to ensure that support and assistance is being made available for the family and team.

The Company will advise the market further once details are known.

This ASX announcement was authorised for release by Gary Lyons, Chairman of GWR Group Limited
