## RESOLUTION 1 - RE-ELECTION OF OLIVER KIDDIE AS A DIRECTOR

## 1.1 General

Mr Oliver Kiddie was first appointed as an Executive Director, on 10 August 2020. Mr Kiddie was last re-elected as an Executive Director on 30 April 2021.

In accordance with ASX Listing Rule 14.5, an entity which has directors must hold an election of directors at each annual general meeting (at least one director must stand for election or re-election). Pursuant to rule 38.1(c) of the Constitution, one third of the Company's directors must retire at each annual general meeting.

These requirements for a Director to retire do not apply to a Managing Director.

Rule 38.3 of the Constitution states that a retiring director shall be eligible for re-election.

Accordingly, Resolution 1 provides that Mr Kiddie will retire by rotation at this Meeting and, being eligible, offers himself for re-election.

Resolution 1 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote.

The Chair intends to exercise all available proxies in favour of Resolution 1.

## 1.2 Director's Biography

Oliver Kiddie, BSc App Geol, MAusIMM, MAICD, (appointed 10 August 2020 and elected on 30 April 2021) is a geologist with over 20 years' experience across exploration, resource definition, project development, and production throughout Australia and internationally.

Mr Kiddie has extensive experience in base metal and gold exploration through senior management and executive positions, working for companies including Dominion Mining, European Goldfields, and most recently as GM Exploration for the Creasy Group. He led the exploration team of the Fraser Range project for the Creasy Group, including the discovery, resource definition, and mining lease

application for the Silver Knight Ni-Cu-Co deposit. Mr Kiddie possesses a strong corporate background having managed numerous transactions and joint ventures as key responsibilities of senior management and executive positions.

Mr Kiddie is a member of the Australasian Institute of Mining and Metallurgy and a member of the Australian Institute of Company Directors. Mr Kiddie has not held any former public company directorships in the last three years.

Following enquiry, the Board have determined that Mr. Kiddie is not independent as he an Executive Director of the Company.

#### 1.3 Directors' Recommendation

The Directors, except Mr Kiddie, recommend that Shareholders vote in favour of Resolution 1.

## **RESOLUTION 2 – ADOPTION OF REMUNERATION REPORT**

## 2.1 General

In accordance with subsection 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Annual Report contains the Remuneration Report, which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

The Remuneration Report has been sent to Shareholders who have made an election to receive the Annual Report. Copies of the Annual Report are available by contacting the Company's share registry or visiting the Company's web site www.legendmining.com.au.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 2 is advisory only and does not bind the Directors. If Resolution 2 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

The Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011 (Cth), which came into effect on 1 July 2011, amended the Corporations Act to provide that Shareholders will have the opportunity to remove the whole Board except the managing director if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution (**Spill Resolution**) on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2021 annual general meeting (in respect of the financial year ending 31 December 2020). Accordingly, a Spill Resolution is not relevant for this Annual General Meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2023 annual general meeting (in respect of the financial year ending 31 December 2022), this will result in another meeting being held within 90 days at which resolutions will be put to Shareholders for the re-election of the Directors other than the managing director and any director appointed since the Remuneration Report was approved by the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

## 2.2 Voting on the Remuneration Report

In accordance with section 250BD of the Corporations Act, a vote on this Resolution must not be cast (in any capacity) by or on behalf of either the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report or a Closely Related Party of such a member; or
- (b) a person appointed as a proxy, where that person is either a member of Key Management Personnel or a Closely Related Party of such member.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies how the proxy is to vote on this Resolution; or
- (b) the voter is the Chairman and the appointment of the Chairman as proxy:
  - (i) does not specify the way the proxy is to vote on this Resolution; and
  - expressly authorises the Chairman to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 2, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

Resolution 2 is an ordinary resolution.

## **RESOLUTION 3 – ADOPTION OF NEW CONSTITUTION**

## 3.1 Background

Since the Company adopted its current Constitution, there have been changes to the Corporations Act, the Listing Rules and other regulatory requirements. There have also been developments in corporate governance practices and policies. The Directors believe it is desirable to update the Constitution to reflect current corporate practice and to ensure it is in line with the present legislation and regulatory requirements in Australia. Rather than make numerous piecemeal amendments to the current Constitution, the Directors believe that it is preferable to repeal the current Constitution and replace it with a new constitution (New Constitution).

A copy of the New Constitution is available on request from the Company.

## 3.2 General

Resolution 3 seeks Shareholder approval for the repeal of the Constitution and adoption of the New Constitution in accordance with section 136 of the Corporations Act.

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairperson will cast all undirected proxies in favour of Resolution 3.

## 3.3 Summary of New Constitution

The key provisions of the New Constitution are summarised in Schedule 1.

## 3.4 Director recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

## SCHEDULE 1 SUMMARY OF NEW CONSTITUTION

## 1. Shares

The issue of Shares and Options by the Company is under the control of the Directors, subject to the Corporations Act, Listing Rules and any rights attached to any special class of Shares.

#### 2. Preference Shares

The Corporations Act requires certain rights of preference shares to be either set out in the constitution or approved in general meeting by special resolution before preference shares are issued.

The New Constitution sets out a framework of rights for preference share issues from which the Board can determine to issue preference shares, without the need to obtain further Shareholder approval every time an allotment of preference shares is proposed. Schedule 6 to the New Constitution contains the framework as well as specific rights of preference shares as to the repayment of capital, requirements for redemption (if the preference shares are redeemable), participation in surplus assets and profits, voting rights and priority of payment of capital and dividends. Other specific terms, including the dividend amount, the redemption date (if applicable) and redemption amount (if applicable), would be set by the issuing resolution of the Directors.

## 3. Reductions of Capital

The New Constitution is consistent with the Corporations Act requirements which must be satisfied by the Company in undertaking an alteration of capital.

#### 4. Liens

If the Company issues partly paid Shares and a call made on those shares is unpaid, the Company will have a lien over the shares on which the call is unpaid. The lien may be enforced by a sale of those shares. The powers of the Company in relation to calls, company payments, forfeiture and liens are set out in schedule 2 to the New Constitution.

## 5. Transfer of Shares

The Company may participate in any clearing and settlement facility provided under the Corporations Act, the Listing Rules and the ASX Settlement & Transfer Corporation Pty Ltd (ASTC) Operating Rules. Transfers through ASTC are effected electronically in ASTC's Clearing House Electronic Sub register System (CHESS). For the purposes of the Company's participation in the CHESS, the Company may issue holding statements in lieu of share certificates. The Company will not charge any fee for registering a transfer of shares. The Directors may refuse to register a transfer of shares in the circumstances permitted or required under the Corporations Act and Listing Rules.

## 6. Proportional Takeovers

A proportional takeover bid is one in which the offer or offers only to buy a specified proportion of each Shareholders' shares.

The New Constitution provides for Shareholder approval of any proportional takeover bid for the shares. Subject to the Listing Rules and ASTC Operating Rules, the provisions require the Directors to refuse to register any transfer of shares made in acceptance of a proportional takeover offer until the requisite Shareholder approval has been obtained.

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. The proportional takeover provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

At the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

The perceived advantages of including proportional takeover provisions in a constitution are that such provisions may:

- (i) enhance the bargaining power of Directors in connection with any potential sale of the Company;
- (ii) improve corporate management by eliminating the possible threat of a hostile takeover through longer term planning;
- (iii) make it easier for Directors to discharge their fiduciary and statutory duties to the Company and its Shareholders to advise and guide in the event of a proportional bid occurring; and

(iv) strengthen the position of Shareholders of the Company in the event of a takeover, assuming the takeover will result in a sharing of wealth between the offeror and Shareholders, as the more cohesive Shareholders are in determining their response the stronger they are. A requirement for approval can force Shareholders to act in a more cohesive manner. Where Shareholders know that a bid will only be successful if a specified majority of Shareholders accept the offer, they have less to fear by not tendering to any offer which they think is too low.

The perceived disadvantages of including proportional takeover provisions in a constitution include the following:

- (i) a vote on approval of a specific bid suffers from a bias in favour of the incumbent Board;
- (ii) the provisions are inconsistent with the principle that a share in a public company should be transferable without the consent of other Shareholders; and
- (iii) a Shareholder may lack a sufficient financial interest in any particular company to have an incentive to determine whether the proposal is appropriate.

To comply with the Corporations Act, the proportional takeover provisions must be renewed by Shareholders in general meeting at least every three years to remain in place.

While the proportional takeover provisions were in effect under the existing Constitution, there were no proportional takeover bids for the Company. Therefore, there has been no example against which to review the advantages or disadvantages of the provisions for the Directors and the Shareholders, respectively, during this period.

The proportional takeover provisions are contained in schedule 5 to the New Constitution.

## 7. Alterations of share capital

Shares may be converted or cancelled with Shareholder approval and the Company's share capital may be reduced in accordance with the requirements of the Corporations Act and the Listing Rules.

If a reduction of capital occurs by way of a distribution of shares or other securities in another body corporate, Shareholders (i) are deemed to have agreed to be members of and bound by the constitution of that body corporate, (ii) appoint the Company and its directors to execute any transfers to give effect to the distribution of shares or other securities and (iii) any binding instructions or notification given to the Company are deemed to be binding instructions or notifications to the other body corporate. The Company also has the discretion to not distribute the shares or other securities in the other body corporate and instead make a cash payment if the distribution would be illegal, give rise to unmarketable parcels or be unreasonable having regarding to the number, value and/or the legal requirements of distributions to Shareholders in particular overseas jurisdictions.

## 8. Buy Backs

The Company may buy back shares in itself on terms and at such times determined by the Directors.

#### 9. Disposal of less than a Marketable Parcel

For the sake of avoiding excessive administration costs, the New Constitution contains provisions enabling the Company to procure the disposal of Shares where the Shareholder holds less than a marketable parcel of shares within the meaning of the Listing Rules (being a parcel of shares with a market value of less than \$500). To invoke this procedure, the Directors must first give notice to the relevant Shareholder holding less than a marketable parcel of shares, who may then elect not to have his or her shares sold by notifying the Directors.

The provisions relating to unmarketable parcel are contained in schedule 4 to the New Constitution.

## 10. Variation of class rights

Class rights attaching to a particular class of shares may be varied or cancelled with the consent in writing of holders of 75% of the shares in that class or by a special resolution of the holders of shares in that class.

## 11. Meetings of Shareholders

The Directors may call a meeting of Shareholders whenever they think fit. Shareholders may call a meeting as provided by the Corporations Act. The New Constitution contains provisions prescribing the content requirements of notices of meetings of Shareholders and all Shareholders are entitled to a notice of meeting. Consistent with the Corporations Act, a meeting may be held in two or more places linked together by audio-visual communication devices. A quorum for a meeting of Shareholders is two eligible voters.

The Company will hold annual general meetings in accordance with the Corporations Act and the Listing Rules.

## 12. Virtual Meetings

A meeting of Shareholders may be held using virtual meeting technology.

## 13. Voting of Shareholders

Resolutions of Shareholders will be decided by a show of hands unless a poll is demanded. On a show of hands each eligible voter present has one vote. On a poll each eligible Shareholder has one vote for each fully paid share held and a fraction of a vote for each partly paid share determined by the amount paid up on that share.

#### 14. Direct Voting

The Directors may determine that Shareholders may cast votes to which they are entitled on any or all of the resolutions (including any special resolution) proposed to be considered at, and specified in the notice convening, a meeting of Shareholders, by direct vote. Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the directors, the notice of meeting will include information on the application of direct voting.

#### 15. Proxies

An eligible Shareholder may appoint a proxy to attend and vote at the meeting on the Shareholder's behalf. The New Constitution contains provisions specifying the manner of lodgement of proxy instruments. A Shareholder may appoint an individual or corporation to act as its representative.

## 16. Directors

Unless changed by the Company in general meeting, the minimum number of directors is 3 and no maximum number is specified. The Directors and the Company may at any time appoint any person as a Director. Any such Director must retire at the next following annual general meeting of the Company (at which meeting he or she may be eligible for reelection as director). No Director other than the Managing Director may hold office for longer than 3 years without submitting himself or herself for re-election.

## 17. Powers of Directors

The business of the Company is to be managed by or under the direction of the Directors.

## 18. Remuneration of Directors

The Company may pay non-executive Directors a maximum of the total amount as determined by the Shareholders in General Meeting and such sum must not be paid by way of commission on, or percentage of, profits or operating revenue.

The remuneration of executive Directors will be subject to the provisions of any contract between each of them and the Company and may be by way of commission on, or percentage of, profits of the Company, but will not be by way of commission on, or percentage of, operating revenue.

## 19. Execution of documents

In accordance with the Corporations Act, the Constitution provides for execution of documents by the Company without the use of the Company's company seal.

## 20. Dividends

The Directors may fix the amount, the time for payment and the method of payment of a dividend. Subject to any special rights attaching to shares (such as preference shares), dividends will be paid proportionately.

The Company is not required to pay any interest on dividends.

## 21. Indemnities and insurance

To the extent permitted by law, the Company indemnifies every person who is or has been a Director or Secretary of the Company against a liability incurred by that person in his or her capacity as a Director or secretary. A similar indemnity is provided in respect of legal proceedings. The Company may also pay the premiums on directors' and officers' liability insurance.

## 22. Restricted Securities

The Company's constitution complies with Listing Rule 15.12. Certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) are required to execute a formal escrow agreement in the form Appendix 9A. Those with less significant holdings (such as non-related parties and non-promoters), the Company will issue restriction notices to holders of restricted securities in the form Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

## **HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM**

#### **CHANGE OF ADDRESS**

This form shows your address as it appears on Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes.

## APPOINTMENT OF A PROXY

If you wish to appoint the Chair as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chair, please write that person's name in the box in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate.

#### **DEFAULT TO THE CHAIR OF THE MEETING**

If you leave Step 1 blank, or if your appointed proxy does not attend the Meeting, then the proxy appointment will automatically default to the Chair of the Meeting.

#### **VOTING DIRECTIONS – PROXY APPOINTMENT**

You may direct your proxy on how to vote by placing a mark in one of the boxes opposite each resolution of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any resolution by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution, your proxy may vote as they choose to the extent they are permitted by law. If you mark more than one box on a resolution, your vote on that resolution will be invalid.

### PROXY VOTING BY KEY MANAGEMENT PERSONNEL

If you wish to appoint a Director (other than the Chair) or other member of the Company's key management personnel, or their closely related parties, as your proxy, you must specify how they should vote on Resolution 2, by marking the appropriate box. If you do not, your proxy will not be able to exercise your vote for Resolution 2.

**PLEASE NOTE**: If you appoint the Chair as your proxy (or if they are appointed by default) but do not direct them how to vote on a resolution (that is, you do not complete any of the boxes "For", "Against" or "Abstain" opposite that resolution), the Chair may vote as they see fit on that resolution.

## APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Advanced Share Registry Limited or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) On each Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) Return both forms together.

## **COMPLIANCE WITH LISTING RULE 14.11**

In accordance to Listing Rule 14.11, if you hold shares on behalf of another person(s) or entity/entities or you are a trustee, nominee, custodian or other fiduciary holder of the shares, you are required to ensure that the person(s) or entity/entities for which you hold the shares are not excluded from voting on resolutions where there is a voting exclusion. Listing Rule 14.11 requires you to receive written confirmation from the person or entity providing the voting instruction to you and you must vote in accordance with the instruction provided.

By lodging your proxy votes, you confirm to the company that you are in compliance with Listing Rule 14.11.

#### **CORPORATE REPRESENTATIVES**

If a representative of a nominated corporation is to attend the Meeting the appropriate "Certificate of Appointment of Corporate Representative" should be produced prior to admission in accordance with the Notice of Meeting. A Corporate Representative Form may be obtained from Advanced Share Registry.

#### SIGNING INSTRUCTIONS ON THE PROXY FORM
