Region Group (RGN) Announces Extension of On-market Securities Buy-Back

RGN today announces an extension to its existing on-market buy-back for up to \$100 million of RGN securities on issue (**Buy-back**), which is due to expire on 21 April 2026, for a further twelve-month period unless completed or terminated earlier at RGN's discretion.

As at 24 March 2026, the Buy-back has resulted in 14.4 million RGN securities being bought back at an average price of \$2.298 per RGN security, for a total price of \$33.1 million.

The timing and number of securities to be purchased under the Buy-back will depend on the prevailing security price and market conditions.

The Buy-back supports RGN's strategy of continued portfolio optimisation, while also preserving sufficient capacity to fund RGN's ongoing capital requirements and other potential growth initiatives.

The Buy-back will continue to be conducted within the "10/12" limit permitted under the *Corporations Act 2001 (Cth)*.

Please refer to the accompanying Appendix 3C for further information in relation to the Buy-back.

This document has been authorised to be given to the ASX by the Board of RGN.
