3 introduction

3.1 Background

Resolution 1 - Change to Non-Executive Director Fees

Artemis Resources Limited has become aware that payments made to its non-executive directors during the financial years ended 30 June 2020, 30 June 2021 and 30 June 2022 were in excess of Artemis' current maximum aggregate cap by \$37,400, \$67,060 and 123,698 respectively (prescribed by rule 14.8 of Artemis' Constitution and set for the purposes of ASX Listing Rule 10.17).

As Artemis shareholders would be aware, the Company has sought to restructure the composition of its Board over recent years to ensure that it has an appropriate mix of skills and expertise as it focuses on its core projects, that the Board has balance, and in consideration of the Company's dual listing on AIM, London. Artemis has recently appointed Vivienne Powe an additional Independent Non-Executive Director to the Board.

The amount which Artemis is permitted to pay its non-executive directors by way of directors' fees of \$150,000 has not been increased since the limit was last approved in 2017.

Accordingly, Artemis proposes to seek the approval of shareholders to increase the maximum aggregate amount the Company can pay to its non-executive directors to \$500,000 per annum (inclusive of superannuation contributions), an increase of \$350,000, so as to ensure that Artemis can continue to pay directors' fees to its Non-Executive Directors in accordance with existing contractual arrangements and that Artemis has the ability to attract and retain suitably qualified Non-Executive Directors in future.

As the Company has existing contractual arrangements with each of its Non-Executive Directors and some Non-Executive Directors are no longer with Company, Artemis does not consider it practicable to seek to recover amounts already paid in excess of the aggregate fee cap.

If shareholders decide not to increase the aggregate fee cap, the Company will need to restructure remuneration payable to its Non-Executive Directors. This may include a requirement that Non-Executive Directors receive a greater proportion of remuneration through equity incentives, rather than cash consideration. Any change to the remuneration of the Company's non-executive directors may impact the Company's ability to retain and attract suitable qualified directors, including the existing Non-Executive Directors of the Company.

Resolutions 2 to 4

There have been significant delays in the approval processes to enable drilling on the Company's core projects, delays in getting access to drilling rigs, and finally extended delays in the processing of assays.

As a consequence, the Company has been unable to execute its exploration programme in the timeline set in its business plan. This has resulted in an unforeseen decline in the Company's share price below the price of 43,500,000 director options expiring on 31 July 2022 which will therefore lapse.

The Company is seeking Shareholder approval, to issue the following securities to Directors or

entities controlled by the Directors:

- (a) Resolution 2 - up to 13,000,000 Options to Mr Alastair Clayton (or his nominee);
- (b) Resolution 3 - up to 7,000,000 Options to Mr Mark Potter (or his nominee);
- (c) Resolution 4 - up to 3,000,000 Options to Mr Guy Robertson (or his nominee).

3.2 ASX Listing Rule Requirements

Broadly speaking, Listing Rule 7.1 limits the number of equity securities a company can issue in a Relevant Period to 15% of its issued share capital, except for certain issues, including where first approved by Shareholders.

Listing Rule 10.11 prohibits a company from issuing securities to related parties without shareholder approval. Securities issued with shareholder approval under Listing Rule 10.11 are not included in the 15% limit under Listing Rule 7.1.

4 resolution 1 - CHANGES TO NON-EXECUTIVE DIRECTORS' REMUNERATION

In accordance with clause 14.8 of the Constitution, ASX Listing Rule 10.17 and for all other purposes, Shareholder approval is sought to increase the maximum aggregate amount of directors' fees that may be paid by the Company to its Non-Executive Directors (Fee Pool) by \$350,000 per annum to \$500,000 per annum.

Under the ASX Listing Rules, the term "directors' fees" means fees payable by the Company and any of its child entities to a Non-Executive Director for acting as a director of the Company or any of its child entities (including attending and participating in any board committee meetings) and includes superannuation contributions and any fees which a director sacrifices for other benefits, but does not include reimbursement of genuine out-of-pocket expenses, genuine "special exertion" fees paid in accordance with the Company's Constitution or securities issued to Non-Executive Directors with approval of Shareholders in accordance with the ASX Listing Rules.

The Directors are seeking Shareholder approval to increase the Fee Pool for the following reasons:

- (a) as a result of the substantial development of the Company over recent years, the Directors continue to review the size and composition of the Board. The increase in the Fee Pool will provide the Board with the ability to appoint additional directors with the requisite skills and experience as appropriate; and
- (b) the increase will ensure that the Company maintains the ability to pay Non-Executive Directors remuneration at levels commensurate with market rates and as necessary to attract and retain directors of the highest calibre.

The level of Non-Executive Directors' remuneration is reviewed periodically to ensure alignment with the market. The current Fee Pool is \$150,000 and has not been increased since 2017. Current fees for the Non-Executive Directors (per annum) are \$60,000 per annum and Non-Executive Chairman \$120,000 per annum.

Additional information regarding the remuneration paid to each Non-Executive Director for the financial year ended 30 June 2021, and the Company's approach to the remuneration of Non-Executive Director was set out in the Remuneration Report in the Company's Annual Report.

The Non-Executive Directors of the Company consider that, given their personal interests in Resolution 1, it would be inappropriate for them to give any voting recommendation with respect to Resolution 1. Executive directors Mr Clayton and Mr Robertson recommend that Shareholders vote in favour of Resolution 1.

The Chairman intends to exercise all available undirected proxies in favour of Resolution 1.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form (including via an online voting facility) you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

Option issues to Directors in the last three years were as follows:

- (a) 60,000,000 options to Alastair Clayton as part of his remuneration package;

50% of these options, exercise price \$0.05, will lapse on 31 July 2022. The remaining 50%, with exercise price \$0.075 will expire on 31 January 2023.

On 30 September 2020, 5,000,000 options were issued to Mr Boyd Timler on agreeing to become a Director of the Company. These options were cancelled on Mr Timler's resignation on 24 May 2021.

On 30 November 2020, the Company obtained shareholder approval under ASX Listing Rule 10.11 to issue the following securities to Mark Potter, which were issued on 1 December 2020:

- (a) 5,000,000 options with expiry date 1 December 2023 and price \$0.18 as part of his remuneration package; and
- (b) 5,000,000 options with expiry date 1 December 2025 and price \$0.25 as part of his remuneration package.

On 25 November 2021, the Company obtained shareholder approval under ASX Listing Rule 10.11 to issue the following securities to Simon Dominy, which were issued on 20 December 2021: 2,000,000 options with an expiry date of 20 December 2024 and an exercise price of \$0.15 as part of his remuneration package.

On 1 July 2022, the Company issued 2,000,000 options to Vivienne Powe with an expiry date of 31 July 2025 and an exercise price of \$0.05, on agreeing to become a director of the Company.

5 resolution 2 - 4 - issues of options to RELATED PARTIES

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 23,000,000 Options (**Related Party Options**) to Messrs Alastair Clayton, Mark Potter and Guy Robertson (or their nominees) (**Related Parties**) on the terms and conditions set out below, and otherwise as set out in SCHEDULE 2:

- (a) Alastair Clayton: 13,000,000 Related Party Options
- (b) Mark Potter: 7,000,000 Related Party Options
- (c) Guy Robertson: 3,000,000 Related Party Options

The purpose of granting the Related Party Options is to remunerate Directors with Options, conserving cash reserves whilst also aligning the Directors' interests with Shareholders. The grant of the Related Party Options also provides the Director with material incentive to progress the Carlow Castle and Paterson Central projects and maximise value for shareholders.

5.2 Regulatory requirements

Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the company unless either:

- a) the giving of the financial benefit falls within one of the exceptions set out in sections 210 to 216 of the Corporations Act; or
- b) prior shareholder approval is obtained to the giving of the financial benefit.

Related Party is widely defined under the Corporations Act, and includes directors of a company. Financial benefit is defined broadly and includes benefits from the public company's subsidiaries. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. The Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

As it is proposed that securities to be issued to Related Parties are to be issued to all of the Company's Directors the Directors have been unable to form quorum to consider whether

one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to these issues. Accordingly, Shareholder approval is sought for the issue to the Directors.

ASX Listing Rules

The proposed issue of securities to the Company's Directors or their nominees requires Shareholder approval under Listing Rule 10.11. Resolutions 2 to 4 seek Shareholder approval under Listing Rule 10.11 for the issue of securities to entities controlled by the Directors to remunerate the Directors.

If approval is given under Listing Rule 10.11, Shareholder approval is not required under Listing Rule 7.1. Shareholder approval of the issue of the securities to the above related parties means that these issues will not reduce the Company's 15% placement capacity under Listing Rule 7.1.

As required by Listing Rule 14.1A:

If Resolutions 2 to 4 are passed, then the Company will be able to proceed with the issue of the Related Party Options to Mr Clayton, Mr Potter and Mr Robertson (or their nominee/s).

If Resolutions 2 to 4 are not passed, then the Company will not be able to proceed with the issue of the Related Party Options to Mr Clayton, Mr Potter and Mr Robertson (or their nominee/s). The Company may have to consider alternative methods of remunerating Mr Clayton, Mr Potter and Mr Robertson which may take the form of increased cash payments, which would reduce the Company's cash reserves.

5.3 Information required by Chapter 2E of the Corporations Act

For the purposes of section 219 of the Corporations Act and ASIC Regulatory Guide 76, the following information is provided to Shareholders to enable them to assess the merits of the Resolutions:

- (a) The related party to whom Resolutions 2 to 4 would permit the benefit to be given are Alastair Clayton, Mark Potter and Guy Robertson each a Director.
- (b) The nature of the financial benefit:
 - (i) Alastair Clayton: 13,000,000 Related Party Options;
 - (ii) Mark Potter: 7,000,000 Related Party Options; and
 - (iii) Guy Robertson: 3,000,000 Related Party Options.
- (c) The options are exercisable on terms set out in SCHEDULE 2.
- (d) Reasons for giving the benefit: The reason for giving the benefit is set out in section 5.1 above.
- (e) The existing relevant interest of the Related Parties in securities of the Company are set out below:

	Alastair Clayton	Mark Potter	Guy Robertson
Shares	7,250,000	Nil	4,000,001
Options which will lapse on 31 July 2022	30,000,000	5,000,000	-
Options - other	30,000,000	15,000,000	-

- (f) Total remuneration package

Related Party	Current Financial Year (Estimated 30 June 2022) (\$)	Previous Financial year (Actual 30 June 2021) (\$)
Mark Potter	\$120,000	\$125,132

Alastair Clayton	\$326,000	\$328,535
Guy Robertson	\$114,000	\$84,000

(g) Dilution

The Company's issued share capital will not change as a result of the issue of the Related Party Options to the Related Parties.

If the Related Party Options granted to the Related Parties are exercised, a total of 23,000,000 Shares would be issued. This will increase the number of Shares on issue from 1,388,330,984 to 1,411,830,984 (assuming no other Shares are issued) with the effect that the shareholding of existing Shares would be diluted by an aggregate of approximately 1.6%.

(h) Valuation of the financial benefit to be given

The Related Party Options have a deemed value of \$0.0151 per Option (value being measured using the Black & Scholes option pricing model by 22 Corporate Advisory Pty Ltd). Accordingly, the total deemed value of the Related Party Options to be issued to the Related Parties is as follows:

- (i) Alastair Clayton: \$196,300
- (ii) Mark Potter: \$105,700; and
- (iii) Guy Robertson: \$45,300

Assumptions	Options
Valuation date	4/7/2022
Market price of Shares	\$0.03
Exercise price	\$0.05
Expiry date (length of time from issue)	3.08 years
Risk free interest rate	2.985%
Volatility (discount)	94%
Indicative option value (rounded)	0.0151
Total number of the Options	23,000,000
Total option value of the Options	\$347,300

(i) Other Information

The Directors are not aware of any other information that is reasonably required by Shareholders to allow them to make a decision on whether it is in the best interests of the Company to pass Resolutions 2 to 4.

5.4 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, an entity must not issue, or agree to issue, equity securities to:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a

substantial (30%+) holder in the entity;

- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holding in the entity and who has nominated a director to the board pursuant to a relevant agreement which gives them the right or expectation to do so;
- (d) an associate of a person referred to in paragraphs (a), (b), or (c) above; or
- (e) a person whose relationship with the entity or a person referred to in any of paragraphs (a) to (d) above is such that, in ASX's opinion the issue or agreement should be approved by securityholders,

unless it obtains the approval of its ordinary security holders.

As the issue of Related Party Options to Mr Clayton, Mr Potter and Mr Robertson (or their nominee/s) constitutes the issue of equity securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

The Company therefore seeks the required Shareholder approval for the issue of the Related Party Options to Mr Clayton, Mr Potter and Mr Robertson (or their nominee/s), under and for the purposes of Listing Rule 10.11.

5.5 Resolutions 2-4 - Information required by Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to these Resolutions:

- (a) the Related Party Options will be issued to Messrs Clayton, Potter and Robertson, being Directors of the Company, or their nominees;
- (b) a maximum of 23,000,000 Related Party Options will be issued as follows:
 - (i) Alastair Clayton: 13,000,000 Related Party Options
 - (ii) Mark Potter: 7,000,000 Related Party Options; and
 - (iii) Guy Robertson: 3,000,000 Related Party Options.
- (c) Options are exercisable at 5 cents on or before 31 July 2025 and otherwise on terms are set out in SCHEDULE 2.
- (d) The Related Party Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue will occur on the same date.
- (e) The Related Party Options will be granted for nil cash consideration and for the purpose of remunerating and incentivising the recipients. Accordingly, no funds will be raised. Funds raised from the exercise of the Related Party Options will be used towards developing the Carlow Castle and Paterson Central projects and working capital.
- (f) Details of the recipients' current total remuneration packages are set out above.
- (g) There are no other material terms in relation to the proposed issue.
- (h) A voting exclusion statement is included in the Notice.

5.6 Director's Recommendations

The Directors decline to make a recommendation on Resolutions 2 to 4 as there may be a conflict of interest.
