ASX ANNOUNCEMENT &
MEDIA RELEASE

9 November 2026

Completion of Entire acquisition

Completion of acquisition

Southern Cross Electrical Engineering Limited ("SCEE") is pleased to announce that, further to its ASX announcement of 12 October 2026, on 6 November 2026 it completed the acquisition of Entire Operations Pty Limited ("Entire"), a leading Victorian fire protection and mechanical (HVAC) group, delivering engineering, design, fabrication, construction, commissioning and maintenance services, effective 1 November 2026.

Headquartered in Melbourne, Entire provides end-to-end capabilities across construction, minor works and recurring maintenance, with operations primarily in Victoria and a growing presence in Queensland.

This acquisition aligns with SCEE's strategy to add adjacent and complementary capabilities, while increasing its exposure to critical services and recurring revenues. Entire provides SCEE with an entry into mechanical services, broadening the Group's ability to deliver integrated, multi-disciplinary solutions to customers. The acquisition also advances SCEE's strategy to build a national fire services platform and provides broader geographic coverage with a strong base in Victoria.

The upfront cash consideration of $70.0m has been paid to the vendors.

Authorised for release by Graeme Dunn – SCEE Group Managing Director
