Webinar – Company Update

ADX Energy Ltd (ASX:ADX) (ADX Energy or Company) is pleased to invite shareholders and investors to a webinar with a spotlight on the Company's highly prospective **Sicily Channel Permit**. The ADX Corporate and Italy teams will provide insights into recent progress, technical highlights, and forward plans for this strategically located asset.

The Webinar will summarise the Company's exploration initiatives and value creation strategy in Italy's offshore energy frontier. The presentation will include a live Q&A session, giving participants the opportunity to engage directly with management. Questions can also be submitted in advance at the time of registration.

Shareholders and investors are invited to register using the Webinar URL link for the free webinar below:
