An eligible participant is a person invited by the Board to be an eligible participant including full, part time or casual employees, contractors, directors of the Company or an associated body corporate of the Company, or a prospective participant being a person to whom an invitation is made but who can only accept the invitation if an arrangement has been entered into that will result in the person becoming a full, part time, or casual employee, contractor, director of the Company (Eligible Participant).

#### **Purpose**

The Alto Metals Limited Employee Securities Incentive Plan (Plan) is designed to assist in attracting and retaining key personnel required for the ongoing management and continued growth and development of the Company in the future. Securities issued under the Plan are expected to increase the motivation of Employees of the Company, promote retention of Employees, align Employee interests with those of the Company and its shareholders and to reward Employees who contribute to the growth of the Company.

### Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

### Offers

The Board may from time to time and in its absolute discretion determine that an Eligible Participant may participate in the Alto Metals Limited Employee Securities Incentive Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

### Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Incentive Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate and/or benefit from any transaction arising from or in connection with the change of control event.

### **Incentive Securities**

Incentive Securities are Incentive Options, Incentive Performance Rights, Shares or any other securities issued under the Employee Securities Incentive Plan.

### **Grant of Securities**

The Company will grant to the Eligible Participant the relevant number of Securities subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

## Lapse

If at any time before the exercise of an Incentive Option or an Incentive Performance Right, a holder ceases to be an Eligible Participant:

(a) by reason of death, disability, bona fide redundancy or other reason approved by the Board, and at that time the Eligible Participant continued to satisfy any other relevant conditions of the grant, the Board may determine the extent to which the Incentive Securities held by the Eligible Participant vest; and a period of time for the Incentive Options or Incentive Performance Rights to be exercised;

or

(b) for any other reason, all Incentive Options or Incentive Performance Rights held by the Eligible Participant will automatically lapse unless the Board otherwise determines within 30 days of the holder ceasing to be an Eligible Participant.

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all of the vesting conditions have been satisfied or have been waived by the Board, a vesting notice will be sent to the Eligible Participant informing them the relevant Convertible Securities have vested. If the vesting conditions relevant to a Convertible Security are not satisfied and /or otherwise waived by the Board, that Convertible Security will lapse.

### Shares issued on exercise of Incentive Options and Incentive Performance Rights

Each Incentive Option or Incentive Performance Right entitles the holder to one fully paid ordinary share on exercise of the Incentive Option or Incentive Performance Right.

The Board may decide in its absolute discretion that an Eligible Participant may make use of a "cashless exercise facility" whereby the Eligible Participant will not be required to provide payment of the Exercise Price of Incentive Options or Incentive Performance Rights, but that on exercise of the Incentive Options or Incentive Performance Rights, the Eligible Participant may elect that the Company instead allot and issue the number of Shares that are equal in value to the difference between the then Share price and the Exercise Price otherwise payable in relation to the Incentive Options or Incentive Performance Rights (with the number of Shares rounded down).

### **Limitation on number of Securities**

If the Company is relying on the ASIC relief to issue Incentive Securities then, at the time of making the offer of Incentive Securities, the Company must have reasonable grounds to believe that the number of Shares to be received on the exercise of all Incentive Securities under the *Alto Metals Limited Employee Securities Incentive Plan* when aggregated with the number of Shares that have been issued or that may be issued during the previous 3 years under any Plan of the Company must not exceed 18 million.

### Restrictions on trading

The Board may determine, prior to the offer of the relevant Incentive Securities, any restrictions upon trading in Shares issued under the Plan or issued pursuant to the exercise of an Incentive Security.
