Switzer Dividend Growth Fund – Active ETF

Announcement – Distribution reinvestment plan price for the month ending 30 September 2025

Further to the announcement made on 26 September 2025, AGP Investment Management Limited advises that the distribution reinvestment price for the distribution payable by the fund on 21 October 2025 is \$2.4454.

Distribution Reinvestment Plan (DRP) Reminder

The deadline to elect to participate in the September 2025 DRP has now passed.

To participate in the DRP for future distribution, we recommend speaking with your financial adviser or completing the steps outlined below.

1. Logging into <https://au.investorcentre.mpms.mufig.com/Login.aspx/Login>;
2. Selecting issuer name “AGPL - AGP INVESTMENT MANAGEMENT LIMITED” and selecting SWTZ as the fund,
3. Selecting ‘Payments & Tax’ then ‘Reinvestment Plans’,
4. Selecting ‘Create Instructions’ under SWTZ in the ‘Action’ section, and
5. Selecting either ‘Full Participation’ or ‘Partial Participation’.

The DRP provides unitholders with a cost-effective means of maximising their investment in the Fund by reinvesting their distributions into additional units in the Fund¹. Units issued under the DRP will be free of any brokerage, commission, stamp duty and other transaction costs and will rank equally with existing units from the date of issue.

The issue price for units allotted under the DRP will be the Fund’s net asset value per unit at the end of the ASX Trading Day on the Record Date. Any residual amounts will count towards future DRP allotments.

Thank you for your continued investment in SWTZ. If you have any questions, please contact the team at Associate Global Partners Limited on 1300 052 054 or invest@associateglobal.com.

Sincerely,

Mark Licciardo

Company Secretary
