AUB TRANSFORMATION: FY19 TO FY26

Seven years of deliberate transformation have built a larger, stronger and more valuable AUB Group, positioned for continued profit growth

FY20 – Portfolio Refocus

Optimised Head Office, exited Health & Rehabilitation Services and acquired BizCover to sharpen strategic focus and add leading digital capabilities

FY21 – Broker Network Optimisation

Commenced broker consolidation and enhanced the Austbrokers Member Services proposition to strengthen network performance and operating leverage

FY22 – Agencies Platform

Launched AUB's Agency Strategy through acquisition of 360 (FY21), creating a scalable specialist agency platform – followed by investments in SUU (FY23) and Pacific Indemnity (FY25)

FY23 – Wholesale Capability

Acquired Tysers, expanding AUB's position across the insurance value chain and strengthening international capabilities

FY24 – Global Platform

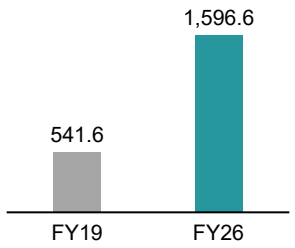

Focused on integration, operational alignment and delivery of strategic and financial benefits from the Tysers acquisition

FY25 – UK Retail

Expanded UK Retail broking and MGA capabilities through investments in Momentum, Movo and Prestige

1. *In order to give a more comprehensive view of performance, figures include results from 'associates' (not consolidated in the financial statements) at an aggregate 100% of all business revenues, expenses and profits with those of the consolidated businesses before deducting outside shareholder interests. Excludes AUB Group Corporate Revenue and Expenses. Results shown in AUD*
2. *Underlying Net Profit After Tax is the key measure used by management and the board to assess and review business performance. Underlying NPAT is after non-controlling interests and excludes the cost of amortisation of customer and servicing contracts, fair value adjustments on consolidation or deconsolidation, impairment charges, movements in contingent consideration, the impacts of a reduction in interest in associates and disposals of controlled entities, and the costs associated with strategic change programs, arranging debt and acquisition related costs. Results shown in AUD*

FY26 PERFORMANCE OVERVIEW

Continued delivery of strong UNPAT growth and margin expansion

NOTICE

SUMMARY INFORMATION

This document has been prepared by AUB Group Limited (ABN 60 000 000 715) (AUB). It is a presentation of general background information about AUB's activities current at the date of the presentation. It is information in a summary form and does not purport to be complete. It is to be read in conjunction with AUB's other announcements released to ASX (available at www.asx.com.au). It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor. These should be considered, with professional advice, when deciding if an investment is appropriate.

TERMINOLOGY

This presentation uses Underlying NPAT to present a clear view of the underlying profit from operations. Underlying NPAT comprises consolidated profit after tax adjusted for value adjustments for the carrying value of associates, after tax profits on the sale of portfolios, interests in associates and controlled entities, contingent consideration adjustments, and income tax credits arising from the recognition of deferred tax assets. It is used consistently and without bias year on year for comparability. A reconciliation to statutory profit is provided in the appendix to this Presentation.
