Proposed acquisition of Cygnus Metals Limited by Central Asia Metals PLC for A\$232 million

Transaction highlights

- Central Asia Metals PLC ('**CAML**') to acquire Cygnus Metals Limited ('**Cygnus**') via Australian scheme of arrangement, offering 0.06 New CAML Shares per Cygnus share, implying an equity value of Cygnus of ~A\$232 million¹
- Transaction adds the Chibougamau Project in Québec, Canada (the '**Chibougamau Project**'), a flagship high-grade copper-gold development asset in a high-quality jurisdiction, to CAML's portfolio of producing operations
- Transaction enhances scale, commodity and geographic diversification of CAML, combining cash-generative assets and long-term exploration potential with a near-term development growth pipeline
- CAML's strong balance sheet provides a clear funding pathway to advance the Chibougamau Project, and to de-risk its development, supported by CAML's technical capabilities as a proven operator
- All-scrip transaction delivers premium for Cygnus shareholders while retaining upside exposure to the Chibougamau Project
- Major shareholders of Cygnus, which together currently own and/or control in aggregate approximately 29% of Cygnus Shares on issue have confirmed their intention to vote their respective Cygnus Shares in favour of the Scheme at the Scheme Meeting subject to the qualifications referenced in this announcement²

Central Asia Metals PLC (AIM: CAML) and Cygnus Metals Limited (ASX: CY5, TSXV: CYG, OTCQB: CYGGF) are pleased to announce that they have entered into a definitive Scheme Implementation Deed ('**SID**') under which CAML has agreed to acquire 100% of the fully paid ordinary shares in Cygnus ('**Cygnus Shares**') with each Cygnus

¹ The terms of the Scheme value each Cygnus Share at A\$0.176 per Cygnus Share based on the closing price of £1.56 per CAML share and a A\$:\$ exchange rate of A\$1:£0.53 on 1 June 2026. The Scheme Consideration is based on 1,220,913,340 Cygnus Shares on issue, 1,050,000 Cygnus Shares to be issued as Stage 4 consideration for acquisition of the Beryl and Sakami projects, along with 83,621,706 Cygnus performance rights, 3,146,535 Cygnus share rights and 11,094,785 Cygnus options. For the purposes of calculating the implied equity value of the Scheme Consideration, all performance rights and share rights are assumed to convert into ordinary shares and all outstanding in-the-money options are assumed to be exercised prior to the Record Date.

² Refer to the section of this announcement titled 'Cygnus Shareholder Support' for further information regarding the voting intention statements (and the qualifications to those statements) and shareholders who have provided them.

shareholder being entitled to receive 0.06 new CAML shares for each Cygnus Share held at the prescribed record date (**'New CAML Shares'**). The transaction, as contemplated in the SID, will be implemented by way of an Australian Court-approved scheme of arrangement pursuant to Part 5.1 of Australia's *Corporations Act 2001* (Cth) (**'Corporations Act'**) (**'Scheme'**).

The terms of the Scheme value each Cygnus Share at A\$0.176 per Cygnus Share based on the closing price of £1.56 per CAML share and a A\$:£ exchange rate of A\$1:£0.53 on 1 June 2026 (**'Scheme Consideration'**). The Scheme Consideration values the fully diluted share capital of Cygnus at A\$232 million³.

Immediately following implementation of the Scheme, it is expected that existing CAML shareholders will own approximately 70%, and Cygnus shareholders will own approximately 30%, of CAML's enlarged fully diluted issued share capital⁴.

The acquisition of Cygnus will add a flagship development-stage asset through a 100% interest in the Chibougamau Copper-Gold Project, a high-grade deposit located in Québec, Canada to CAML's existing portfolio of producing and cash-flow generative assets located in North Macedonia and Kazakhstan and its exploration projects. The latest Mineral Resource Estimate (**'MRE'**) published by Cygnus in late 2025 for the Chibougamau Project is 6.4 million tonnes at a 2.3% copper grade (**'Cu'**), 0.8g/t gold grade (**'Au'**) and 7.6g/t silver grade (**'Ag'**) in the Measured and Indicated Resource categories and 8.5 million tonnes at a 2.1% Cu grade, 1.7g/t Au grade and 7.9g/t Ag grade in the Inferred Resource category⁵.

Cygnus shareholders will be asked to approve the Scheme at a scheme meeting (**'Scheme Meeting'**) which is expected to be held in September 2026, with implementation of the Scheme to occur shortly thereafter. For the Scheme to proceed, it must be approved by at least 75% of all votes cast by Cygnus shareholders and a majority of Cygnus shareholders present and voting (in person or by proxy) at the Scheme Meeting, and the Scheme will also require approval by a simple majority of the votes cast by Cygnus shareholders, excluding the votes of certain related parties as prescribed by Canadian securities regulation Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*, at the Scheme Meeting.

Prior to the Scheme Meeting, CAML will also convene a shareholder meeting to approve the allotment of the New CAML Shares and grant of the New CAML Options (as defined below) (**'CAML Meeting'**). The CAML shareholder resolution required will be duly-passed by a simple majority of those CAML shareholders who vote.

Under the SID, CAML has agreed to use all reasonable endeavours to apply for approval for listing its ordinary shares on the Toronto Stock Exchange (**'TSX'**) or TSX Venture Exchange (**'TSXV'** and, together with the TSX, a **'Recognised Canadian Exchange'**) prior to implementation of the Scheme, to provide holders of New CAML Shares the ability to trade on the TSX or TSXV and to broaden CAML's investor base in North America. Any such listing will be subject to the satisfaction of the Recognised Canadian Exchange's applicable listing requirements and the receipt of all relevant regulatory approvals. For the avoidance of doubt, the proposed listing will have no effect on CAML's quotation on the AIM market of the London Stock Exchange, including its compliance with the relevant continuing admission requirements. There can be no certainty that a listing on a Recognised Canadian Exchange will be achieved, or as to the timing thereof, and CAML will make further announcements as appropriate.

Transaction highlights and rationale for Cygnus shareholders

- **Immediate value realisation for Cygnus shareholders**
 - 60% premium to Cygnus' last closing price on 1 June 2026 of A\$0.11 per Cygnus Share

³ Refer footnote 1.

⁴ Based on 79 million New CAML Shares having been issued to Cygnus shareholders under the terms of the proposed Scheme. For the purposes of calculating the fully diluted issued share capital, all performance rights and share rights of Cygnus are assumed to convert into ordinary shares and all outstanding in-the-money options of Cygnus are assumed to be exercised prior to the Record Date.

⁵ Refer to Cygnus' ASX announcement titled 'Cygnus reports a 78% increase in M&I resource at its Chibougamau Copper-Gold Project' dated September 17, 2025.

- 49% premium to Cygnus' 20-day volume weighted average price ('VWAP') to 1 June 2026 of A\$0.12 per Cygnus Share
- **Provides exposure to strong balance sheet and cash generating business that de-risks development of the Chibougamau Project**
 - The Scheme provides exposure to CAML's robust and sustainable cash flow with CAML reporting free cash flow of US\$56 million in FY2025 and with existing analyst forecasts indicating a substantial improvement in free cash flow in FY2026
 - CAML has continually demonstrated its ability to return capital to shareholders, with FY2025 full year dividends of 12 pence per share declared (US\$28 million in total)
 - Free cash flow to be used in part to fund advancement of the Chibougamau Project
- **Commodity and project diversification, whilst retaining upside exposure to the Chibougamau Project**
 - Immediate exposure to CAML's producing assets reduces exposure to risks associated with potential development of a single asset operation and further diversifies commodity and jurisdictional exposure
 - 2026 production guidance for CAML of 12,000-13,000 tonnes of copper cathode, 18,000-20,000 tonnes of zinc-in-concentrate and 26,000-28,000 tonnes of lead-in-concentrate⁶
 - Scrip consideration preserves Cygnus shareholders' exposure to upside at Chibougamau as exploration and development progresses, supported by CAML's stronger balance sheet, while reducing funding requirements and mitigating future dilution risk
- **Increased trading liquidity in a diversified AIM50 quoted vehicle**
 - CAML's shares are quoted on the AIM market of the LSE and are included in the FTSE AIM UK 50 and 100 indices
 - Cygnus shareholders to be exposed to increased liquidity, with one-month Average Daily Traded Value for CAML of ~A\$2.0 million compared with Cygnus of ~A\$0.2 million
 - CAML to use all reasonable endeavours to apply for approval for listing its ordinary shares on a Recognised Canadian Exchange
- **CAML management team has extensive project development and operational experience**
 - Cygnus shareholders expected to benefit from CAML's proven project development and operational expertise particularly in base metals, underground mining, processing and dry stack tailings
 - CAML's team has a strong track record and reputation in environmental, social and governance matters, placing importance on developing and maintaining firm local relationships in its areas of current operation

Transaction highlights and rationale for CAML shareholders

- **Transformative acquisition**
 - Once in production, the Chibougamau Project has the potential to add meaningfully to CAML's annual copper-equivalent output and cash flows
 - The acquisition adds material near-term growth to CAML's portfolio, with a flagship development-stage copper-gold asset to complement existing operations, and additional resource upside potential from ongoing exploration at and around the Chibougamau deposits
- **High-grade development project with significant exploration potential**
 - High-grade copper-gold project with an MRE of 6.4 million tonnes at a 2.3% Cu grade, 0.8g/t Au grade and 7.6g/t Ag grade in the Measured and Indicated Resource categories and 8.5 million

⁶ Central Asia Metals PLC, 2025 Operations Update, dated 8 January 2026.

tonnes at a 2.1% Cu grade, 1.7g/t Au grade and 7.9g/t Ag grade in the Inferred Resource category⁷

- This equates to 149,000 tonnes of contained copper and 167,000 ounces of gold in M&I resources (with a further 182,000 tonnes of copper and 454,000 ounces of gold in Inferred) underpinning the scale and quality of the asset
- The presence of an historical 900,000 tonnes per annum processing plant on site is expected to provide a significant head start and lower capital requirements for the project once refurbished
- Updated PEA study* is already under way and would be completed by CAML
- **Increased copper exposure in a tier-one jurisdiction**
 - Québec, Canada, is a world-class mining jurisdiction known for stable and supportive policies, a highly skilled workforce and abundant low-cost hydroelectric power
 - Canada's federal Critical Minerals Infrastructure Fund has approved co-funding for feasibility studies on transport and power infrastructure linking the Chibougamau deposits to the central processing facility, underscoring Québec's commitment to enabling new copper production
 - The acquisition of Cygnus would broaden CAML's geographical footprint beyond Kazakhstan and North Macedonia, enhancing portfolio diversification
- **Clear pathway to project development**
 - Baseline environmental and engineering studies for the Chibougamau Project have commenced, and the project will be progressing through the permitting process in parallel with ongoing resource drilling and advanced study work
 - CAML will leverage its mine development expertise to complete an updated PEA* and progress further feasibility studies in due course leading to project development

***Preliminary Economic Assessment ('PEA')**

The outcomes of the PEA were first announced by Doré Copper Mining Corp. on 10 May 2022 and the comprehensive technical report underpinning the PEA was announced by Doré in accordance with the requirements of NI 43-101 on 15 June 2022 ('**2022 Technical Report**'). The 2022 Technical Report was prepared by BBA Inc. with several consulting firms contributing to sections of the study, including SLR, SRK Consulting (Canada) Inc. and WSP Inc. The 2022 Technical Report and the announcement are available on SEDAR.

Cygnus cautions that the PEA is a preliminary technical, conceptual and economic study undertaken by Doré of the initial evaluation and potential development of the Chibougamau Project. It is at scoping study level only, which is based on a lower level of technical assessment that is not sufficient to support the estimation of Ore Reserves and is inherently uncertain. The production targets and forecast financial information disclosed in the PEA are underpinned by Measured Mineral Resources (approximately 1.17%), Indicated Mineral Resources (approximately 32.10%) and Inferred Mineral Resources (approximately 66.73%). However, Cygnus is not able to disclose the outcomes of the PEA as the significant proportion of Inferred Resources included in the life of mine means that pursuant to ASX and ASIC guidance there is not considered to be sufficiently reasonable grounds for the production targets and forecast financial information disclosed in the PEA. Accordingly, Cygnus is not disclosing the production targets and forecast financial information reported in the PEA and cautions investors against making investment decisions based on such targets and forecasts.

Commenting on the Scheme, Nick Clarke, CAML's Non-Executive Chairman, said:

"We see this transaction as a compelling opportunity for CAML to add a high-grade copper-gold asset that fits well alongside our existing operations. Bringing the Chibougamau Project into the portfolio provides a clear pathway to near-term growth, with the potential to make a meaningful contribution to production and cash

⁷ Refer to Cygnus' ASX announcement titled 'Cygnus reports a 78% increase in M&I resource at its Chibougamau Copper-Gold Project' dated September 17, 2025

flow. The Scheme is consistent with our disciplined approach to pursuing acquisitions that enhance long-term cash generation.”

Commenting on the Scheme, Gavin Ferrar, CAML’s Chief Executive Officer, said:

“The addition of this high-grade copper-gold project in a tier-one jurisdiction represents a material step to strengthening our portfolio. We have been impressed by the quality and experience of the Cygnus team and look forward to working closely with them to integrate the Chibougamau Project, complete an updated PEA and advance the asset towards a feasibility study. We also look forward to working in collaboration with our host communities and other key stakeholders, including the Oujé-Bougoumou Cree Nation, the City of Chibougamau and the Government of Québec.”

Commenting on the Scheme, David Southam, Cygnus’ Executive Chairman, said:

“This transaction is a true win-win outcome for both sets of shareholders. Cygnus shareholders can maintain their exposure to the Chibougamau Project while reaping the benefits of a highly respected base metals operating company that produces free cash flow and pays dividends. These strengths are expected to mitigate for existing shareholders certain future financial burdens associated with project development. CAML has all the necessary experience in underground mining, processing, dry stack tailings and concentrate production to deliver the Chibougamau Project. Importantly, CAML has a strong social licence in its current operations and we expect them to be an excellent partner for our local communities and other stakeholders.”

Scheme structure and certain terms of the SID

Under the SID, CAML will acquire 100% of the Cygnus Shares by way of the Scheme, pursuant to which Cygnus shareholders will receive 0.06 New CAML Shares per Cygnus Share held.

Implementation of the Scheme is subject to customary and other conditions, including (among other things):

- Receipt of specified North Macedonian and Kazakhstan regulatory approvals;
- An independent expert concluding and continuing to conclude that the Scheme is in the best interest of Cygnus' shareholders;
- Approval of the Scheme by Cygnus' shareholders in accordance with Australia's Corporations Act and applicable Canadian securities laws at the Scheme Meeting;
- An ordinary resolution of CAML's shareholders authorising the Directors to issue the New CAML Shares pursuant to the Scheme and grant the New CAML Options (as defined below), as required by the Companies Act 2006 of England and Wales;
- No Cygnus or CAML material adverse change, prescribed occurrence or regulated event arising (each as defined in the SID); and
- Requisite Australian Court approvals.

In addition, the SID contains customary exclusivity provisions, including no shop, no talk and no due diligence, and a notification obligation and a matching right in favour of CAML. The SID also contains reciprocal break fee provisions. The amount of the break fee, should it become payable, is approximately A\$2.3 million. A copy of the SID is attached to this announcement.

As part of the Scheme and subject to any required regulatory approvals, CAML intends to establish a share sale facility to give smaller Cygnus shareholders the ability to have their CAML shares sold following implementation of the Scheme. Cygnus shareholders (other than ineligible foreign shareholders) holding 85,176 or less Cygnus Shares as at the record date for the Scheme will be able to elect to have the New CAML Shares they would have otherwise received under the Scheme sold on their behalf, following implementation of the Scheme, by a third-party broker through the share sale facility (**'Sale Facility'**).

If CAML obtains approval for a listing of its ordinary shares on a Recognised Canadian Exchange, eligible Cygnus shareholders, being those Cygnus shareholders who do not participate in the Sale Facility and who have a registered address in Australia, Canada, New Zealand, Singapore, the United Kingdom or the United States of America (**'Eligible Cygnus Shareholders'**), will be entitled to elect to have their New CAML Shares to be tradable on AIM or a Recognised Canadian Exchange (**'Exchange Election'**). In the event an Eligible Cygnus Shareholder makes a valid election for their New CAML Shares to be tradable on a Recognised Canadian Exchange and approval for the New CAML Shares to be listed on a Recognised Canadian Exchange is not obtained, they will receive their New CAML Shares that can be tradable on the AIM.

Eligible Cygnus Shareholders who do not make a valid election prior to the election cut-off date will be deemed to have elected to receive their New CAML Shares that can be tradable on the AIM.

Further details on how Cygnus shareholders may participate in the Sale Facility and Exchange Election (as applicable) will be included in the Scheme Booklet to be issued by Cygnus.

As a condition precedent to the Scheme, before the Court hearing to approve the Scheme, each holder of options in Cygnus (a ‘**Cygnus Optionholder**’) must have either (i) exercised their options in Cygnus (‘**Cygnus Options**’) and received Cygnus Shares; (ii) entered into an agreement under which all of their Cygnus Options will be automatically exercised upon the Scheme becoming effective; or (iii) agreed, to the extent their options are not exercised before the Scheme record date, to their Cygnus Options being transferred to CAML or cancelled in exchange for replacement options over the ordinary share capital of CAML on terms substantially equivalent to the Cygnus Option it replaces (‘**New CAML Options**’).

Subject to the Scheme becoming effective and normal regulatory conditions, it is CAML’s intention to appoint a current director of Cygnus to the CAML Board to support continuity of management of the Chibougamau Project. It is also CAML’s intention to retain all Canada-based employees of Cygnus following implementation of the Scheme.

Subject to Australian Court approval, Cygnus intends to distribute an explanatory statement to its shareholders (‘**Scheme Booklet**’) containing information in relation to the Scheme, including the basis for the Cygnus Board’s unanimous recommendation, an independent expert’s report providing an assessment as to whether the Scheme is in the best interest of Cygnus shareholders, and other matters relevant to Cygnus shareholders, indicatively around mid-August 2026.

The Scheme Meeting of Cygnus shareholders to approve the Scheme is expected to be held in mid-September 2026. Subject to the conditions of the Scheme being satisfied or waived (as applicable), the Scheme is expected to be implemented in September 2026.⁹

CAML will be publishing a circular to its shareholders containing a notice of extraordinary general meeting in due course at which it will propose the ordinary resolution described above.

CAML and Cygnus will keep the market informed of any material developments in accordance with their respective disclosure obligations.

About CAML

Central Asia Metals PLC is a UK-incorporated base metals producer, headquartered in London. CAML has been admitted to trading on the AIM market of the London Stock Exchange since its IPO in 2010. Today CAML has a market capitalisation of approximately US\$381 million, and base metal operations in Europe and Central Asia. The Board of Directors of CAML is composed of UK-based senior level executives, bringing a mix of international mining experience, capital markets experience and environmental, social and governance experience.

CAML owns 100% of the Sasa underground zinc-lead mine in North Macedonia, Europe, and 100% of the Kounrad solvent extraction and electrowinning (SX-EW) copper operation in central Kazakhstan. CAML also has two exploration subsidiaries formed to progress early-stage exploration opportunities in Kazakhstan, and a 32.6% interest in Aberdeen Minerals Ltd, a privately-owned UK company focused on the exploration and development of base metals opportunities in northeast Scotland.

Kounrad produces copper by leaching metal directly from historical waste dumps, eliminating the need for conventional mining activities such as drilling, blasting and ore transport, which underpins its low-cost, efficient operation. The process uses SX-EW, a two-stage hydrometallurgical method whereby dilute sulphuric acid first dissolves copper from low-grade material, after which the copper is selectively extracted into an organic solvent and then stripped using a strong acid solution. The resulting copper-rich solution is processed through electrowinning, where high-purity copper is plated onto stainless steel cathodes. To date, more than 180,000 tonnes of copper cathode have been produced.

Sasa is an underground zinc and lead mine consisting of three deposits – Svinja Reka, Kozja Reka and Golema Reka – producing around 800,000 tonnes each year. Operations involve drilling and blasting with mechanised equipment, supported by a network of haulage levels and sub-levels. The mine is transitioning from traditional sub-level caving to more efficient bottom-up methods with enhanced safety, including cut-and-fill and long-hole stoping with paste backfill. Ore handling is split between underground rail haulage via the Golema Reka shaft and truck transport to surface, with efficiency recently improved by the completion of the Central Decline. At the surface, ore undergoes multi-stage crushing and milling before flotation produces separate lead and zinc concentrates, which are filtered, stored and sold to smelters.

About Cygnus

Cygnus Metals Limited is a diversified critical minerals exploration and development company with key assets located in Tier 1 mining jurisdictions, including Québec, Canada and Western Australia. Cygnus acquired the Chibougamau Project as part of its merger with Doré Copper Mining Corp. ('Doré') completed on 31 December 2024. The Chibougamau Project, located in central Québec approximately 480 kilometres due north of Montreal, has excellent infrastructure with an historical 900,000 tonne per year processing plant facility. The company's primary focus is to advance the Chibougamau Project with an aggressive exploration program to drive resource growth and develop a hub-and-spoke operation model with its centralised processing facility. In addition, Cygnus has quality lithium assets with significant exploration upside in the world-class James Bay district in Québec, and rare earth element and base metal projects in Western Australia.

The Chibougamau Copper-Gold Project

Cygnus has consolidated a large land package of over 278 square kilometres in the prolific Chibougamau mining district that has produced over 945,000 tonnes of copper and 3.5 million ounces of gold from 16 former producing mines between the early 1900s and 2008¹⁰. The Chibougamau Project has excellent infrastructure with a local mining town, sealed highway, airport, regional rail infrastructure and access to hydro power via installed powerlines. The infrastructure includes an historical processing facility of 900,000 tonnes per year just 10 kilometres from the town of Chibougamau consisting of a conventional circuit that produced a high-quality clean concentrate. The Chibougamau Project has a high-grade MRE of 6.4 million tonnes at a 2.3% Cu grade, 0.8g/t Au grade and 7.6g/t Ag grade in the Measured and Indicated Resource categories and 8.5 million tonnes at a 2.1% Cu grade, 1.7g/t Au grade and 7.9g/t Ag grade in the Inferred Resource category, reported in accordance with the JORC Code 2012 and the CIM Definition Standards (CIM, 2014). The resource base is comprised of five deposits – Corner Bay (main asset), Devlin, Cedar Bay, Golden Eye and Joe Mann – all located within a 60-kilometre radius of the centralised processing facility

FORWARD-LOOKING STATEMENTS

This announcement contains references to forecasts, estimates, assumptions and other forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as ‘seek’, ‘anticipate’, ‘forecast’, ‘believe’, ‘plan’, ‘estimate’, ‘expect’ and ‘intend’ and statements that an event or result ‘may’, ‘will’, ‘should’, ‘could’ or ‘might’ occur or be achieved and other similar expressions. All forward-looking statements are based on information and estimates available to CAML and Cygnus at the time of this announcement and are not guarantees of future performance. They may be affected by a variety of variables and changes in underlying assumptions that are subject to risk factors associated with the nature of the business, which could cause actual results to differ materially from those expressed herein. Examples of forward-looking statements (made at the date of this announcement unless otherwise indicated) include, among others, statements regarding intentions, beliefs and expectations, plans, strategies and objectives of the directors and management of CAML and Cygnus, the anticipated timing for and outcome and effects of the Scheme (including expected benefits to shareholders of CAML and Cygnus), whether listing on a Recognised Canadian Exchange will be achieved (including the timing thereof), indications of and guidance on synergies, future earnings or financial position or performance, anticipated production or construction or development commencement dates, costs or production outputs, capital expenditure and future demand for copper and/or gold, expectations for the ongoing development and growth potential and the future operation of CAML and Cygnus. Any forward-looking statements, as well as any other opinions and estimates, provided in this announcement are based on assumptions, contingencies and estimates existing at the time of assessment and which are subject to change without notice impacting the accuracy of those statements and which may prove ultimately to be materially incorrect, as are statements about market and industry trends, which are based on interpretations of current market conditions. Forward-looking statements are not statements of historical fact and actual events and results may differ materially from those contemplated by the forward-looking statements as a result of a variety of risks, uncertainties and other factors, many of which are outside the control of CAML and Cygnus. Such factors may include, among other things, risks relating to funding requirements, commodity prices, exploration, development and operating risks (including unexpected capital or operating cost increases), production risks, competition and market risks, regulatory restrictions (including environmental regulations and associated liability, changes in regulatory restrictions or regulatory policy and potential title disputes) and risks associated with general economic conditions.

In addition, other factors related to the Scheme that contribute to the uncertain nature of the forward-looking statements and that could cause actual results and financial condition to differ materially from those expressed or implied include, but are not limited to: the satisfaction of the conditions precedent to the consummation of the Scheme, including, without limitation, the receipt of securityholder and regulatory approvals on the terms desired or anticipated; unanticipated difficulties or expenditures relating to the Scheme, including, without limitation, difficulties that result in the failure to realise expected synergies, efficiencies and cost savings from the Scheme within the expected time period (if at all); potential difficulties in CAML’s and Cygnus’ ability to retain employees as a result of the announcement and pendency of the Scheme; disruptions of CAML’s and Cygnus’ current plans, operations and relationships with customers caused by the announcement and pendency

of the Scheme; and legal proceedings that may be instituted against CAML or Cygnus following announcement of the Scheme.

There can be no assurance that the Scheme will be implemented or that plans of the directors and management of CAML and Cygnus will proceed as currently expected or will ultimately be successful. There can also be no certainty that listing on a Recognised Canadian Exchange will be achieved (including the timing thereof). You are strongly cautioned not to place undue reliance on forward-looking statements, including in respect of the financial or operating outlook for CAML or Cygnus.

Except as required by applicable law, the ASX or TSXV listing rules, or the AIM rules for companies, CAML and Cygnus assume no obligation to, and expressly disclaim any duty to, provide any additional or updated information or to update any forward-looking statements, whether as a result of new information, future events or results, or otherwise. Nothing in this announcement will, under any circumstances (including by reason of this announcement remaining available and not being superseded or replaced by any other presentation or publication with respect to CAML or Cygnus, or the subject matter of this announcement), create an implication that there has been no change in the affairs of CAML or Cygnus since the date of this announcement. The distribution of this announcement may be subject to legal or regulatory restrictions in certain jurisdictions. Any person who comes into possession of this announcement must inform themselves of and comply with any such restrictions.

MINERAL RESOURCES REPORTING

The information in this announcement that relates to the current Mineral Resource Estimate for the Chibougamau Project of Cygnus reported in accordance with the JORC Code 2012 and NI 43-101 has been extracted from the ASX release by Cygnus entitled ‘Cygnus reports a 78% increase in M&I resource at its Chibougamau Copper-Gold Project’ dated 17 September 2025 which is available on the Cygnus website www.cygnusmetals.com and www.asx.com and on Cygnus’ profile on SEDAR+ at www.sedarplus.ca (**‘Cygnus Announcement’**). Cygnus confirms that it is not aware of any new information or data that materially affects the information included in the Cygnus Announcement, and that all material assumptions and technical parameters underpinning the estimates in the Cygnus Announcement continue to apply and have not materially changed. Cygnus confirms that the form and context in which the competent person’s findings are presented have not been materially modified from the Cygnus Announcement.

Individual grades for the metals included in the metal equivalents calculations of the Mineral Resource Estimate, as well as the price assumptions, metallurgical recoveries and metal equivalents calculations themselves are in Table 1 below. It is Cygnus’ view that all elements in the copper and gold equivalent calculations have a reasonable potential to be recovered and sold.

Notes:

1. Cygnus' Mineral Resource Estimate for the Chibougamau Copper-Gold project, incorporating the Corner Bay, Devlin, Joe Mann, Cedar Bay, and Golden Eye deposits, is reported in accordance with the JORC Code and the Canadian Institute of Mining, Metallurgy and Petroleum ("CIM") (2014) definitions in NI 43-101.
2. Mineral Resources are estimated using a long-term copper price of US\$9,370/t, gold price of US\$2,400/oz, and silver price of US\$30/oz, and a US\$/C\$ exchange rate of 1:1.35.
3. Mineral Resources are estimated at a CuEq cut-off grade of 1.2% for Corner Bay and 1.5% CuEq for Devlin. A cut-off grade of 1.8 g/t AuEq was used for Cedar Bay and Golden Eye; and 2.0 g/t AuEq for Joe Mann.
4. Corner Bay bulk density varies from 2.85 tonnes per cubic metre (t/m³) to 3.02t/m³ for the estimation domains and 2.0 t/m³ for the overburden. At Devlin, bulk density varies from 2.85 t/m³ to 2.90 t/m³. Cedar Bay, Golden Eye, and Joe Mann use a bulk density of 2.90 t/m³ for the estimation domains.
5. Assumed metallurgical recoveries are as follows: Corner Bay copper is 93%, gold is 78%, and silver is 80%; Devlin copper is 96%, gold is 73%, and silver is 80%; Joe Mann copper is 95%, gold is 84%, and silver is 80%; and Cedar Bay and Golden Eye copper is 91%, gold is 87%, and silver is 80%.
6. Assumptions for CuEq and AuEq calculations (set out below) are as follows: Individual metal grades are set out in the table. Commodity prices used: copper price of US\$9,370/t, gold price of US\$2,400/oz and silver price of US\$30/oz. Assumed metallurgical recovery factors: set out above. It is the Company's view that all elements in the metal equivalent calculations have a reasonable potential to be recovered and sold.
7. CuEq Calculations are as follows: (A) Corner Bay = grade Cu (%) + 0.68919 * grade Au (g/t) + 0.00884 * grade Ag (g/t) ; (B) Devlin = grade Cu (%) + 0.62517 * grade Au (g/t) + 0.00862 * grade Ag (g/t); (C) Joe Mann = grade Cu (%) + 0.72774* grade Au (g/t); and (D) Golden Eye and Cedar Bay = grade Cu (%) + 0.78730* grade Au (g/t) + 0.00905 * grade Ag (g/t).
8. AuEq Calculations are as follows: (A) Corner Bay = grade Au (g/t) + 1.45097* grade Cu(%) + 0.01282* grade Ag (g/t); (B) Devlin = grade Au (g/t) + 1.59957* grade Cu(%) + 0.01379* grade Ag (g/t); (C) Joe Mann = grade Au (g/t) + 1.37411* grade Cu (%); and (D) Cedar Bay and Golden Eye = grade Au (g/t) + 1.27016 * grade Cu (%) + 0.01149 * grade Ag (g/t).
9. Wireframes were built using an approximate minimum thickness of 2 m at Corner Bay, 1.8 m at Devlin, 1.2 m at Joe Mann, and 1.5 m at Cedar Bay and Golden Eye.
10. Mineral Resources are constrained by underground reporting shapes.
11. Mineral Resources that are not Mineral Reserves do not have demonstrated economic viability.
12. Totals may vary due to rounding.

PRELIMINARY ECONOMIC ASSESSMENT DISCLAIMER

The outcomes of the PEA were first announced by Doré Copper Mining Corp. on 10 May 2022 and the comprehensive technical report underpinning the PEA was announced by Doré in accordance with the requirements of NI 43-101 on 15 June 2022. The Technical Report was prepared by BBA Inc. with several consulting firms contributing to sections of the study, including SLR, SRK Consulting (Canada) Inc. and WSP Inc. The Technical Report and the announcement are available on SEDAR.

Cygnus cautions that the PEA is a preliminary technical, conceptual and economic study undertaken by Doré of the initial evaluation and potential development of the Chibougamau Project. It is at scoping study level only, which is based on a lower level of technical assessment that is not sufficient to support the estimation of Ore Reserves and is inherently uncertain. The production targets and forecast financial information disclosed in the PEA are underpinned by Measured Mineral Resources (approximately 1.17%), Indicated Mineral Resources (approximately 32.10%) and Inferred Mineral Resources (approximately 66.73%). However, Cygnus is not able to disclose the outcomes of the PEA as the significant proportion of Inferred Resources included in the Life of Mine means that pursuant to ASX and ASIC guidance there is not considered to be sufficiently reasonable grounds for the production targets and forecast financial information disclosed in the PEA. Accordingly, Cygnus is not disclosing the production targets and forecast financial information reported in the PEA and cautions investors against making investment decisions based on such targets and forecasts.

QUALIFIED PERSON AND NATIONAL INSTRUMENT 43-101 DISCLOSURE

The scientific and technical information in this announcement relating to the Chibougamau Project has been reviewed and approved by Louis Beaupre, the Quebec Exploration Manager of Cygnus, who is a 'qualified

person' for the purposes of National Instrument 43-101 – Standards of Disclosure for Mineral Projects ('NI 43-101'). The mineral resource estimate for the Chibougamau Project referenced in this announcement has been prepared in accordance with the Canadian Institute of Mining, Metallurgy and Petroleum 'CIM Definition Standards on Mineral Resources and Mineral Reserves' (May 2014) and disclosed in compliance with NI 43-101. A current technical report prepared in accordance with NI 43-101 in respect of the Chibougamau Project entitled 'NI 43-101 Technical Report – Chibougamau Hub and Spoke Complex, Quebec, Canada' dated as of October 31, 2025 with an effective date of August 30, 2025 is available under Cygnus' profile on SEDAR+ at www.sedarplus.ca.

CAUTIONARY NOTE REGARDING MINERAL RESOURCES

Mineral resources that are not ore reserves do not have demonstrated economic viability. The estimates of mineral resources referred to in this announcement may be materially affected by environmental, permitting, legal, title, sociopolitical, marketing or other relevant issues. Inferred mineral resources have a great amount of uncertainty as to their existence, and as to their economic and legal feasibility. It cannot be assumed that all or any part of an inferred mineral resource will ever be upgraded to a higher category. Investors are cautioned not to assume that all or any part of an inferred mineral resource exists, or is economically or legally mineable.

TSX VENTURE EXCHANGE

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this announcement.

1.3 Business Day

If a day on or by which an obligation must be performed or an event must occur is not a Business Day, the obligation must be performed or the event must occur on or by the next Business Day.

2 Agreement to propose Scheme

2.1 Agreement to proposed Scheme

- (a) Cygnus agrees to propose and implement the Scheme on and subject to the terms and conditions of this document.
- (b) CAML agrees to assist Cygnus to propose and implement the Scheme on and subject to the terms of this document.

2.2 Implementation of Scheme

Each party:

- (a) agrees to execute all documents and do all acts and things within its power as may be necessary or desirable for the implementation and performance of the Scheme substantially in accordance with this document; and

- (b) must comply with its obligations under this document.

2.3 Timetable

- (a) Each party agrees to use reasonable endeavours to:
 - (i) comply with its obligations under this document; and
 - (ii) take all necessary steps and exercise all rights necessary to implement the Scheme,in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of **clause 2.3(a)** to the extent that such failure is due to circumstances and matters outside the party's control (including any delays caused by a Government Agency).
- (c) Each party must keep the other informed about their progress against the Timetable and notify the other if it believes that any of the dates in the Timetable are not achievable.
- (d) If any of the dates or timeframes set out in the Timetable become unable to be achieved or not reasonably likely to be able to be achieved due to matters outside the parties' control (including, for the avoidance of doubt, any delays caused by a Government Agency), then the parties will consult in good faith to agree any necessary extension.

2.4 Nominee

- (a) CAML may nominate any wholly-owned Subsidiary of CAML (**CAML Nominee**) to acquire the Scheme Shares under the Scheme by giving written notice to Cygnus on or before the date that is five Business Days before the date on which Cygnus provides an advanced draft of the Scheme Booklet to ASIC for its review for the purposes of section 411(2) of the Corporations Act.
- (b) If CAML nominates a CAML Nominee to acquire the Scheme Shares under the Scheme, then:
 - (i) references in this document to CAML acquiring the Scheme Shares under the Scheme are to be read as references to the CAML Nominee doing so;
 - (ii) other references in this document to CAML are to be read as references to CAML or the CAML Nominee, other than to the extent those provisions relate to the New CAML Shares which will always be fully paid ordinary shares in the capital of CAML (and not the CAML Nominee);
 - (iii) the parties must procure that the Scheme Shares transferred under the Scheme are transferred to the CAML Nominee, rather than CAML;
 - (iv) the parties must procure that the Scheme and Deed Poll are entered into in a form so as to reflect, or are amended to reflect, the CAML Nominee acquiring the Scheme Shares under the Scheme;
 - (v) CAML must procure that the CAML Nominee complies with the relevant obligations of CAML under this document and under the Scheme and enters into a deed of accession on terms acceptable to Cygnus (acting reasonably); and

- (vi) any such nomination will not relieve CAML of its obligations under this document or the Deed Poll, including the obligation to provide, or cause to be provided, the Scheme Consideration in accordance with the terms of the Scheme, provided that CAML will not be in breach of this document for failing to perform an obligation of CAML if that obligation is fully discharged by the CAML Nominee.

3 Conditions Precedent and pre-implementation steps

3.1 Conditions Precedent to the Scheme

Subject to this **clause 3**, the Scheme will not become Effective, and the respective obligations of the parties in relation to the implementation of the Scheme are not binding, until each of the Conditions Precedent in **Schedule 1** is satisfied or waived to the extent and in the manner set out in this **clause 3**.

3.2 Benefit and waiver of certain Conditions Precedent

- (a) A Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) may only be waived in writing by a party entitled to the benefit of the Condition Precedent and then only according to the table in **Schedule 1**.
- (b) A party entitled to waive a Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) under this **clause 3.2** may do so in its absolute discretion.
- (c) Any waiver of a Condition Precedent by a party who is entitled to do so pursuant to **clause 3.2(a)** is only effective if such waiver is given on or prior to the Delivery Time on the Second Court Date.
- (d) If the waiver of a Condition Precedent is itself given subject to a condition and the other party:
 - (i) accepts the condition, the terms of that condition apply and are binding under this document; or
 - (ii) does not accept the condition, the Condition Precedent is not waived for the purposes of this document.
- (e) A waiver of a Condition Precedent (or waiver of a breach or non-fulfilment of a Condition Precedent) in accordance with this **clause 3.2** does not:
 - (i) constitute a waiver of any other Condition Precedent (including where the event constitutes a breach of a number of Conditions Precedent) or a waiver of that Condition Precedent resulting from any other event; and
 - (ii) prevent a party from suing the other for damages for breach of this document as a result of the breach or non-satisfaction of the relevant Condition Precedent.

3.3 Reasonable endeavours

- (a) Each party must, to the extent that it is within its power to do so, use its reasonable endeavours to procure that each of the Conditions Precedent for which it is listed as having responsibility in the table in **Schedule 1** are satisfied as soon as practicable

after the date of this document and continue to be satisfied at all times until the last time that relevant Condition Precedent provides that it is to be satisfied.

- (b) Each party must not, without the prior written consent of the other party, take any action or refrain from taking any action (except as required by applicable law or permitted under this document) designed to prevent a Condition Precedent being satisfied.
- (c) The parties must cooperate and, to the extent reasonably practicable, assist one another with satisfying their obligations under this **clause 3.3**. Without limiting this **clause 3.3** and except to the extent prohibited by a Government Agency, each party must:
 - (i) promptly apply for all Regulatory Approvals (as applicable);
 - (ii) take all steps it is responsible for as part of the Regulatory Approval process, including responding to requests for information from the relevant Government Agencies at the earliest practicable time;
 - (iii) keep the other party reasonably informed of progress in relation to each Regulatory Approval (including in relation to any material matters raised by, or conditions or other arrangements proposed by, or to, any Government Agency in relation to a Regulatory Approval) and provide the other party with all information reasonably requested in connection with the applications for, or progress of, the Regulatory Approvals;
 - (iv) consult with the other party in advance in relation to the progress of obtaining, and all material communications with Government Agencies regarding any of, the Regulatory Approvals; and
 - (v) provide the other party with all assistance and information that it reasonably requests in connection with an application for a Regulatory Approval to be lodged by that other party.

3.4 Notifications

Each party must:

- (a) keep the other promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of each Condition Precedent;
- (b) promptly notify the other in writing if it becomes aware that any Condition Precedent has been satisfied; and
- (c) promptly, and in any event within two Business Days, notify the other in writing if it becomes aware of the happening of an event or occurrence that would, does, will or would reasonably be likely to:
 - (i) prevent a Condition Precedent being satisfied; or
 - (ii) mean that any Condition Precedent will otherwise not be satisfied, before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date (including if Cygnus Shareholders do not agree to the Scheme at the Scheme Meeting by the requisite majorities).

3.5 Termination on failure of a Condition Precedent

- (a) If there is an act, a failure to act, an event or an occurrence that would, or does, prevent any of the Conditions Precedent being satisfied (including if Cygnus Shareholders do not agree to the Scheme at the Scheme Meeting by the requisite majorities, or if any of the Conditions Precedent will not otherwise be satisfied), by the earlier of:
- (i) the time and date specified in this document for the satisfaction of that Condition Precedent; and
 - (ii) the End Date;
- or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then:
- (iii) Cygnus and CAML must promptly (and in any event within five Business Days after notice is given in accordance with **clause 3.4(c)**) consult in good faith with a view to determining whether:
- (A) the Scheme, or a transaction which results in the transfer of all of the Cygnus Shares to CAML, may proceed by way of alternative means or methods;
 - (B) to extend the relevant time or date for satisfaction of the Condition Precedent or the End Date, or otherwise amend the Timetable;
 - (C) a party with a right to waive that Condition Precedent will do so and, if so, on what conditions (if any);
 - (D) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application to another date agreed in writing by the parties;
 - (E) to seek orders from the Court to postpone the Scheme Meeting, or recommend that there be an adjournment of the Scheme Meeting, to another date agreed in writing by the parties; or
 - (F) to take a combination of any of the actions referred to in **clauses 3.5(a)(iii)(A) to 3.5(a)(iii)(E)**.
- (b) Subject to **clause 3.5(d)**, if the parties are unable to reach agreement under **clause 3.5(a)** by the earlier of:
- (i) the date that is 10 Business Days after commencing consultation in relation to the relevant event or occurrence that would, or does, prevent a Condition Precedent being satisfied;
 - (ii) the date that is 10 Business Days after the time and date specified in this document for the satisfaction of the Condition Precedent; and
 - (iii) the Delivery Time on the Second Court Date,

then, unless that Condition Precedent has been waived in accordance with **clause 3.2**, the party entitled to the benefit of that Condition Precedent (which may be either party where both parties are entitled to the benefit of the Condition Precedent) may (subject to **clause 3.5(c)**) terminate this document without any liability to the other party because of that termination. For the avoidance of doubt, nothing in this **clause**

3.5(b) affects the obligation of Cygnus to pay the Cygnus Reimbursement Fee or CAML to pay the CAML Reimbursement Fee, if Cygnus or CAML are required to do so under **clauses 12** or **13**, respectively.

- (c) A party will not be entitled to terminate this document pursuant to **clause 3.5(b)** if:
 - (i) the relevant Condition Precedent has not been satisfied as a result of:
 - (A) a breach of this document by that party; or
 - (B) a deliberate act or omission of that party (except acts or omissions permitted by this document) which either alone or together with other circumstances prevents that Condition Precedent being satisfied; or
 - (ii) the relevant Condition Precedent is stated in **Schedule 1** to be for the sole benefit of the other party.
- (d) If the Condition Precedent in **item 5** of **Schedule 1** is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court under section 411(4)(b) of the Corporations Act to be sought, provided that the party has, in good faith, reasonably formed the view that the prospect of the Court giving its approval in the circumstances is reasonable. If:
 - (i) approval is given, the Condition Precedent in **item 5** of **Schedule 1** is deemed to be satisfied for all purposes; or
 - (ii) the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in **item 5** of **Schedule 1**, at CAML's request, Cygnus must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel of the Western Australian bar practising in the field of corporate law indicates that, in their view, an appeal would not have reasonable prospects of success before the End Date). Cygnus may bring an appeal even if not requested by CAML. If any such appeal is undertaken at the request of CAML, CAML will bear Cygnus's costs of the appeal (including the costs of the independent senior counsel) unless the parties agree otherwise in writing. If any such appeal is undertaken by Cygnus without the prior request from CAML, each party will bear its own costs, unless the parties otherwise agree in writing.

4 Transaction Steps

4.1 Scheme

- (a) Cygnus must propose the Scheme to Cygnus Shareholders on and subject to the terms of this document.
- (b) Cygnus must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of the Scheme without the prior written consent of CAML acting reasonably.

4.2 Scheme Consideration

Subject to **clauses 4.3** and **4.4**, CAML covenants in favour of Cygnus (in Cygnus's own right and separately as trustee for each Scheme Shareholder) that, in consideration of the transfer to CAML of each Cygnus Share held by a Scheme Shareholder in accordance with the terms of the Scheme, on the Implementation Date, CAML will:

- (a) accept that transfer; and
- (b) provide, or cause to be provided, to each Scheme Shareholder the Scheme Consideration for each Scheme Share held by them, in accordance with this document, the Scheme and Deed Poll.

4.3 Fractional entitlements

If the number of Scheme Shares held by a Scheme Shareholder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration comprising New CAML Shares includes a fractional entitlement to a New CAML Share, then the fractional entitlement will be rounded as follows:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New CAML Shares; and
- (b) if the fractional entitlement is 0.5 or more, it will be rounded up to the nearest whole number of New CAML Shares.

4.4 Ineligible Foreign Shareholders and Electing Selling Scheme Shareholder

- (a) Conditional upon CAML receiving any necessary regulatory relief that it requires to perform its obligations under this **clause 4.4** and the Scheme with respect to Selling Scheme Shareholders, CAML must permit Selling Scheme Shareholders to elect, by providing notice in writing to Cygnus on or before 5.00 pm on the Business Day before the Record Date, to be treated as an Electing Selling Scheme Shareholder for the purposes of this **clause 4.4**.
- (b) CAML has no obligation to issue, and will not issue, any New CAML Shares under the Scheme to:
 - (i) an Ineligible Foreign Shareholder; or
 - (ii) an Electing Selling Scheme Shareholder,and instead will issue the New CAML Shares that would otherwise have been issued to the Ineligible Foreign Shareholder or the Electing Selling Scheme Shareholder to the Sale Agent to be dealt with in accordance with the terms of the Scheme.
- (c) CAML must appoint the Sale Agent at least five Business Days prior to the Scheme Meeting.

4.5 Share splitting

If CAML is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 4.3**) have, before the Record Date, been party to the splitting of Cygnus Shares into two or more parcels of Cygnus Shares (whether or not it results in any change in beneficial ownership of the Cygnus Shares) in an attempt to obtain unfair advantage by reference to such rounding, CAML may give notice to those Scheme Shareholders:

- (a) setting out their names and registered addresses as shown in the Cygnus Share Register;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme and Deed Poll, be taken to hold no Scheme Shares. CAML, in complying with the provisions of the Scheme and Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme and Deed Poll.

4.6 Cygnus Options

- (a) The parties must use reasonable endeavours (acting cooperatively and in good faith) to procure that, as soon as practicable after the date of this document and in any case before 5.00 pm on the Business Day before the Second Court Date, each Cygnus Optionholder enters into an Option Replacement Deed.
- (b) Cygnus agrees to take such action as is necessary and within its power after the Effective Date to ensure that Cygnus Options that are subject to vesting conditions and which have not already vested, so vest and are converted before the Record Date, including the Cygnus Board (as is necessary and within its power):
 - (i) resolving that the Scheme becoming Effective constitutes a “change of control” or similar event;
 - (ii) resolving to waive unsatisfied vesting conditions; and
 - (iii) notifying the relevant Cygnus Optionholders of such action and exercising any rights under a power of attorney to ensure those Cygnus Options are exercised before the Record Date.
- (c) Cygnus agrees to procure that, in respect of any Cygnus Optionholder who has not entered into an Option Replacement Deed before 5.00 pm on the Business Day before the Second Court Date, the Cygnus Board exercises any discretion it has to cause all Cygnus Options held by such Cygnus Optionholder to terminate, lapse and expire with effect from the Scheme becoming Effective, such that those Cygnus Options are not on issue in the capital of Cygnus as at the Record Date.
- (d) Cygnus agrees to cooperate with CAML to facilitate the transfer or cancellation of Cygnus Options (including, if required, the Cygnus Board making any necessary lawful amendment, consent or determination, and seeking any required shareholder approval for any such thing, for the purposes of the relevant terms and conditions upon which the Cygnus Options were issued and using reasonable endeavours to procure ASX or TSXV (as applicable) granting any necessary waivers or approvals).

4.7 Cygnus Performance Rights

Cygnus must take such action as is necessary to ensure that each Cygnus Performance Right will, subject to the Scheme becoming Effective, either:

- (a) vest in accordance with its terms, applicable law and the Listing Rules, and, if applicable, be exercised and the resulting Cygnus Shares are issued and entered onto the Cygnus Share Register prior to the Record Date; or
- (b) be cancelled pursuant to a deed (on terms approved in writing by CAML, acting reasonably),

such that there are no Cygnus Performance Rights on issue in the capital of Cygnus as at the Record Date (other than Cygnus Performance Rights subject to cancellation deeds), and which action will include (as appropriate depending upon the manner in which the Cygnus Performance Rights are dealt with):

- (c) the Cygnus Board accelerating the vesting of, or waiving any vesting conditions or vesting periods applying to, any or all Cygnus Performance Rights (subject to the terms of the Cygnus Performance Rights permitting such accelerated vesting or waiving of such vesting conditions or vesting periods, applicable law, the Listing Rules and the proper exercise of the Cygnus Board's discretion);
- (d) Cygnus making all necessary applications to ASX or the TSXV (as applicable) for waivers or approvals under the Listing Rules (in a form approved in writing by CAML, acting reasonably); and
- (e) Cygnus issuing or procuring the issue or transfer of such number of Cygnus Shares as required by the terms of the Cygnus Performance Rights before the Record Date so that the holders of those Cygnus Performance Rights can participate as Scheme Shareholders in the Scheme and receive the Scheme Consideration.

4.8 Cygnus Share Rights

Cygnus must take such action as is necessary to ensure that each Cygnus Share Right will, subject to the Scheme becoming Effective, either:

- (a) vest in accordance with its terms, applicable law and the Listing Rules, and, if applicable, be exercised and the resulting Cygnus Shares are issued and entered onto the Cygnus Share Register prior to the Record Date; or
- (b) be cancelled pursuant to a deed (on terms approved in writing by CAML, acting reasonably),

such that there are no Cygnus Share Rights on issue in the capital of Cygnus as at the Record Date (other than Cygnus Share Rights subject to cancellation deeds), and which action will include (as appropriate depending upon the manner in which the Share Rights are dealt with):

- (c) the Cygnus Board accelerating the vesting of, or waiving any vesting conditions or vesting periods applying to, any or all Cygnus Share Rights (subject to the terms of the Cygnus Share Rights permitting such accelerated vesting or waiving of such vesting conditions or vesting periods, applicable law, the Listing Rules and the proper exercise of the Cygnus Board's discretion);
- (d) Cygnus making all necessary applications to ASX or the TSXV (as applicable) for waivers or approvals under the Listing Rules (in a form approved in writing by CAML, acting reasonably); and

- (e) Cygnus issuing or procuring the issue or transfer of such number of Cygnus Shares as required by the terms of the Cygnus Share Rights before the Record Date so that the holders of those Cygnus Share Rights can participate as Scheme Shareholders in the Scheme and receive the Scheme Consideration.

4.9 Admission to trading

CAML must make all necessary applications to the LSE for the admission to trading on AIM of the New CAML Shares.

5 Implementation

5.1 Cygnus's obligations

Cygnus must take all steps necessary to propose and implement the Scheme as soon as reasonably practicable and in accordance with the Timetable (as further provided in **clause 2.3**) and all applicable laws, including taking each of the following steps:

- (a) **(Scheme Booklet)** prepare and dispatch the Scheme Booklet in accordance with **clause 5.3**;
- (b) **(Independent Expert)** promptly appoint the Independent Expert and provide all assistance and information reasonably requested by the Independent Expert (and any technical expert appointed by the Independent Expert) in connection with the preparation of the Independent Expert's Report and any technical expert's report (including any updates thereto);

- (d) **(consult CAML):**
 - (i) provide to CAML drafts of the Scheme Booklet (including the Independent Expert's Report) for the purposes of allowing CAML to review and comment on those drafts, noting that CAML's review of the Independent Expert's Report is to be limited to a factual accuracy review;
 - (ii) take all comments made by CAML into account in good faith when producing revised drafts of the Scheme Booklet;
 - (iii) promptly provide to CAML any information regarding the Cygnus Group that CAML reasonably requires in relation to the preparation of the Enlarged Group Information for inclusion in the Scheme Booklet;
 - (iv) provide to CAML a draft of the Scheme Booklet proposed to be provided to the applicable Securities Authorities within a reasonable time before that draft is finalised and to enable CAML to review that draft before its submission; and
 - (v) consult with CAML in relation to the content of the documents required for the purpose of each of the Court hearings held for the purposes of sections 411(1) and 411(4)(b) of the Corporations Act in relation to the Scheme (including originating process, affidavits, submissions and draft minutes of Court orders) and consider in good faith, for the purposes of amending drafts of those

documents, comments from CAML and its Representatives on those documents;

- (e) **(CAML Information)** obtain written consent from CAML (such consent not to be unreasonably withheld, delayed or conditioned) to the form and context in which CAML Information appears in the Scheme Booklet and not lodge the Scheme Booklet with the applicable Securities Authorities until such approval is obtained from CAML, and otherwise not use CAML Information for any purposes other than those expressly contemplated by this document or the Scheme;
- (f) **(copy of Independent Expert's Report)** provide CAML with a copy of the final Independent Expert's Report promptly after it has been prepared;
- (g) **(draft to ASIC and ASX)** as soon as reasonably practicable after the date of this document but no later than 14 days before the First Court Date:
 - (i) provide to ASIC an advanced draft of the Scheme Booklet suitable for review by ASIC for the purposes of section 411(2) of the Corporations Act, and provide a copy of that draft to CAML as soon as practicable thereafter;
 - (ii) provide to ASX an advanced draft of the Scheme Booklet suitable for review by ASX;
 - (iii) liaise with ASIC and ASX during the period of their review of that draft of the Scheme Booklet; and
 - (iv) keep CAML reasonably informed of any material issues raised by ASIC or ASX in relation to the Scheme Booklet or the Proposed Transaction, and use all reasonable endeavours, in cooperation with CAML, to resolve any such matters (save where the resolution of such matters requires an amendment to CAML Information, such amendments must be approved by CAML (such approval not to be unreasonably withheld, delayed or conditioned));
- (h) **(regulatory correspondence)** Cygnus must promptly notify CAML of, and provide CAML with copies of, any correspondence, comments, requisitions, notices or other communications received by Cygnus or any of its Representatives from any Government Agency, including any Securities Authority, ASX or TSXV, in relation to the Scheme Booklet or the Proposed Transaction. - (i) **(Scheme Booklet sign-off)** before the First Court Date:
 - (i) procure that a meeting of the Cygnus Board is held to consider approving the Scheme Booklet for dispatch to Cygnus Shareholders, subject to orders of the Court under section 411(1) of the Corporations Act to do so; and
 - (ii) confirm in writing to CAML that the Cygnus Information in the Scheme Booklet does not contain any material statement that is false or misleading in a material respect, including because of any material omission from that statement or "misrepresentation" under applicable Canadian Securities Laws;
- (j) **(section 411(17)(b) statements)** apply to ASIC for the production of:
 - (i) an indication of intent letter stating that it does not intend to appear before the Court on the First Court Date; and

- (k) **(first Court hearing)** apply to the Court for orders under section 411(1) of the Corporations Act directing Cygnus to convene the Scheme Meeting;
- (l) **(legal representation)** procure that it is represented by counsel at the Court hearings convened for the purposes of sections 411(1) and 411(4)(b) of the Corporations Act, and allow and not oppose any application by CAML for leave of the Court to be represented by legal counsel at any such Court hearings;
- (m) **(registration of explanatory statement)** take all reasonable measures within its control to cause ASIC to register the Scheme Booklet in accordance with section 412(6) of the Corporations Act;
- (n) **(Scheme Meeting)** comply with the orders of the Court under section 411(1) of the Corporations Act, including, as required, dispatching the Scheme Booklet to the Cygnus Shareholders and convening and holding the Scheme Meeting, and not adjourning or postponing the Scheme Meeting, or requesting the Court to adjourn or postpone the Scheme Meeting, in either case without obtaining the prior written approval of CAML (such approval not to be unreasonably withheld, delayed or conditioned where there is a Competing Proposal);
- (o) **(certificate)** at the hearing on the Second Court Date, provide to the Court:
 - (i) in respect of the Scheme, a certificate in the form of a deed confirming (in respect of matters within its knowledge) whether or not the Conditions Precedent (other than the Condition Precedent in **item 8 of Schedule 1**) have been satisfied or waived in accordance with this document and provide a draft of that certificate to CAML by 5.00 pm on the Business Day prior to the Second Court Date; and
 - (ii) any certificate provided to it by CAML pursuant to **clause 5.2(n)**;
- (p) **(Court approval of Scheme if conditions are capable of being satisfied)** if the resolution submitted to the Scheme Meeting is passed by the majorities required under section 411(4)(a)(ii) of the Corporations Act and it can be reasonably expected that all of the remaining Conditions Precedent (other than the Condition Precedent in **item 8 of Schedule 1**) will be satisfied or waived prior to the Delivery Time on the Second Court Date, apply (and, to the extent necessary, re-apply) to the Court for, and take all other reasonable steps to obtain, orders approving the Scheme as agreed to by the Cygnus Shareholders at the Scheme Meeting;
- (q) **(implementation of Scheme)**:
 - (i) if the Scheme is approved by the Court, subject to the Listing Rules, lodge with ASIC an office copy of the Court orders approving the Scheme in accordance with section 411(10) of the Corporations Act by no later than the Business Day after the date on which the Court order was made (or such later date as agreed in writing by CAML);

 - (iii) have ceased to provide or make available any non-public information in relation to the Cygnus Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal, and has enforced all rights it has to call for the immediate return and/or destruction of that non-public information; and

- (a) facilitate, continue or otherwise participate in any negotiations, discussions or other communications with respect to any enquiry, expression of interest, offer, proposal, negotiation or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal;

potential Competing Proposal, or that may be reasonably expected to lead to an actual, proposed or potential Competing Proposal; or

even if the Competing Proposal was not directly or indirectly solicited, encouraged, invited or initiated by Cygnus or any of its Representatives, or the Competing Proposal has been publicly announced. Nothing in this **clause 11.3** prevents or restricts Cygnus or any of its Representatives from responding to a Third Party in respect of an inquiry, expression of interest, offer, proposal or discussion by that Third Party to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal to merely: (i) acknowledge receipt; or (ii) advise that Third Party that Cygnus is bound by the provisions of this **clause 11.3** and is only able to engage in negotiations, discussions or other communications if the fiduciary out in **clause 11.7** applies.

11.4 No due diligence

Subject to **clause 11.7**, during the Exclusivity Period, other than with the prior written consent of CAML, Cygnus must not, and must ensure that each of its Representatives do not, directly or indirectly:

- (a) solicit, initiate, invite, encourage, facilitate or permit any Third Party to undertake due diligence investigations in respect of any Cygnus Group Member or any of their businesses, affairs or operations; or
- (b) disclose or otherwise provide or make available to any Third Party (other than a Government Agency that has the right to obtain that information and has sought it), or permit any such Third Party, to receive any non-public information relating to any Cygnus Group Member or any of their businesses, affairs or operations,

in each case, in connection with, for the purposes of, with a view to obtaining or which otherwise could reasonably be expected to lead to or encourage the formulation, receipt or announcement of an actual, proposed or potential Competing Proposal, whether by that Third Party or another person.

11.5 Notification of approaches

- (a) During the Exclusivity Period, Cygnus must as soon as possible, and in any event within 48 hours, notify CAML in writing if it, or any of its Representatives, becomes aware of any:
 - (i) approach, inquiry, proposal or other attempt made by any person to Cygnus or any of its Representatives, to initiate any discussions, negotiations or other communications, or any intention to make such an approach or attempt to initiate any discussions, negotiations or other communications, in respect of any inquiry, expression of interest, offer, proposal, discussion or other communication in relation to an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to an actual, proposed or potential Competing Proposal;
 - (ii) expression of interest, offer, proposal or other communication made to Cygnus or any of its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing

Proposal, or that may be reasonably expected to lead to an actual, proposed or potential Competing Proposal; or

- (iii) request made by any person to Cygnus or any of its Representatives for, or the provision by Cygnus or any of its Representatives to any person of, any non-public information relating to the business, affairs or operations of any Cygnus Group Member in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited and whether in writing or otherwise. For clarity, any of the acts described in this **clause 11.5(a)** may only be undertaken by Cygnus or any of its Representatives if not prohibited by **clause 11.2** or if permitted by **clause 11.7**.

- (b) A notification given under **clause 11.5(a)** must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all of the material terms and conditions of the actual, proposed or potential Competing Proposal (including the price (or if not cash, implied value), funding, the form of consideration, the conditions precedent, the proposed deal protection arrangements, break fee provisions, timing and other key terms and the identity of the proponent(s) of such proposal), in each case to the extent known by Cygnus or any of its Representatives.
- (c) During the Exclusivity Period, Cygnus must also notify CAML in writing as soon as possible after it, or any of its Representatives, becomes aware of any material developments in relation to the actual, proposed or potential Competing Proposal, including in respect of any of the information previously provided to CAML under this **clause 11.5**.

11.6 Matching right

- (a) Without limiting any other provision of this document, during the Exclusivity Period, Cygnus:
 - (i) must not, and must procure that each of its Representatives do not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which any Third Party proposes, or proposes to undertake or give effect to, an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; and
 - (ii) must procure that no Cygnus Director:
 - (A) withdraws or adversely changes, modifies or qualifies their Recommendation or Voting Intention; or
 - (B) publicly recommends, supports or endorses an actual, proposed or potential Competing Proposal (or recommends against the Scheme) or makes any public statement to the effect that they may do so at a future point in time or that they no longer support the Proposed Transaction, the Scheme (provided that a statement that no action should be taken by Cygnus Shareholders pending the assessment of a Competing Proposal by the Cygnus Board or the completion of the matching right process set out in this **clause 11.6** shall not contravene this **clause 11.6**),

unless:

- (iii) the Cygnus Board, acting in good faith and in order to satisfy what the Cygnus Directors consider to be their statutory or fiduciary duties (having received written advice from their external legal advisers) determine that the Competing Proposal is a Superior Proposal;
 - (iv) Cygnus has provided CAML with the material terms and conditions of the actual, proposed or potential Competing Proposal (including the identity of the person making the actual, proposed or potential Competing Proposal as well as the information referred to in **clause 11.5(b)**), in each case to the extent known by Cygnus or its Representatives;
 - (v) Cygnus has given CAML at least five Business Days after the provision of the information referred to in **clause 11.6(a)(iv) (Cut Off Date)** to provide a Counterproposal; and
 - (vi) CAML has not announced or provided a Counterproposal to Cygnus before the Cut Off Date which the Cygnus Board has determined in accordance with **clause 11.6(b)** would provide an equivalent or superior outcome for Cygnus Shareholders as a whole compared with the actual, proposed or potential Competing Proposal.
- (b) If CAML proposes to Cygnus or announces, amendments to the Scheme or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Counterproposal**) before the Cut Off Date, then Cygnus must procure that the Cygnus Board considers the Counterproposal and if the Cygnus Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) would provide an equivalent or superior outcome for Cygnus Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then:
- (i) Cygnus and CAML must use their reasonable endeavours to agree the amendments to this document, the Scheme, the Deed Poll that are reasonably necessary to reflect and implement the Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) Cygnus must procure that each of the Cygnus Directors continue to recommend the Scheme (as modified by the Counterproposal) to Cygnus Shareholders, subject to the Independent Expert continuing to conclude that the Scheme as modified by the Counterproposal is in the best interests of Cygnus Shareholders as a whole.
- If the Cygnus Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Cygnus Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then Cygnus must promptly (and in any event within 24 hours of the Cygnus Board making such determination) notify CAML in writing of such determination.
- (c) For the purposes of this **clause 11.6**, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new Competing Proposal, and the procedures set out in this **clause 11.6** must again be followed

prior to any Cygnus Group Member entering into any agreement, arrangement, understanding or commitment in respect of such Competing Proposal.

- (d) For clarity and despite any other provision of this document, a statement by Cygnus or the Cygnus Board to the effect that:

- (i) the Cygnus Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this **clause 11.6**; or
- (ii) Cygnus Shareholders should take no action pending the completion of the assessment of a Competing Proposal or completion of the matching right process set out in this **clause 11.6**,

does not of itself:

- (iii) constitute a change, withdrawal, modification or qualification of the Recommendation or Voting Intention or an endorsement of the Competing Proposal;
- (iv) contravene this document;
- (v) give rise to an obligation to pay the Cygnus Reimbursement Fee under **clause 12.2**; or
- (vi) give rise to a termination right under **clause 12**.

11.7 Fiduciary out

- (a) The restrictions and obligations in **clauses 11.3** and **11.4** do not apply to the extent they restrict Cygnus or any Cygnus Director from taking or refusing to take any action with respect to a bona fide actual, proposed or potential Competing Proposal that did not result, directly or indirectly, from a breach of this **clause 11** by Cygnus or any of its Representatives, provided that the Cygnus Board has first determined, acting in good faith, that:
 - (i) after receiving written legal advice from its external legal advisers and after consulting with its financial adviser, the actual, proposed or potential Competing Proposal is a Superior Proposal or could reasonably be expected to become a Superior Proposal; and
 - (ii) after receiving written legal advice from its external legal advisers, compliance with that clause would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of the Cygnus Directors.
- (b) Cygnus must immediately notify CAML of each action or inaction by it, or any of its Representatives, in reliance on this **clause 11.7**.

11.8 Provision of information

- (a) Subject to **clause 11.8(b)**, during the Exclusivity Period, if any non-public information about the business, operations or affairs of the Cygnus Group is disclosed, provided or otherwise made available by Cygnus or its Representatives to any Third Party in connection with any actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, which has not previously been provided or made available to CAML (or is more extensive than the information which has been provided to CAML), then Cygnus must promptly, and in any event within two Business Days of the provision of such information, provide to CAML:

- (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of or reasonable access to, such information.
- (b) During the Exclusivity Period, Cygnus must not, and must procure that its Representatives do not, directly or indirectly disclose, provide or otherwise make available any non-public information about the business, operations or affairs of the Cygnus Group to any Third Party in connection with an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, unless:
- (i) permitted by **clause 11.4**; and
 - (ii) before such information is disclosed, provided or otherwise made available to that Third Party, the Third Party has entered into a confidentiality agreement with Cygnus that contains obligations on the Third Party that are no less onerous in any material respect than those of CAML under the Confidentiality Agreement.

11.9 Normal provision of information

Nothing in this **clause 11** prevents Cygnus from:

- (a) providing information to its Related Bodies Corporate or any of its or their respective Representatives in the ordinary course of business;
- (b) taking any action in good faith to comply with its disclosure requirements under applicable law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the Listing Rules;
- (c) providing information to its auditors, customers, joint venturers or suppliers acting in that capacity in the ordinary course of business; or
- (d) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors, shareholders and analysts (including where Cygnus representatives attend industry conferences) in the ordinary course in relation to its business generally,

subject to Cygnus complying with its obligations under the Confidentiality Agreement and **clause 15**.

11.10 Acknowledgment

CAML and Cygnus acknowledge and agree that:

- (a) CAML has requested the inclusion of this **clause 11** in this document and would not have entered into this document without it; and
- (b) Cygnus has received legal advice in relation to the operation of this **clause 11**.

12 Cygnus Reimbursement Fee

12.1 Acknowledgement

- (a) Cygnus believes, having taken advice from its external legal and financial advisers, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:
 - (i) CAML has and will incur significant costs, expenses, outgoings and losses if the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
 - (ii) CAML has requested that provision be made for the payment outlined in **clause 12.2** and it is reasonable and appropriate to agree to pay the Cygnus Reimbursement Fee to secure CAML's entry into this document; and
 - (iii) the Cygnus Reimbursement Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of CAML in relation to the Scheme, including:
 - (A) fees for legal, financial and other professional advice in planning and implementing the Proposed Transaction (excluding success fees);
 - (B) reasonable opportunity costs incurred in engaging in the Proposed Transaction or in not engaging in other alternative acquisitions or strategic initiatives;

- (b) a Superior Proposal is received by Cygnus or publicly announced at any time during the Exclusivity Period and Cygnus terminates this document in accordance with **clause 14.1(b)(ii)**;
- (c) during the Exclusivity Period, any Cygnus Director:
 - (i) fails to make the Recommendation or give the Voting Intention in accordance with **clause 7.1**; or
 - (ii) withdraws or adversely changes, modifies or qualifies their Recommendation, Voting Intention or support for the Scheme generally,
 except where the Cygnus Director takes (or fails to take) any of the actions set out in **clause 12.2(c)(i) or 12.2(c)(ii)**:
 - (iii) in relation to the Scheme because the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Cygnus Shareholders (other than in circumstances where that conclusion is due to wholly or partly to the existence, announcement or publication of a Competing Proposal), provided that any change of their Recommendation or Voting Intention must only occur after the Independent Expert has issued its conclusion that the Scheme is not in the best interests of Cygnus Shareholders; or
 - (iv) in accordance with an Abstain Requirement;
- (d) during the Exclusivity Period, any Cygnus Director recommends, supports or endorses a Competing Proposal (including support by way of accepting or voting, or by way of stating an intention to accept or vote in respect to any Cygnus Shares) of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions);
- (e) there is a material breach of **clause 11** by Cygnus; or
- (f) CAML validly terminates this document in accordance with:
 - (i) **clause 14.1(a)(i) or 14.1(c)(i)**; or
 - (ii) **clause 14.1(a)(iii)** and the failure to satisfy the relevant Condition Precedent was a direct result of a material breach of this document by Cygnus which Cygnus failed to remedy under the terms of this document, or a deliberate act or omission of Cygnus.

12.3 Timing of payment

- (a) A demand by CAML for payment of the Cygnus Reimbursement Fee under **clause 12.2** must:
 - (i) be in writing;
 - (ii) be signed by a CAML Board member or senior executive;
 - (iii) be made after the occurrence of the event in **clause 12.2** giving rise to the right to payment;
 - (iv) state the circumstances which give rise to the demand; and
 - (v) nominate an account in the name of CAML into which Cygnus is to pay the Cygnus Reimbursement Fee.

- (b) The payment of the Cygnus Reimbursement Fee must be made within five Business Days after receipt of a written demand for payment by CAML in accordance with **clause 12.3(a)** and where CAML is entitled under **clause 12.2** to the Cygnus Reimbursement Fee.

12.4 Compliance with law

- (a) If it is finally determined by the Takeovers Panel or a court of competent jurisdiction, after the exhaustion of all proper avenues of appeal and review (judicial or otherwise), that all or any part of the Cygnus Reimbursement Fee required to be paid under this **clause 12**:
 - (i) is unlawful or unenforceable; or
 - (ii) constitutes “unacceptable circumstances” (as determined by the Takeovers Panel) or breaches an order of the Takeovers Panel,(the **Impugned Amount**), then:
 - (iii) the requirement to pay the Cygnus Reimbursement Fee does not apply to the extent of any Impugned Amount; and
 - (iv) if CAML has received the Impugned Amount, it must refund it to Cygnus within five Business Days of the making of such determination.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in **clause 12.4(a)**.

12.5 Reimbursement Fee payable only once

Where the Cygnus Reimbursement Fee becomes payable to CAML under **clause 12.2** and is actually paid to CAML, CAML cannot make any claim against Cygnus for payment of any subsequent Cygnus Reimbursement Fee.

12.6 No Reimbursement Fee if Scheme becomes Effective

The Cygnus Reimbursement Fee is not payable under **clause 12.2** if:

- (a) the Scheme becomes Effective
- (b) at any time or times, one or more transactions are completed pursuant to which any member of the CAML Group acquires a Relevant Interest (or voting power, as defined in the Corporations Act) in 100% of the issued Cygnus Shares; or
- (c) prior to or at the time the amount payable by Cygnus to CAML under **clause 12.2** becomes (otherwise) payable under **clause 12.2**, Cygnus was entitled to terminate, or has terminated, this document under **clause 14**,

despite the occurrence of any event referred to in **clause 12.2**, and, if the Cygnus Reimbursement Fee has already been paid it must be refunded by CAML within five Business Days after receipt of a written demand from Cygnus. Notwithstanding anything else in this document, no amount payable by Cygnus to CAML under **clause 12.2** is payable by Cygnus merely by reason of the Cygnus Shareholders not approving the Scheme at the Scheme Meeting.

12.7 Sole and exclusive remedy

- (a) CAML acknowledges and agrees that, subject to this clause, payment of the Cygnus Reimbursement Fee is the sole and exclusive remedy available to CAML in connection with any event or occurrence referred to in **clause 12.2** and Cygnus is not liable for any loss or damage arising in connection with any such event or occurrence other than for any liability that it may have to pay CAML the Cygnus Reimbursement Fee.
- (b) The limitation in **clause 12.7(a)** does not apply:
 - (i) in connection with a breach by Cygnus of **clause 11** (which for the avoidance of doubt, does not include any action taken by Cygnus in accordance with the exception in **clause 11.7**) or where Cygnus has (whether in breach of **clause 11** or otherwise) agreed to pay a Third Party a break fee or similar cost reimbursement commitment in connection with any actual, proposed or potential Competing Proposal;
 - (ii) to prevent CAML (in its own right or as trustee for another person, as the case may be under this document) from seeking orders from a court of competent jurisdiction for the specific performance by Cygnus of any obligations under this document or injunctive relief;
 - (iii) to prevent CAML recovering the actual costs it incurs in connection with this document, the Scheme (to the extent such costs exceed the Cygnus Reimbursement Fee) if Cygnus has breached its obligations to register all transfers of Cygnus Shares to CAML in accordance with **clauses 5.1(q)**; or
 - (iv) to extinguish or limit the liability of Cygnus for any:
 - (A) interest payable on any amount payable by Cygnus under or in connection with this document; or
 - (B) breach of this document arising from criminal acts, fraud, wilful misconduct or wilful breach by Cygnus, its directors, officers or employees.

13 CAML Reimbursement Fee

13.1 Acknowledgement

- (a) CAML believes, having taken advice from its external legal and financial advisers, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:
 - (i) Cygnus has and will incur significant costs, expenses, outgoings and losses if the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
 - (ii) Cygnus has requested that provision be made for the payment outlined in **clause 13.2** and it is reasonable and appropriate to agree to pay the CAML Reimbursement Fee to secure Cygnus's entry into this document; and
 - (iii) the CAML Reimbursement Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all

associated out of pocket expenses) of Cygnus in relation to the Scheme, including:

- (A) fees for legal, financial and other professional advice in planning and implementing the Proposed Transaction (excluding success fees);
- (B) reasonable opportunity costs incurred in engaging in the Proposed Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (C) costs of management and directors' time in planning and implementing the Proposed Transaction; and
- (D) out of pocket costs and expenses incurred in connection with planning and implementing the Proposed Transaction.

- (b) CAML confirms that it has received legal advice on the operation of this **clause 13**.

13.2 Payment of CAML Reimbursement Fee

Subject to **clauses 13.4, 13.5 and 13.6**, CAML must pay the CAML Reimbursement Fee to Cygnus if:

- (a) Cygnus validly terminates this document in accordance with **clause 14.1(a)(i), 14.1(b)(i) or 14.1(b)(iii)**; or
- (b) CAML validly terminates this document in accordance with **clause 14.1(c)(v)**.

13.3 Timing of payment

- (a) A demand by Cygnus for payment of the CAML Reimbursement Fee under **clause 13.2** must:
 - (i) be in writing;
 - (ii) be signed by a Cygnus Board member or senior executive;
 - (iii) be made after the occurrence of the event in **clause 13.2** giving rise to the right to payment;
 - (iv) state the circumstances which give rise to the demand; and
 - (v) nominate an account in the name of Cygnus into which CAML is to pay the CAML Reimbursement Fee.
- (b) The payment of the CAML Reimbursement Fee must be made within five Business Days after receipt of a written demand for payment by Cygnus in accordance with **clause 13.3(a)** and where Cygnus is entitled under **clause 13.2** to the CAML Reimbursement Fee.

13.4 Compliance with law

- (a) If it is finally determined by the Takeovers Panel or a court of competent jurisdiction, after the exhaustion of all proper avenues of appeal and review (judicial or otherwise), that all or any part of the CAML Reimbursement Fee required to be paid under this **clause 13**:
 - (i) is unlawful or unenforceable; or
 - (ii) constitutes "unacceptable circumstances" (as determined by the Takeovers Panel) or breaches an order of the Takeovers Panel,

(the **Impugned Amount**), then:

- (iii) the requirement to pay the CAML Reimbursement Fee does not apply to the extent of any Impugned Amount; and
 - (iv) if Cygnus has received the Impugned Amount, it must refund it to CAML within five Business Days of the making of such determination.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in **clause 13.4(a)**.

13.5 Reimbursement Fee payable only once

Where the CAML Reimbursement Fee becomes payable to Cygnus under **clause 13.2** and is actually paid to Cygnus, Cygnus cannot make any claim against CAML for payment of any subsequent CAML Reimbursement Fee.

13.6 No Reimbursement Fee if Scheme becomes Effective

The CAML Reimbursement Fee is not payable under **clause 13.2** if the Scheme becomes Effective despite the occurrence of any event referred to in that clause, and, if the CAML Reimbursement Fee has already been paid it must be refunded by Cygnus within five Business Days after receipt of a written demand from CAML.

13.7 Sole and exclusive remedy

- (a) Cygnus acknowledges and agrees that, subject to this clause, payment of the CAML Reimbursement Fee is the sole and exclusive remedy available to Cygnus in connection with any event or occurrence referred to in **clause 13.2** and CAML is not liable for any for any loss or damage arising in connection with any such event or occurrence other than for any liability that it may have to pay Cygnus the CAML Reimbursement Fee.
- (b) The limitation in **clause 13.7(a)** does not apply:
 - (i) to prevent Cygnus (in its own right or as trustee for another person, as the case may be under this document) from seeking orders from a court of competent jurisdiction for the specific performance by CAML of any obligations under this document or injunctive relief; or
 - (ii) to extinguish or limit the liability of CAML for any:
 - (A) interest payable on any amount payable by CAML under or in connection with this document; or
 - (B) breach of this document arising from criminal acts, fraud, wilful misconduct or wilful breach by CAML, its directors, officers or employees.
 - (C) breach of **clause 4.2**, or a material breach of the Deed Poll.

14 Termination

14.1 Termination

- (a) Either party may, by notice in writing to the other, terminate this document:

- (i) at any time prior to the Delivery Time on the Second Court Date if the other is in material breach of any of its obligations under this document (other than a breach of a representation or warranty which is dealt with in **clauses 14.1(b)(i) and 14.1(c)(i)**), and, if the breach is capable of remedy, the other party has failed to remedy that breach within five Business Days (or 5.00 pm on the day before the date of the Second Court Date, if earlier) of receiving written notice from the non-defaulting party that sets out details of the relevant circumstance relating to the breach and stating an intention to terminate this document. For the purposes of this **clause 14.1(a)(i)**, any breach by Cygnus of its obligations under **clause 11** will constitute a material breach of Cygnus's obligations under this document;
 - (ii) at any time prior to the Delivery Time on the Second Court Date if the Court or any Government Agency (including any other court) has taken action permanently restraining or otherwise prohibiting or preventing the Proposed Transaction, or has refused to do anything necessary to permit the Proposed Transaction to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party (acting reasonably) believes that there is no realistic prospect of an appeal or review succeeding by the End Date;
 - (iii) in the circumstances set out in, and in accordance with, **clause 3.5(b)**;
 - (iv) if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date, unless the failure of the Scheme to become Effective on or before the End Date is due to the failure of the party seeking to terminate this document to perform or observe its obligations, covenants and agreements under this document; or
 - (v) subject to **clause 3.5(d)**, Cygnus Shareholders have not agreed to the Scheme at the Scheme Meeting by the requisite majorities.
- (b) Cygnus may, by notice in writing to CAML, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:
- (i) CAML is in breach of a CAML Warranty, or a CAML Warranty becomes untrue, and:
 - (A) the breach is material;
 - (B) Cygnus has given written notice to CAML setting out details of the circumstances relating to the breach and stating an intention to terminate this document; and
 - (C) the breach continues to exist for five Business Days (or at 5.00 pm on the Business Day before the Second Court Date, if earlier) after the date on which notice is given under **clause 14.1(b)(i)(B)**;
 - (ii) if the Cygnus Board determines, in accordance with **clause 11.7** and after completion of the processes specified in **clauses 11.5 and 11.6**, that a Competing Proposal is a Superior Proposal, provided always that there has not been a material breach by Cygnus of its obligations under **clause 11** and that Cygnus has paid the Cygnus Reimbursement Fee to CAML if required to do so under **clause 12.2**;
 - (iii) any CAML Director:

- (A) fails to make the CAML Recommendation or give the CAML Voting Intention;
- (B) withdraws or adversely changes, modifies or qualifies their CAML Recommendation or CAML Voting Intention; or
- (C) otherwise makes a public statement to the effect that they no longer support the Proposed Transaction or the Scheme,

for any reason, whether or not permitted to do so under this document.

- (c) CAML may, by notice in writing to Cygnus, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:

- (i) Cygnus is in breach of a Cygnus Warranty, or a Cygnus Warranty becomes untrue, and:

- (A) the breach is material;
- (B) CAML has given written notice to Cygnus setting out details of the circumstance relating to the breach and stating an intention to terminate this document; and
- (C) the breach continues to exist five Business Days (or at 5.00 pm on the Business Day before the Second Court Date, if earlier) after the date on which notice is given under **clause 14.1(c)(i)(B)**;

- (ii) any Cygnus Director:

- (A) fails to make the Recommendation or give the Voting Intention;
- (B) withdraws or adversely changes, modifies or qualifies their Recommendation or Voting Intention;
- (C) publicly recommends, supports or endorses a Competing Proposal; or
- (D) otherwise makes a public statement to the effect that they no longer support the Proposed Transaction or the Scheme,

for any reason, whether or not permitted to do so under this document, other than in accordance with **clause 7.2(a)(iii)**. For clarity, a statement to the effect that no action should be taken by Cygnus Shareholders pending an assessment of a Competing Proposal by the Cygnus Board or the completion of the matching right process set out in **clause 11.6** does not amount to a statement that, by itself, triggers the operation of this clause;

- (iii) Cygnus enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Competing Proposal;
- (iv) a Competing Proposal is announced (whether or not such proposal is stated to be subject to any pre-conditions) and the proponent of the Competing Proposal (either alone or together with any Associate) completes a Competing Proposal, or otherwise acquires (either alone or in aggregate) a Relevant Interest in more than 20% of Cygnus Shares or otherwise acquires (either alone or in aggregate) Control of Cygnus; and
- (v) a majority of the CAML Board withdraw or adversely change, modify or qualify their CAML Recommendation and the CAML Shareholder Resolution is not approved by the requisite majority of CAML Shareholders, provided CAML

has paid the CAML Reimbursement Fee to Cygnus if required to do so under **clause 13.2**; or

- (vi) a Cygnus Material Adverse Change occurs, is announced or becomes known to CAML.

14.2 Exercise of termination right

Where a party has a right to terminate this document, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this document and the provision under which it is terminating this document.

14.3 Effect of termination

- (a) In the event of termination of this document, each party will be released from its obligations under this document (and all future obligations under this document will immediately terminate and be of no further force and effect, including obligations in respect of the Proposed Transaction), except that the provisions of **clauses 1, 9.3, 9.6, 9.9, 10.1, 10.2, 12, 15, 16, 17 and 18** (inclusive) survive termination and remain in force.
- (b) Termination of this document does not affect any accrued rights of a party in respect of a breach of this document prior to termination or in respect of the right to payment of an amount under **clause 12**.

14.4 No other termination

Neither party may terminate or rescind this document, the Scheme except as permitted under **clauses 3.5 or 14.1**.

15 Public announcements

15.1 Confidentiality

Each party agrees and acknowledges that it is bound by the terms of the Confidentiality Agreement and that it must comply, and ensure that its Representatives comply with, the terms of the Confidentiality Agreement (to the extent required by the Confidentiality Agreement), except that the terms of this document will prevail over the Confidentiality Agreement to the extent of any inconsistency. The rights and obligations of the parties under the Confidentiality Agreement survive termination of this document.

15.2 Public announcements on execution

Immediately after the execution of this document, the parties must issue public announcements in a form previously agreed to in writing between them. The Cygnus announcement must include the Recommendation and Voting Intention statements in accordance with clause 7.1(b). The CAML announcement must include the CAML Recommendation and CAML Voting Intention statements in accordance with clause 8.1(b).

15.3 Further public announcements

Subject to **clause 15.4**, any further public announcements by Cygnus or CAML in relation to, or in connection with, the Proposed Transaction, Scheme or any other transaction the subject of this document may only be made in a form approved by each party in writing

(acting reasonably). Each party must use all reasonable endeavours to provide such approval as soon as practicable. For the avoidance of doubt, this clause does not apply to any announcement or disclosure relating to a Competing Proposal.

15.4 Required disclosure

- (a) Where a party is required by applicable law or the Listing Rules, the AIM Rules or the TSX Rules (if applicable) to make an announcement or to make any disclosure in connection with the Proposed Transaction, Scheme or any other transaction the subject of this document, it may do so despite **clause 15.3** but only after using reasonable endeavours, to the extent practicable and lawful, to consult with the other party before making the relevant disclosure and take account of any reasonable comments received from the other party in relation to the form and content of the announcement or disclosure.
- (b) Notwithstanding **clause 15.4(a)**, a party does not require the other party's approval to issue any public disclosures if the content of those disclosures is limited to procedural matters or information that has previously been disclosed within the Scheme Booklet, any other ASX announcement, an announcement made via the Regulatory News Service or any filing made on SEDAR+, provided that the disclosing party gives the other party prior written notice that it proposes to make a public disclosure in reliance on this **clause 15.4(b)**.

16 GST

16.1 Construction

In this **clause 16**:

- (a) unless there is a contrary indication, words and expressions which are not defined in this document but which have a defined meaning in the GST Law have the same meaning as in the GST Law;
- (b) **GST Law** has the same meaning given to that expression in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) or, if that Act does not exist for any reason, means any Act imposing or relating to the imposition or administration of a goods and services tax in Australia and any regulation made under that Act; and
- (c) references to GST payable and input tax credit entitlements include:
 - (i) notional GST payable by, and notional input tax credit entitlements of the Commonwealth, a State or a Territory (including a government, government body, authority, agency or instrumentality of the Commonwealth, a State or a Territory); and
 - (ii) GST payable by, and the input tax credit entitlements of, the representative member of a GST group of which the entity is a member.

16.2 Consideration GST exclusive

Unless otherwise expressly stated, all consideration, whether monetary or non-monetary, payable or to be provided under or in connection with this document is exclusive of GST (**GST-exclusive consideration**).

16.3 Payment of GST

If GST is payable on any supply made by:

- (a) a party; or
- (b) an entity that is taken under the GST Law to make the supply by reason of the capacity in which a party acts,

(**Supplier**) under or in connection with this document, the recipient of the supply, or the party providing the consideration for the supply, must pay to the Supplier an amount equal to the GST payable on the supply.

16.4 Timing of GST payment

The amount referred to in **clause 16.3** must be paid in addition to and at the same time and in the same manner (without any set-off or deduction) that the GST-exclusive consideration for the supply is payable or to be provided.

16.5 Tax invoice

The Supplier must deliver a tax invoice or an adjustment note to the recipient of a taxable supply before the Supplier is entitled to payment of an amount under **clause 16.3**.

16.6 Adjustment event

If an adjustment event arises in respect of a supply made by a Supplier under or in connection with this document, any amount that is payable under **clause 16.3** will be calculated or recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier or by the Supplier to the recipient as the case requires.

16.7 Reimbursements

- (a) Where a party is required under or in connection with this document to pay for, reimburse or contribute to any expense, loss, liability or outgoing suffered or incurred by another party or indemnify another party in relation to such an expense, loss, liability or outgoing (**Reimbursable Expense**), the amount required to be paid, reimbursed or contributed by the first party will be reduced by the amount of any input tax credits to which the other party is entitled in respect of the Reimbursable Expense.
- (b) This **clause 16.7** does not limit the application of **clause 16.3**, if appropriate, to the Reimbursable Expense as reduced in accordance with **clause 16.7(a)**.

16.8 No merger

This **clause 16** does not merge on the completion, rescission or other termination of this document or on the transfer of any property supplied under this document.

Each party will promptly do and perform all further acts and execute and deliver all further documents (in form and content reasonably satisfactory to that party) required by applicable law or reasonably requested by any other party to give effect to this document.

18.2 Payments

Unless otherwise expressly provided in this document, where an amount is required to be paid to a party (**Receiving Party**) by another party under this document, that amount shall be paid:

- (a) in immediately available and irrevocable funds by electronic transfer to a bank account or accounts notified by the Receiving Party in writing on or before the due date for payment, or in other such immediately payable funds as the parties may agree; and
- (b) without deduction, withholding or set-off.

18.3 Scrip for scrip roll-over relief

- (a) In the event the Scheme Shareholders are eligible for capital gains tax scrip for scrip roll-over relief under subdivision 124-M of the *Income Tax Assessment Act 1997* (Cth) (**Tax Act**), CAML acknowledges it has not made, and will not make, a choice to

deny roll-over relief to Scheme Shareholders under subsection 124-795(4) of the Tax Act.

- (b) Cygnus acknowledges that each Scheme Shareholder who is an Australian resident shareholder who holds their Scheme Shares on capital account may seek roll-over relief under subdivision 124-M of the Tax Act, to the extent permitted by the Tax Act, and Cygnus will not do anything to preclude any Scheme Shareholder from seeking or obtaining such a roll-over.
- (c) CAML acknowledges that Cygnus may apply for a class ruling on behalf of Scheme Shareholders in relation to scrip for scrip roll-over relief under subdivision 124-M of the Tax Act. CAML must provide Cygnus with such assistance and information as may reasonably be requested by Cygnus for the purposes of obtaining such ruling.

18.4 Stamp duty

CAML must pay all stamp duties (if any) and any related fines and penalties with respect to the acquisition of Scheme Shares pursuant to the Scheme.

18.5 Withholding tax

- (a) If CAML forms the view (in its reasonable opinion acting in good faith) that it is required by subdivision 14-D of schedule 1 of the TAA (**Subdivision 14-D**) to pay amounts to the Commissioner in respect of the acquisition of Scheme Shares from certain Scheme Shareholders (each a **FRCGW Holder**), then:
 - (i) CAML must notify Cygnus prior to the intended date of withholding, that it intends to remit any FRCGW Amount to the Commissioner referred to in **clause 18.5(a)**;
 - (ii) CAML must determine the amount required by Subdivision 14-D to be paid to the Commissioner in respect of each FRCGW Holder (each a **FRCGW Amount**);
 - (iii) CAML is permitted to take the required steps to withhold and remit the FRCGW Amounts to the Commissioner, including deducting from the Scheme Consideration otherwise payable to the FRCGW Holder that number of New CAML Shares required to be sold in order to satisfy the FRCGW Amount (taking into account potential fluctuations in price of CAML Shares) and issuing those New CAML Shares to the Sale Agent for sale; and
 - (iv) CAML must pay all FRCGW Amounts to the Commissioner within the time required under Subdivision 14-D.
- (b) In determining each FRCGW Amount to be paid by CAML to the Commissioner in accordance with **clause 18.5(a)**, CAML agrees to calculate the FRCGW Amount using the reduced rate specified in any variation notice issued by the Commissioner under section 14-235 of Subdivision 14-D in respect of the relevant FRCGW Holder (where CAML is provided with such notice prior to the Implementation Date).
- (c) The Scheme Consideration payable to the FRCGW Holders shall not be increased to reflect the FRCGW Amounts and the net aggregate sum payable to those Scheme Shareholders shall be taken to be in full and final satisfaction of the amount owing to those Scheme Shareholders.

- (d) CAML acknowledges and agrees that it shall not pay any FRCGW Amounts to the Commissioner under **clause 18.5(a)** with respect to a Scheme Shareholder or sell any CAML shares where CAML:
 - (i) receives a Scheme Shareholder Declaration from the Scheme Shareholder prior to the Implementation Date and CAML does not know that the Scheme Shareholder Declaration is false or would otherwise be precluded under Subdivision 14-D from relying on the Scheme Shareholder Declaration; or
 - (ii) receives a Nil Variation Notice prior to the Implementation Date.
- (e) CAML may, with Cygnus' prior written consent (such consent not to be unreasonably withheld or delayed), approach the Australian Taxation Office (**ATO**) to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that CAML reasonably requires in making any such approach.
- (f) CAML agrees:
 - (i) to provide Cygnus with a reasonable opportunity to review the form and content of all materials to be provided to the ATO under **clause 18.5(e)**, and must incorporate Cygnus' reasonable comments on those materials, and take into account Cygnus' reasonable comments in relation to CAML's engagement with the ATO, and provide Cygnus a reasonable opportunity to participate in any discussions and correspondence between CAML and the ATO in connection with the application of Subdivision 14-D to the Proposed Transaction; and
 - (ii) not to contact any Cygnus Shareholders in connection with the application of Subdivision 14-D to the Proposed Transaction without Cygnus' prior written consent.
- (g) CAML and Cygnus agree to:
 - (i) consult in good faith as to the application of Subdivision 14-D, including taking into account any clarification provided by the ATO following any process described in **clause 18.5(e)**; and
 - (ii) take all actions they agree (each acting reasonably) are necessary or desirable following that consultation.
- (h) Irrespective of anything to the contrary in this **clause 18.5**, to the extent the requirements of Subdivision 14-D change between the date of this document and the Implementation Date, CAML and Cygnus agree to take all actions that they agree (each acting reasonably) are necessary or desirable to ensure that, where possible, CAML is not required to pay any amounts to the Commissioner under **clause 18.5(a)**.

18.6 Expenses

Except as otherwise provided in this document, each party will pay its own costs and expenses in connection with the negotiation, preparation, execution, delivery and performance of this document and the Scheme Booklet and the proposed, attempted or actual implementation of this document and the Scheme.

18.7 Amendments

This document may only be varied by a document signed by or on behalf of each of the parties.

18.8 Assignment

A party cannot assign, novate or otherwise transfer any of its rights or obligations under this document without the prior written consent of the other party, which consent that other party may give or withhold in its absolute discretion.

18.9 Waiver

- (a) Failure to exercise or enforce or a delay in exercising or enforcing or the partial exercise or enforcement of any right, power or remedy provided by law or under this document by any party will not in any way preclude, or operate as a waiver of, any exercise or enforcement, or further exercise or enforcement of that or any other right, power or remedy provided by law or under this document.
- (b) Any waiver or consent given by any party under this document will only be effective and binding on that party if it is given or confirmed in writing by that party.
- (c) No waiver of a breach of any term of this document will operate as a waiver of another breach of that term or of a breach of any other term of this document.
- (d) Nothing in this document obliges a party to exercise a right to waive any conditional term of this document that may be in its power.

18.10 Counterparts

- (a) This document may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the agreement of each party who has executed and delivered that counterpart. Each counterpart is an original but the counterparts together are one and the same agreement.
- (b) This document is binding on the parties on the exchange of duly executed counterparts.
- (c) The parties agree that a copy of an original executed counterpart sent by email to the email address of the other party specified in **clause 17.3**, instead of the original, is sufficient evidence of the execution of the original and may be produced in evidence for all purposes in place of the original.

18.11 Entire agreement

Cygnus on the Implementation Date, and to have appointed and authorised Cygnus as that Scheme Shareholder's agent and attorney to warrant to CAML on the Implementation Date, that:

- (i) all their Scheme Shares (including any Rights) transferred to CAML under this Scheme will, as at the time of the transfer, be fully paid and free from all Encumbrances of any kind whether legal or otherwise, and free from any restrictions on transfer of any kind;
 - (ii) they have full power and capacity to sell and to transfer their Scheme Shares (including any Rights) to CAML under this Scheme; and
 - (iii) as at the Record Date, they have no existing right to be issued any Cygnus Shares or any other Cygnus securities or other instruments exercisable or convertible into Cygnus Shares.
- (b) Cygnus undertakes in favour of each Scheme Shareholder that it will provide such warranty, to the extent enforceable, to CAML as agent and attorney for each Scheme Shareholder.

6.6 Transfer free of Encumbrances

To the extent permitted by law, all Scheme Shares (including any Rights) which are transferred to CAML under this Scheme will, at the time of the transfer of them to CAML, be fully paid, be free from all Encumbrances of any kind, whether legal or otherwise, and be free from any restrictions on transfer of any kind.

6.7 Appointment of CAML as sole proxy

- (a) Subject to the provision of the Scheme Consideration for the Scheme Shares as contemplated by **clause 7** (including to the Sale Agent in accordance with **clause 7.8**), on and from the Implementation Date until Cygnus registers CAML as the holder of all of the Scheme Shares in the Cygnus Share Register, each Scheme Shareholder (by operation of this Scheme and without the need for any further act by the Scheme Shareholder):
- (i) is deemed to have irrevocably appointed Cygnus as attorney and agent (and directed Cygnus in such capacity) to appoint CAML and any of CAML's directors, secretaries and officers nominated by CAML (jointly and each of them individually) as its sole proxy, and where applicable corporate representative, to attend shareholders' meetings, exercise the votes attaching to Scheme Shares registered in their name and sign any shareholders resolution (whether in person, by proxy or by corporate representative);
 - (ii) must not attend or vote at any of those shareholder meetings or sign any shareholder resolutions, whether in person, by proxy or by corporate representative (other than pursuant to **clause 6.7(a)(i)**);
 - (iii) must take all other actions in the capacity of the registered holder of Scheme Shares as CAML directs; and
 - (iv) acknowledges and agrees that in exercising the powers referred to in **clause 6.7(a)(i)**, CAML and any person nominated by CAML under **clause 6.7(a)(i)** may act in the best interests of CAML as the intended registered holder of the Scheme Shares.
- (b) Cygnus undertakes in favour of each Scheme Shareholder that it will appoint CAML and any person nominated by CAML under **clause 6.7(a)(i)** as that Scheme Shareholder's

proxy or, where applicable, corporate representative in accordance with **clause 6.7(a)(i)**.

7 Scheme Consideration

7.1 Consideration under this Scheme

On the Implementation Date, in consideration for the transfer to CAML of the Scheme Shares, CAML:

- (a) must provide, or procure the provision of, the Scheme Consideration to the Scheme Shareholders (or the Sale Agent in accordance with **clause 7.8**) in accordance with this **clause 7**; and
- (b) agrees to (in satisfaction of CAML's obligation to provide, or procure the provision of, such Scheme Consideration under **clause 7.1(a)**) issue, or cause to be issued, the New CAML Shares in accordance with this **clause 7** (including in accordance with **clause 7.8** in respect to Ineligible Foreign Shareholders, Electing Selling Scheme Shareholders and FRCGW Holders).

7.2 Scheme Consideration

Subject to the terms and conditions of this Scheme (including **clause 7.4** in relation to fractional entitlements, **clauses 7.8** and **7.9** of this Scheme in relation to Ineligible Foreign Shareholders, Electing Selling Scheme Shareholders and FRCGW Holders and **clause 7.10**), the Scheme Consideration will be provided by the issue by CAML of the Scheme Consideration to Scheme Shareholders on the Implementation Date.

7.3 Provision of Scheme Consideration

Subject to the other provisions of this **clause 7**, the obligations of CAML to provide (or procure the provision of) the Scheme Consideration to the Scheme Shareholders will be satisfied by procuring that:

- (a) the name and address of each such Scheme Shareholder is entered into the CAML Share Register no later than the Implementation Date in respect of the New CAML Shares to which it is entitled under this **clause 7**; and
- (b) on or as soon as practicable after the Implementation Date:
 - (i) in the case of each Scheme Shareholder who has validly completed, duly executed and validly-submitted an Electronic Settlement Election Form in accordance with the instructions therein, the CREST account properly-specified in such form is duly-credited with the number of New CAML Shares issued to such Scheme Shareholder pursuant to this Scheme;
 - (ii) if CAML is listed on a Recognised Canadian Exchange, in the case of each Scheme Shareholder who holds its Scheme Shares through CDS, New CAML Shares are issued through CDSX;
 - (iii) in the case of each Electing Selling Scheme Shareholder, Ineligible Foreign Shareholder and (in respect of FRCGW Consideration Shares only) FRCGW Holder, the CREST account of the Sale Agent is duly-credited with the number of New CAML Shares which such persons would have been entitled to receive pursuant to this Scheme; and

- (iv) in the case of all other Scheme Shareholders (including any Scheme Shareholders who have incorrectly completed, incorrectly submitted or otherwise incorrectly executed an Electronic Settlement Election Form in accordance with the instructions therein), a share certificate is sent to the Registered Address of each such Scheme Shareholder representing the number of New CAML Shares issued to the Scheme Shareholder pursuant to this Scheme.

7.4 Fractional entitlements

- (a) If the number of Scheme Shares held by a Scheme Shareholder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration comprising New CAML Shares includes a fractional entitlement to a New CAML Share, then the entitlement of that Scheme Shareholder must be rounded as follows:
 - (i) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New CAML Shares; and
 - (ii) if the fractional entitlement is 0.5 or more, it will be rounded up to the nearest whole number of New CAML Shares.
- (b) If a Nominee Holder holds more than one parcel of Scheme Shares as trustee or nominee for, or otherwise on account of, another person, then for the purposes of this **clause 7.4**, the Scheme Consideration for the Nominee Holder will be calculated and rounded based on the aggregate number of Scheme Shares held by the Nominee Holder in those parcels as trustee or nominee for, or otherwise on account of, other persons.

7.5 Shareholder splitting or division

If CAML is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 7.4** or each of whom holds less than or equal to the number of Cygnus Shares required to classify as a Selling Scheme Shareholder) have, before the Record Date, been party to shareholder splitting or division (whether or not it results in any change in beneficial ownership of the Cygnus Shares) in an attempt to obtain unfair advantage by reference to such rounding, CAML may give notice to those Scheme Shareholders:

- (a) setting out their names and Registered Addresses;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice is given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of other provisions of this Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the other provisions of this Scheme and the Deed Poll, be taken to hold no Scheme Shares. CAML, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

7.6 Scheme Shareholders' agreements

If the Scheme becomes Effective, each Scheme Shareholder (and, to the extent relevant, the Sale Agent) irrevocably:

- (a) agrees to the transfer of their Scheme Shares, together with all Rights, to CAML in accordance with this Scheme;
- (b) agrees to the variation, cancellation or modification of the Rights attached to their Scheme Shares constituted by or resulting from this Scheme;
- (c) agrees that, after the transfer of their Scheme Shares to CAML and issue of the Scheme Consideration in accordance with this Scheme, any holding statements or share certificates (or equivalent documents) relating to the Scheme Shares will not constitute evidence of title to those Scheme Shares and agrees to, on the direction of CAML, destroy any holding statements or share certificates (or equivalent documents) relating to their Scheme Shares;
- (d) agrees, to the extent the Scheme Shareholder holds their Cygnus Shares in a CHESS Holding, to the conversion of their Cygnus Shares to an Issuer Sponsored Holding and irrevocably authorises Cygnus to do anything necessary, incidental or expedient to effect or facilitate such conversion;
- (e) agrees to become a shareholder of CAML, to have their name entered in the CAML Share Register as the holder of the New CAML Shares which they are issued as Scheme Consideration, and to accept the New CAML Shares issued to them under this Scheme on the terms and conditions of the CAML constitution;
- (f) agrees to be bound by the CAML constitution;
- (g) agrees and acknowledges that the issue of New CAML Shares in accordance with **clause 7.1** constitutes satisfaction of all that person's entitlements under this Scheme;
- (h) acknowledges that this Scheme binds Cygnus and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, and to extent permitted by law, overrides the constitution of Cygnus;
- (i) appoints Cygnus, and each director and officer of Cygnus, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) or regulatory information that the Sale Agent is required to provide to Ineligible Foreign Shareholders, Electing Selling Scheme Shareholders and FRCGW Holders under the Corporations Act or any other applicable law; and
- (j) consents to Cygnus and CAML doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it,

in each case without the need for any further act by that Scheme Shareholder (or the Sale Agent, as applicable).

7.7 Unclaimed monies

- (a) CAML may cancel a cheque issued under this **clause 7** if the cheque:
 - (i) is returned to CAML; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.

- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Cygnus or CAML (or the Cygnus Registry or CAML's share registry) (which request may not be made until the date which is 10 Business Days after the Implementation Date), CAML must reissue or procure the reissuance of a cheque that was previously cancelled under **clause 7.7(a)**.
- (c) The *Unclaimed Monies Act 1990* (WA) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of that Act).
- (d) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of CAML.

7.8 Ineligible Foreign Shareholders, Electing Selling Scheme Shareholders and FRCGW Holders

- (a) CAML must permit Selling Scheme Shareholders to elect, by providing notice in writing to Cygnus on or before 5.00 pm on the Business Day before the Record Date, to be treated as an Electing Selling Scheme Shareholder for the purposes of this **clause 7.8**.
- (b) CAML has no obligation under this Scheme to issue, and will not issue, any Scheme Consideration to any:
 - (i) Ineligible Foreign Shareholder;
 - (ii) Electing Selling Scheme Shareholder; or
 - (iii) FRCGW Holder in respect of FRCGW Consideration Shares,
 and instead:
 - (iv) the CAML Shares that would, but for this **clause 7.8**, have been issued to the Ineligible Foreign Shareholder, the Electing Selling Scheme Shareholder or (in respect of the FRCGW Consideration Shares) the FRCGW Holder (as applicable) as Scheme Consideration (**Relevant CAML Shares**), must be issued by CAML to the Sale Agent (subject to **clauses 7.4** and **7.10**) and the Sale Agent's CREST account be credited with such Relevant CAML Shares for the purposes of onward settlement with those persons which the Sale Agent may procure to purchase such shares;
- (c) Subject to compliance with all applicable laws, including applicable English securities laws, CAML must procure that, as soon as reasonably practicable and in any event not more than 30 trading days (on which the Relevant CAML Shares are capable of being traded on the AIM) after the Implementation Date, the Sale Agent:
 - (i) sells all the Relevant CAML Shares issued to the Sale Agent pursuant to **clause 7.8(b)** in such manner, or such financial market, at such price and on such other terms as the Sale Agent determines in good faith; and
 - (ii) as soon as reasonably practicable and in any event no more than 10 Business Days after settlement of all the sales of Relevant CAML Shares by the Sale Agent under **clause 7.8(c)(i)**, remits to CAML, or at CAML's direction, the total proceeds of those sales after deduction of any applicable commissions, fees, foreign exchange, currency conversion, stamp duty, brokerage, commission and other selling costs, taxes and charges of the Sale Agent incurred in connection with the sale of such Relevant CAML Shares (such net proceeds being the **Sale Proceeds**).
- (d) CAML must, promptly, and in any event within 10 Business Days, after the Sale Proceeds have been remitted by the Sale Agent, pay, or procure the payment, to each

Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder and FRCGW Holder such proportion of the Sale Proceeds (in Australian dollars) to which that Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder or FRCGW Holder is entitled, to be determined in accordance with the following formula:

$$A = \left(\frac{B}{C} \right) * D$$

- A is the amount of the Sale Proceeds to which the Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder or FRCGW Holder (as applicable) is to be paid (rounded down to the nearest cent);
 - B is either: (i) the number of CAML Shares to which the Ineligible Foreign Shareholder or the Electing Selling Scheme Shareholder (as applicable) would otherwise have been entitled if they had not been an Ineligible Foreign Shareholder or an Electing Selling Scheme Shareholder; or (ii) for a FRCGW Holder, the number of FRCGW Consideration Shares, which in either case were issued to the Sale Agent for sale in accordance with this **clause 7.8**;
 - C is the total number of Relevant CAML Shares which were instead issued to the Sale Agent in accordance with this **clause 7.8**; and
 - D is the Sale Proceeds, provided that if the amount is to be paid to a FRCGW Holder, 'D' will be reduced by any amount remitted or required to be remitted to the Commissioner.
- (e) The obligations of CAML under **clause 7.8(d)** will be satisfied by CAML (in its absolute discretion, and despite an election referred to in **clause 7.8(e)(i)** or authority referred to in **clause 7.8(e)(iii)** made or given by the Scheme Shareholder):
- (i) if a Scheme Shareholder has, before the Record Date, made a valid election in accordance with the requirements of the Cygnus Registry to receive dividend payments from Cygnus by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (ii) paying or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to Cygnus; or
 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post to their Registered Address (as at the Record Date), such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in **clause 7.12**).
- (f) Each Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder and FRCGW Holder:
- (i) acknowledges and agrees that:
 - (A) payment of the relevant proportion of the Sale Proceeds in accordance with **clause 7.8(e)** satisfies in full the Ineligible Foreign Shareholder's, the Electing Selling Scheme Shareholder's (as applicable) right to the Scheme Consideration (but, for a FRCGW Holder, only in respect of the FRCGW Consideration Shares);

- (B) none of Cygnus, CAML or the Sale Agent give any assurance as to the price that will be achieved for the sale of the CAML Shares described in this **clause 7.8**, and the sale of the CAML Shares under this **clause 7.8** will be at the risk of the Ineligible Foreign Shareholder, the Electing Selling Scheme Shareholder or the FRCGW Holder (as applicable); and
- (C) Cygnus, CAML and the Sale Agent each expressly disclaim any fiduciary duty to any Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder or FRCGW Holder that may arise in connection with this **clause 7.8**; and
- (ii) appoints Cygnus, and each director and officer of Cygnus, as its agent to receive on its behalf any financial services guide or other notice or regulatory information which is required to be given by the Sale Agent to the Ineligible Foreign Shareholder, the Electing Selling Scheme Shareholder and the FRCGW Holder for or in connection with its appointment or sales under the Corporations Act or any other applicable law.

7.9 Other ineligible Scheme Shareholders

Where the issue of New CAML Shares to which a Scheme Shareholder (other than an Ineligible Foreign Shareholder, an Electing Selling Scheme Shareholder or a FRCGW Holder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) CAML will issue the maximum possible number of New CAML Shares to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further New CAML Shares to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under **clause 7.8**, as if:
 - (i) references to Ineligible Foreign Shareholders also included that Scheme Shareholder; and
 - (ii) references to Relevant CAML Shares also included any of that Scheme Shareholder's New CAML Shares that have been issued to the Sale Agent.

7.10 Orders of a Court or Government Agency

- (a) Cygnus or CAML may deduct and withhold from any consideration which would otherwise be provided to a Scheme Shareholder in accordance with this **clause 7**, any amount which Cygnus and CAML determine is required to be deducted and withheld from that consideration under any applicable law, including any order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency.
- (b) To the extent that amounts are so deducted or withheld, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted to the appropriate taxing agency.
- (c) If written notice is given to Cygnus (or the Cygnus Registry) or CAML (or CAML's share registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration which would otherwise be provided to a Scheme Shareholder in accordance with this **clause 7** to instead be paid or provided to a Government Agency or other third party (either through payment of a sum or the

issuance of a security), then Cygnus or CAML (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Shareholder); or

- (ii) prevents consideration being provided to any particular Scheme Shareholder in accordance with this **clause 7**, or the payment or provision of such consideration is otherwise prohibited by applicable law, Cygnus or CAML (as applicable) shall be entitled to (as applicable):
 - (A) direct CAML not to issue (or procure the issue of), or to issue or provide to a trustee or nominee, such number of New CAML Shares as that Scheme Shareholder would otherwise be entitled to under this **clause 7**; or
 - (B) in the case of an Ineligible Foreign Shareholder, an Electing Selling Scheme Shareholder and FRCGW Holder, retain an amount, in Australian dollars, equal to the relevant Scheme Shareholder's share of the proceeds calculated in accordance with **clause 7.8(d)**,

until such time as payment or provision of the consideration in accordance with this **clause 7** is permitted by that order or direction or otherwise by law.

7.11 Shares to rank equally

CAML covenants in favour of Cygnus (in its own right and on behalf of the Scheme Shareholders) that, subject to this Scheme becoming Effective:

- (a) the New CAML Shares will, upon their issue, rank equally in all respects with all other CAML Shares then on issue;
- (b) it will use best endeavours to ensure that the New CAML Shares issued as Scheme Consideration will be admitted to trading on AIM and will be capable of being traded on the first trading day after the Implementation Date;
- (c) it will use reasonable endeavours to ensure that the New CAML Shares issued as Scheme Consideration will be admitted to trading on a Recognised Canadian Exchange and will be capable of being traded on the first trading day after the Implementation Date, subject to the requirements of the Recognised Canadian Exchange (as applicable);
- (d) the New CAML Shares will be duly and validly issued in accordance with applicable laws; and
- (e) on issue, each New CAML Share will be fully paid and free from any Encumbrance.

7.12 Exchange election

- (a) Subject to **clauses 7.8, 7.12(b)** and **7.12(c)**, each Scheme Shareholder will receive New CAML Shares listed on AIM, or a Recognised Canadian Exchange subject to CAML having received conditional approval by a Recognised Canadian Exchange prior to the Implementation Date for the New CAML Shares to be listed on a Recognised Canadian Exchange. A Scheme Shareholder who wishes for the issue of their New CAML Shares to be listed on the CAML Share Register maintained in the United Kingdom does not need to make an election under **clause 7.12(b)**.
- (b) Subject to **clause 7.8, 7.12(c)** and **7.12(d)**, each Scheme Shareholder will be entitled to elect to have their New CAML Shares received as Scheme Consideration, listed on a Recognised Canadian Exchange by completing the Election Form and returning it to the

address specified in the Election Form so that it is received by the Share Register before the Record Date, provided that:

- (i) prior to the Implementation Date, the New CAML Shares are conditionally approved by a Recognised Canadian Exchange to be listed on a Recognised Canadian Exchange;
 - (ii) an election must be made in accordance with the terms and conditions on the Election Form; and
 - (iii) a Scheme Shareholder who does not make a valid election will be deemed to have elected to have their New CAML Shares issued on the CAML Share Register maintained in the United Kingdom.
- (c) In the event CAML has not received conditional approval prior to the Implementation Date for New CAML Shares to be listed on a Recognised Canadian Exchange, the New CAML Shares will be listed on the AIM irrespective of whether a Scheme Shareholder has made a valid election under this **clause 7.12**.
- (d) Ineligible Foreign Shareholders, Electing Selling Scheme Shareholders and FRCGW Holders (but, for a FRCGW Holder, only in respect of the FRCGW Consideration Shares) are not entitled to make any election under **clause 7.12(b)** and any election purportedly made by such Scheme Shareholder will have their Scheme Consideration dealt with in accordance with **clause 7.8**.
- (e) Subject to **clause 7.12(f)**, a valid election made or deemed to be made by a Scheme Shareholder under **clause 7.12(b)** will be deemed to apply in respect of the Scheme Shareholder's entire holding of Scheme Shares, regardless of whether the Scheme Shareholder's holding of Scheme Shares is greater or less than the Scheme Shareholder's holding at the time the election is made.
- (f) A Scheme Shareholder (other than an Ineligible Foreign Shareholder or Electing Selling Scheme Shareholder) that holds one or more parcels of Scheme Shares as trustee or nominee for, or otherwise on account of, another person may, in accordance with the Election Form, make separate elections under **clause 7.12(b)** in relation to those parcels of Scheme Shares (subject to requirements of CAML and Cygnus and any such information they reasonably require to establish status and holdings). Any partial or mistaken election to make an election in respect of each parcel, will not be taken to extend to the other parcels.
- (g) A Scheme Shareholder (other than an Ineligible Foreign Shareholder, Electing Selling Scheme Shareholder or FRCGW Holder (but, for a FRCGW Holder, only in respect of the FRCGW Consideration Shares)) may vary or withdraw an election made by it under this **clause 7.12** at any time before the Record Date. To vary or withdraw such an election, a Scheme Shareholder must follow the procedure set out in the Scheme Booklet or in the Election Form, or as may otherwise be agreed by CAML and Cygnus.
- (h) Subject to **clause 7.12(i)**, an election which is not made or deemed to have been made in accordance with this **clause 7.12** will not be a valid election for the purposes of this Scheme and will not be recognised by CAML or Cygnus for any purpose.
- (i) Cygnus may, with the agreement of CAML, settle as it thinks fit any difficulty, matter of interpretation or dispute which may arise in connection with determining the validity of any election made by a Scheme Shareholder under **clause 7.12(b)**, and any such decision will be conclusive and binding on Cygnus, CAML and the relevant Scheme Shareholder.

7.13 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any New CAML Shares to be issued under this Scheme must be issued and registered in the names of the joint holders and entry in the CAML Share Register must take place in the same order as the holders' names appear in the Cygnus Share Register;
- (b) any cheque required to be sent under this Scheme must be made payable to the joint holders and sent to either, at the sole discretion of CAML, the holder whose name appears first in the Cygnus Share Register as at the Record Date or to the joint holders; and
- (c) any document required to be sent under this Scheme must be forwarded to either, at the sole discretion of CAML, the holder whose name appears first in the Cygnus Share Register as at the Record Date or to the joint holders.

8 Dealings in Scheme Shares

8.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Scheme Shares or other alterations to the Cygnus Share Register will only be recognised by Cygnus if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Cygnus Share Register as the holder of the relevant Scheme Shares at the Record Date;
- (b) in the case of dealings of the type to be effected using CDS, the transferee is registered in CDSX as the holder of the relevant Scheme Shares at the Record Date; and
- (c) in all other cases, registrable transmission applications or transfers in registrable form acceptable to the Cygnus Registry in respect of those dealings are received on or before the Record Date at the place where the Cygnus Share Register is kept,

and Cygnus must not accept for registration, nor recognise for any purpose (except a transfer to CAML pursuant to this Scheme and any subsequent transfer by CAML or its successors in title) any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

8.2 Cygnus Share Register

Cygnus must register, or cause to be registered, any registrable transmission applications or transfers of the Cygnus Shares received in accordance with **clause 8.1(c)** on or before the Record Date, provided that nothing in this **clause 8.2** requires Cygnus to register a transfer that would result in a Cygnus Shareholder holding a parcel of Cygnus Shares that is less than a 'marketable parcel' (as defined in the operating rules of ASX).

8.3 No disposals after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or transfer, or otherwise deal with, or purport or agree to dispose of or transfer, or otherwise deal with, any Scheme Shares or any interest in them after the Record Date in any way except as set out in this Scheme and any such disposal, transfer, dealing or purported disposal, transfer or dealing will be void and of no legal effect

whatsoever and Cygnus must disregard any such disposal, transfer, dealing or purported disposal, transfer or dealing.

8.4 Maintenance of Cygnus Share Register

For the purpose of determining entitlements to the Scheme Consideration, Cygnus must maintain the Cygnus Share Register in accordance with the provisions of this **clause 8.4** until the Scheme Consideration has been provided to the Scheme Shareholders and CAML has been entered in the Cygnus Share Register as the holder of all the Scheme Shares. The Cygnus Share Register in this form will solely determine entitlements to the Scheme Consideration.

8.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to CAML contemplated in **clauses 6.2** and **8.4**, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of CAML and its successors in title). After the Record Date, each entry current on the Cygnus Share Register as at the Record Date (other than entries in respect of CAML or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Cygnus Shares relating to that entry.

8.6 Details of Scheme Shareholders

- (a) Within one Business Day after the Record Date, Cygnus must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Cygnus Share Register at the Record Date, are available and provided to CAML in such form as CAML reasonably requires.
- (b) Each Scheme Shareholder agrees that the information referred to in **clause 8.6(a)** may be disclosed to CAML, its advisers, share registry and other service providers to the extent necessary to effect this Scheme.

8.7 Quotation of Cygnus Shares

Cygnus must apply to the ASX and TSXV to suspend trading in Cygnus Shares with effect from the close of trading on the Effective Date, or such other date and time agreed in writing between Cygnus and CAML.

8.8 Termination of quotation of Cygnus Shares

Cygnus must apply:

- (a) for termination of the official quotation of Cygnus Shares on ASX;
- (b) for termination of the listing of Cygnus Shares on TSXV; and
- (c) to have itself removed from the official lists of ASX and TSXV,

in each case with effect on and from the close of trading on the Business Day immediately following the Implementation Date, or such other date and time agreed in writing between Cygnus and CAML (acting reasonably and following consultation with the ASX and TSXV (as applicable)).

9 Instructions and notification

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Cygnus that are binding or deemed binding between the Scheme Shareholder and Cygnus relating to Cygnus or Cygnus Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Cygnus Shares; and
- (c) notices or other communications from Cygnus (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by CAML in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to CAML and to be a binding instruction, notification or election to, and accepted by, CAML until that instruction, notification or election is revoked or amended in writing addressed to CAML at its registry.

10 Power of attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder, on and from the Effective Date irrevocably appoints Cygnus (and each of its directors, officers and secretaries (jointly and each of them severally)) as its attorney and agent for the purpose of:

- (a) enforcing the Deed Poll against CAML; and
- (b) executing any document, or doing or taking any other act, necessary or expedient to give effect to this Scheme and the transactions contemplated by it, including the Share Scheme Transfer on the Implementation Date,

and Cygnus accepts such appointment. Cygnus as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this **clause 10** to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

11 Notices

11.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Cygnus, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Cygnus's registered office or at the office of the Cygnus Registry.

11.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Cygnus Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act, and those alterations or conditions have been agreed to by each of CAML and Cygnus:

- (a) Cygnus may, with the prior consent of CAML, by its counsel or solicitor, consent on behalf of all persons concerned to any such alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Cygnus has consented to pursuant to **clause 12.1(a)**.

Each of the Scheme Shareholders irrevocably consents to Cygnus and CAML doing all things necessary or expedient for or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders or otherwise.

12.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, neither CAML nor Cygnus, nor any of their respective directors, officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

12.5 Enforcement of Deed Poll

Cygnus undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against CAML on behalf of and as agent and attorney for the Scheme Shareholders.

CAML must:

- (a) pay all stamp duty (including any related fines, penalties and interest) with respect to the acquisition of the Scheme Shares pursuant to the Scheme; and

12.7 Scrip for scrip roll-over relief

In the event the Scheme Shareholders are eligible for scrip for scrip roll-over relief, CAML acknowledges it has not made, and will not make, a choice to deny roll-over relief to Scheme Shareholders under subsection 124-795(4) of the ITAA 1997. CAML agrees to provide any

assistance reasonably requested by a Scheme Shareholder or Cygnus to enable the Scheme Shareholder to obtain scrip for scrip roll-over relief.
