While no resolution is required in relation to this item, Shareholders will be given the opportunity to ask questions about, and make comments on, the Financial Report, the Directors Report and the Auditor's Report.

In accordance with section 250T of the Corporations Act, a representative of the Company's auditor is anticipated to be in attendance to respond to any questions raised of the Auditor or on the Auditor's Report. Written questions to the auditor must be submitted by Shareholders to the Company at least 5 business days prior to the Meeting.

### **3. Resolution 1 – Adoption of Remuneration Report**

---

The Remuneration Report for the financial year ended 30 June 2024 is set out in the 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for its Directors and senior management.

Section 250R(2) of the Corporations Act requires the Meeting to include a vote on the adoption of the Remuneration Report. Under section 250R(3) of the Corporations Act, the vote on this Resolution is advisory only and does not bind the Directors or the Company.

In accordance with section 250SA of the Corporations Act, the Chairperson will provide a reasonable opportunity for discussion on the Remuneration Report at the Meeting.

If at least 25% of the votes on Resolution 1 are voted against adoption of the Remuneration Report at the Meeting, and then again at the Company's 2025 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the re-election of the Directors (**Spill Resolution**).

All of the Directors who are in office when the Company's 2025 Directors' Report is approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though the Resolution is connected directly or indirectly with the remuneration of the Key Management Personnel.

### **4. Resolution 2 – Re-election of Annie Guo**

---

Resolution 2 seeks Shareholder approval, under and for the purposes of clause 11.1(d) of the Constitution, for the re-election of Ms Annie Guo as a Director.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Clause 11.1(c) of the Constitution requires that one third of the Directors must retire at each annual general meeting (rounded down to the nearest whole number), excluding the Managing Director.

Clause 11.1(d) of the Constitution states that a retiring Director is eligible for re-election. Accordingly, Ms Guo will retire as a Director at the Meeting and being eligible seeks re-election as a Director.

Annie Guo, who has served as a director since 18 February 2021 and was last re-elected on 25 November 2022, retires by rotation and seeks re-election.

Ms Guo is a highly proficient corporate executive with more than 20 years' experience in the mining and resources sector.

During Ms Guo's earlier career with PricewaterhouseCoopers, she held senior roles in transaction services, with a focus on the mining and resources sector. In addition, she is an experienced public and private company director and executive and has run her own investment platform focused on Australian and international mining and resource projects for the past decade. Ms Guo brings significant experience across mining project evaluation, mergers and acquisitions, capital markets, project development and corporate finance, and is currently the Executive Chair of Zuleika Gold Limited.

Resolution 2 is an **ordinary resolution**.

The Chairperson intends to exercise all available proxies in favour of Resolution 2.

The Board (excluding Ms Guo) recommends that Shareholders vote in favour of Resolution 2.

## 5. **Resolution 3 – Appointment of Auditor**

---

On 9 April 2024, the Company announced that BDO Audit Pty Ltd has been appointed as the auditor of the Company. The appointment followed the resignation of BDO Audit (WA) Pty Ltd and ASIC's consent to the resignation in accordance with section 329(5) of the Corporations Act.

The change of auditor arose as a result of BDO Audit (WA) Pty Ltd restructuring its audit practice whereby audits will be conducted by BDO Audit Pty Ltd, an authorised audit company, rather than BDO Audit (WA) Pty Ltd. There is no change in the audit partner or team as a result of this change in audit entity.

Under section 327C(2) of the Corporations Act, any auditor appointed under section 327C(1) of the Corporations Act holds office until the company's next annual general meeting. The Company is therefore required to appoint an auditor of the Company to fill the vacancy in the office of auditor at this Meeting pursuant to section 327B of the Corporations Act.

Resolution 3 seeks Shareholder approval for the purposes of section 327B of the Corporations Act, to appoint BDO Audit Pty Ltd as the Company's auditor with effect from the conclusion of this Meeting.

If Resolution 3 is passed, the appointment of BDO Audit Pty Ltd as auditor of the Company will take immediate effect from the conclusion of the Meeting.

The Company has received written notice of nomination from a Shareholder for BDO Audit Pty Ltd to be appointed as the Company's auditor, in accordance with section 328B of the Corporations Act. A copy of the notice of nomination is detailed in Appendix 1.

Resolution 3 is an **ordinary resolution**.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

The Board recommends that Shareholders vote in favour of Resolution 3.

## 6. Resolution 4 – Approval of 10% Placement Facility

---

### 6.1 Background

Resolution 4 is a **special resolution** to approve the Company's ability to utilise the additional 10% placement capacity available under Listing Rule 7.1A for the next 12 months.

This Resolution 4 will be passed by Shareholders as a special resolution if 75% of the votes cast by Shareholders present and eligible to vote (whether in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) are in favour of it.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**).

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to enable the Company's to issue Equity Securities under the 10% Placement Facility over the next 12 months.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

### 6.2 Description of Listing Rule 7.1A

#### (a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

#### (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of the Notice, the Company has the following quoted Equity Securities on issue:

- 236,734,647 ordinary shares.

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

**(A x D) – E**

**A** is the number of shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
  - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
  - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
  - the agreement was entered into before the commencement of the relevant period; or
  - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,  
*Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1.*
- plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- less the number of fully paid ordinary securities cancelled in the relevant period.

Note: A has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

**D** is 10%.

**E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) **ASX Listing Rules 7.1 and 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (please refer to Section 6.2(c) above).

(e) **Effect of Resolution 4**

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (please refer to Section 6.2(c) above).

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the Additional 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

- (ii) activities associated with its current exploration projects generally;
- (iii) repayment of debt; and
- (iv) acquisition and investment in new assets (including associated expenses).

The Company will disclose this information when Equity Securities are issued under the 10% Placement Facility.

(d) **Risk of economic and voting dilution**

If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:

- a. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- b. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows:

- i. two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at future meetings of Shareholders; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.1175 50% decrease in market price	\$0.235 current market price	\$0.3525 50% increase in market price
Current variable "A"  236,734,647	10% voting dilution	23,673,465 Shares	23,673,465 Shares	23,673,465 Shares
	Funds raised	\$2,781,632	\$5,563,264	\$8,344,896
50% increase in current variable "A"  355,101,971	10% voting dilution	35,510,197 Shares	35,510,197 Shares	35,510,197 Shares
	Funds raised	\$4,172,448	\$8,344,896	\$12,517,344
100% increase in current variable "A"  473,469,294	10% voting dilution	47,346,929 Shares	47,346,929 Shares	47,346,929 Shares
	Funds raised	\$5,563,264	\$11,126,528	\$16,689,793

## **Notes and assumptions**

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
2. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
3. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The issue price is \$0.235, being the closing price of the Shares on the ASX on 21 October 2024.

### **i. Final date for issue**

The Company will only issue the Equity Securities during the 10% Placement Period. See Section 6.3(a) above.

### **ii. Purposes of issues under 10% Placement Facility**

The Company may seek to issue the Equity Securities under the 10% Placement Facility to raise funds for working capital and the exploration and development of its existing projects including the Yarraloola, Yarrie, Shepherds Well, Croydon and Buddadoo projects.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon any issue of Equity Securities.

### **iii. Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the persons to whom the Equity Securities will be issued will be determined on a case-by-case basis having regard to factors which include the following:

- a. the purpose of the issue;
- b. the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issues in which existing Shareholders can participate;
- c. the effect of the issue of the Equity Securities on the control of the Company;
- d. the financial situation and solvency of the Company;
- e. prevailing market conditions; and
- f. advice from corporate, financial and broking advisers (if applicable).

The persons to be issued Equity Securities under the 10% Placement Facility have not been determined as at the date of this Notice but are likely to be sophisticated or professional investors for the purposes of section 708 of the Corporations Act who are not related parties or associates of a related party of the Company.

Shareholder approval was previously obtained pursuant to Listing Rule 7.1A on 30 November 2023 (at the 2023 Annual General Meeting).

**iv. Issues in the past 12 months under Listing Rule 7.1A.2**

The Company has not issued any Equity Securities under Listing Rule 7.1A in the previous 12 months.

**v. Voting exclusion statement**

A voting exclusion statement is not included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

**6.4 Additional information**

- (a) Resolution 4 is a **special resolution**.
- (b) The Board recommends that Shareholders vote in favour of Resolution 4.
- (c) The Chairperson intends to exercise all available proxies in favour of Resolution 4.

**7. Resolutions 5 and 6 – Approval to amend terms of existing Options**

---

**7.1 Background**

The Board is proposing to, subject to Shareholder approval, amend the terms and conditions of the Options which remain unexercised (as at the date of the Notice), to include an additional provision to enable the Board to, in its absolute discretion, settle exercised Options in cash or Shares at the Company's election.

Resolutions 5 and 6 seek Shareholder approval, pursuant to Listing Rule 6.23.4, to amend the terms and conditions of the existing Options previously issued to selected consultants, employees, Key Management Personnel and Directors by inserting a cash settlement clause as follows:

**Cash Settlement**

- (a) *At any time after any vesting conditions (if any) has been satisfied, and an Option has been exercised (if applicable), the Board may (in its sole and absolute discretion) elect to settle the Holder's Options in cash rather than Shares in accordance with paragraph (c).*
- (b) *Subject to the Board's overriding discretion in paragraph (a), a Holder may request that the Company consider the settlement of its exercised Options in cash rather than Shares by specifying in the Notice of Exercise the number of exercised Options it wishes to have*

settled in cash. The Board has absolute discretion on whether the Company agrees to cash settle any exercised Options requested by the Holder.

- (c) Following receipt of the Notice of Exercise of Options and the accompanying payment in full of the relevant number of shares being subscribed, if the Board determines to exercise its discretion to cash settle the exercised Options:
- (i) it must give notice of any such election to the Holder (or its nominee) specifying the number of Options to be settled in cash (**Option Cash Settlement Notice**); and
  - (ii) the cash payment will be equivalent of the value of the Shares that would otherwise have been issued to the Holder, in respect of the exercised Options which are subject to the Option Cash Settlement Notice, calculated by applying a 10% discount to the VWAP of Shares over the 15 Trading Days up to and including the date the relevant Options are exercised.

(being, the **Option Cash Settlement Amendment**).

Other than the proposed Option Cash Settlement Amendment, the terms and conditions of the Options will remain unchanged.

## 7.2 Listing Rule 6.23.4

Listing Rule 6.23.3 provides that a change which has the effect of reducing the exercise price, increasing the period for exercise or conversion, or increasing the number of securities received on exercise of an option or conversion of a right, cannot be made.

The proposed Option Cash Settlement Amendment to the existing Options will only affect the manner in which the Options are exercised and will not make a change which is otherwise prohibited by Listing Rule 6.23.

Listing Rule 6.23.4 provides that a change to the terms of options which is not prohibited under Listing Rule 6.23.3 can only be made with Shareholder approval.

The Company is seeking Shareholder approval under Resolutions 5 and 6 to approve pursuant to Listing Rule 6.23.4, an amendment to the terms and conditions of the existing Options on issue, pursuant to the Option Cash Settlement Amendment detailed in Section 7.1.

If Resolution 5 is passed, the proposed Option Cash Settlement Amendment will apply to the Options previously issued to selected consultants, employees, Key Management Personnel and certain Directors (excluding Ms Annie Guo) as detailed in the table below.

- Options held by Mr Stefan Murphy, a Director. Shareholders approved the issue of Options at the Company's 2023 annual general meeting held on 30 November 2023.

If Resolution 6 is passed, the proposed Option Cash Settlement Amendment will apply to the Options previously issued to Ms Annie Guo, a Director, as detailed in the table below.

**Note:** Shareholders approved the issue of Options to Ms Annie Guo at the Company's 2022 annual general meeting held on 25 November 2022 as part of a non-executive Director Incentive. The Options were not issued under the Plan.

Ms Annie Guo is a related party of the Company's major Shareholder, Mark Creasy, by virtue of being his spouse. Accordingly, the Company has determined to seek separate Shareholder approval for proposed Option Cash Settlement Amendment in relation to the Options previously issued to Ms Guo (which approval is being sought pursuant to Resolution 6).

If Resolution 5 or 6 is not passed, the Company will not be able to proceed with the proposed Option Amendment to the relevant Options.

### 7.3 Additional information

- Resolutions 5 and 6 are **ordinary resolutions**.
- The Board (other than Messrs Stefan Murphy and Russell Clark) recommends that Shareholders vote in favour of Resolution 5.
- The Board (other than Ms Annie Guo) recommends that Shareholders vote in favour of Resolution 6.
- The Chairperson intends to exercise all available proxies in favour of Resolutions 5 and 6.

## 8. Resolutions 7 and 8 – Approval to amend terms of existing Performance Rights

---

### 8.1 Background

The Board is proposing to, subject to Shareholder approval, amend the terms and conditions of the Performance Rights which remain unexercised (as at the date of the Notice), to include an additional provision to enable the Board to, in its absolute discretion, settle exercised Performance Rights in cash or Shares at the Company's election.

Resolutions 7 and 8 seek Shareholder approval, pursuant to Listing Rule 6.23.4, to amend the terms and conditions of the existing Performance Rights previously issued to Directors, by inserting a cash settlement clause as follows:

#### **Cash Settlement**

- (a) *At any time after the vesting conditions (if any) have been satisfied, and the Performance Rights have been exercised (if applicable), the Board may (in its sole and absolute discretion) elect to settle the Holder's exercised Performance Rights in cash rather than Shares in accordance with paragraph (c).*
- (b) *Subject to the Board's overriding discretion in paragraph (a), the Holder may request the Company consider the settlement of its exercised Performance Rights in cash rather than Shares, by specifying in the Notice of Exercise, the number of exercised Performance Rights it wishes to have settled in cash. The Board has absolute discretion on whether the Company agrees to cash settle any exercised Performance Rights requested by the Holder.*
- (c) *If the Board determines to exercise its discretion to cash settle the exercised Performance Rights:*
  - (i) *it must give notice of any such election to the Holder (or its nominee) specifying the number of Performance Rights to be settled in cash (**Performance Rights Cash Settlement Notice**); and*

(being, the **Performance Rights Cash Settlement Amendment**).

Other than the proposed Performance Rights Cash Settlement Amendment, the terms and conditions of the Performance Rights will remain unchanged.

### 8.2 Listing Rule 6.23.4

A summary of Listing Rule 6.23.3 is detailed in Section 7.2.

The proposed Performance Rights Cash Settlement Amendment to the existing Performance Rights will only affect the manner in which the Performance Rights are exercised and will not make a change which is otherwise prohibited by Listing Rule 6.23.

Listing Rule 6.23.4 provides that a change to the terms of Performance Rights which is not prohibited under Listing Rule 6.23.3 can only be made with Shareholder approval.

The Company is seeking Shareholder approval under Resolutions 7 and 8 to approve pursuant to Listing Rule 6.23.4, an amendment to the terms and conditions of the existing Performance Rights on issue, pursuant to the Performance Rights Cash Settlement Amendment detailed in Section 8.1.

If Resolution 7 is passed, the proposed Performance Rights Cash Settlement Amendment will apply to the Performance Rights previously issued to certain Directors, being Messrs Russell Clark and Stefan Murphy, as detailed in the table below.

Number of Performance Rights	Holder	Issue Date	Expiry Date
147,059	Mr Russell Clark	28 November 2022	28 November 2026
700,000	Mr Russell Clark	30 November 2023	30 November 2027
1,400,000	Mr Stefan Murphy	30 November 2023	30 November 2027

**Note:** Shareholders approved the issue of Performance Rights at the Company's 2022 and 2023 annual general meetings held on 25 November 2022 and 30 November 2023, respectively as a Director Incentive. The Performance Rights were not issued under the Plan.

If Resolution 8 is passed, the proposed Performance Rights Cash Settlement Amendment will apply to the Performance Rights previously issued to Ms Annie Guo, a Director, as detailed in the table below.

Number of Performance Rights	Holder	Issue Date	Expiry Date
110,295	Ms Annie Guo	28 November 2022	28 November 2026
700,000	Ms Annie Guo	30 November 2023	30 November 2027

**Note:** Shareholders approved the issue of Performance Rights at the Company's 2022 and 2023 annual general meetings held on 25 November 2022 and 30 November 2023, respectively as part of a non-executive Director Incentive. The Performance Rights were not issued under the Plan.

Ms Annie Guo is a related party of the Company's major Shareholder, Mark Creasy, by virtue of being his spouse. Accordingly, the Company has determined to seek separate Shareholder approval for proposed Performance Rights Cash Settlement Amendment in relation to the Performance Rights previously issued to Ms Guo (which approval is being sought pursuant to Resolution 8).

If Resolution 7 or 8 is not passed, the Company will not be able to proceed with the proposed Performance Rights Cash Settlement Amendment to the relevant Performance Rights.

### 8.3 Additional information

- (a) Resolutions 7 and 8 are **ordinary resolutions**.

## 9. Resolution 9 – Approval to issue Subscription Securities

---

### 9.1 Background

The Company is proposing to enter into a convertible note subscription agreement (**Subscription Agreement**) pursuant to which Yandal Investments Pty Ltd (**Yandal**) will agree to provide the Company funding of up to \$1,000,000 to repay its existing debts, including debts owed to Yandal.

A summary of the material terms of the Subscription Agreement is as follows:

- (a) (**Subscription**): Yandal agrees to subscribe for, and the Company agrees to issue:
  - (i) 1,000,000 convertible notes for a principal amount of \$1,000,000 (**Convertible Notes**); and
  - (ii) 4,000,000 Options, exercisable at \$0.25 per Option and expiring on 30 September 2027 (**Subscription Options**),(together, the **Subscription Securities**);
- (b) (**Conditions Precedent**): the issue of the Subscription Securities is subject to the Company receiving Shareholder approval for the issue of the Subscription Securities (including for the purposes of Listing Rule 10.11 (which approval is sought pursuant to Resolution 9); and
- (c) (**Other**) the terms of the Subscription Securities contain customary representations and warranties provided by the parties for an agreement of this nature.

The Convertible Notes are unsecured.

The terms and conditions of the Convertible Notes are set out in Appendix 2. The terms and conditions of the Subscription Options are set out in Appendix 3.

The Company confirms that it sought legal advice regarding the suitability of the terms of the Convertible Notes and was advised that the Convertible Notes are market-standard and do not contain any of the features noted in section 5.9 of ASX Guidance Note 21.

On 11 January 2024, the Company announced that it entered into an agreement for the sale of its Robe Mesa Iron Ore Project, as approved by Shareholders on 28 February 2024 (**Transaction**). Since the announcement of the Transaction and as a consequence of the delays to the Transaction's completion, the Company has been considering its finances and its available funding solutions (including by raising funds through debt and/or equity). However, the Company has found it difficult to raise funds where it is disposing of a major asset (being, the Robe Mesa Iron Ore Project) and given the delays to the Transaction's completion.

On this basis, the Board has determined that the proposed funding through the issue of Convertible Notes to Yandal (as the Company's major Shareholder) is the only credible financing solution available to the Company. Accordingly, the Board is proposing to enter into the Subscription Agreement and issue the Subscription Securities (subject to Shareholder approval of Resolution 9).

Resolution 9 seeks Shareholder approval, for the purposes of Listing Rule 10.11, to issue 1,000,000 Convertible Notes and 4,000,000 Subscription Options under the Subscription Agreement to Yandal (and/or its nominee(s)).

If Shareholder approval is not obtained for the Subscription Securities, the interest rate on debts in excess of \$500,000 presently owed by the Company to Yandal which are due on 30 November 2024, will increase from 12% per annum on further advances made on or after 1 September 2024 to 25% per annum pursuant to the existing loan facility with Yandal.

## 9.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (a) related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders,

unless it obtains shareholder approval.

The issue of the Subscription Securities to Yandal falls within paragraph (b) above (being Listing Rule 10.11.2), as Yandal (together with its associates) is a substantial (30%+) holder in the Company with a current holding of 52.18% of the total Shares on issue. The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 9 seeks the required Shareholder approval, for the purposes of Listing Rule 10.11, to issue the Subscription Securities to Yandal (and/or its nominee(s)).

If Resolution 9 is passed, the Company will be able to proceed with the issue of the Subscription Securities to Yandal (and/or its nominee(s)). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.11 (exception 14 under Listing Rule 7.2). Accordingly, if Resolution 9 is passed, the issue of the Subscription Securities (and Shares issued on exercise of the Subscription Options) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 9 is not passed, the Company will not be able to proceed with the issue of the Subscription Securities to Yandal (and/or its nominee(s)) and the Company may have to consider alternative means of satisfying its existing debt owing to Yandal in lieu of the Subscription Securities. In addition, the interest rate on debts in excess of \$500,000 presently owed by the Company to Yandal which are due on 30 November 2024, will increase from 12% per annum on further advances made on or after 1 September 2024 to 25% per annum pursuant to the existing loan facility with Yandal.

## 9.3 Specific information required by Listing Rule 10.13

The following information in relation to Resolution 9 is provided to Shareholders for the purposes of Listing Rule 10.13:

- (a) The Subscription Securities will be issued to Yandal (and/or its nominee(s)).
- (b) Yandal falls within category 10.11.2 of the Listing Rules, as Yandal is a substantial (30%+) holder in the Company. Any party Yandal nominates to receive the Subscription Securities

would be expected to fall within category 10.11.4 of the Listing Rules as an associate of Yandal.

- (c) The maximum number of Subscription Securities to be issued to Yandal (and/or its nominee(s)) is up to 1,000,000 Convertible Notes and up to 4,000,000 Subscription Options pursuant to Resolution 9.
- (d) A summary of the material terms of the Convertible Notes is set out in Appendix 2.
- (e) The Subscription Options are exercisable at \$0.25 per Subscription Option and expire on 30 September 2027. The terms and conditions of the Subscription Options are set out in Appendix 3. The Shares to be issued on exercise of the Subscription Options will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.
- (f) The Subscription Securities will be issued no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
- (g) The Company will receive \$1,000,000 from the issue of the Convertible Notes. These funds will be used to repay its existing debts, including debts owed to Yandal and for working capital. No funds will be raised from the issue of the Subscription Options as the Subscription Options are Options offered pursuant to the Subscription Agreement.
- (h) The Subscription Securities are issued pursuant to the terms of the Subscription Agreement. A summary of the material terms of the Subscription Agreement is detailed in Section 9.1.
- (i) A voting exclusion statement is included in the Notice for Resolution 9.

#### **9.4 Additional information**

- (a) Resolution 9 is an **ordinary resolution**.
- (b) The Board (other than Ms Annie Guo) recommends that Shareholders vote in favour of Resolution 9.
- (c) The Chairperson intends to exercise all available proxies in favour of Resolution 9.
