## 1 SUPPLEMENTARY INFORMATION

The CZR Board has changed their recommendation and unanimously recommends that CZR Shareholders **DO NOT ACCEPT** the Fenix Offer.

### Robe River Joint Venture Transaction is a Superior Proposal

On 11 April 2025, CZR announced that it had received a binding offer from North Mining Limited (an indirect wholly-owned subsidiary of Rio Tinto Limited), Robe River Mining Co Pty Ltd (an indirectly 60% owned subsidiary of Rio Tinto Limited and 40% owned by Mitsui Iron Ore Development) and Mitsui Iron Ore Development Pty Ltd (a wholly-owned subsidiary of Mitsui & Co Ltd) (together, the **RRJV**) for the acquisition of CZR's interest in the tenements M08/519, M08/533, E08/1060, E08/1686 and E08/2137 which comprise its Robe Mesa Iron Ore Project (**Tenements**) for cash consideration of A\$75 million (**RRJV Transaction**).

The CZR Board determined that the RRJV Transaction was a Superior Proposal and commenced the matching rights process with Fenix under the Bid Implementation Agreement (**BIA**).

On 17 April 2025, CZR announced that Fenix had not exercised its matching rights under the BIA to amend the Offer or propose another form or transaction. Accordingly, CZR has proceeded with the RRJV Transaction and entered into the relevant transaction documents for the RRJV Transaction with RRJV. The RRJV Transaction is subject to CZR Shareholder approval and a summary of the relevant RRJV Transaction documents is contained in CZR's announcement. CZR also terminated the BIA with Fenix and the CZR Board changed its recommendation of the Fenix Offer and recommended that CZR Shareholders **NOT ACCEPT** the Fenix Offer.

A copy of this announcement is attached to, and forms part of, this Fifth Supplementary Target's Statement (**Announcement**).

The CZR Board has determined that the RRJV Transaction is a Superior Proposal to the Fenix Offer because it:

- is reasonably capable of being valued and completed in a timely basis in accordance with its terms; and
- is more favourable to CZR Shareholders than the transaction contemplated by the Fenix Offer, taking into account all terms and conditions of the RRJV Transaction.

The CZR Board determined that the terms of the RRJV Transaction constituted a Superior Proposal to the Fenix Offer for reasons including:

(a) **Offer Price**

The RRJV Transaction consideration of \$75 million cash represents a significant premium to the all-scrip Fenix Offer (0.85 FEX shares for every 1 CZR Share).

Based on the closing price on ASX of Fenix's Shares on 16 April 2025 of \$0.285 per Fenix Share, the Fenix Offer Consideration values all CZR Shares at \$57.3 million which implies a value of \$0.24225 per CZR Share.

The RRJV Transaction consideration of \$75 million cash when divided by the number of CZR Shares on issue implies a value of approximately \$0.317 per CZR Share plus the value of the Retained Projects (defined below) which CZR retains post completion of the RRJV Transaction.

(b) **Cash versus FEX Scrip**

CZR has assessed that the post-tax cash available upon completion of the RRJV Transaction will be approximately \$68 million. This cash will enable CZR to develop its Retained Projects (defined below) without the need for dilutive capital raisings.

The receipt of the cash consideration from the RRJV Transaction compared to CZR Shareholders receiving Fenix Shares reduces CZR's and CZR Shareholders' exposure to capital and commodity markets associated with the receipt of Fenix Shares in a highly volatile period. The cash consideration also allows CZR to assess new business opportunities and/or consider a return of capital to CZR Shareholders from any surplus cash.

(c) **Retained Project Value**

The completion of the RRJV Transaction involves the sale of the Tenements to RRJV while CZR will retain its non-Robe Mesa project portfolio (**Retained Projects**), including the:

- 50% interest in Ashburton Link and the proposed Port of Ashburton export facility, plus extensive iron ore prospects located on the retained Yarraloola project;
- highly prospective Croydon Gold Project, with high grade gold drill intersections and located in a similar geological setting to De Grey Mining's 11.2 Moz Hemi gold discovery (refer to DEG's ASX announcement dated 14 November 2024);
- Buddadoo project, where the company is targeting the large-scale Buddadoo titanium-vanadium magnetite prospect, plus several copper-gold prospects; and
- Shepherd's Well and Yarrie exploration projects.

**Recommendation of RRJV Transaction**

The CZR Directors unanimously recommend that CZR Shareholders **VOTE IN FAVOUR** of the RRJV Transaction at the CZR Shareholder meeting to be held on or by 30 May 2025 (**General Meeting**), in the absence of a Superior Proposal (as defined in the Announcement). The CZR Directors have each committed to vote all CZR shares held or controlled by them at the time of the General Meeting in favour of the RRJV Transaction, in the absence of a Superior Proposal.

**CZR Shareholder support of RRJV Transaction**

CZR's largest shareholder, Mark Creasy (together with his associates) (the **Creasy Group**) has provided a voting intention statement confirming that the Creasy Group intends to attend (either in person, by proxy, power of attorney or body corporate representative) the General Meeting and at the General Meeting, intends to vote or cause to be voted, by proxy or otherwise all of the Creasy Group's CZR shares then held in favour of the resolution to approve the RRJV Transaction, in the absence of a superior proposal (at the Creasy Group's absolute discretion).

CZR also advises that the Creasy Group has concluded that the RRJV Transaction is a superior proposal to the Fenix Offer (as determined by the Creasy Group in its absolute discretion) and for this reason does not intend to accept the Fenix Offer at the current offer price and withdraws the intention statement provided to Fenix.

**2 Change in Board Recommendation of Fenix Offer**

The CZR Board withdraws its previous recommendation of the Fenix Offer.

CZR Directors unanimously recommend that CZR Shareholders **DO NOT ACCEPT** the Fenix Offer.

CZR has terminated the BIA and the change in the CZR Board's recommendation in relation to the Fenix Offer will give rise to an obligation on CZR to pay a break fee of \$650,000.

**3 AUTHORISATION**

This Fifth Supplementary Target's Statement is dated 17 April 2025 and has been approved by a resolution passed by the CZR Directors.

## CZR Board Unanimously Recommends Offer from the Robe River Joint Venture

CZR Resources Ltd (ASX:CZR) (**CZR**) refers to its announcement on 11 April 2025 in relation to the binding offer from North Mining Limited (an indirect wholly-owned subsidiary of Rio Tinto Limited), Robe River Mining Co Pty Ltd (an indirectly 60% owned subsidiary of Rio Tinto Limited and 40% owned by Mitsui Iron Ore Development) and Mitsui Iron Ore Development Pty Ltd (a wholly-owned subsidiary of Mitsui & Co Ltd) (together, the **RRJV**) for the acquisition of CZR's interest in the tenements M08/519, M08/533, E08/1060, E08/1686 and E08/2137 which comprise its Robe Mesa Iron Ore Project (**Tenements**) for cash consideration of A\$75 million (**RRJV Transaction**).

The CZR Board determined that the RRJV Transaction was a superior proposal under the terms of the bid implementation agreement (**Fenix BIA**) between CZR and Fenix Resources Ltd (**Fenix**) and commenced the matching rights process, under which Fenix had 5 business days to match the RRJV Transaction by amending the terms of the Fenix takeover offer (**Fenix Offer**) or proposing any other form of transaction.

### CZR Board recommendation of RRJV Transaction

CZR has been advised by Fenix that it does not intend to revise its offer under the matching rights process. Accordingly, the CZR Board has determined to proceed with the RRJV Transaction and has entered into:

- (a) a sale and purchase agreement (**Sale Agreement**) between CZR, Zanthus Resources Pty Ltd (a wholly owned subsidiary of CZR) (**Zanthus**) and RRJV to sell Zanthus' interests in the Tenements, together with the plant and equipment located on the Tenements and mining information (together, the **Sale Assets**) for A\$75 million. The RRJV Transaction also includes RRJV paying an upfront non-refundable exclusivity fee of \$650,000. A summary of the Sale Agreement is set out in Annexure A;
- (b) a loan agreement (**Zanthus Loan Agreement**) between Robe River Mining Co Pty Ltd (**RRMC**) and Zanthus pursuant to which RRMC agrees to provide Zanthus with a working capital loan facility of \$3,850,000 (**Zanthus Loan**) secured by a specific security deed (**Specific Security Deed**), pursuant to which the Zanthus Loan is secured against all of Zanthus' interest in the exploration licence E08/1686 (**E08/1686**) and a featherweight security over all other assets of Zanthus to enable the enforcement of the security against E08/1686. A summary of the terms of the Zanthus Loan Agreement is set out in Annexure B; and
- (c) a release deed (**Release Deed**) between Zanthus, ZanF Pty Ltd (**ZanF**) and Mr Mark Creasy pursuant to which ZanF and Mr Mark Creasy agree to waive all relevant rights in respect of the Sale Assets under the Yarraloola Joint Venture Agreement to enable the Sale Assets to be transferred to RRJV, including any rights or pre-emption, any prospecting rights and rights to receive a royalty over the Tenements. A summary of the terms of the Release Deed is set out in Annexure C.

The RRJV Transaction is subject to the conditions precedent described in Annexure A which include CZR shareholder approval for the RRJV Transaction, to be obtained at a general meeting to be held on or by 30 May 2025 (**General Meeting**).

The CZR Directors unanimously recommend that CZR shareholders **vote in favour** of the RRJV Transaction at the General Meeting, in the absence of a Superior Proposal (as defined in Annexure A). The CZR Directors have each committed to vote all CZR shares held or controlled by them at the time of the General Meeting in favour of the RRJV Transaction, in the absence of a Superior Proposal.

### **Superior Proposal Determination**

The CZR Board has determined that the RRJV Transaction is a superior proposal under the terms of the Fenix BIA because it:

- is reasonably capable of being valued and completed in a timely basis in accordance with its terms; and
- is more favourable to CZR shareholders than the transaction contemplated by the Fenix Offer, taking into account all terms and conditions of the RRJV Transaction.

The CZR Board determined that the terms of the RRJV Transaction constituted a superior proposal under the terms of the Fenix BIA for reasons including (but not limited to):

#### **(a) Offer Price**

The consideration of \$75 million represents a significant premium to the all-scrip Fenix Offer (0.85 FEX shares for every 1 CZR share).

#### **(b) Cash versus FEX Scrip**

CZR has assessed that the post-tax cash available will be c. \$68m, which will enable CZR to develop its Retained Projects (defined below) without the need for dilutive capital raisings. The cash consideration also reduces CZR's exposure to capital and commodity markets in a highly volatile period, while allowing it to assess new business opportunities and/or consider a return of capital to shareholders.

#### **(c) Retain Project Value**

CZR will retain its non-Robe Mesa project portfolio (**Retained Projects**), including the:

- 50% interest in Ashburton Link and the proposed Port of Ashburton export facility, plus extensive iron ore prospects located on the retained Yarraloola project;
- highly prospective Croydon Gold Project, with high grade gold drill intersections and located in a similar geological setting to De Grey Mining's 11.2 Moz Hemi gold discovery (refer to DEG's ASX announcement dated 14 November 2024);
- Buddadoo project, where the company is targeting the large-scale Buddadoo titanium-vanadium magnetite prospect, plus several copper-gold prospects; and
- Shepherd's Well and Yarrie exploration projects.

### **Change of CZR Board recommendation in relation to Fenix Offer and termination of Fenix BIA**

The CZR Board withdraws its previous recommendation in relation to the Fenix Offer.

CZR Directors unanimously recommend that CZR shareholders **DO NOT ACCEPT** the Fenix Offer.

The Fenix BIA has been terminated and the change in the CZR Board's recommendation in relation to the Fenix Offer will give rise to an obligation on CZR to pay a break fee of \$650,000 to Fenix.

## Indicative Timetable

The General Meeting will be held on or by 30 May 2025, in accordance with the terms of the Sale Agreement. A notice of meeting for the General Meeting to seek CZR shareholder approval for the RRJV Transaction will be despatched to CZR shareholders in due course.

ASX will generally allow for continued quotation of an entity's securities for a period of up to six months from the date of an agreement to dispose of its main undertaking. CZR is obliged to satisfy ASX on an ongoing basis that its level of operations going forward is sufficient, and its financial condition is adequate to warrant its continued listing and the continued quotation of its securities.

## Annexure A – Summary of the Sale Agreement

- 1 **(Transaction)** RRJV will acquire, in their respective acquiring interests, Zanthus' interests in the Tenements and the plant and equipment located on the Tenements and associated mining information (**Sale Assets**) from Zanthus for cash consideration of A\$75,000,000 (as adjusted in accordance with the Sale Agreement) (**Purchase Price**) payable at completion.
- 2 **(Conditions Precedent)** The RRJV Transaction is conditional upon:
  - (a) RRJV obtaining approval for the Foreign Investment Review Board in relation to the RRJV Transaction;
  - (b) the Minister consenting to the transfer of Zanthus' interests in the Tenements to RRJV (if and to the extent that the Minister's consent is required under the *Mining Act 1978* (WA));
  - (c) CZR obtaining the consents and approvals from third parties required for the transfer of the Sale Assets pursuant to the RRJV Transaction;
  - (d) CZR obtaining shareholder approval for the RRJV Transaction on or by 30 May 2025 (unless adjourned by CZR due to a Superior Proposal), or such later date that CZR and RRJV agree in writing; and
  - (e) RRJV obtaining approval from relevant foreign government agencies in relation to restrictive trade practices, competition, anti-trust, national interest or similar approvals (or equivalent) which are mandatory for RRJV to obtain for the RRJV Transaction either on an unconditional basis or on conditions acceptable to the relevant RRJV participant.
- 3 **(Exclusivity obligations)** For the period commencing on the date of the Sale Agreement and ending on the later of completion or termination of the Sale Agreement (**Exclusivity Period**), CZR must not, and must procure that each of its representatives does not, directly or indirectly:
  - (a) **(No existing discussions)**
    - (i) engage in any discussions with any third party in relation to a Competing Proposal;
    - (ii) provide due diligence access or make available any non-public information to third parties and to the extent that such non-public information has been provided to third parties, CZR must, and must procure that each of its representatives, procure the return or destruction of such non-public information by the third parties; and
    - (iii) terminate, waive, amend or modify any provision of any existing confidentiality and standstill agreements to which CZR, Zanthus or their related bodies corporate is a party and must use reasonable endeavours to enforce all standstill and confidentiality agreements;
  - (b) **(No shop)** solicit, invite, encourage or initiate any Competing Proposal or any Potential Competing Proposal with any third party or assist, encourage, procure or induce any person to do any of those things on its behalf;
  - (c) **(No talk)** subject to the fiduciary exception (described in paragraph 6 below):
    - (i) enter into or continue negotiations or discussions with any third party in relation to a Competing Proposal or Potential Competing Proposal, or that may reasonably be expected to encourage or lead to a Competing Proposal or Potential Competing Proposal;
    - (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding a Competing Proposal or Potential Competing Proposal;
    - (iii) communicate to any person an intention to do any of those things; or
    - (iv) assist, encourage, procure or induce any person to do any of those things on its behalf,

even if the Competing Proposal or Potential Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by CZR or any of its representatives or has been publicly announced; and

- (d) **(No due diligence)** subject to the fiduciary exception (described in paragraph 6 below), make available to any third party, or cause or permit any third party (other than a government agency) to receive, any non-public information relating to CZR or Zanthus (and their related bodies corporate) that may reasonably be expected to assist such third party in formulating, developing or finalising a Competing Proposal or a Potential Competing Proposal or assist, encourage, procure or induce any person to do any of those things on its behalf.

4 **(Notification)** subject to the fiduciary exception (described in paragraph 6 below):

- (a) during the Exclusivity Period, CZR must promptly and without undue delay (and in any event within one business day) notify RRJV in writing of the fact of:
  - (i) any approach, inquiry or proposal made by any third party to CZR or any of its representatives, to initiate any discussions or negotiations that concern a Competing Proposal or Potential Competing Proposal; and
  - (ii) any request made by any third party to CZR or any of its representatives, for any non-public information relating to it, Zanthus and their related bodies corporate, or any of their businesses and operations, in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal, whether oral or in writing,

with such notice accompanied by the material terms and conditions (including price, conditions precedent, timetable and break fee (if any)) of any Competing Proposal or Potential Competing Proposal (to the extent then known), and the identity of the proponent of the Competing Proposal or Potential Competing Proposal; and

- (b) during the Exclusivity Period, CZR must immediately provide RRJV with a copy of (in the case of written materials) or a written statement (in any other case) of, any material non-public information regarding the operations of the Zanthus, CZR and their related bodies corporate made available by it to any person in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal and which has not previously been provided to RRJV.

5 **(Matching right)** CZR may only enter into any agreement, commitment, arrangement or understanding relating to the Competing Proposal (other than a confidentiality agreement) during the Exclusivity Period if:

- (a) the CZR Directors have made the determination contemplated by paragraph 6(b)(iii) in respect of that Competing Proposal;
- (b) it has given RRJV written notice of the proposal to enter into the relevant agreement, commitment, arrangement or understanding;
- (c) it has given RRJV all information that would be required under the notification obligations together with the identity of the proponent of the Competing Proposal or Potential Competing Proposal; and
- (d) RRJV's matching rights (described below) have been exhausted.

If CZR gives a notice to RRJV, RRJV will have the right, but not the obligation, at any time during the period of 5 business days after the day on which RRJV receive the notice, to propose to amend the terms of the RRJV Transaction including by increasing the amount of consideration offered under the RRJV Transaction or proposing any other form of the RRJV Transaction (each a **RRJV Counter Proposal**), and if RRJV provide a RRJV Counter Proposal to CZR, the CZR Directors must review the RRJV Counter Proposal in good faith and if the CZR Directors determine that the RRJV Counter Proposal would be demonstrably more favourable to CZR and CZR

shareholders than the Competing Proposal (having regard to the matters required to satisfy the fiduciary exception), then RRJV and CZR must use their best endeavours to agree the amendments to the Sale Agreement that are reasonably necessary to reflect the RRJV Counter Proposal and to enter into an amended agreement to give effect to those amendments and to implement the RRJV Counter Proposal, and CZR must recommend the RRJV Counter Proposal to the CZR shareholders and not recommend the applicable Competing Proposal.

**6 (Fiduciary exception)**

- (a) If the fiduciary exception applies, CZR must enter into a confidentiality agreement with the third party who has made the applicable Competing Proposal or Potential Competing Proposal.
- (b) The no-talk, no-due diligence restrictions and notification obligations set out in paragraphs 3(c), 3(d) and 4 do not apply to the extent they restrict CZR or any CZR Board member from taking or refusing to take any action with respect to a Competing Proposal or Potential Competing Proposal (in relation to which there has been no contravention of the no shop restriction), in each case, provided that:
  - (i) the condition relating to CZR shareholder approval for the Resolution has not been satisfied;
  - (ii) the Competing Proposal or Potential Competing Proposal is bona fide and is made by or on behalf of a person that the CZR Directors consider is of sufficient commercial standing to implement the Competing Proposal; and
  - (iii) the CZR Directors have determined in good faith after consultation with its external legal and (if applicable) financial advisors that:
    - (A) the Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; or
    - (B) the Potential Competing Proposal could reasonably be expected to lead to, a Superior Proposal if it were to be proposed; or
    - (C) failing to take the action or refusing to take the action (as the case may be) with respect to the Competing Proposal or Potential Competing Proposal would be reasonably likely to constitute a breach of the fiduciary or statutory obligations of any CZR Board member.

RRJV acknowledges that the existence of a standstill obligation between CZR and Zanthus (and their related bodies corporate) and the person making Competing Proposal and that any requirement to waive a standstill obligation as part of a Competing Proposal will not impact on or preclude the determination by the CZR Board as to whether such Competing Proposal is a Superior Proposal.

**7 (CZR Directors recommendation) CZR represents and warrants to RRJV that:**

- (a) the CZR Directors will announce to ASX that they unanimously recommend that CZR shareholders vote in favour of the Resolution, in the absence of a Superior Proposal;
- (b) each CZR Director has given his or her consent to the inclusion of a statement in the announcement of the RRJV Transaction and the notice of meeting, that they will:
  - (i) unanimously vote in favour of, or procure the voting in favour of, the Resolution in respect of all CZR shares held or controlled by them, in the absence of a Superior Proposal; and
  - (ii) unanimously recommends, or will procure the unanimous recommendation of the CZR Board, that CZR shareholders vote in favour of the Resolution in the absence of a Superior Proposal; and
- (c) it will use its best endeavours to procure that each CZR Director will not withdraw, revise, revoke or qualify, or make any public statement inconsistent with the above recommendation in paragraph 7(a)

unless a Superior Proposal emerges (other than as a result of a breach of the exclusivity obligations under the Sale Agreement) and the matching right procedure has been fully complied with by CZR.

- 8 **(Break fee)** CZR must pay RRJV a break fee of A\$650,000 (without set-off, counterclaim or withholding) if, during the Exclusivity Period:
- (a) a Competing Proposal is announced or made by a third party, the Sale Agreement is terminated and within 12 months after the announcement the third party announcing or making the Competing Proposal:
    - (i) directly or indirectly acquires control of CZR or any of its subsidiaries;
    - (ii) directly or indirectly acquires or becomes the holder of any interest in all or a substantial part of the business or assets of CZR or any of its subsidiaries; or
    - (iii) otherwise acquires or merges with CZR;
  - (b) any CZR Director withdraws or adversely modifies his or her support of the RRJV Transaction or his or her recommendation that CZR shareholders vote in favour of the Resolution, or makes a public statement indicating that they no longer support the RRJV Transaction and the Sale Agreement is terminated;
  - (c) any CZR Director accepts or supports (including by way of voting for) or publicly states an intention to accept or support, or recommends that CZR shareholders accept or support, a Competing Proposal and the Sale Agreement is terminated; or
  - (d) RRJV are entitled to terminate the Sale Agreement:
    - (i) due to the conditions precedent not being satisfied or waived on or before 1 October 2025 (or such later date that Zanthus and RRJV agree in writing), and CZR and Zanthus have not complied with their obligations in relation to the conditions precedent to, amongst others, use all reasonable endeavours to procure the satisfaction of the conditions precedent; or
    - (ii) pursuant to the termination rights described in paragraph 11(b).
- 9 **(Exclusivity Fee)** RRJV agrees to pay A\$650,000 within one (1) business day of the execution of the Sale Agreement (**Exclusivity Fee**). The Exclusivity Fee is a non-refundable fee paid by RRJV as consideration for CZR entering into and granting the exclusivity rights in favour of RRJV and is not repayable to RRJV under any circumstances. However, if completion of the RRJV Transaction occurs (**Completion**), the Exclusivity Fee forms part of the Purchase Price and will be applied as part payment of the Purchase Price at Completion.
- 10 **(Budget Expenditure)** CZR and RRJV have agreed a work program and budget for the exploration activities and for any planned heritage survey to be conducted on the Tenements by Zanthus in the period leading up to Completion. Subject to RRJV confirming that the expenses incurred by Zanthus on exploration activities on the Tenements complies with the approved work program and budget, such expenses incurred by Zanthus will be reimbursed by RRJV. The remaining outstanding amount payable by Zanthus under the Zanthus Loan will be offset against the Purchase Price (A\$75 million plus the amount reimbursed by RRJV at Completion) if Completion occurs or will be repayable in accordance with the terms of the Zanthus Loan as summarised in Annexure B.
- 11 **(Termination)** The Sale Agreement may be terminated by:
- (a) either party, if that party has complied with its obligations in relation to the conditions precedent and the conditions precedent are not satisfied on or before 1 October 2025 (unless extended by mutual agreement between the parties) or a condition is or becomes incapable of being satisfied;
  - (b) RRJV, any time before Completion by notice in writing to Zanthus if:

- (i) an Insolvency Event occurs in respect of Zanthus or CZR;
  - (ii) a Material Adverse Change occurs;
  - (iii) any CZR Board member withdraws or adversely modifies his or her support of the RRJV Transaction or his or her recommendation that CZR shareholders vote in favour of the Resolution, or makes a public statement indicating that they no longer support the RRJV Transaction; or
  - (iv) any CZR Board member accepts or supports (including by way of voting for) or publicly states an intention to accept or support, or recommends that CZR shareholders accept or support, a Competing Proposal; and
- (c) Zanthus:
- (i) any time before Completion by notice in writing to RRJV if an Insolvency Event occurs in respect of RRJV; or
  - (ii) prior to the General Meeting, by notice in writing to RRJV if the CZR Board has determined that a Competing Proposal is a Superior Proposal, subject to the CZR Board having complied with the matching rights obligation under the Sale Agreement.
- 12 **(Other)** The Sale Agreement contains other clauses customary for a transaction of this nature including, but not limited to pre-Completion conduct obligations, warranties, limitations of claims and indemnities.

13 **(Definitions)**

**"Competing Proposal"** means any expression of interest, proposal, offer, agreement, arrangement or transaction (other than the RRJV Transaction) by or with any person pursuant to which, if the expression of interest, proposal, offer, transaction or arrangement is entered into or completed substantially in accordance with its terms:

- (a) a third party (other than as custodian, nominee or bare trustee) will:
  - (i) acquire a relevant interest in, become the holder of, or otherwise have a right to acquire a legal, beneficial or economic interest in 20% or more of the share capital of CZR;
  - (ii) acquire (whether directly or indirectly) or become the holder of, or otherwise acquire or have a right to acquire, a legal, beneficial or economic interest in, or control of, all or a material part of the business or assets of CZR;

Notwithstanding the above, the acquisition of a relevant interest in CZR shares by Mark Creasy (and his associates) in accordance with item 9 of section 611 of the *Corporations Act 2001* (Cth) (**Corporations Act**) will not constitute a Competing Proposal.

**"Insolvency Event"** means an event that occurs in respect of a party if:

- (b) the party is insolvent within the meaning of section 95A of the Corporations Act;
