Resolution 4: Ratification of Prior Issue of Options

The Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 1,000,000 unlisted options exercisable at \$0.2204 (22.04 cents) per option, vesting immediately and expiring on 22 March 2022 to eligible employees. The Appendix 3B relating to the issue was announced to ASX on 25 March 2019.

The 1,000,000 unlisted options were issued without shareholder approval under the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that a company must not, subject to specific exceptions, issue or agree to issue during any twelve (12) month period any equity securities, or other securities with rights to conversion to equity (such as options), if the number of those securities exceeds 15% of the share capital of the Company on issue at the commencement of the twelve (12) month period.

ASX Listing Rule 7.4 provides that where a company's shareholders ratify the prior issue of securities made pursuant to ASX Listing Rule 7.1 and/or Listing Rule 7.1A (provided that the previous issue of securities did not breach ASX Listing Rule 7.1 or 7.1A) those securities will be deemed to have been issued with shareholder approval for the purposes of ASX Listing Rule 7.1 and 7.1A (if applicable). The Company seeks approval under Listing Rule 7.4 to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1 and 7.1A.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the total number of unlisted options in the Company that were issued was 1,000,000;
- (b) the options are exercisable at \$0.2204 (22.04 cents) per option, vesting immediately and expiring on 22 March 2022;
- (c) the options allotted and issued do not rank equally with the existing class of quoted securities, however fully paid ordinary shares issued upon the exercise of the options will have the same terms and rights as, and ranking equally with, the Company's existing shares;
- (d) the options were allotted and issued to eligible employees of the Company;
- (e) there were no funds raised from this issue;
- (f) a voting exclusion statement is included in the Notice.

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Resolution 5: Ratification of Prior Issue of Shares

The Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 15,479,358 fully paid ordinary shares at an issue price of \$0.1550 (15.50 cents) per share to professional and sophisticated investors. The Appendix 3B relating to the issue were announced to ASX on 14 June 2019 and 19 June 2019.

The 15,479,358 fully paid ordinary shares were issued without shareholder approval under the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that a company must not, subject to specific exceptions, issue or agree to issue during any twelve (12) month period any equity securities, or other securities with rights to conversion to equity (such as options), if the number of those securities exceeds 15% of the share capital of the Company on issue at the commencement of the twelve (12) month period.

ASX Listing Rule 7.4 provides that where a company's shareholders ratify the prior issue of securities made pursuant to ASX Listing Rule 7.1 and/or Listing Rule 7.1A (provided that the previous issue of securities did not breach ASX Listing Rule 7.1 or 7.1A) those securities will be deemed to have been issued with shareholder approval for the purposes of ASX Listing Rule 7.1 and 7.1A (if applicable). - (d) the shares were allotted and issued to professional and sophisticated investors;
- (e) the funds raised have been, or will be, used to accelerate exploration of the Company's gold and silver projects in the Sant Cruz province of Argentina and to cover ongoing working capital requirements.
- (f) a voting exclusion statement is included in the Notice.

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 5.

Resolution 6: Adoption of Employee Incentive Plan

The Company is seeking shareholder approval to adopt an Employee Incentive Plan (**EIP**) in order to assist in the motivation, retention and reward of employees of the Company and its subsidiaries. The Board believes the EIP will form an important part of a comprehensive remuneration strategy for the Company's employees and Directors, aligning their interests with those of shareholders by linking their rewards to the long-term success of the Company and its financial performance.

ASX Listing Rule 7.1 imposes a limit on the number of equity securities which the Company can issue in a 12-month period without prior shareholder approval.

Exception 9(b) of ASX Listing Rule 7.2 provides that an issue of securities made under an employee incentive scheme (such as the EIP) is not counted for the purposes of ASX Listing Rule 7.1 provided that certain conditions have been met. One of these conditions is that members have, within the last three years, approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1. Such shareholder approval is being sought under Resolution 6.

The Company does not presently have any specific intention to issue equity securities that would exceed the Company's capacity to issue equity securities under ASX Listing Rule 7.1 in the absence of shareholder approval. Nevertheless, the Company wishes to preserve the flexibility to issue the full 15% for each of the next three years. Approval under this Resolution 6 will provide more scope for the Company to raise additional equity if required.

The EIP has been developed to provide the greatest possible flexibility in choice to the Board in implementing the executive incentive schemes. The EIP enables the Board to offer employees and Directors a number of equity related interests, including Shares, Options and Performance Rights.

A summary of material terms of the EIP is set out as follows:

- the EIP sets out the framework for the offer of Shares, Options or Performance Rights by the Company, and is typical for a document of this nature;
- in making its decision to issue Shares, Options or Performance Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Performance Rights having regard to a range of potential vesting criteria and conditions;
- in certain circumstances, unvested Options or Performance Rights will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a "bad leaver" as distinct from a "good leaver";
- if a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Performance Rights or Options held by the participant immediately lapse and that any unvested Shares held by the participant be forfeited;
- in certain circumstances, Shares, Performance Rights or Options can vest early, including following a change of control or other events of a similar nature. For the purposes of this rule, a relevant control event occurs in a number of scenarios in which a third party may acquire 50% or more of the Company's Shares;
- the total number of Shares that would be issued were each Option, Performance Right and Share under the EIP exercised or vested (as applicable), plus the number of Shares issued in the previous three years under the EIP, must not, at any time, exceed 5% of the total number of Company Shares on issue. Shares issued under the EIP will rank equally in all respects with other Shares and the Company must apply for the quotation of such Shares;
- the Board has discretion to impose restrictions (except to the extent prohibited by law or the ASX Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Performance Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares;
- in respect of vested Options or Performance Rights, if the Board becomes aware of an event which would have resulted in vesting criteria not being satisfied, such as a material misstatement in the Company's financial statements during the vesting period, any affected vested Options or Rights may be cancelled for no consideration;
- in the event of any reorganisation of the issued capital of the Company on, or prior to, the expiry of the Performance Rights or Options, the rights of the relevant security holder can be changed in the discretion of the Board, including to comply with the applicable ASX Listing Rules in force at the time of the reorganisation; and
- the Board is granted a certain level of discretion under the EIP, including the power to amend the rules under which the EIP is governed and to waive vesting conditions, forfeiture conditions or disposal restrictions.

A copy of the EIP is available to shareholders free of charge on request.

At the date of this Notice, no securities have been issued under the proposed EIP.

The precise number of securities to be issued by the Company to eligible employees under the EIP within the next three years cannot be presently ascertained as it will depend on a variety of factors, including the achievement of Company and individual, financial and non-financial performance measures.

Shareholder loans

Under the EIP, the Board may determine that a loan may be made by the Company to a participant for the purpose of acquiring or subscribing for Shares the subject of an offer under the EIP and such terms and conditions are to be determined with respect to any offer under the EIP.

Shareholder approval by ordinary resolution is sought for the implementation of the EIP, including in compliance with the following laws.

Exemption for financial assistance

Section 260C(4) of the Corporations Act requires shareholder approval by ordinary resolution in order to access the exemption from the prohibition on a company financially assisting the acquisition of shares in itself under section 260A of the Corporations Act. Any proposed loan to participants to fund the acquisition of Shares constitutes financial assistance. The exemption is available where the assistance is given under an employee share scheme that has been approved at a general meeting of the Company.

Exemption for security over own shares

Section 259B(2) of the Corporations Act requires shareholder approval by ordinary resolution in order to access the exemption from the prohibition on a company taking security over shares in itself under section 259B(1) of the Corporations Act. In this case, any proposed mortgage over Shares issued to participants in connection with any loan to fund the acquisition of those Shares constitutes such a security. The exemption is available where the security is taken under an employee share scheme that has been approved at a general meeting of the company.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

Resolution 7: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 7 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 7, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to increase work on its current exploration assets and reviewing new potential projects and investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to acquire new resource assets or investments, to conduct further work on its current projects or to meet additional working capital requirements.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) *Shareholder approval*

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) *Equity Securities*

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue three classes of Equity Securities, Fully Paid Ordinary Shares, Unlisted Options and Unlisted Performance Rights.

(c) *Formula for calculating 10% Placement Facility*

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), **(10% Placement Period)**.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) In the past twelve months the Company issued 7,639,042 Shares under Listing Rule 7.1A.
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 1 October 2019 and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.085 50% decrease in Current Share Price	\$0.170 Current Share Price	\$0.340 100% increase in Current Share Price

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
 - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The Current Share Price is **\$0.170** (17.0 cents), being the closing price of the Shares on ASX on **1 October 2019**.
- (d) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking)).
- (e) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition) continued expenditure on the Company's current business and/or general working capital.
- (f) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring businesses, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments.

- (g) A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.
