## About GENMIN

**Genmin Limited (ASX: GEN)**, is an ASX-listed African iron ore exploration and development company with a pipeline of projects in the Republic of Gabon, west Central Africa. The Company has a 100% interest in three (3) projects comprising six (6) granted exploration licences covering approximately 5,064km<sup>2</sup>.

Genmin's Baniaka and Bakoumba projects are located in south-east Gabon near the provincial city of Franceville, where the Company has an extensive footprint and controls all acreage prospective for iron ore. The Baniaka and Bakoumba projects represent an iron ore hub with 2,445km<sup>2</sup> of landholding and 121km of iron mineralised strike with only 13% drill tested with diamond drilling.

Genmin's flagship project, Baniaka, is at feasibility stage with defined JORC Code (2012 Edition) Mineral Resources and Ore Reserves and is favourably situated adjacent to existing and operating bulk commodity transport and renewable energy infrastructure.

Statements in this presentation are made only as at the date of this presentation and the information in this presentation remains subject to change without notice. The information in this presentation is of a general nature and does not purport to be complete, is provided solely for information purposes of giving you summary information and background about Genmin and its related entities and their activities, current as at November 2022, and should not be relied upon by the recipient. This presentation is not, and does not constitute, or form any part of, an offer to sell or issue, or the solicitation, invitation or recommendation to purchase any securities. No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this presentation. This presentation does not purport to summarise all information that a recipient should consider when making an investment decision and should not form the basis of any decision by a recipient. Recipients should carry out their own investigations and analysis of the Company and verify the accuracy, reliability and completeness of the information contained in this presentation or any other form of communication to which the recipient is permitted access in the course of evaluating an investment in the Company.

## **No liability**

To the maximum extent permitted by law, none of Genmin, or its respective affiliates or related bodies corporate or any of their respective officers, directors, employees, agents and advisers (**Related Parties**), nor any other person, accepts any responsibility or liability for, and makes no recommendation, representation or warranty concerning, the content of this presentation, Genmin, or Genmin securities including, without limitation, any liability arising from fault or negligence, for any loss arising from the use of or reliance on any of the information contained in this presentation or otherwise arising in connection with it.

## **Not financial product advice**

Reliance should not be placed on the information or opinions contained in this presentation. This presentation is for information purposes only and is not a financial product or investment advice or recommendation to acquire Genmin securities (or any interest in Genmin securities) and does not take into consideration the investment objectives, financial situation or particular needs of any particular investor. You should make your own assessment of an investment in Genmin and should not rely on this presentation. In all cases, you should conduct your own research of the Company and analysis of the financial condition, assets and liabilities, financial position and performance, profits and losses, prospects and business affairs of Genmin and its business, and the contents of this presentation. You should seek legal, financial, tax and other advice appropriate to your jurisdiction.

## **Past performance**

Past performance information given in this presentation is given for illustrative purposes only and should not be relied upon as an indication of (and gives no guidance as to) future performance.

## **Future performance**

This presentation contains certain forward-looking statements with respect to the financial condition, operations and business of the Company and certain plans and objectives of the management of Genmin. Forward-looking statements can be identified by the use of forward-looking terminology, including, without limitation, the terms “believes”, “estimates”, “anticipates”, “expects”, “predicts”, “intends”, “plans”, “goals”, “targets”, “aims”, “outlook”, “guidance”, “forecasts”, “may”, “will”, “would”, “could” or “should” or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts. Such forward looking statements involve known and unknown risks, uncertainties and other factors which because of their nature may cause the actual results or performance of the Company to be materially different from the results or performance expressed or implied by such forward looking statements. Such forward looking statements are based on numerous assumptions regarding Genmin’s present and future business strategies and the political and economic environment in which Genmin will operate in the future, which may not be reasonable, and are not guarantees or predictions of future performance. No representation is made that any of these statements will come to pass, or that there is a reasonable basis for any of these statements. Forward-looking statements speak only as at the date of this presentation and to the full extent permitted by law, Genmin and its respective affiliates and related bodies corporate and each of their respective Related Parties and intermediaries disclaim any obligation or undertaking to release any updates or revisions to information to reflect any change in any of the information contained in this presentation (including, but not limited to, any assumptions or expectations set out in the presentation).

## **Financial data**

All figures in the presentation are Australian dollars (A\$ or AUD) unless stated otherwise. A number of figures, amounts, percentages, estimates, calculations of value and fractions in this presentation are subject to the effect of rounding. Accordingly, the actual calculation of these figures may differ from the figures set out in this presentation.

## **Competent Persons statements**

The Exploration Targets, Mineral Resource and Ore Reserve estimates, Production Targets and forecast financial information derived from Production Targets for Baniaka were presented in an announcement released on 16 November 2022 “*Positive Baniaka PFS*” and is available to view at [www.genmingroup.com/investors/asx-announcements](http://www.genmingroup.com/investors/asx-announcements). Genmin confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement for Baniaka and that all material assumptions and technical parameters underpinning the estimated Production Targets and financial information derived from Production Targets in the relevant market announcement for Baniaka continue to apply and have not materially changed.

## **Photographs and diagrams**

Photographs and diagrams in the presentation are for illustration purposes only and should not be interpreted to mean that any person shown in them endorses this presentation or its contents or that the assets shown in them are owned by the Company. Diagrams and maps used in this presentation are illustrative only and may not be drawn to scale. Unless otherwise stated, all data contained in charts, graphs and tables is based on information available as at the date of this presentation.

## **Acknowledgement**

Persons who access, receive, review or attend this presentation are required to inform themselves of, and comply with, all of the above restrictions and prohibitions and none of Genmin or the Related Parties accepts any liability to any person in relation thereto. This presentation is made to you on the basis that by attending, accessing or receiving or reviewing this presentation, you confirm that you understand and agree to the contents of this important notice and disclaimer and that you are a person to whom this presentation may lawfully be made in accordance with laws applicable to you, including those of the jurisdiction in which you are located.

## Emerging iron ore producer

## Province scale iron ore hub

- 2 projects, 4 exploration licences
- 2,500km<sup>2</sup> landholding
- 121km mineralised strike
- 13% of known mineralisation drill tested
- 760Mt JORC Mineral Resource estimate<sup>1</sup>
- 101Mt JORC Ore Reserve estimate<sup>1</sup>
- Energy, rail, port & airport infrastructure endowments

<sup>1</sup> Refer ASX Announcement titled "Positive Baniaka PFS" dated 16 November 2022 for full JORC compliant reporting.

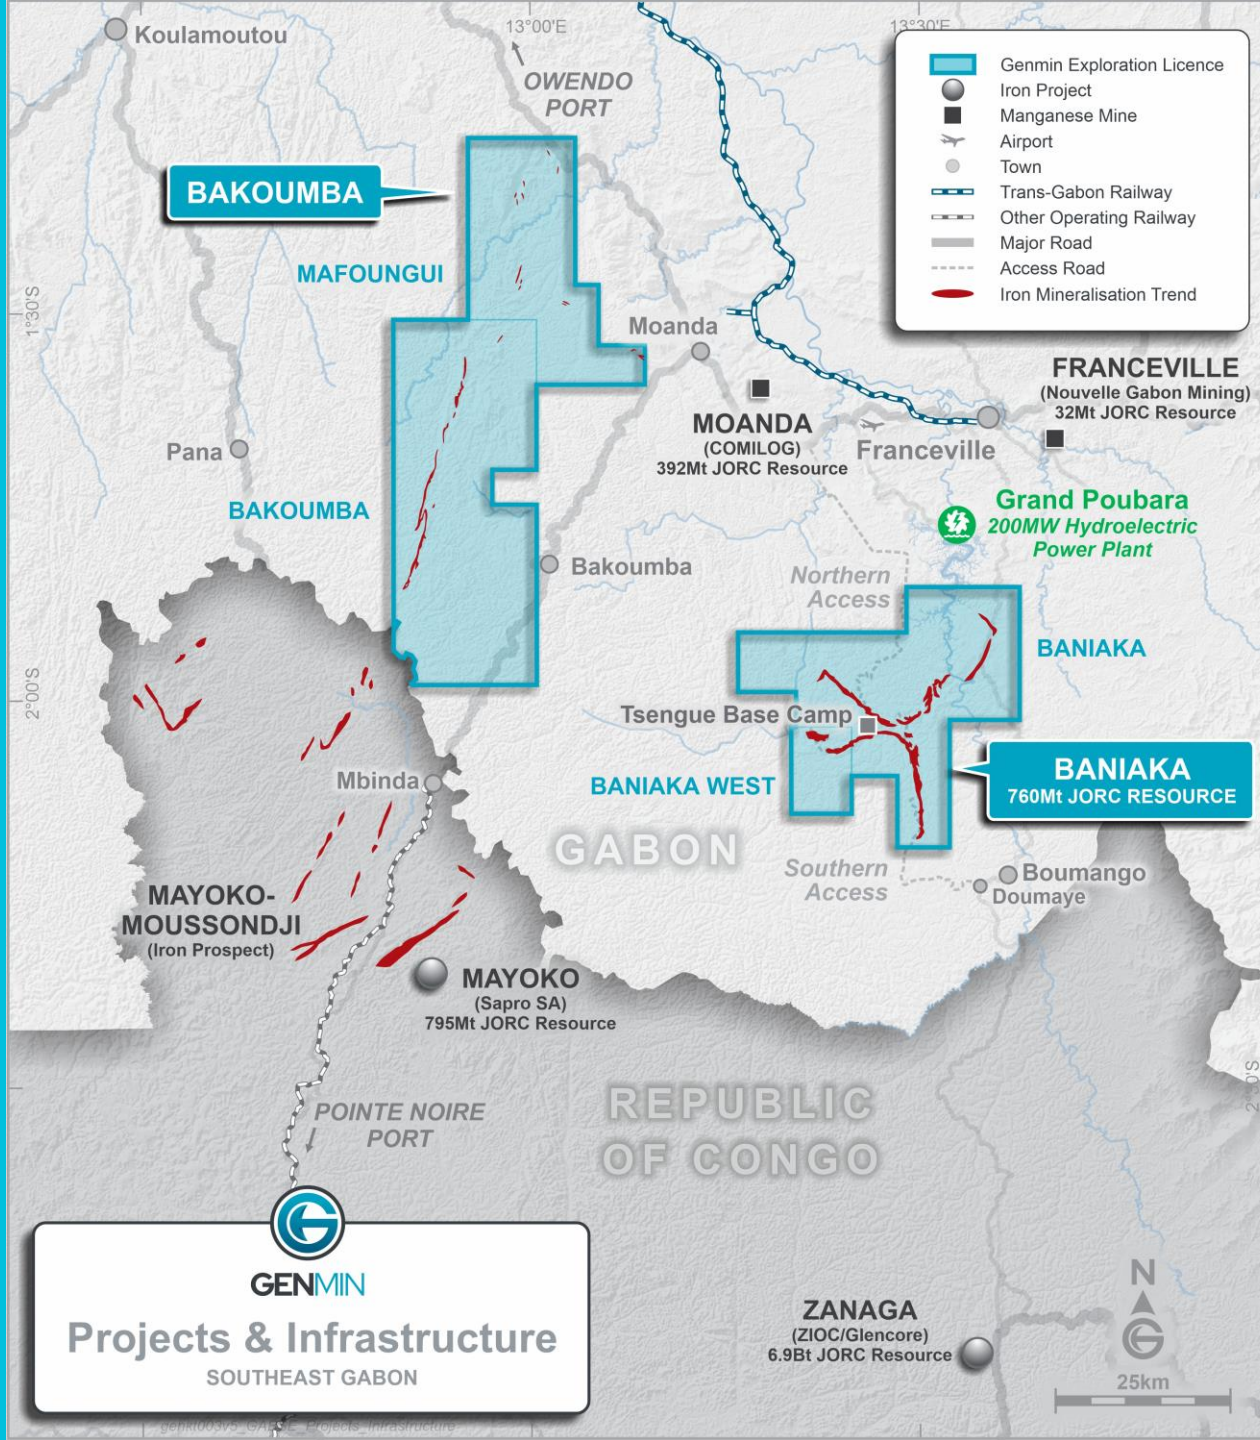

# Steep growth trajectory

- >80% of Baniaka remains undrilled
- Near term Ore Reserve upside through resource conversion
- Magnetite opportunity, Exploration Target of 1.8 to 3.3B tonnes at 31-39% Fe\*
- Resource drilling underway at Bakoumba

*\*The potential quantity and grade given in the Exploration Target estimate is conceptual in nature. There has been insufficient exploration to estimate a Mineral Resource and it is uncertain if further exploration will result in the estimation of a Mineral Resource.*

## Our values

---

### Pioneering

New solutions are required to build a future that empowers stakeholders, respects the environments under our care, and minimises our carbon footprint. Armed with drive and innovation, we are pioneering iron ore mining in Gabon.

### Equitable

Our partnerships and processes are driven by a passion for equity, and we hold the interests of the people and land we work with at the forefront of our business activity. Our deep and genuine respect for Gabon – its people, culture, and environment – underpins everything we do.

### Transparent

We work with honesty and integrity. The way we treat our partners, stakeholders, and the communities we operate in speaks to our steady-handed, genuine approach, the nature of our people, and how we conduct our business.

# Thank you.
