Attachment 1

Terms of Options

The Options are issued in 3 tranches with vesting hurdles as follows:

(a) Tranche 1 – will vest upon both the volume weighted average price of shares being \$3.75 or more for 10 consecutive Trading Days and 2 years continuous service for the Company from 1 April 2011 save that this continuous service vesting hurdle will be deemed to be satisfied in the event of a successful takeover bid where the bidder has acceptances for greater than 50% of the Shares in the Company.

(b) Tranche 2 – will vest upon both the volume weighted average price of shares being \$5.00 or more for 10 consecutive Trading Days and 2 years continuous service for the Company from 1 April 2011 save that this continuous service vesting hurdle will be deemed to be satisfied in the event of a successful takeover bid where the bidder has acceptances for greater than 50% of the Shares in the Company.

(c) Tranche 3 – will vest upon both the volume weighted average price of shares being \$6.25 or more for 10 consecutive Trading Days and 2 years continuous service for the Company from 1 April 2011 save that this continuous service vesting hurdle will be deemed to be satisfied in the event of a successful takeover bid where the bidder has acceptances for greater than 50% of the Shares in the Company.

The terms of the Options are otherwise as follows:

1. Each Option entitles the holder to one Share.
2. The Options are exercisable at any time prior to 5.00 pm Western Standard Time on 31 August 2013 ("**Expiry Date**").
3. The exercise price of the Options is \$1.75 per Option.
4. Upon vesting, the Options are freely transferable.
5. The Company will provide to each Option holder a notice that is to be completed when exercising the Options ("**Notice of Exercise**"). Subject to vesting, the Options may be exercised wholly or in part by completing the Notice of Exercise and delivering it together with payment to the secretary of the Company to be received any time prior to the Expiry Date. The Company will process all relevant documents received at the end of every calendar month.
6. Upon the exercise of an Option and receipt of all relevant documents and payment, the holder in accordance with paragraph 5 will be allotted and issued a Share ranking pari passu with the then issued Shares.
7. There will be no participating rights or entitlements inherent in the Options and the holders will not be entitled to participate in new issues of capital which may be offered to Shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 7 business days after the issue is announced. This will give Optionholders the opportunity (where Options have vested) to exercise their Options prior to the date for determining entitlements to participate in any such issue.
8. If there is a bonus issue ("**Bonus Issue**") to Shareholders, the number of Shares over which an Option is exercisable will be increased by the number of Shares which the holder would have received if the Option had been exercised before the record date for the Bonus Issue ("**Bonus Shares**"). The Bonus Shares must be paid up by the Company out of profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue, and upon issue will rank equally in all respects with the other Shares on issue as at the date of issue of the Bonus Shares.
9. In the event of any reconstruction (including consolidation, sub-division, reduction or return) of the issued capital of the Company prior to the Expiry Date, all rights of an Optionholder are to be changed in a manner consistent with the Listing Rules.
10. In the event that the Company makes a pro rata issue of securities, the exercise price of the Options will be adjusted in accordance with the formula set out in Listing Rule 6.22.2.

+ See chapter 19 for defined terms.

Attachment 2

Terms of the Performance Rights

1. The Performance Rights are non-transferable.
2. The rights under Performance Rights are personal and a Performance Right does not confer any entitlement to attend or vote at meetings of the Company, to dividends, participation in new issues of securities or entitlement to participate in any return of capital.
3. The Performance Rights vest upon the satisfaction of any performance hurdles specified at the time of issue.
4. The Performance Rights lapse upon the Eligible Employee ceasing to be employed or on the death, incapacity or disability of the Eligible Employee or on the failure to satisfy any performance hurdles within a required time of the issue of the Performance Rights.
5. Upon vesting, one (1) Share will be issued for every one (1) Performance Right. The Shares will rank equally in all respects with the existing Shares.
6. If the Company makes a bonus issue of Shares, then the holder of the Performance Right upon vesting will be entitled to have issued to it the increased number of Shares that it would have received if the Performance Right had vested and the holder acquired Shares in respect of the Performance Right before the record date for the bonus issue.
7. In the event of any reconstruction (including consolidation, sub-division, reduction or return) of the issued capital of the Company prior to the vesting date, the number of Performance Rights will be reconstructed in a manner consistent with the ASX Listing Rules.
