To receive and consider the Annual Financial Statements, the Directors' Report and the audit report of the Company for the financial year ended 30 June 2025.

Note: there is no requirement for Shareholders to approve these reports.

Resolution 1 - Adoption of Remuneration Report (non-binding Resolution)

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding** resolution:

“That, for the purpose of section 250R(2) of the Corporations Act and for all other purposes, the Company adopts the annual remuneration report as set out in the Directors' Report for the financial year ended 30 June 2025.”

Voting Exclusion: A vote must not be cast on this Resolution by any member of the Key Management Personnel of the Company whose remuneration is included in the Remuneration Report, or a Closely Related Party of such member. However, such a person may cast a vote on this Resolution if:

- (a) the person is appointed as proxy by writing that specifies how the proxy is to vote on the Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- (b) the person is the Chair voting an undirected proxy and their appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected with the remuneration of the Key Management Personnel of the Company.

If you are a member of the Key Management Personnel of the Company or a Closely Related Party of such person (or are acting on behalf of any such person) and purport to cast a vote (other than as a proxy as permitted in the manner set out above), that vote will be disregarded by the Company (as indicated above) and you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

Resolution 2 - Re-election of Andrew Caruso as Director

To consider and, if thought fit, to pass with or without amendment, as an **ordinary** resolution the following:

Resolution 3 - Approval of Additional 10% Placement Facility

To consider and, if thought fit, to pass, the following resolution as a **special** resolution:

“That, pursuant to and in accordance with Listing Rule 7.1A and for all other purposes, approval is given for the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2, on the terms and conditions in the Explanatory Statement.”

Voting Exclusion: The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who is expected to participate in, or who participated in, or who will obtain a material benefit as a result of, the proposed issue under Listing Rule 7.1A (except a benefit solely by reason of being a Shareholder) or any Associate of any such person. However, this does not apply to a vote cast in favour of this Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair acting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 4 - Renewal of Proportional Takeover Provisions

Section 3	Resolution 1 - Adoption of Remuneration Report (non-binding resolution)

Schedule 1	Definitions

2. Action to be taken by Shareholders

Shareholders should read the Notice including the Explanatory Statement carefully before deciding how to vote on the Resolutions.

2.1 Proxies

All Resolutions will be decided by poll (rather than a show of hands). The poll will be conducted on votes submitted by proxy and at the Meeting by Shareholders who attend in accordance with the instructions below.

(a) Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and

- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

- (b) Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has two or more appointments that specify different ways to vote on the resolution the proxy must not vote on a show of hands;
- (iii) if the proxy is the Chair of the meeting at which the resolution is voted on the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the Chair the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

- (c) Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (ii) the appointed proxy is not the Chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.2 Voting via poll form

The Company will send personalised poll forms following the cut-off time for the return of Proxy Forms (i.e. after 9:00am on 10 November 2025) to Shareholders who request them prior to this time. 2.3 Chair's voting intentions

The Chair intends to exercise all available proxies in favour of all Resolutions unless the Shareholder has expressly indicated a different voting intention.

2.4 Submitting questions

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at mark@gsml.com.au by no later than 5.00pm on 10 November 2025.

Shareholders will also have the opportunity to submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. Shareholders are limited to a maximum of two questions each (including any submitted in advance of the Meeting). The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

3. Resolution 1 - Adoption of Remuneration Report (Non-binding resolution)

3.1 Background

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the financial year ended 30 June 2025 (**Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (**Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2025 Annual Report. The Annual Report is available on the Company's website at www.gsml.com.au.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2025.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

3.2 Regulatory Requirements

The Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, sections 250U and 250V of the Corporations Act sets out a "two strikes" re-election process, pursuant to which:

- (a) if, at a subsequent annual general meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding annual general meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another general meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company's Directors who were Directors at the time when the resolution to make the Directors' Report was passed (excluding the Managing Director of the Company who may, in accordance with the Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end the Spill Meeting and may stand for re-election at the Spill Meeting.

At the Company's 2023 annual general meeting, less than 25% of the eligible votes cast in respect of the 2023 Remuneration Report were cast against the adoption of 2023 Remuneration Report. Accordingly, a Spill Resolution will not be put to the Meeting even if 25% or more of the votes cast in respect of the 2024 Remuneration Report are against the adoption of the 2024 Remuneration Report.

3.3 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

A voting exclusion statement for Resolution 1 has been included in the Notice of Meeting preceding this Explanatory Statement.

4. Resolution 2 – Re-election of Andrew Caruso as Director

4.1 Background

In accordance with Listing Rule 14.5 and rule 6.1(f) of the Constitution, at every annual general meeting an election of Directors must take place.

Listing Rule 14.4 prevents a Director from holding office (without re-election) past the third annual general meeting following the Director's appointment or three years, whichever is longer.

In addition, the Constitution provides that at every annual general meeting, excluding any Director who is required to retire at that meeting by virtue of having been appointed to either fill a casual vacancy or as an addition to the existing Directors, one-third of the remaining Directors must retire from office as a Director.

Andrew Caruso

For these reasons, Andrew Caruso retires as a Director and, being eligible, offers himself for re-election as a Director in accordance with rule 6.1(i) of the Constitution.

Mr Caruso is a mining executive with over 25 years' experience in the Australian and international mining industries, including significant corporate leadership and business development experience as well as operations and strategic planning, capital projects, and mine management.

His most recent roles include the leadership of iron ore and coal operations and development companies focused on greenfield development and brownfield expansion of existing operations. Mr Caruso brings to the Board business leadership and large project experience coupled with extensive technical and operations knowledge.

Further details about Andrew Caruso are set out in the Company's 2025 Annual Report which is available on the Company's website at www.gsml.com.au.

4.2 Voting consequences

If Shareholders do not vote in favour of Resolution 2, Mr Caruso will not be re-elected as a Director and will retire at the conclusion of the Annual General Meeting.

If Shareholders vote in favour of Resolution 2, Mr Caruso will be re-elected as a Director.

4.3 Board Recommendation

The Directors (other than Mr Caruso) unanimously recommend that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Approval of Additional 10% Placement Facility

5.1 Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12-month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company is an eligible entity as at the time of this Notice of Annual General Meeting and is expected to be an eligible entity as at the time of the annual general meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility.

If Resolution 3 is passed the exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 5.2(d) below). The Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the Additional 10% Placement Facility to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the annual general meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

5.2 Regulatory Requirements

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

(a) **Issue Period**

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(Additional 10% Placement Period).

The Company will only issue and allot Equity Securities during the Additional 10% Placement Period.

(b) **Minimum Issue Price**

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, being Shares.

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the Equity Securities are issued; or
- (ii) the date on which the price of Equity Securities is agreed, provided that the issue is thereafter completed within 10 trading days.

(c) **Purpose of Issues**

The Company may seek to issue the Equity Securities to raise funds in connection with continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 3.10.3 and 7.1A.4.

(d) **Dilution**

As at the date of this Notice of Annual General Meeting, the Company has 996,804,290 Shares on issue. Accordingly, if Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 99,680,429 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

(A x D) – E

A = the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- (i) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,
- (ii) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4,
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 7.4,
- (iv) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or 7.4,
- (v) plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- (vi) less the number of fully paid ordinary securities cancelled in the relevant period;

D = 10%

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4; and

“relevant period” is the 12 months immediately preceding the date of the issue or agreement.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice of Annual General Meeting.

The table also shows:

- (i) two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable "A" Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.015 50% decrease in Issue Price	\$0.03 Issue Price	\$0.06 100% increase in Issue Price
996,804,290 (Current number of Shares on Issue)	10% Voting Dilution	99,680,429	99,680,429	99,680,429
	Funds Raised	\$1,495,206	\$2,990,413	\$5,980,825
1,495,206,435 (50% increase in Shares on issue)	10% Voting Dilution	149,520,644	149,520,644	149,520,644
	Funds Raised	\$2,242,810	\$4,485,619	\$8,971,239
1,993,608,580 (100% increase in Shares on issue)	10% Voting Dilution	199,360,858	199,360,858	199,360,858
	Funds Raised	\$2,990,413	\$5,980,826	\$11,961,651

The table has been prepared on the following assumptions:

- (i) Variable A is 996,804,290 being the number of ordinary securities on issue at the date of this Notice of Annual General Meeting.
- (ii) The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.

- (iii) No Options (including any listed Options issued under the Additional 10% Placement Facility) or performance rights are exercised into Shares before the date of issue of the Equity Securities.
- (iv) The Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice of Annual General Meeting.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (viii) The issue of Equity Securities under the Additional 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes listed Options, it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (ix) The issue price is \$0.03, being the closing price of the Shares on ASX on 7 October 2025, being the last trading day before the date of this Notice of Annual General Meeting was prepared.

(e) **Allocation Policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the persons to which the Company will issue the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The persons to whom the Company will issue Equity Securities under the Additional 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or Associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the persons to whom the Company will issue Equity Securities under the 10% Placement Facility will be the vendors of the new resources, assets or investments.

(f) **Previous issues of Equity Securities under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2024 Annual General Meeting held on 7 November 2024.

Listing Rule 7.3A.6 requires the Notice of Meeting to include details of the total number of Equity Securities issued under Listing Rule 7.1A.2 by the Company in the 12 months preceding the date of the Meeting and the percentage they represent of the total number of Equity Securities on issue at the commencement of that 12-month period. During that 12-month period, the Company issued 71,017,647 Equity Securities under

Listing Rule 7.1A which represents 8.39% of the total number of Equity Securities on issue at the commencement of that 12-month period.

Details of the Equity Securities issued in the 12-month period are outlined in Schedule 2 to this Notice of Annual General Meeting.

(g) **Voting exclusion statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of the Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under ASX Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded in accordance with the voting exclusion statement.

5.3 Board Recommendation

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommends that Shareholders approve Resolution 3.

6. Resolution 4 - Renewal of Proportional Takeover Provisions

6.1 Background

In accordance with section 648G of the Corporations Act, a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply on the third anniversary after adoption or renewal (as appropriate), unless otherwise specified.

When the provisions cease to apply, the company's constitution is modified by omitting the provisions.

A company may renew its proportional takeover approval provisions in the same manner a company can modify its constitution (i.e. by special resolution of shareholders).

The Corporations Act and rule 14 of the Constitution require the proportional takeover provisions to be renewed every three years or they will cease to have effect. The Company last renewed the proportional takeover provisions set out in rule 14 with effect from 25 November 2020. Accordingly, the proportional takeover provisions included in the Constitution have ceased to have effect.

This Resolution is a special resolution that will enable the Company to modify its Constitution by renewing rule 14 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of rule 14.

The Directors consider that it is appropriate to renew approval for rule 14 for a period of three years from the date of the Meeting (after which it will have to be renewed by a further special resolution of Shareholders every three years).

The Company is permitted to seek further Shareholder approval to renew rule 14 for further periods of up to three years on each occasion.

A copy of the Constitution is available on the Company's website at www.gsml.com.au.

6.2 Proportional Takeover Bids

A proportional takeover bid is an off market takeover offer where the offer made to each shareholder is only for a specified proportion of that shareholder's shares. If a shareholder accepts a proportional takeover bid, the shareholder will dispose of that specified proportion and retain the balance.

The proportional takeover provisions set out in rule 14 of the Constitution provide that the Company is prohibited from registering a transfer of Shares resulting from a proportional takeover bid unless a resolution to approve the bid is passed (or deemed to have been passed) by holders of shares in the relevant bid class, in accordance with the terms set out in the Corporations Act.

Rule 14 will cease to have effect on the third anniversary of the date of the adoption of the last renewal of the clause.

If this Resolution is passed, then for a period of 21 days after the meeting, holders of 10% or more of the Company's Shares will have a right to apply to the Court to have the Resolution set aside. The Court may set aside the Resolution if the Court is satisfied in all circumstances it is appropriate to do so.

6.3 Information required by section 648G of the Corporations Act

Pursuant to and in accordance with section 648G of the Corporations Act, the information below is provided in relation to this Resolution:

(a) Effect of the Proportional Takeover Provisions

- (i) If a bidder makes a proportional off-market takeover bid in respect of a class of securities in the Company, the Company will be prohibited from registering the transfer giving effect to a contract resulting from the acceptance of the proportional takeover bid unless and until a resolution to approve the bid is passed by a simple majority or the deadline for obtaining such approval has passed.
- (ii) If this Resolution is approved and a proportional takeover bid is made for a class of securities in the Company, the Directors will call a meeting of holders of bid class securities to vote on a resolution to approve that bid. The bidder and its associates would be excluded from voting on the approving resolution.
- (iii) The vote on the approving resolution must take place more than 14 days before the last day of the bid period.
- (iv) If the approving resolution is rejected before the deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered.
- (v) If the approving resolution is not voted on, the bid will be deemed to have been approved.
- (vi) If the approving resolution is passed (or deemed to have passed) the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution).

The proportional takeover provisions do not apply to a full takeover bid.

(b) Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These proportional takeover provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and may assist in ensuring that any partial bid is appropriately priced.

The Board believes that the proportional takeover provisions are desirable to give Shareholders protection from these risks as they give effect to a protection that the Corporations Act provisions are intended to provide.

To assess the merits of the proportional takeover provisions, Shareholders should make a judgement as to what events are likely to occur in relation to the Company during the three year period of those provisions.

(c) **Knowledge of any acquisition proposals**

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) **Advantages and disadvantages of proportional takeover provisions during the period in which they have been in effect**

The Corporations Act requires this Explanatory Statement to discuss retrospectively the advantages and disadvantages for Directors and Shareholders of the proportional takeover provisions that are proposed to be renewed.

While the proportional takeover provisions have been in effect, there have been no takeover bids for the Company, either proportional or otherwise. Consequently, there are no actual examples against which to review the advantages or disadvantages of the proportional takeover provisions for the Directors and Shareholders of the Company.

(e) **Potential advantages and disadvantages of proportional takeover provisions**

The Corporations Act also requires this Explanatory Statement to discuss the potential future advantages and disadvantages of the proportional takeover provisions for both Directors and Shareholders of the Company.

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (i) proportional takeover bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a premium;
- (iii) individual Shareholders may consider that the proportional takeover provisions would restrict their ability to deal with their Shares as they see fit; and
- (iv) the likelihood of a proportional takeover bid succeeding may be reduced.

6.4 Board Recommendation

The Board does not believe the potential disadvantages outweigh the potential advantages of renewing the proportional takeover provisions and, as a result, consider that renewal of the proportional takeover provisions set out in rule 14 of the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.
