Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

Great Southern Mining Limited

Key Terms of the adopted Long-Term Incentive Plan (LTIP)

The Directors considered that it was desirable to establish an incentive plan under which employees and Directors may be offered the opportunity to receive Securities in the Company in order to increase the range of potential incentives available to them and to strengthen links between the Company and its employees and Directors. Accordingly the Directors adopted the Long Term Incentive Plan on 28 May 2018 (**Plan**) which was approved by Shareholders at the General Meeting held 29 June 2018 and further amended at the General Meeting held 3 July 2020.

The Plan is designed to provide incentives to the employees and Directors of the Company and to recognise their contribution to the Company's success. In the Company's current circumstances, the Directors consider that providing incentives to employees are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure employees and Directors who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Plan is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

Under the Plan, the Board may offer to Eligible Employees the opportunity to subscribe for such number of Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan. Securities granted under the Plan will be offered to Eligible Employees under the Plan on the basis of the Board's view of the contribution of the Eligible Employee to the Company.

Summary of the Long Term Incentive Plan

- (a) **Eligibility:** The Board may, in its absolute discretion, offer Securities to any Eligible Employee (being an employee, executive Director, non-executive Director, contractor or casual employee of the Company (or associated body corporate)) or any Prospective Eligible Employee.
- (b) **Invitation:** Any Offer will be made in a document which will include the following information:
 - (i) the name and address of the Eligible Employee to whom the Offer is made;
 - (ii) the date of the Offer;
 - (iii) the Final Acceptance Date;
 - (iv) the maximum number of Securities which the Eligible Employee may apply for;
 - (v) the Grant Conditions (if any) attaching to the Securities the subject of the Offer;
 - (vi) in respect of an Offer of Shares:
 - (A) the Issue Price or the manner of determining the Issue Price (if any); and
 - (B) details of the Vesting Conditions (if any);
 - (vii) in respect of an Offer of Convertible Securities (including Options or Performance Rights):

- (A) the Issue Price (if any) or the manner of determining the Issue Price (if any);
 - (B) details of the Vesting Conditions (if any);
 - (C) the First Exercise Date and the Last Exercise Date; and
 - (D) the Exercise Price or manner of determining the Exercise Price (if any);
- (viii) the Vesting Period (if any) applicable to the Securities the subject of the Offer.
- (c) **Terms:** The terms and conditions applicable to an Offer, including the Issue Price and the Exercise Price (if any), are as determined by the Board in its absolute discretion.
- (d) **Acceptance:** An Eligible Employee may accept an offer (in whole or in part) by giving the Company a completed Application Form (and, in the case of an offer with an Issue Price, payment of the Issue Price) by the Final Acceptance Date. When the Eligible Employee (or a nominee of such a person as approved by the Board) accepts the Securities (in whole or in part), he or she will become a Participant under the Plan.
- (e) **Issue:** Once an Offer has been accepted (and any applicable Issue Price has been paid), the Company will register that number of Shares set out in the Application in the name of the relevant Eligible Employee (or their nominee) and will issue Certificates to the Eligible Employee in respect of Convertible Securities.
- (f) **Quotation:** Convertible Securities will not be quoted on ASX. However, application will be made to ASX for official quotation of any Shares issued for the purposes of the Plan.
- (g) **Share Vesting Conditions:** The Board may offer Shares with Vesting Conditions. Shares will vest if the Board determines, in its absolute discretion, that any Vesting Conditions have been satisfied or waived.
- (h) **Forfeiture of Shares:** Any Unvested Shares will be forfeited if:
 - (i) the Board determines that the applicable Vesting Conditions have not been, or are not capable of being, satisfied, reached or met in accordance with their terms;
 - (ii) the participant ceases to be employed by the Company or ceases to hold office in the Company, subject to certain exceptions; and
 - (iii) by determination of the Board:
 - (A) in the event of a Change of Control of the Company; and
 - (B) where the Participant breaches the term of his or her employment, is dismissed or removed for cause, or where their behaviour is fraudulent or amounts to misconduct.
- (i) **Holding Lock:** The Board may, at its discretion, specify in an Offer to an Eligible Employee that a Holding Lock will be applied to Vested Shares or Shares issued on the exercise of Convertible Securities. Any applicable Holding Lock shall be automatically released in certain circumstances and the Board, in its absolute discretion, may determine to release a Holding Lock.

- (j) **Exercise:** A Participant will be entitled to exercise a Convertible Security if the Board determines that any applicable Vesting Conditions have been satisfied or waived and the Convertible Security is otherwise capable of being exercised.
- (k) **Adjustment:** The Board can make adjustments to or vary the terms of exercise of a Convertible Security, including reducing or waiving the applicable Vesting Conditions in whole or in part (subject to the requirements of the Corporations Act and/or the Listing Rules), and only with the consent of the Participant who holds the relevant Convertible Securities if such an adjustment would be materially prejudicial to them.
- (l) **Cashless Exercise:** If an Exercise Price is payable on the exercise of Convertible Securities, the Board may allow the Participant to exercise those Convertible Securities by way of a cashless Exercise, in which case the Participant will not be required to pay the Exercise Price for the Convertible Securities.
- (m) **Issue of Shares on vesting of Convertible Securities:** Upon determination that Convertible Securities have vested, they may be exercised (at the applicable Exercise Price) and the Company will issue Shares to the Participant. Shares issued upon exercise of a Convertible Security will rank equally in all respects with existing Shares.
- (n) **Lapse of Convertible Securities:** Unless otherwise specified in the Convertible Security Vesting Conditions or determined otherwise by the Board, a Convertible Security lapses on the earlier of:
 - (i) the Convertible Security Vesting Condition attaching to the Convertible Security has not been satisfied, reached or met in accordance with its terms, or is not capable of being satisfied, reached or met;
 - (ii) the day immediately following the Last Exercise Date;
 - (iii) the participant ceasing to be employed by the Company or ceasing to hold office in the Company, subject to certain exceptions;
 - (iv) by determination of the Board:
 - (A) in the event of a change of control of the Company; and
 - (B) where the Participant breaches the term of his or her employment, is dismissed or removed for cause, or where their behaviour is fraudulent or amounts to misconduct; and
 - (v) the date determined by the Board after the date of termination of employment of the Participant (other than due to the occurrence of a special circumstance).
- (o) **No Dealing:** Convertible Securities may not be transferred except with the prior consent of the Board or to the Participant's legal personal representative on the death of the Participant.
- (p) **Adjustments to Convertible Securities:** If, prior to the vesting of an Convertible Security:
 - (i) the Company makes a pro-rata issue of Shares (except a bonus issue), the Exercise Price of the Convertible Security will be reduced according to the formula specified in the Listing Rules;

- (ii) the company makes a bonus issue of Shares, the number of underlying Shares over which the Convertible Security is exercisable will be increased in proportion to the number of Shares the Participant would have received before the bonus issue; and
 - (iii) there is a reorganisation of the issued share capital of the Company (including a consolidation, sub-division or reduction of capital or return of capital), the rights of the Participant (including the number the Convertible Securities to which the Participant is entitled and the Exercise Price) will be adjusted in a manner required by the Listing Rules.
- (q) **Amendments to the Plan:** Subject to and in accordance with the Listing Rules, the Plan may be amended by the Board from time to time. Amendments may not be made which adversely affect the rights of entitlements then accrued to any Security granted before the date of the amendment unless

 - (E) to enable Participants generally (but not necessarily each Participant) to receive a more favourable taxation treatment in respect of their participation in the Plan; or
 - (ii) with the consent of Participants that between them hold not less than 75% of the total number of those Securities held by all those Participants before making the amendment.
