Appointment of Chief Operating Officer

Haranga Resources Limited is pleased to announce the appointment of **Mr. Erdene Tsengelbayar** as Chief Operating Officer (COO) of the Company.

A Mongolian national, Erdene has more than 16 years experience in mineral economics and consulting, mineral asset assessment, mineral project finance and M&A advisory for both the public and private sector in Mongolia.

Erdene joins Haranga Resources from a Mongolian investment bank where he was a Senior Vice President and latterly Managing Director, Metals and Mining. He holds a Master of Science degree in mineral economics from Michigan Tech University in the USA and a degree in mining engineering and economics from Sankt-Petersburg Mining Institute in Russia.

Erdene has extensive operational, management and project acquisition expertise in Mongolia and has previously acted in an advisory role for the Company and assisted in the acquisition of a number of the Company's current projects. He has an extensive network in the mining and resources sector in Mongolia having worked with both the Mineral Resource Authority of Mongolia and the former Ministry of Industry and Trade. He also has experience preparing and assessing technical/resource reports and feasibility studies for a number of major mining projects in Mongolia including the large Oyu Tolgoi copper/gold project.

The COO role will be based in Ulaanbaatar and be responsible for local operations and assisting in project generation for Haranga Resources. Erdene will also act as Executive Director of the Company's Mongolian subsidiaries.
