**MARCH 2016 QUARTERLY
ACTIVITIES REPORT**

Haranga Resources Limited ('the Company') is pleased to report on its activities for the March 2016 quarter ('the Quarter').

Mongolia Operations Update

During the Quarter, the Company's 80% owned subsidiary Haranga Khuder LLC, holder of five Mineral Exploration Licenses, two Pre-mining Operations Agreements and one Mining License for the Selenge Iron Ore Project in Mongolia ('the Project'), focused on completion of compliance activities required by the mineral laws and regulations in Mongolia. The Company office in Ulaanbaatar completed and submitted to the Mineral Resources Authority of Mongolia the activities reports for 2015 as well as operation plans for 2016. During the Quarter these documents were successfully approved by the relevant government bodies in Mongolia.

Management continues to consider the strategy of the Company in regards to the Project and the operational options available in order to maintain the Company's position in the Project, taking in to account the current status of the iron ore market globally.

Whilst Management is reviewing the current operational status of the Project, the Company remains focused on and committed to the long term progression of the Project's development.

Corporate Matters

During the Quarter, the Company completed a partially underwritten non-renounceable right issue of 1 share for every 1 share held, at an issue price of \$0.004 per share ('Rights Issue'). The Rights Issue closed on 19 February 2016 with the Company having received valid acceptances for total of 39,236,239 new shares and subsequent shortfall applications for 9,082,262 new shares.

Funds raised from the Rights Issue totaled approximately \$193,274 before costs.
