Proposed appointment of Company auditor at AGM

JCurve Solutions Limited (ASX Code: JCS) (Company) hereby advises that, in relation to Resolution 3 of the Notice of Annual General Meeting ("AGM") to be held on Tuesday 22 November 2016, being the proposed appointment of BDO East Coast Partnership as auditor of the Company:

- (a) The Australian Securities & Investments Commission has consented to the resignation of the Company's current auditor, HLB Mann Judd, to take effect at the abovementioned AGM; and
- (b) HLB Mann Judd have provided their written notice of resignation, to take effect at the abovementioned AGM.

For and on behalf of the Board

About JCurve Solutions:

JCurve Cloud ERP is award winning cloud-based business management software that helps to empower growth in SMEs by transforming the way they manage their businesses. While providing real-time data and KPIs for total visibility, it also allows businesses to streamline and automate operations across financials and payroll, inventory and order management, CRM, eCommerce and more. JCurve Solutions is the Australian and New Zealand, 5 star awarded small business partner of NetSuite, the global leader in cloud enterprise resource planning (ERP) software. JCurve Solutions Ltd is listed on the ASX (JCS).
