The Directors Frontier Resources Limited Level 4, 66 Kings Park Road WEST PERTH WA 6005

Dear Sirs,

DECLARATION OF INDEPENDENCE BY CHRIS BURTON TO THE DIRECTORS OF FRONTIER RESOURCES LIMITED

As lead auditor for the review of Frontier Resources Limited for the half-year ended 31 December 2011, I declare that to the best of my knowledge and belief, there have been:

- no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- no contraventions of any applicable code of professional conduct in relation to the review.

This declaration is in respect of Frontier Resources Limited and the entities it controlled during the period.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF FRONTIER RESOURCES LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Frontier Resources Limited, which comprises the statement of financial position as at 31 December 2011, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the disclosing entity and the entities it controlled at the half-year's end.

Directors' Responsibility for the Half-Year Financial Report

The directors of the disclosing entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the disclosing entity's financial position as at 31 December 2011 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Frontier Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Frontier Resources Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Basis for Qualified Conclusion

As at 31 December 2011 property, plant and equipment with a net book value of \$1,929,285 in relation to the company's drill rigs were held in a remote location in Papua New Guinea. Access to the location of these assets is limited. As a result of this we have been unable to obtain sufficient assurance over the physical existence and condition of these assets. Accordingly, we are unable to and do not express any assurance in respect of the existence and the recoverability of these items of property, plant and equipment as at 31 December 2011. Had we been able to complete our review of property, plant and equipment, matters might have come to our attention indicating that adjustments might be necessary to the half-year financial report.

Qualified Conclusion

Except for the adjustments to the half-year financial report that we might have become aware of had it not been for the situation described above, based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of Frontier Resources Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2011 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

DIRECTORS' DECLARATION

In the directors' opinion:

- (a) the financial statements and notes set out on pages 6 to 14 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with AASB 134 Interim Financial Reporting, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the consolidated entity's financial position as at 31 December 2011 and of its performance, as represented by the results of its operations, changes in equity and its cash flows, for the half-year ended on that date; and
- (b) there are reasonable grounds to believe that Frontier Resources Ltd will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The half-year consolidated financial report is a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134: Interim Financial Reporting.

These interim financial report is intended to provide users with an update on the latest annual financial statements of Frontier Resources Limited and its controlled entities. As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that these financial statements be read in conjunction with the annual financial statements for the year ended 30 June 2011 and any public announcements made by Frontier Resources Limited and its controlled entities during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The half-year financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The same accounting policies and methods of computation have been followed in these interim financial statements as were applied in the most recent annual financial statements.

Basis of Preparation and Going Concern Basis

The consolidated entity incurred a loss for the half year of \$5,329,641 (2010: half-year loss of \$1,608,955) and had a net operating cash outflows of \$3,594,713 for the six months ended 31 December 2011 (31 December 2010: net operating cash outflow \$1,075,773).

At 31 December 2011 the consolidated entity had cash assets of \$3,034,132 (30 June 2011: \$8,287,285), working capital of \$2,556,800 (30 June 2011: \$8,788,770) and net assets of \$8,085,279 (30 June 2011: \$12,235,059).

The Financial Report has been prepared on the going concern basis, subsequent to a review of the capital requirements by the Directors. This contemplates continuity of normal business activities and the realisation of assets and the discharge of liabilities in the ordinary course of business when they fall due. Due to the encouraging results of past exploration activities, the Directors anticipate a continued focus on exploration over the next 12 months. To facilitate the ongoing exploration and drilling program, the Group may undertake a capital raising to meet its funding requirements during the period. In the unlikely event that capital raising does not occur, the Group may be unable to realise its assets and discharge its liabilities in the ordinary course of business.

The ultimate recoupment of costs carried forward for exploration and evaluation phases is dependent on the successful development and commercial exploitation or sale of the respective mining tenements.
