SALE OF PILBARA PROJECT

Legend Mining Limited ("Legend") is pleased to announce a Sale Agreement over its Pilbara

Project tenements, including the sale of its wholly owned subsidiary Armada Mining Limited, with

a wholly owned subsidiary of Karratha Metals Limited ("KML"). The sale is conditional upon KML

successfully completing a capital raising and obtaining approval to list on the Australian

Securities Exchange and the consideration is 10,000,000 fully paid shares in KML. The

settlement date is scheduled on or before 15 December 2011 and may be extended for a further

six months by the purchaser.

Legend Managing Director Mr Mark Wilson said: "The proposed capital structure for KML will

result in Legend holding approximately 20% of the fully paid shares in KML off the back of a

\$4 million raising. This transaction will finalise our direct involvement with the Pilbara Project."
