# Mawson – A progressive developing story

RIU RESURGENCE CONFERENCE 15-16 SEPTEMBER 2020

## DISCLOSURE

*This is not a disclosure document. Any material used in this presentation is a summary of selected data, and any investor in Legend Mining Limited should refer to all Legend Mining Limited ASX releases and statutory reports before considering to invest in the company.*

*Any forward looking information in this presentation has been prepared on the basis of a number of assumptions that may prove not to be correct. Neither Legend Mining Limited, nor its officers, employees and advisors make or give any representation, warranty or guarantee in relation to this presentation.*

*Legend Mining Limited reserves the right to update, amend or supplement the Information in this presentation at any time in its absolute discretion without incurring any obligation to do so.*

*The information in this report that relates to Exploration Results is based on information compiled by Mr Oliver Kiddie, a Member of the Australasian Institute of Mining and Metallurgy and a full-time employee of Legend Mining Limited.*

*Mr Kiddie has sufficient experience that is relevant to the styles of mineralisation and types of deposit under consideration, and to the activity being undertaken, to qualify as a Competent Person as defined in the 2012 Edition of the “Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves” (JORC Code).*

*Mr Kiddie consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.*

Rockford Project Activities 2020

## 3. Summary

Source: Kitco Sep 2020

Source: Macquarie Commodities Strategy, July 2020

## Nickel Prices and Inventory

- 12 months ago deficits likely – now surplus (Covid-19 damaged near term demand)
- SS useage still ~70% of Ni consumption – (10 x batteries)
- Role of Indonesia critical to medium term market outlook – policy uncertainties
- Investment flow from China to Indonesia (big savings on NPI production costs – translates to SS cost savings)
- Focus 2025 out – sky is the limit for EV use (Ni chemistries remaining key technology)

“Near term nickel prices defy the fundamentals”

- Market capitalisation ~\$375M (Shares 2.5B@15c)  
(Options – 150M@4c 9/2020; 75M@4c 3/2021; 149M@7.2c 7-9/2022)
- Cash and receivables ~ \$28.8M (includes \$2.25M receivable from Jindal) @ 30/06/2020
- Fraser Range – Rockford Project
- Top 20 Shareholders (63.2%)
  - Creasy Group (26.7%)
  - IGO (14.1%)
  - Bailey Group (5.6%)
  - Wilson Group (5.1%)
  - Remaining top 20 (11.7%)

### Board of Directors

Chairman  
Michael Atkins

Managing Director  
Mark Wilson

Executive Director  
Oliver Kiddie

Company Secretary  
Tony Walsh

## INVESTMENT CASE - FUNDAMENTALS

- ✓ Right People
  - Experienced corporate and technical team
  - JV Partners and major shareholders
    - Creasy Group (regional experience)
    - IGO (regional experience)
- ✓ Biggest block on best street (3,088km<sup>2</sup>)
- ✓ Nickel – Future Facing Commodity
- ✓ Strong cash position - \$28.8M @ 30/6/2020
- ✓ Systematic exploration approach ongoing
- ✓ Mawson Discovery – December 2019
  - RKDD023 – September 2020
- ✓ Expenditure budget ~\$11M for 2020

**Legend five year graph**  
**Exploration Success : The Value Driver**

**“Exploration success / regional recognition – price appreciation”**

# ROCKFORD PROJECT LOCATION

- Located in northern Fraser Range district
- 120km NE of Nova / 100km S of Tropicana
- 100% within Fraser Zone (19% of total area)
- Project potential for
  - Nova style Nickel-Copper
  - VMS style Copper-Zinc-Silver
  - Tropicana style Gold
- Infrastructure access – transport, power

“Project potential for Nova style Nickel-Copper”

# FRASER ZONE LAND HOLDERS

## FRASER ZONE - MAIN PLAYERS

## MAIN PLAYERS

- **Legend**  
*Active & Funded*
- **Creasy Group**  
*Active & Private*
- **IGO**  
*Active & ~\$2.6B Mkt Cap*
- **Galileo Mining**  
*2018 IPO – Creasy backed*

- ✓ Regional spend producing results – value add
- ✓ Leverage play is Legend

# ROCKFORD PROSPECT LOCATIONS

Rockford Prospect Locations

## Regional Programmes

- Regional aircore programmes targeting co-incident mag lows/gravity highs/MLTEM conductors
- Follow up RC/diamond drilling
- \$4M planned expenditure 2020

“Current Rockford Prospects”

**Greater Mawson Prospect EM Plates**

## Greater Mawson

- 16kmx6km – interpreted as clusters of intrusives
- Untested geochem targets
- Holes RKDD007, 008, 011, 013, 017, 021 & 023 have massively increased prospectivity
- Aircore & gravity to assist in prioritising for RC/diamond drill testing
- RC program commenced June 2020 proving to be an excellent platform for DHEM
- \$7M planned expenditure 2020

# MAWSON DIAMOND, RC AND AIRCORE DRILLHOLE LOCATIONS

Mawson Drilling on Gravity Image

## Aircore Drilling

- Western and eastern geochemical footprint

## Diamond Drilling

- Massive sulphides in holes 7, 8, 11, 13, 17 & 23
- Fourth publicly disclosed massive sulphides in Fraser Zone (Thompson Belt analogy)

## RC Drilling

- Great tool for geology and DHEM

**Net-Textured Ni-Cu Sulphide mineralisation  
from RKDD021 from 140.5m, NQ2**

## RKDD021

- Circa 200m from known mineralisation
- Mineralisation in intrusive rocks (closer to source??) 9m & 15m intercepts
- Net-texture intercept is material in global context – think Voiseys Bay and Nova
- Conductance readings of core do not reconcile with off hole readings – possibly not in sweet spot

**Massive Ni-Cu Sulphide from  
RKDD023 from 233m, NQ2**

## RKDD023

- 12.95m massive sulphide intercepts
- +90m mineralised intercept
- 200m from previous massive intercepts
- DHTM followed by next diamond drillhole

**Aircore drilling at Rockford Project**

### Mawson

- Ongoing aircore, RC & diamond drilling
- Down hole EM surveys to identify targets for follow up holes

### Regional

- Innovative Moving Loop EM surveys
- Aircore drilling for depth of cover and geochemistry
- Follow up RC/diamond drilling

## SUMMARY

ASX:LEG

- **Highly Prospective Rockford Project**
  - Mawson discovery Dec 2019 – quantum step forward
- **Systematic/persistent/committed = going the distance!**
- **Well Funded**
- **Experienced Stable Team and JV Partners**
- **Grow Shareholder Value**

**“Highly leveraged to success”**
