## **LYNAS RARE EARTHS SUCCESSFULLY COMPLETES A\$750 MILLION INSTITUTIONAL PLACEMENT**

Lynas Rare Earths Limited (ASX: LYC) ("**Lynas**" or the "**Company**") is pleased to announce the successful completion of its fully underwritten institutional A\$750 million placement (the "**Placement**") of approximately 56.6 million new fully paid ordinary shares, equivalent to approximately 6.1% of Lynas' existing shares on issue.

The Placement attracted significant demand and support from both existing shareholders and new investors. Priced at A\$13.25 per new share, this represented a 10.0% discount to the last traded price of A\$14.73 on 27 August 2025 and a 8.6% discount to the volume weighted average price of A\$14.50 for the 10 trading days up to and including 27 August 2025.

The proceeds from the Placement and the share purchase plan announced on 28 August 2025 will be used to help accelerate Lynas' growth via its *Towards 2030* strategy which has two key elements:

1. **Harvest** – Optimise performance from the Lynas 2025 capital investments to deliver returns for shareholders, including ramping up assets in line with customer demand and market growth; and
2. **Grow** – Grow the business by: a. Adding Resource and Scale; b. Increasing Downstream Capacity; and c. Expanding into the outside China metal and magnet supply chain

Lynas Rare Earths CEO and Managing Director, Amanda Lacaze, said:

*"We are very pleased with the success of the Placement and the support we have received from existing shareholders and new high quality institutional investors. The A\$750 million Placement will be used to help accelerate Lynas' growth via its Towards 2030 strategy. This will help us to optimise our performance from the Lynas 2025 capital investments and provide Lynas with the balance sheet strength to capitalise on strategic opportunities in the rapidly evolving rare earths market and consolidate our market leading position."*

Further details on Lynas' *Towards 2030* strategy are outlined in the *FY25 Results & Towards 2030 Strategy* investor presentation released to the ASX on 28 August 2025.

Lynas' shares are expected to resume trading on the ASX prior to market open today.

New shares issued under the Placement will rank equally with existing Lynas shares and are expected to settle on Tuesday, 2 September 2025 and be issued, and commence trading on the ASX on the following business day Wednesday, 3 September 2025.

Barrenjoey Markets Pty Limited and Macquarie Capital (Australia) Limited acted as joint lead managers, underwriters and bookrunners to the Placement.

### **Overview of the Share Purchase Plan**

As noted above, Lynas is also offering eligible shareholders<sup>1</sup> the opportunity to subscribe for new shares via a non-underwritten Share Purchase Plan ("**SPP**"), targeting to raise up to A\$75 million.

Eligible shareholders with a registered address in Australia or New Zealand will be invited to subscribe for up to A\$30,000 of new shares per shareholder, free of transaction and brokerage costs. New shares issued under the SPP will be issued at A\$13.25 per share (consistent with the Placement price) and will rank equally with existing Lynas shares on issue from the date of issue.

The SPP period is expected to open on 5 September 2025 and close on 19 September 2025.

Lynas may decide to accept applications (in whole or in part) that result in the SPP raising more or less than A\$75 million at its absolute discretion and reserves the right (at its absolute discretion) to scale back applications under the SPP.

Further information in relation to the SPP will be made available on or around 5 September 2025.
