For immediate release to the market

Appointed as Preferred Contractor – Davyhurst Expansion Project

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that it has been appointed preferred contractor by Ora Banda Mining Limited (ASX: OBM) (Ora Banda) in relation to the engineering, procurement and construction (EPC) works for a 3.0 Mtpa Process Plant as part of the Davyhurst Expansion Project (the Project).

This gold project is located 120km north-west of Kalgoorlie, Western Australia. The scope of work comprises the design, procurement, construction, installation and commissioning for the Project.

The estimated contract value is \$233 million. An early works agreement has been executed and ordering of long lead items and engineering works have previously commenced. The EPC contract is expected to be executed shortly.

Commenting on the appointment as preferred contractor, Mr Tony Patrizi, Managing Director said:

“GR Engineering is pleased to have been selected by Ora Banda as the preferred contractor for the delivery of the Davyhurst Expansion Project. We see this award as a strong endorsement of GR Engineering’s proven process design record and EPC delivery capability in the gold sector in Western Australia. We look forward to working with the Ora Banda team again on the successful and safe delivery of this important project.”

Ends.
