## 1. Purpose

The Corporations Act prohibits trading in a company's securities by any person who is in possession of price sensitive information in relation to a company if that information is not generally available. The Corporations Act imposes substantial penalties on people who breach those provisions.

The purpose of this Policy is to:

- (a) assist directors, employees and contractors of the Company Group to comply with the insider trading provisions of the Corporations Act; and
- (b) establish a procedure for trading in OBM Shares by those regulated by this Policy.

## 2. Definitions and interpretation

### 2.1. Definitions

For the purposes of this Policy:

**Authorising Officer** has the meaning set out in section 5.1.

**Blackout Period** has the meaning given in section 3.3 of this Policy.

**Board** means the board of directors of the Company from time to time.

**Company** or **OBM** means Ora Banda Mining Ltd (ABN 69 100 038 266).

**Company Group** means the Company and each of its Related Bodies Corporate.

**Company Incentive Plan** means an employee share scheme, director salary-sacrifice scheme or other equity-based incentive scheme established solely or primarily for the benefit of the employees or directors of the Company.

**Company Secretary** means the secretary (or a joint secretary) of the Company from time to time.

**Connected Person** means, in relation to an OBM Person:

- (a) a spouse (including a de facto spouse);
- (b) a child under 18 years of age (including a step-child or adopted child); or
- (c) any other person in relation to which that OBM Person has control or influence over trading or investment decisions; and
- (d) a company or trust controlled by that OBM person or any of the persons referred to in subparagraphs (a) to (c) (inclusive) above.

**Corporations Act** means the *Corporations Act 2001* (Cth).

**Dealing** means applying for, acquiring or disposing of securities, or entering into an agreement to apply for, acquire or dispose of securities, but does not include a transaction allowed by this Policy under section 4, and **Deal** has a corresponding meaning.

**Incentive Plan Securities** means any:

- (a) performance rights;
  - (b) retention rights;
  - (c) options; or
  - (d) other securities which are convertible into (or give a right to acquire) OBM ordinary shares,
- issued to an OBM Person or their Connected Persons under a Company Incentive Plan. For the avoidance of doubt, OBM ordinary shares issued under a Company Incentive Plan are not Incentive Plan Securities.

**Inside Information** has the meaning given in section 2.2 of this Policy.

**Key Management Personnel** has the meaning given in the Corporations Act.

**OBM Person** means each director, employee and contractor of the Company Group.

**OBM Shares** means OBM ordinary shares and any other securities issued by OBM other than Incentive Plan Securities.

**Related Body Corporate** has the meaning set out in the Corporations Act.

**Restricted Person** means each member of Key Management Personnel and any other person designated as a Restricted Person by the Managing Director in writing from time to time.

**securities** means shares, options, debentures (including convertible notes) and other securities of a company.

## 2.2. Meaning of Inside Information

An OBM Person is responsible for assessing whether they possess “**Inside Information**”. This occurs where:

- (a) they possess information that is not generally available to the public and, if the information were generally available, a reasonable person would expect it to have a material effect on the price or value of OBM securities (or a decision whether or not to trade in them); and
- (b) they know, or ought reasonably to know, that the information is not generally available and, if it were generally available, a reasonable person would expect it to have a material effect on the price or value of OBM securities.

A reasonable person would be taken to expect information to have a material effect on the price or value of securities if the information would, or would be likely to, influence a person who commonly invests in securities to either deal or not deal in securities. Inside Information in relation to the securities of outside companies has the same meaning for the purposes of this Policy, except that references to “OBM securities” should be read as references to the securities of the outside company.

## 3. Restrictions on Dealing

### 3.1. Insider trading

An OBM Person must not, and must ensure that their Connected Persons do not, while the OBM Person is in possession of:

- (a) Inside Information concerning OBM:
  - (i) Deal in any OBM Shares;
  - (ii) procure another person to Deal in OBM Shares in any way; or
  - (iii) pass on any Inside Information to another person for that person’s personal gain by Dealing in OBM Shares; or

- (b) Inside Information concerning another company acquired through their position or dealings with OBM, Deal in the securities of that other company.

### 3.2. Dealings by Restricted Persons generally

Unless a Dealing is exempt under section 4 of this Policy, Restricted Persons must not, and must procure that their Connected Persons do not, Deal in OBM Shares without having first obtained approval in accordance with section 5.1.

### 3.3. Dealings by Restricted Persons during Blackout Periods

Subject to section 4, Restricted Persons must not, and must procure that their Connected Persons do not, Deal in OBM Shares during the following periods (each a **Blackout Period**):

- (a) from the close of the ASX trading day on 31 December each year, until 10:00am AEDT on the ASX trading day following the day on which the Company's half yearly results are released to the ASX;
- (b) from the close of the ASX trading day on 30 June each year, until 10:00am AEDT on the ASX trading day following the day on which the Company's full year results are released to the ASX;
- (c) from the close of the ASX trading day on 31 March and 30 September each year, until 10:00am AEDT on the ASX trading day following the day on which the Company's quarterly activities report for the relevant quarter is released to ASX; and
- (d) any other period that the Board or Managing Director specifies from time to time.

If 31 March, 30 June, 30 September or 31 December are not ASX trading days, then the corresponding Blackout Period begins on the preceding ASX trading day.

### 3.4. No speculative trading

OBM Persons must not, and must procure that their Connected Persons do not, engage in short-term or speculative trading in OBM Shares or Incentive Plan Securities. This prohibition includes short term direct Dealing in OBM Shares as well as transactions in the derivative markets, involving exchange traded options, share warrants, contracts for difference, and other similar instruments, which are short term or speculative.

- (b) otherwise – without approval under section 5.1.

For the avoidance of doubt and without limiting the generality of this Policy, entering into protection arrangements includes entering into transactions which:

- (c) amount to "short selling" of securities beyond the OBM Person's (or any of their Connected Persons') holding of securities;
- (d) operate to limit the economic risk of any OBM Person's (or any of their Connected Persons') security holding (e.g. hedging arrangements) including where the OBM Shares or Incentive Plan Securities are held beneficially (for example, in trust or under any Company Incentive Plan) on their (or any of their Connected Persons') behalf; or
- (e) otherwise enable an OBM Person (or any of their Connected Persons) to profit from a decrease in the market price of OBM Shares.

### 3.6. No granting of security or entering into margin lending arrangements

- (a) OBM Persons may not, and must procure that their Connected Persons do not, at any time, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any OBM Shares or Incentive Plan Securities which are unvested or subject to a holding lock, to secure any obligation of that person or any third party or enter into any margin lending arrangement involving OBM Shares or Incentive Plan Securities.
- (b) Unless sub-section (a) applies and subject to the rules of any applicable Company Incentive Plan, OBM Persons and their Connected Persons may, if they obtain approval under section 5.1, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any OBM Shares or Incentive Plan Securities, to secure any obligation of that person or any third party or enter into any margin lending arrangement involving OBM Shares or Incentive Plan Securities.

- (i) Trading under an offer or invitation made to all or most of the Company's security holders, such as a rights issue, a security purchase plan, a dividend or distribution reinvestment plan or an equal access buy-back, where the plan that determines the timing and structure of the offer has been approved by the Board. This includes deciding whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro rata issue.

### 4.3. Exceptional Circumstances

In exceptional circumstances an Authorising Officer has discretion to approve under section 5.1:

- (a) Dealings in OBM Shares during a Blackout Period; or
- (b) other Dealings,

that would otherwise be prohibited by this Policy but are not prohibited by law.

What constitutes "exceptional circumstances" will be assessed on a case-by-case basis within the absolute discretion of the Authorising Officer, and may include, without limitation, severe financial hardship or a requirement to comply with a court order or court enforceable undertaking.

## 5. Notification and approval of Dealings

### 5.1. Notification and approval of restricted Dealings
