

ASX ANNOUNCEMENT

27 February 2026

PERTH, Australia, 27 February 2026: Peppermint Innovation Ltd (ASX: PIL) (“Peppermint” or “the Company”) advises that it will not be in a position to lodge its Half-Year Financial Report for the period ended 31/12/2025 by the required deadline under the ASX Listing Rules.

The delay in lodging the Company’s Half-Year Financial Report is primarily due to the timing of completion of the audit process. The Company and its auditors are continuing to work collaboratively to finalise the outstanding matters as soon as practicable.

The Company notes that its securities remain suspended from quotation. However, the trading suspension does not affect the Company’s ongoing continuous disclosure obligations under ASX Listing Rule 3.1. This announcement is made to ensure that the market remains properly informed.

The Company expects to lodge its Half-Year Financial Report in the coming days and will continue progressing toward satisfying ASX requirements for reinstatement of its securities to quotation. The auditors are working to complete the remaining procedures as promptly as possible.

The Company remains committed to complying with its continuous disclosure obligations and will keep the market informed of any material developments.
