Wholesale Investor Showcase – Singapore , June 2016

Mobile Banking & Payments and Remittance

Disclaimer

This presentation prepared by Peppermint Innovation Limited (Company) does not contain all the information that a prospective investor may require in connection with any potential investment in the Company and you should not read the presentation or any information in connection with it, as financial advice, financial product advice or advice relating to investment, taxation or legal matters. Nothing in this material should be construed as an offer to sell or a solicitation of an offer to buy securities. It does not include all available information and should not be used in isolation as a basis to invest in the Company.

All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that Peppermint Innovation anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. In some cases, forward-looking information is identified by the use of terms and phrases such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “predict”, “project”, “will”, “would”, and similar terms and phrases, including references to assumptions. Such information may involve, but is not limited to, comments with respect to expectations, planned operations or future actions. These forward-looking statements are based on currently available information as of the date of this presentation but are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those expressed or implied by such forward-looking information. The forward-looking information contained in this presentation is expressly qualified by this cautionary statement and no representation or warranty express or implied, is made by the Company, or any of its directors, officers, employees, advisers or agents that any intentions, expectations or plans will be achieved.

A number of risks, uncertainties and other factors could cause actual results to differ materially from the results discussed in the forward-looking information, including, but not limited to, the following: risks associated with reliance on key personnel; financial health of Peppermint Innovation and its related cash flows; general industry and market conditions and growth rates; legislative and regulatory developments; general economic conditions and levels of economic activity; global financial conditions; financing risks; degree of competition in the industry; risks associated with the development of projects; changes in employee relations; and control of costs and expenses.

Forward-looking information reflects Peppermint Innovation’s current beliefs and is based on information currently available to Peppermint Innovation and on assumptions it believes to be reasonable. The forward-looking information is made as of the date of this presentation and Peppermint Innovation assumes no obligation to update or revise such information to reflect new events or circumstances, except as may be required by applicable law. Prospective investors should not read forward-looking information as guarantees of future performance or results and should not place undue reliance on forward-looking information. Nothing in this presentation is, or should be relied upon as, a promise or representation as to the future.

Vision Statement

Our aim is to provide mobile payments, money services and remittances to anyone, anywhere in the world, especially those not currently linked to traditional banks.

Allows agents to launch their own mobile-based micro business and offer mobile financial services, simply from a smart phone,

An accessible alternative to the traditional bricks and mortar interfaces.

My Weps Functionalities & Features

Transfer

Send funds to another MyWeps wallet.

Remittance

Send money domestically or internationally.

E-Load

Purchase airtime credits.

Other features:

For businesses who offer international and domestic money transfers services.

Anti money laundering & KYC compliant.

Empowers mobile remittance agents.

My Profile

Enables the user to check his balance and account details.

Bill Payment

Enables the user to pay billers via mobile phone.

History

Enables the user to view his/her recent transactions

Immediate Focus Philippines

Better Than Cash Alliance estimates:

Filipinos
make around
2.5 billion
payments per
month.

Roughly
64 monthly
payments per
adult.

Corresponding
to a **monthly**
value of over
\$74 billion
(USD)

Only 1% of these payments are electronic, cash and cheques accounting for the remainder.

The increase in smartphone penetration in the Philippines from 40% in 2015 to 70% in 2018 will drive an increase in mobile payments and position Peppermint in a growth market
