Entitlement to Vote

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of shares in the Company as at 7:00 pm AEDT on Monday, 14 October 2024 will be entitled to attend and vote at the Meeting as a shareholder. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

If more than one joint holder of shares is present at the Meeting (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

Voting will be conducted by way of a poll, whereby shareholders have one vote for every fully paid ordinary share held (subject to the restrictions on voting referred to below).

Voting Exclusions

Item 2 (Adoption of Remuneration Report): The Company will disregard any votes cast on Item 2:

- by or on behalf of a member of the Company's key management personnel (KMP) named in the Company's remuneration report for the year ended 30 June 2024 or their closely related parties, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the AGM or their closely related parties,
- unless the vote is cast as proxy for a person entitled to vote on Item 2:
- in accordance with a direction as to how to vote on the proxy form; or
- by the Chairman of the meeting pursuant to an express authorization to exercise the proxy even though Item 2 is connected with the remuneration of the Company's KMP.

Items 4.1, 4.2 and 4.3 (Grant of Performance Rights to the Executive Directors): The Company will disregard any votes cast on Items 4.1, 4.2 and 4.3:

- in favour of the Items by, or on behalf of, Mr Raimond Coneliano, Mr Renato Coneliano, and Mr Richard Coneliano, and any of their associates, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the meeting or their closely related parties,

unless the vote is cast on Items 4.1, 4.2 or 4.3:

- as proxy or attorney for a person entitled to vote on the resolution in accordance with a direction given to the proxy or attorney to vote on the resolution in that way; or
- as proxy for a person entitled to vote on the resolution by the Chairman of the meeting pursuant to an express authorisation to exercise the proxy as the Chairman of the meeting decides, even though the resolution is connected with the remuneration of a member of the Company's KMP; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting and is not an associate of a person excluded from voting on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder, to vote in that way.

Proxies

A shareholder entitled to attend, and vote has a right to appoint a proxy to attend and vote instead of the shareholder. A proxy need not be a shareholder and can be either an individual or a body corporate. A shareholder can appoint a proxy by completing and returning a proxy form (see notes below relating to voting, and the proxy form). A shareholder that is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes.

If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If you do not direct your proxy how to vote on a particular item of business, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions.

Members of the Company's KMP (which includes each of the Directors) and their closely related parties (which includes spouses and dependents) will not be able to vote as proxy on Items 2, 4.1, 4.2 and 4.3 unless you direct them how to vote or the Chairman of the Meeting is your proxy. If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, you should ensure that you direct that person how to vote on Items 2, 4.1, 4.2 and 4.3.

On a poll if a shareholder has appointed a proxy (other than the Chairman of the Meeting), and the appointment of the proxy specifies the way the proxy is to vote on the resolution and that shareholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution, the Chairman of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the shareholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that shareholder.

Where the Chairman of the Meeting is appointed, or is taken to be appointed, as your proxy and you have not specified the way in which the Chairman should vote on Items 2, 4.1, 4.2 and 4.3, then by completing and submitting the proxy form, you are expressly authorizing the Chairman of the Meeting to exercise the proxy as he decides notwithstanding that these Items are connected with the remuneration of the Company's KMP

The Chairman of the Meeting intends to vote all available proxies in favour of each resolution.

Proxy Form

If you wish to appoint a proxy to act on your behalf, please complete the proxy form. To be effective the proxy form must be received no later than 10.00am (AEDT) on Monday, 14 October 2024 at:

Online	<u>www.investorvote.com.au</u> using your secure access information.
Mail:	Computershare Investor Services Pty Limited GPO Box 242, Melbourne VIC 3001, Australia
Phone:	1800 783 447 (in Australia) or +61 3 9473 2555 (outside Australia)

Corporate Representatives

A body corporate that is a shareholder, or which has been appointed as a proxy, may appoint an individual to act as its representative at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should provide evidence of his or her appointment, including any authority under which it has been signed, prior to the commencement of the Meeting unless it has previously been given to the Company.

Voting by Attorney

A shareholder entitled to attend and vote may appoint an attorney to act on his or her behalf at the Meeting. An attorney may but need not be a member of the Company.

An attorney may not vote at the Meeting unless the instrument appointing the attorney, and the authority under which the instrument is signed or a certified copy of the authority, are received by the Company in the same manner, and by the same time, as outlined above for proxy forms.

Questions for the Company

On the day of the Meeting, shareholders will have a reasonable opportunity to comment and ask questions in person, and via the online platform at <https://meetnow.global/MS69CRX>. More detailed information on how to ask questions during the Meeting via the online platform is provided in the Online Meeting Guide available at: www.computershare.com.au/virtualmeetingguide.

Shareholders may also submit written questions to the Company prior to the Meeting by 5.00pm (AEDT), Wednesday 9 October 2024. Please send any written questions to: erika.jasarevic@resox.com. The Chairman of the Meeting will endeavor to address the key questions raised during the Meeting. However, there may not be sufficient time available at the Meeting to address all questions raised. Please note that individual responses will not be sent to shareholders.

Technical Difficulties

Technical difficulties may arise during the Meeting. The Chairman of the Meeting has discretion as to whether and how the Meeting should proceed if a technical difficulty arises. In exercising their discretion, the Chairman of the Meeting will have regard to the number of shareholders impacted and the extent to which participation in the business of the meeting is affected. Where they consider it appropriate, the Chairman of the Meeting may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge a directed proxy by 10.00am (AEDT) on Monday, 14 October 2024, even if they plan to attend the Meeting online or in person.

Shareholders should monitor the Company's website and ASX announcements where updates will be provided if it becomes necessary or appropriate to make alternative arrangements for the holding or conducting of the Meeting.

Explanatory Memorandum

This Explanatory Memorandum has been prepared to help shareholders understand the Items of Business at the forthcoming AGM.

Item 1: Annual Financial Report, Directors' Report, and Auditor's Report

The Corporations Act requires:

- the reports of the Directors and Auditor; and
- the annual Financial Report, including the Financial Statements of the Company for the year ended 30 June 2024,

to be laid before the Meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of shareholders on the reports or statements. However, shareholders will be given an opportunity to raise questions or comments on the management of the Company.

Also, a reasonable opportunity will be given to shareholders at the Meeting to ask the Company's Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the Auditor in relation to the conduct of the audit.

Item 2: Adoption of Remuneration Report

The Remuneration Report on pages 29 - 40 of the Company's Annual Report sets out the remuneration policies of the Company and reports on the remuneration arrangements in place for the Company's KMP during the year ended 30 June 2024 (FY24 Remuneration Report). Shareholders will have a reasonable opportunity at the Meeting to ask questions about or make comments on the Remuneration Report.

As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote and discussion at the Meeting into account in setting the remuneration policy for future years.

A voting exclusion statement applies to the resolution of Item 2, which is set out in the notes relating to voting.

Recommendation: The Board recommends that shareholders vote in favour of the adoption of the Remuneration Report.

Item 3: Re-election of Ian Campbell

The ASX Listing Rules require Redox to hold an election of directors at each AGM. In accordance with rule 8.1 of the Company's Constitution, Mr Ian Campbell will retire from office at the conclusion of the Meeting and, being eligible offers himself for re-election at the Meeting.

Ian has significant expertise across the corporate sector with 30 years' experience as a Partner of Ernst & Young and predecessor firms.

Ian currently serves as Non-Executive Director on the board of Kip McGrath Education Centers Limited, an ASX-listed education provider, and as Non-Executive Director of CVC Limited, an ASX-listed investment company. He is also the Chairman of the Finance Committee of The Bridge Church Sydney.

Ian has served as an Independent Director and Chairman of the Audit Committee on the boards of Gloria Jeans Coffees International Pty Limited and Green's Foods Holdings Pty Limited. He was also a Partner in the board search practice at Talent Partners.

Ian is a Fellow of Chartered Accountants Australia and New Zealand, a Member of the Australian Institute of Directors and has been an Independent Non-Executive Director of Redox since 2009.

Recommendation: The Board (with Ian Campbell abstaining) recommends that shareholders vote in favour of the re-election of Ian Campbell.

Items 4.1, 4.2 and 4.3: Grant of Performance Rights to Executive Directors

ASX Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of securities to a Director under an employee incentive scheme. The Company is seeking Shareholder approval for the proposed grant of performance rights under the Performance Rights Plan (Plan) to the following Executive Directors (together, the Executive Directors):

- Raimond Coneliano, CEO and Managing Director;
- Renato Coneliano, Marketing Director (Executive Director); and
- Richard Coneliano, Chief Operating Officer (Alternate Director).

The Company issues performance rights under its long-term incentive plan (LTIP) to incentivise executives to manage the business in a way that drives sustainable long-term growth and shareholder value. Performance rights will only vest if the specific, long term performance hurdle attached to the performance rights is met. The Company uses performance rights because they create share price alignment between executives and ordinary shareholders, but do not provide executives with the full benefits of share ownership (such as dividend and voting rights) unless and until the performance rights vest. Details of the performance hurdle and the other terms applicable to the performance rights are summarised in the table below.

If Shareholder approval is obtained, it is intended that the performance rights will be granted to the Executive Directors within 3 years of the AGM.

If Shareholder approval is not obtained, the Board will need to consider alternative remuneration arrangements to appropriately remunerate and incentivise the Executive Directors

Terms and conditions of performance rights granted under the Plan:

Executive Directors	Raimond Coneliano	Renato Coneliano	Richard Coneliano
Maximum long-term incentive (LTI) opportunity	\$800,000	\$300,000	\$300,000
Performance Period	1 July 2024 to 30 June 2027		
Initial Grant	400,000 performance rights	150,000 performance rights	150,000 performance rights
Formula for adjusting number of performance rights at end of Performance Period	<p>At the end of the Performance Period, the Company will calculate the volume weighted average price (VWAP) of the Company's shares traded on the ASX on the 5 trading days up to and including the date on which the performance hurdle is tested and divide each Executive Director's maximum LTI opportunity by this number, rounded up to the nearest whole number of Rights. The resulting figure is known as the 'Final Grant'.</p> <p>Each Executive Director's Initial Grant will be increased or decreased to equal the Final Grant, which may involve lapsing performance rights for no consideration or issuing additional performance rights. The adjusted number of performance rights are called 'Final Rights'.</p> <p>The Final Rights are then tested against the performance hurdle at the end of the Performance Period.</p> <p>Hypothetical examples</p> <p>The following examples have been included for illustrative purposes.</p> <p>Example 1: If the VWAP is \$3.50:</p> <ul style="list-style-type: none">• Raimond's Final Grant would be 228,572 performance rights (i.e. \$800,000 divided by \$3.50, rounded up to the nearest whole number of Rights).• 171,428 performance rights from Raimond's Initial Grant would lapse for no consideration (i.e. 400,000 performance rights minus 228,572 performance rights).		

Example 2: If the VWAP is \$1.50:

- Raimond's Final Grant would be 533,334 performance rights (i.e. \$800,000 divided by \$1.50, rounded up to the nearest whole number of Rights).
- Raimond would be granted an additional 133,334 performance rights prior to October 2027 (i.e. 533,334 performance rights minus 400,000 performance rights).
- Whilst the number of performance rights in the final grant has increased at a low VWAP, in this instance it is unlikely that the TSR performance hurdle would be met, and so all of the final performance rights granted would lapse.

Performance hurdles

The performance rights will be tested against the Company's total shareholder return (TSR) relative to a comparator group over the Performance Period. The comparator group is the S&P/ASX 300 Index as at 1 July 2024 (Comparator Group). The following table sets out the percentage of performance rights that vest based on the Company's TSR ranking over the Performance Period:

Company TSR ranking in the Comparator Group	Percentage of Final Rights that vest
At or below the 50th percentile	0%
Above the 50th percentile and below the 75th percentile	straight-line pro rata basis between 0% and 100%
At or above the 75th percentile	100%

Following the end of the Performance Period, the Board will assess the extent to which the performance hurdle has been satisfied, and the Board will determine the relevant number (if any) of the participant's Final Rights that will vest. Vesting is expected to occur on 1 July 2027. There is no retesting any performance rights that do not vest following testing will lapse unless the Board determines otherwise.

Calculation of the performance hurdle and achievement against it will be determined by the Board in its absolute discretion, having regard to any matters that it considers relevant (including any adjustments for unusual or non-recurring items that the Board considers appropriate). The Board also has absolute discretion to adjust the Comparator Group to take into account events including, but not limited to, acquisitions, mergers or other relevant corporate actions or delistings.

Amount payable for performance rights

Performance rights are granted at no cost, and no amount is payable by participants on vesting of the performance rights.

Eligibility

At the discretion of the Board, the Company's executive team are eligible to participate in the LTIP. Non-executive Directors are not eligible to participate in the LTIP.

Total remuneration package

Listing Rule 10.15.4 requires this Notice of Meeting to include details (including the amount) of the Executive Directors' current total remuneration:

• Total Fixed Remuneration (including superannuation) (TFR): \$800,000	• TFR: \$502,094	• TFR: \$403,302
• Short term incentive: 100% of fixed remuneration	• Short term incentive: 50% of the fixed remuneration	• Short term incentive: 50% of fixed remuneration
• Long term incentive: maximum of 100% of the fixed remuneration	• Long term incentive: 60% of the fixed remuneration	• Long term incentive: maximum of 75% of the fixed remuneration

Shareholders are referred to the Company's Remuneration Report for full details of Executive Director remuneration.

Vesting of performance rights

Each participant will receive one fully paid ordinary share in the Company for every vested performance right (subject to adjustments for capital actions in accordance with the Listing Rules and the Plan Rules). However, the Board, at its discretion, may determine to make an equivalent value cash payment to the participant in lieu of an allocation of shares.

Cessation of employment

Unless the Board determines otherwise, where:

- the participant's employment is terminated for cause or if they resign (or give notice of resignation) prior to vesting date, all of their unvested performance rights will lapse; or
- the participant ceases employment for any other reason prior to the vesting date, all of the participant's unvested performance rights will remain on foot and will be tested in the ordinary course as though the participant had not ceased employment.

Malus/Claw back

Under the Plan Rules, the Company has the discretion to lapse unvested performance rights, and claw back vested shares or cash, in certain circumstances (such as dishonesty, fraud or gross misconduct).

The Board has discretion to delay the vesting date, for example, to allow time for it to determine the appropriate outcome if there is an investigation underway by the Company or an external third party.

Voting and dividend rights

Performance rights do not carry any dividend or voting rights.

Shares allocated on vesting of performance rights carry the same dividend and voting rights as other shares issued by the Company.

Change of control

The Board has discretion to vest or lapse the performance rights if there is a change of control.

Securities previously granted under the LTIP to the Executive Directors

At the time of the Initial Public Offering (IPO) the following performance rights were issued to the Executive Directors for no cost:

- Mr Raimond Coneliano: 350,000 of performance rights (Initial Grant), with a total maximum opportunity of \$700,000.
- Mr Renato Coneliano: 150,000 of performance rights (Initial Grant), with a total maximum opportunity of \$300,000.
- Mr Richard Coneliano: 150,000 of performance rights (Initial Grant), with a total maximum opportunity of \$300,000.

The terms of any loan in relation to the acquisition

No loans will be made in relation to the acquisition of performance rights.

Details of any performance rights issued under the LTIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of performance rights under the LTIP after Items 4.1, 4.2 and 4.3 are approved and who were not named in this Notice of Meeting, will not participate until approval is obtained under the rule.

A voting exclusion statement applies to the resolution of Items 4.1, 4.2 and 4.3, which is set out in the notes relating to voting.

Recommendation: The Board (with the Executive Directors abstaining) recommends that shareholders vote in favour of the resolution.

If you appoint the Chair of the Meeting as your proxy, or the Chair of the Meeting becomes your proxy by default, and you do not mark a voting box for Items 2, 4.1, 4.2 or 4.3, then by submitting the Proxy Form you will be expressly authorising the Chair of the Meeting to vote in respect of the relevant Resolution even though it is connected with the remuneration of the Company's KMP.
