EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.talismanmining.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF A DIRECTOR - BRIAN DAWES

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Brian Dawes, who has held office without re-election since 22 November 2023 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Dawes is set out below.

Qualifications, experience and other material directorships	<p>Mr Dawes is a mining engineer with extensive international mining industry experience.</p> <p>Mr Dawes' diverse expertise covers all key industry aspects from exploration and discovery, through the feasibility, funding, approvals, project construction, commissioning, operations, optimisation, logistics, marketing, and closure phases. This includes site management and corporate responsibilities in a diversity of challenging and highly successful underground and open pit operations across many commodities and geographies. Prior to joining Talisman, Brian held senior positions with Jubilee Mines, Western Areas, LionOre Australia, WMC, Normandy Mining, and Aberfoyle.</p> <p>In the 3 years immediately before the end of the financial year, Mr Dawes served as a nonexecutive director of Kin Mining Ltd (ASX: KIN) from 20 February 2018 until his resignation on 24 November 2022.</p> <p>Mr Dawes serves on the Company's Audit, Nomination and Remuneration Committees. With extensive industry experience and being financially literate, Brian is considered qualified to hold these responsibilities.</p>
Term of office	<p>Mr Dawes has served as a Director since 16 June 2009 and was last re-elected on 22 November 2023.</p>
Independence	<p>If re-elected, the Board considers that Mr Dawes will be an independent Director.</p>
Board recommendation	<p>Having received an acknowledgement from Mr Dawes that they will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Mr Dawes since their appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Dawes) recommend that Shareholders vote in favour of this Resolution.</p>

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Dawes will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Mr Dawes will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$27,306,451. The Company is therefore an Eligible Entity.

4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	<p>The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:</p> <ul style="list-style-type: none">(a) the date that is 12 months after the date of this Meeting;(b) the time and date of the Company's next annual general meeting; and(c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	<p>Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:</p> <ul style="list-style-type: none">(a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or(b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	<p>The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new</p>

	resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business and general working capital.																																							
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.																																							
	If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.																																							
	The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 1 October 2025.																																							
	The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

<p>*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.</p>																																								
<p>The table above uses the following assumptions:</p>																																								
<p>1. There are currently 188,320,349 Shares on issue as at the date of this Notice.</p>																																								
<p>2. The issue price set out above is the closing market price of the Shares on the ASX on 1 October 2025 (being \$0.145) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.</p>																																								
<p>3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.</p>																																								
<p>4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.</p>																																								
<p>5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.</p>																																								

REQUIRED INFORMATION	DETAILS
	<p>6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.</p> <p>7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.</p> <p>8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.</p> <p>9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.</p> <p>Shareholders should note that there is a risk that:</p> <p>(a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and</p> <p>(b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.</p>
Allocation policy under 7.1A Mandate	<p>The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.</p> <p>The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:</p> <p>(a) the purpose of the issue;</p> <p>(b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;</p> <p>(c) the effect of the issue of the Equity Securities on the control of the Company;</p> <p>(d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;</p> <p>(e) prevailing market conditions; and</p> <p>(f) advice from corporate, financial and broking advisers (if applicable).</p>
Previous approval under Listing Rule 7.1A.2	<p>The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 22 November 2024 (Previous Approval).</p> <p>During the 12 month period preceding the date of the Meeting, being on and from 6 November 2024, the Company has not issued any Equity Securities pursuant to the Previous Approval.</p>
Voting exclusion statement	<p>A voting exclusion statement applies to this Resolution.</p>

Dear Shareholder,

Talisman Mining Limited (**Company**) advises that its 2025 Annual General Meeting (AGM) will be held on at 11:00am (WST) on Thursday, 6 November 2025 (**Meeting**) at The Celtic Club, 48 Ord Street, West Perth, WA 6005.

In accordance with new provisions under the Corporations Act, the Company will not be sending hard copies of the Notice of Meeting to shareholders unless a shareholder has previously requested a hard copy. The Notice of Meeting can be viewed and downloaded from the link set out below. The Company **strongly encourages shareholders to lodge a directed proxy form prior to the meeting and register their attendance prior to the Meeting if they intend to attend.** Questions should also be submitted in advance of the Meeting as this will provide management with the best opportunity to prepare for the meeting, for example by preparing answers in advance to Shareholders questions. However, votes and questions may also be submitted during the Meeting.

The Notice of Meeting and Explanatory Statement can be accessed via the following link: <https://www.talismanmining.com.au/investor-centre/asx-announcements/>. Alternatively, a complete copy of the Meeting documents has been posted on the Company's ASX market announcements page.

In order to receive electronic communications from the Company in the future, please update your Shareholder details online at <https://au.investorcentre.mpms.mufg.com> and log in with your unique shareholder identification number and postcode (or country for overseas residents), where you can find on your enclosed personalised proxy form. Once logged in you can also lodge your proxy vote online by clicking on the "Voting" tab. You will be taken to have signed your Proxy Form if you lodge it in accordance with the instructions given on the website.

If you are unable to access any of the Meeting documents online, please contact the Company Secretary, Alex Neuling, on +61 (08) 9380 4230 or via email at info@talismanmining.com.au.

The Company will notify Shareholders via the Company's website at www.talismanmining.com.au and the Company's ASX Announcement Platform at asx.com.au (ASX:TLM) if changing circumstances impact the planning or arrangements for the Meeting.

Yours Sincerely
