- (c) If the Other Shareholder Group does not provide a Tag-Along Notice within 10 Business Days after receipt of the Proposed Transfer Notice, the Other Shareholder Group will be deemed to have declined to offer to sell the Tag-Along Securities to the Third Party Buyer and:

not be Transferred to the Third Party Buyer unless the process set out in this clause 12.1 is re-commenced and the transfer takes place pursuant to that new process.

- (d) If the Other Shareholder Group gives a Tag-Along Notice pursuant to clause 12.1(b) then:
 - (i) the transactions with the Third Party Buyer shall be deemed to have been agreed on the terms set out in the Transfer Notice and Tag-Along Notice and clause 12.1(e);

- (e) In addition to the terms specified in the above sub-paragraphs, the Tag-Along Securities and any Tag-Along Loans being Transferred must be sold with good title and free from all Security Interests, but otherwise without any representation on the part of the Other Shareholder Group (or any of its Associated Bodies Corporate) or their Holding Companies.

12.2 Ineffective Transfer

The Company must not register any Transfer of Securities made in breach of this clause 12. Any purported Transfer so made will be of no effect.

12.3 Other conditions

The parties may agree other conditions which must be satisfied before a Disposal of Securities can occur under this clause 12 and clause 12.2 shall apply to those conditions accordingly.

13 Access to information

- (a) The Company must provide, on an ongoing basis, to each Shareholder Group information on the financial and operating performance on the Company Group, including but not limited to:
 - (i) unaudited entity level accounts for each Financial Year, no later than two months after the end of each Financial Year, provided that, if required by law, audited entity level accounts for each Financial Year shall be provided no later than six months after the end of each Financial Year;
 - (ii) monthly management accounts for the Company Group on a consolidated basis in the format reasonably requested by the Shareholder Group under IFRS and a reconciliation prepared in accordance with the Australian Generally Accepted Accounting Standards, not later than 5 Business Days after the end of each calendar month;
 - (iii) copies of all reports provided by the Company Group to its lenders;
 - (iv) any other information which a Shareholder Group may reasonably request, including:
 - (A) details of any threatened or pending dispute in relation to the Company Group; or
 - (B) in connection with the preparation and/or filing of such Shareholder Group's tax returns or accounts (or that of its Associated Bodies Corporate); or
 - (C) in connection with compliance by the Shareholder or any of its Associated Bodies Corporate with any Law to which it is subject (including the rules of any stock exchange on which the Shareholder or any of its Associated Bodies Corporate is listed or its securities are quoted),

provided that any information provided to one Shareholder Group pursuant to this clause 13(a) is also provided at or about the same time to the other Shareholder Group.
- (b) The Company must procure that the Auditors inform the Directors and Shareholders of any non-compliance with IFRS in the financial accounts of any Company Group member.
- (c) The Company will supply each Shareholder Group and each Director with all information and documents reasonably necessary or desirable to enable them to give proper consideration over a reasonable period to any proposed transaction or matter on which their approval or consent is sought or required under the terms of this Agreement, provided that any information and documents provided are provided to the other Shareholder Groups or Directors (as applicable) at or about the same time.
- (d) The Company will keep each Shareholder Group informed about all material developments affecting the business of the Company Group.
- (e) The Company must allow each Shareholder Group reasonable access to the premises (if any), books and records (including accounting records) of the Company Group and its management from time to time upon reasonable notice.
- (f) The parties acknowledge that a Director may disclose to the Shareholder Group (and their Associated Bodies Corporate) that appointed that Director any information or documents the Director receives from the Company Group.

14 Default by a Party

14.1 Event of Material Default

An **Event of Material Default** will arise in respect of a Shareholder where that Shareholder or its Shareholder Group (the **Defaulting Shareholder**):

- (a) commits a Funding Default; or
- (b) is the subject of an Insolvency Event.

14.2 Consequences of default

- (a) If an Event of Material Default occurs and the Defaulting Shareholder fails to remedy that breach within 30 Business Days after receiving written notice of the breach from the non-defaulting Shareholder (the **Non-Defaulting Shareholder**) (the **Remedy Period**), the Non-Defaulting Shareholder has the right, at any time following expiration of the Remedy Period that the breach remains unremedied to give notice in writing to the Defaulting Shareholder (copied to the Company) (**Transfer Notice**). If a valid Transfer Notice is given, this shall require the Defaulting Shareholder to Transfer to the Non-Defaulting Shareholder or its nominee (which must be a Vodafone Group Member or Hutchison Group Member, as applicable) all of the Securities held by the Defaulting Shareholder (the **Sale Securities**) together with any debt owed by the Company Group to the Defaulting Shareholder (or its Associated Bodies Corporate) (the **Outstanding Debt**) at a price in cash in Australian dollars which equals 0.9 x Fair Market Value of the Sale Securities at the date of the Transfer Notice plus 0.9 x the Fair Market Value for the amount of the Outstanding Debt at the date of the Transfer Notice, taking into account the expected time of transfer of the Outstanding Debt.
- (b) The Shareholders agree that the discount to Fair Market Value to be applied in clause 14.2 is necessary and proportionate to protect the parties' interests against an Event of Material Default and is a genuine and good faith pre-estimate of loss and expenses incurred by the Non-Defaulting Shareholder should an Event of Material Default occur. Notwithstanding this, if for any reason such a discount is found to be void or invalid under Law, the price of the transfer under clause 14.2(a) shall instead be the Fair Market Value.
- (c) The parties shall use reasonable endeavours to complete the sale and purchase of the Sale Securities and the Outstanding Debt as soon as reasonably practicable after service of a Transfer Notice, including using reasonable endeavours to complete the process to determine the Fair Market Value of the Sale Securities and the Outstanding Debt and to obtain any required Authorisations or shareholder approvals as soon as reasonably practicable.
- (d) Completion of the sale and purchase of the Sale Securities must take place:
 - (i) by the date which is 15 Business Days after the determination of the Fair Market Value of the Sale Securities and Outstanding Debt is determined, if no Authorisations or shareholder approvals are required; or
 - (ii) if any Authorisations or shareholder approvals are required, by the date which is 15 Business Days after the last of the Authorisations and shareholder approvals have been received.
- (e) Upon the delivery of a Transfer Notice under clause 14.2(a) and until the earlier of (i) completion of the sale and purchase of the Sale Securities pursuant to that Transfer Notice and (ii) notification from the Non-Defaulting Shareholder to the Defaulting Shareholder that

Shareholders' Agreement in relation to Vodafone Hutchison (Australia)
Holdings Limited

the Non-Defaulting Shareholder no longer intends to enforce the Transfer Notice, the following rights of the Defaulting Shareholder will be suspended in the following manner:

- (i) in respect of the Company and Securities – the Defaulting Shareholder irrevocably agrees not to exercise any voting rights and waives any rights to attend a shareholder meeting or to receive notice of any shareholder meeting; and
- (ii) rights under this Agreement – subject to applicable Law, the Defaulting Shareholder agrees and acknowledges that it:
 - (A) will remove any of its nominee directors pursuant to clause 5.4;
 - (B) will cease to appoint directors to the Board under clause 5.2, and the Non-Defaulting Shareholder shall instead be permitted to appoint up to 6 Directors to the Board;
 - (C) waives all its rights under clause 5, including any rights to receive notice of directors meetings, to be counted as part of a quorum, to appoint the Chairman of the Board, and to participate in any Board committees
 - (D) will not exercise any vote at general meetings under clause 6.1, and waives any right to be counted as part of a quorum under clause 6.2; and
 - (E) waives any right to approve any matter under clause 7.

14.3 Non-exclusive remedies

Nothing in this clause 14 or otherwise prevents a party from seeking any other remedies available at law or in equity for breach or to restrain breach of this Agreement.

15 Dispute resolution

15.1 Board and/or Shareholder dispute

- (a) If:
 - (i) a resolution, other than a New TPG-Specific Resolution, has been put to the Board for approval at a Board meeting and has not been approved despite one or more Directors having voted in favour of the resolution, and that resolution is not passed at any other Board meeting held within the subsequent 2 weeks;
 - (ii) a resolution, other than a New TPG-Specific Resolution, has been put to the Board for approval via a written resolution, and the resolution has not been signed or otherwise approved by the requisite majority of the Directors within 2 weeks after the written resolution was provided to all Directors; or
 - (iii) the Shareholders have not passed a resolution, other than a New TPG-Specific Resolution, which has been put to them two or more times in accordance with the Articles, either because the requisite majority has not voted in favour of it (or signed it in the case of a written resolution) or because two or more consecutive Shareholders' meetings have been dissolved for the lack of a quorum,

then any Shareholder or any Director may refer the matter for discussion between the Shareholders and each Shareholder Group shall then procure that a duly authorised representative shall meet with a duly authorised representative of the other Shareholder Group (including by telephone or video call or other similar technology) as soon reasonably practicable thereafter and seek in good faith to resolve the dispute.

- (b) For the avoidance of doubt, this clause 15 (other than this clause 15.1(b)) does not apply to the determination of Fair Market Value pursuant to Schedule 1.

15.2 Chief Executive Officers to negotiate

- (a) If the Shareholders cannot reach agreement on any matter referred to them under Clause 15.1(a) within 30 days of that matter being referred to them, the Chief Executive Officer of Vodafone and one of the Group Co-Managing Directors of CKHH (or their appropriately authorised designated appointees) shall meet as soon reasonably practicable thereafter (including by telephone or video call or other similar technology) and seek in good faith to resolve the dispute.
- (b) If the Chief Executive Officer of Vodafone Parent and one of the Group Co-Managing Directors of CKHH (or their appropriately authorised designated appointees, as the case may be) cannot reach agreement on any matter referred to them under clause 15.2(a) within 30 days of that matter being referred to them, then no party is required to engage in any further discussions in an effort to resolve the disagreement and the relevant matter shall not be actioned by the Company Group and the status quo shall remain.

16 Provisions relating to New TPG

16.1 New TPG Shareholder Resolutions

Subject to clauses 16.5 and 16.6 but notwithstanding any other provision of this Agreement, if:

- (a) a New TPG-Specific Resolution has been put to the Board for approval at a Board meeting and has not been approved;
- (b) a New TPG-Specific Resolution has been put to the Board for approval via a written resolution, and the New TPG-Specific Resolution has not been signed or otherwise approved by the requisite majority of the Directors within 5 Business Days after the New TPG-Specific Resolution was provided to all Directors;
- (c) the Shareholders have not passed a New TPG-Specific Resolution, which has been put to them within 5 Business Days of being requested by the Company to do so, either because the requisite majority has not voted in favour of it or because a Shareholders' meeting has been dissolved for the lack of a quorum; or
- (d) the Shareholders have not agreed how the Company should vote in respect of a new New TPG Shareholder Resolution within 5 Business Days of being requested by the Company to do so,

then, upon written request from any Shareholder or any Director, the Company shall duly appoint, in accordance with the terms of the constitution of New TPG, two proxies to vote on the relevant New TPG Shareholder Resolution, with one proxy authorised and instructed to cast its votes on the New TPG Shareholder Resolution in the manner requested by the Hutchison Shareholders and the other proxy authorised and instructed to cast its votes in the manner requested by the Vodafone Shareholders, such that 50% of the New TPG Shares held by the Company shall be voted as directed by the Hutchison Shareholders and the other 50% of the New TPG Shares held by the Company shall be voted as directed by the Vodafone Shareholders.

- (d) VEBV and VOL must comply with, and Vodafone Parent must ensure that VEBV and VOL comply, with the Voluntary Escrow Deed.
- (e) Each Shareholder shall, to the extent it is able to exercise control over the Company, ensure that the Company does not undertake any action that would cause any party to the Voluntary Escrow Deed to be in breach of the Voluntary Escrow Deed.

16.3 Disposals of New TPG Shares

- (a) The Company shall not and each Shareholder shall, to the extent it is able to exercise control over the Company, procure that the Company shall not Dispose of any of its New TPG Shares unless:
 - (i) that would not cause any party to the Voluntary Escrow Deed to be in breach of that Deed; and
 - (ii) the Disposal is in the form of a Transfer of the permitted number of the Company's New TPG Shares proposed for Disposal in compliance with clause 16.3(b).
- (b) On and from the date that is 3 years from the Implementation Date, a Shareholder Group may, by written notice, instruct the Company to Transfer New TPG Shares and the Company shall as soon as reasonably practicable thereafter Transfer those New TPG Shares to a third party that is not a Shareholder or its Associated Body Corporate, provided that:
 - (i) no more than 10% of the New TPG Shares (being 10% of such number of New TPG Shares in issue as at the date of first relevant Transfer) shall be Transferred by the Company in any 9 month period;
 - (ii) if, at such time, any loan or interest payments are payable by any Company Group entity to any third party (including any Shareholder or Associated Body Corporate of a Shareholder), including under the VHF Syndicated Bank Facility Documents, any net proceeds from the Transfer shall be first used to repay such loan and/or interest payments. If such repayments are to be made to Shareholders or their Associated Bodies Corporate, such repayments shall be made after repayment in full of any bank loans to the Company Group and in respect of all shareholder loans from Shareholders and their Associated Bodies Corporate, pro rata to the total principal and interest owed on those loans. This provision is without prejudice to clause 10;
 - (iii) the Transfer complies with all relevant regulatory requirements under Law, including the insider trading provisions in the Corporations Act; and
 - (iv) unless otherwise determined by the Directors, the New TPG Shares are to be Transferred via on-market trades.
- (c) Notwithstanding any other provision of this clause 16.3, a Shareholder Group may only instruct the Company to Transfer New TPG Shares (the **Sale Securities**) under clause 16.3(b) if such Shareholder Group has first delivered a notice to the other Shareholder Group and the Company, stating that it wishes such Transfer to take place, but prior to that Transfer it approves the making by the Company of an offer (which the Company shall then be deemed to have made) to Transfer to the other Shareholder all but not only some of the Sale Securities for a purchase price equal to the 10-day VWAP per Sale Security as at the date of such notice and the other Shareholder Group does one of the following:
 - (i) declines (in writing to the Company and the Shareholder Group that served the initial notice) to purchase such Sale Securities;

 - (B) if any Authorisations or shareholder approvals are required to effect completion of the Transfer of the Sale Securities, by the earlier of:
 - (1) the date falling 15 Business Days following the receipt of all required Authorisations and shareholder approvals; and
 - (2)
 - i. the date falling 180 days following such election to purchase the Sale Securities; or
 - ii. in the event that the Shareholder Group that has elected to purchase the Sale Securities receives, within the 180 days referred to in clause 16.3(c)(iii)(B)(2)i, a rejection from any Governmental Agency which results in its inability to obtain, or to obtain a waiver or release in relation to, any Authorisation or shareholder approval required by law or by an undertaking or commitment previously given to any Governmental Agency which is required for it to complete the purchase of the Sale Securities (a **Regulatory Rejection**), the date falling 30 days following the date of the first such Regulatory Rejection.

If the other Shareholder Group elects to purchase the Sale Securities (in writing to the Company and the Shareholder Group that served the initial notice, specifying which member(s) of its Shareholder Group it wishes to purchase the Sale Securities), that Shareholder Group, CKHH or Vodafone Parent (whichever is the ultimate holding company of that Shareholder Group) and the Company shall use reasonable endeavours to complete the Transfer of the Sale Securities to the relevant Shareholder Group as soon as reasonably practicable thereafter, including using reasonable endeavours to obtain any required Authorisations or shareholder approvals as soon as reasonably practicable. The net proceeds to the Company Group from such Transfer shall be applied on the same basis as is set out in clause 16.3(b)(ii).

Schedule 1

Fair Market Value

The 'Fair Market Value' of any Securities and shareholder loans must be determined in accordance with this schedule.

1 Valuation technique

The Fair Market Value of Securities must be determined in Australian dollars based on the fully distributed market value at which the Company would trade on a recognised stock exchange, as follows.

In determining the Fair Market Value per security in a particular class, divide the Fair Market Value of all the securities in that class by the total number of issued securities in that class and shall therefore not apply any discount or premium in relation to the size of any holding.

The Fair Market Value of shareholder loans must be determined in Australian dollars based on the amount of principal and interest outstanding as at the time that such shareholder loan will be transferred.

2 Selection of bankers

When a determination of Fair Market Value is required under this Agreement, then unless the parties otherwise agree, each Shareholder Group shall within 5 Business Days of the requirement arising, designate by written notice to the other a reputable internationally recognised investment bank to serve as an appraiser under this procedure (the banks designated by such Shareholder Group being referred to herein as the **Vodafone Banker** and the **Hutchison Banker**, respectively).

Within 7 days after designation of the Vodafone Banker or the Hutchison Banker, whichever is later, the Vodafone Banker and the Hutchison Banker shall agree upon and jointly designate a third reputable internationally recognised investment bank to serve as an appraiser pursuant to this procedure (the **Third Banker**).

3 Evaluation procedures

The following applies in relation to evaluation.

- (a) Each of the Vodafone Banker, Hutchison Banker and the Third Banker (each a **Banker** and collectively the **Bankers**) must be directed to:

- (i) determine the Fair Market Value; and
- (ii) deliver a valuation opinion stating its determination of the Fair Market Value (a **Banker's Opinion**),

- (e) The parties will cooperate in causing the Company to provide each Banker with such information within the Company's possession that may be reasonably requested in writing by such Banker for purposes of its evaluation hereunder.
- (f) The Bankers are permitted to freely consult with each other in the course of conducting their respective evaluations.

Each Banker will be directed to comply with the provisions of this procedure, and to that end the parties will provide the Bankers with a complete and correct copy of this procedure.

4 Fair Market Value determination

The Fair Market Value shall be determined at the Valuation Meeting on the basis of the Bankers' Opinions in accordance with this schedule. The Vodafone Banker's Opinion and the Hutchison Banker's Opinion shall be opened simultaneously at the Valuation Meeting and the respective Bankers' determination of the Fair Market Value shall be compared. The higher of the Fair Market Value set forth on the Vodafone Parent and Hutchison Bankers' Opinions is the '**Higher Number**' and the lower Fair Market Value set forth on the Vodafone Parent and Hutchison Bankers' Opinions is the '**Lower Number**'. If the Higher Number is not more than 110% of the Lower Number, the Fair Market Value will be the arithmetic average of such two Numbers. If the Higher Number is more than 110% of the Lower Number, the Third Banker's Opinion shall be opened (the '**Third Number**'), and the Fair Market Value will be determined in accordance with paragraph 5 below.

5 Alternative determination of Fair Market Value

In the event that the provisions above require the opening of the Third Banker's Opinion at the Valuation Meeting, the Fair Market Value will be determined as provided in this paragraph. The Fair Market Value will be (i) the Higher Number, if the Third Number is greater than the Higher Number, (ii) the Lower Number, if the Third Number is less than the Lower Number, (iii) the arithmetic average of the Third Number and the other Number (Higher or Lower) that is closer to the Third Number if the Third Number falls within the range between (and including) the Lower Number and the Higher Number and (iv) the Third Number, if the Lower Number and the Higher Number are equally close to the Third Number.

6 Costs

Each Shareholder Group will bear the cost of the Banker designated by it or on its behalf. If the Higher Number is not more than 110% of the Lower Number, or if the Higher Number and the Lower Number are equally close to the Third Number, each Shareholder Group shall bear 50 per cent. of the cost of the Third Banker; otherwise, the Shareholder Group whose Banker's determination of the Fair Market Value is further away from the Third Number shall bear the entire cost of the Third Banker.

Vodafone Parent and CKHH agree to pay when due the fees and expenses of the Bankers in accordance with the foregoing provisions.

7 Conclusive determination

The determination of the Fair Market Value made under this procedure shall be final and binding on the parties, save in the case of fraud or manifest error. The Bankers shall act as experts and not as arbitrators.

To avoid doubt, if a Tax Deduction is required by law to be made by the Borrower, the amount of the payment due to the Lender from the Borrower shall not be increased as a result of the Tax Deduction.
 - (d) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Borrower shall deliver to the Lender evidence reasonably satisfactory to the Lender

- (b) the Lender shall not be obliged to consult with the Borrower in relation to any changes mentioned in **clause 22.6(a)** if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes; and
- (c) any such changes agreed upon by the Lender and the Borrower shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of this Agreement notwithstanding the provisions of **clause 28**.

23 Set-off
