About Alto Metals Ltd

Alto Metals is an advanced gold explorer that owns the Sandstone Gold Project (100%) located in the east Murchison of Westerns Australia.

The Sandstone Gold Project covers ~740km² of the Sandstone Greenstone Belt and currently has a shallow, open-pitabile mineral resource of 635,000oz gold at 1.6 g/t, with significant scope to delineate additional shallow, high-grade gold ounces. Alto is currently focused on growing these resources through continued exploration success and new discoveries.

For further information regarding Alto and its 100% owned Sandstone Gold Project, please visit the ASX platform (ASX: AME) or the Company's website at www.altometals.com.au.
