

ASX Announcement

Resource Capital Research Report

19 October 2017

Arafura Resources Limited (ASX: ARU) (Arafura or the Company) is pleased to advise that Resource Capital Research (RCR) published an equity research update earlier today on Arafura and the Nolans Neodymium-Praseodymium (NdPr) project.

This work was commissioned by Arafura, and a copy of RCR's report is available on the Company's website at:

<https://www.arultd.com/investor/financial-reports.html>

RCR provides equity research and capital raising services for junior and developing resource companies in the metals and mining sector. They have written up over 210 resource companies either as standalone company updates or for inclusion in sector reviews.
