ASX / Media Announcement

2 July 2018

UPDATE ON SUPER-DEEP HOLE IN WEST PILBARA - Western Australia -

Artemis Resources Limited (“Artemis” or “the Company”) (ASX: ARV) advises that updates on ASD-1, the West Pilbara super-deep diamond drill hole, will now be made at about 11 am Australian Eastern Standard Time every Tuesday. The next update will be tomorrow, Tuesday 3 July 2018.

The weekly reporting day has been changed from Monday to Tuesday to allow for the various technical teams to assess the progress of the hole over the weekend during Monday’s working day and allow sufficient time to accurately compile and adjust the necessary JORC tables that will now accompany each ASD-1 update.
