### About Auteco Minerals

Auteco Minerals Limited (ASX: AUT) is an emerging mineral exploration company currently focused on advancing high-grade gold resources at the Pickle Lake Gold Project in the world-class Uchi sub-province of Ontario, Canada. The Auteco Board of Directors and technical management team has a proven track record of discovering gold and creating wealth for shareholders and all stakeholders in recent years.

The Company also has a joint venture on the Limestone Well Vanadium-Titanium Project in Western Australia.
