E2 Metals Limited
Notes to the financial statements
31 December 2016

Note 1. General information

The financial statements cover E2 Metals Limited as a consolidated entity consisting of E2 Metals Limited and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is E2 Metals Limited's functional and presentation currency.

E2 Metals Limited is an unlisted public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 4, 100 Albert Road
South Melbourne, VIC 3205

A description of the nature of the consolidated entity's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25 January 2017.

Note 2. Significant accounting policies

These general purpose financial statements for the interim half-year reporting period ended 31 December 2016 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2016 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going concern

The financial report has been prepared on the going concern basis, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business. For the reasons described below, there is material uncertainty whether the consolidated entity will continue as a going concern:

- The consolidated entity recorded a net loss of \$220,138 for the period ended 31 December 2016.

The consolidated entity is in the process of preparing for an initial public offering to list on the Australian Stock Exchange during the 2017 financial year which will enable additional monies to be raised to fund continuing business operations.

The Directors are of the opinion that the existing cash reserves will provide the Company with adequate funds to ensure its continued viability and operate as a going concern. In addition, a Director has written to the Company advising of his intention and ability to support the Company financially for a period of at least 12 months from the date of signing the financial report. This includes supporting the company in relation to the costs incurred in respect of the proposed IPO transaction if sufficient capital cannot be raised by the Company.

E2 Metals Limited
Notes to the financial statements
31 December 2016

Note 2. Significant accounting policies (continued)

The Company continues to closely monitor expenditure, and the Board is confident that it will be able to manage its cash resources appropriately without negatively impacting upon planned activities. On this basis the directors consider that the consolidated entity remains a going concern and these financial statements have been prepared on this basis.

The Company is currently reviewing potential funding mechanisms in the form of either capital raisings or debt funding. The directors will continue review funding going forward and will source funds which best suit the company's ongoing requirements and that will continue to create shareholders value.

Whilst the directors are confident in the consolidated entity's ability to continue as a going concern, in the event future potential capital raising initiatives and commercial opportunities do not eventuate, there is significant uncertainty as to whether the consolidated entity will be able to generate sufficient net operating cash inflows or execute alternative funding arrangements to enable it to continue as a going concern. Consequently, material uncertainty exists as to whether the consolidated entity will continue as a going concern and it may therefore be required to realise assets, extinguish liabilities at amounts different to those recorded in the balance sheet and settle liabilities other than in the ordinary course of business.

The financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification that might be necessary should the consolidated entity not continue as a going concern.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF E2 METALS LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of E2 Metals Limited (the company) and the entities it controlled at the half-year's end or from time to time during the half year (the consolidated entity), which comprises the consolidated condensed statement of financial position as at 31 December 2016, the consolidated condensed statement of profit or loss and other comprehensive income, consolidated condensed statement of changes in equity and consolidated condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including:

- giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and
- complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

As the auditor of E2 Metals Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF E2 METALS LIMITED (CONT)

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of E2 Metals Limited is not in accordance with the Corporations Act 2001 including:

- a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and of its performance for the half year ended on that date; and
- b) complying with Australian Accounting Standard 134 Interim Financial Reporting and the Corporations Regulations 2001.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial report, which indicates that the Company incurred a net loss of \$220,138 during the half-year ended 31 December 2016 and, as of that date, the Company's current liabilities exceeded its current assets by \$337,726. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.
