## E2 Metals Quarterly Activities Report

30 October 2018

### Mount Hope Project

During the quarter, further programs of work continue to be developed and incorporated into this year's work program. The programs focus on targeting extensions of known high-grade gold mineralisation that remain open at the prospects.

### Neavesville Project (New Zealand)

An application for extension of obligations to the conditions of the Neavesville exploration permit was granted during the June quarter. All obligations associated with the permit are now due by April 2020.

### Corporate Update

On 24 August 2018 the Company advised that further to its announcement dated 25 June 2018, it had formally agreed to terminate its binding offer to acquire 100% of the shares in Cobalt Magnetic Pty Ltd.

The Company continues to be active in reviewing several new business opportunities and will keep the market informed upon a more definitive conclusion of this process.

The Board remains fully committed to acting in the best interests of the Company and maximising value for shareholders.

**Notes**

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
