OVERVIEW OF THE SCHEME

Emmerson Resources Limited (**Emmerson**) (ASX: ERM) is pleased to announce that it has entered into a binding Scheme Implementation Deed (**SID**) with the parent company of its Tennant Creek Joint Venture (**JV**) partner, Pan African Resources plc (**PAN**) (LSE: PAF; JSE: PAN), under which PAN will acquire 100% of the issued and outstanding share capital in Emmerson by way of an Australian scheme of arrangement (the **Scheme**).

Under the terms of the Scheme, Emmerson shareholders would be entitled to receive 0.1493 new PAN shares (in the form of PAN ASX listed Chess Depositary Interests (**CDIs**)) for each Emmerson share held at the Scheme Record Date (as defined in the SID), representing an implied offer price of A\$0.45 for each Emmerson share (**Scheme Consideration**).³ The Scheme Consideration values Emmerson at a fully diluted equity value of approximately A\$311 million.⁴ Upon implementation of the Scheme, Emmerson shareholders will own approximately 4.24% of the combined group.

The Scheme Consideration represents a significant and attractive premium of:

- 36.4% to Emmerson's closing share price of A\$0.330 per share on 6 March 2026; and
- 42.7% to Emmerson's 30-day volume-weighted average price (**VWAP**) of A\$0.315 per share for the period ending 6 March 2026.

In conjunction with the Scheme, PAN has agreed to establish a foreign exempt listing on ASX to allow Emmerson shareholders to trade PAN shares via CDIs on ASX. As such, Emmerson shareholders will be issued with PAN ASX-listed CDIs as Scheme Consideration on implementation of the Scheme.

The Emmerson Board unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a Superior Proposal (as defined in the SID) and subject to the Independent Expert concluding and continuing to conclude that the Scheme is in the best interests of Emmerson shareholders.

PAN has also agreed to provide an interim unsecured loan to assist Emmerson fund any cash calls under the Tennant Creek JV.

Emmerson's Chairman, Mark Connelly commented: *"This combination with our trusted JV partner represents a highly compelling and strategically logical consolidation of our Tennant Creek tenement package, providing access to the Nobles processing facility and fully aligning shareholder interests of both companies in developing the Tennant Creek Mineral Field. The transaction delivers our shareholders with an immediate value realisation event at an attractive premium, whilst providing exposure to a larger, more diversified and well-capitalised gold producer with a broad portfolio and a strengthened platform for long-term value creation. We are excited about the future prospects of the combined group and the enhanced opportunities it will create for Emmerson shareholders."*

³ Based on the last closing price of PAN on the LSE of £1.58 converted to AUD at a 1.908 GBP:AUD FX rate as at 6 March 2026.

⁴ Based on 653,997,457 Emmerson ordinary shares, 8,000,000 Emmerson performance rights and 29,500,000 Emmerson options, fully diluted.

About Emmerson Resources

Tennant Creek

Emmerson has a commanding land position and is exploring the Tennant Creek Mineral Field (TCMF), one of Australia's highest-grade gold and copper fields that has produced over 5.5Moz of gold and 470,000t of copper from deposits including Warrego, White Devil, Orlando, Gecko, Chariot, and Golden Forty. These high-grade deposits are highly valuable exploration targets, and to date, Emmerson's discoveries include high-grade gold at Edna Beryl and Mauretania, plus copper-gold at Goanna and Monitor and these were found utilising new technology and concepts and are the first discoveries in the TCMF for over two decades. The rush of new tenement applications by major and junior explorers in the Tennant Creek district, not only highlights the prospectivity of the region for copper and gold but also Emmerson's strategic ~1,800km² land holding.

New South Wales

Emmerson is actively exploring two early-stage gold-copper projects in NSW, identified from the application of 2D and 3D predictive targeting models. The highly prospective Macquarie Arc in NSW hosts >80Moz gold and >13Mt copper with these resources heavily weighted to areas of outcrop or limited cover. Emmerson's exploration projects contain many attributes of the known deposits within the Macquarie Arc but remain underexplored due to historical impediments, including overlying cover (farmlands and younger rocks) and a lack of effective historic exploration.

- (b) PAR agrees to assist Emmerson to propose and implement the Scheme on and subject to the terms of this document.

- (b) must comply with its obligations under this document.

2.3 Timetable

- (a) Each party agrees to use reasonable endeavours to:

- (i) complete its obligations under this document; and
- (ii) take all necessary steps and exercise all rights necessary to implement the Scheme,

as soon as reasonably practicable after the date of this document and in accordance with the Timetable.

- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of **clause 2.3(a)** to the extent that such failure is due to circumstances and matters outside the party's control (including any delays caused by a Government Agency), or due to Emmerson taking or omitting to take any action in response to a Competing Proposal as permitted or contemplated by this document provided always that the relevant party used its reasonable endeavours as required by **clause 2.3(a)** to comply with or meet that timeframe or deadline.
- (c) Each party must keep the other informed about their progress against the Timetable and promptly notify the other if it believes that any of the dates in the Timetable are not achievable.

3 Conditions Precedent and pre-implementation steps

3.1 Conditions Precedent

Subject to this **clause 3**, the Scheme will not become Effective, and the obligations of PAR to provide the Scheme Consideration under this document are not binding, until each of the Conditions Precedent is satisfied or waived to the extent and in the manner set out in this **clause 3**.

3.2 Benefit and waiver of certain Conditions Precedent

- (a) A Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) may only be waived in writing by a party noted in the table in **Schedule 1** as being the party entitled to the benefit of the Condition Precedent, other than where the table in **Schedule 1** notes that the Condition Precedent cannot be waived.
- (b) A party entitled to waive a Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) under this **clause 3.2** may do so in its absolute discretion.
- (c) Any waiver of a Condition Precedent by a party who is entitled to do so pursuant to **clause 3.2(a)** is only effective if such waiver is given in writing to the other party on or prior to the Delivery Time on the Second Court Date.
- (d) If the waiver of a Condition Precedent is itself given subject to a condition and the other party:
 - (i) accepts the condition, the terms of that condition apply and are binding under this document; or
 - (ii) does not accept the condition, the Condition Precedent is not waived for the purposes of this document.
- (e) A waiver of a Condition Precedent (or waiver of a breach or non-fulfilment of a Condition Precedent) in accordance with this **clause 3.2** does not:
 - (i) constitute a waiver of any other Condition Precedent (including where the event constitutes a breach of a number of Conditions Precedent) or a waiver of that Condition Precedent resulting from any other event; and
 - (ii) prevent a party from suing the other for damages for breach of this document as a result of the breach or non-satisfaction of the relevant Condition Precedent.

3.3 Reasonable endeavours

- (a) Each party must, to the extent that it is within its power to do so, use its reasonable endeavours to procure that each of the Conditions Precedent for which it is listed as

the party responsible in the table in **Schedule 1** are satisfied as soon as practicable after the date of this document and continue to be satisfied at all times until the last time that relevant Condition Precedent provides that it is to be satisfied.

- (b) Each party must not, without the prior written consent of the other party, take any action or refrain from taking any action (except as required by law or permitted under this document) designed to prevent a Condition Precedent being satisfied.
- (c) The parties must cooperate and, to the extent reasonably practicable, assist one another with satisfying their obligations under **clause 3.3(a)**. Without limiting this **clause 3.3**, and except to the extent prohibited by a Government Agency, each party must:
 - (i) promptly apply for all Regulatory Approvals (as applicable) and provide to the other party a copy of those applications;
 - (ii) take all steps it is responsible for as part of the Regulatory Approval process, including responding to requests for information from the relevant Government Agencies at the earliest practicable time;
 - (iii) keep the other party reasonably informed of progress in relation to PAR's ASX Admission and each Regulatory Approval (including in relation to any material matters raised by, or conditions or other arrangements proposed by, or to, any Government Agency in relation to a Regulatory Approval or ASX in relation to the ASX Admission) and provide the other party with all information reasonably requested in connection with the applications for, or progress of, the Regulatory Approvals and PAR's ASX Admission;
 - (iv) consult with the other party in advance in relation to all material communications with Government Agencies regarding any of the Regulatory Approvals and take into account any reasonable comments which are provided in a timely manner; and
 - (v) provide the other party with all assistance and information that it reasonably requests in connection with an application for a Regulatory Approval to be lodged by that other party,

provided that:

- (vi) a party may withhold or redact information or documents from the other party if and to the extent that they are either confidential to a Third Party, or commercially sensitive and confidential to that Third Party or subject to legal professional privilege in favour of that Third Party;
- (vii) neither party is required to disclose commercially sensitive information to the other party;
- (viii) neither party is required to disclose information or documents if and to the extent that they are subject to legal professional privilege in favour of that party and disclosure would prejudice or undermine a claim of privilege; and
- (ix) the party applying for a Regulatory Approval is not prevented from taking any step (including communicating with a Government Agency) in respect to a Regulatory Approval if the other party has not promptly responded under **clause 3.3(c)(iv)**.

3.4 Notifications

Each party must:

- (a) keep the other promptly and reasonably informed of its progress towards satisfaction of each Condition Precedent;
- (b) promptly notify the other in writing if it becomes aware that any Condition Precedent has been satisfied; and
- (c) promptly, and in any event within one Business Day, notify the other in writing if it becomes aware of the happening of an event or occurrence that would, does, will or would reasonably be likely to:
 - (i) prevent a Condition Precedent being satisfied; or
 - (ii) mean that any Condition Precedent will otherwise not be satisfied,
 before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date.

3.5 Certificate

- (a) Before the Delivery Time on the Second Court Date:
 - (i) Emmerson will provide a certificate (signed on behalf of Emmerson) to PAR confirming whether or not:
 - (A) in respect of matters within its knowledge, the Conditions Precedent (other than the Condition Precedent in **item 5** (Court approval) of **Schedule 1**) have been satisfied or waived in accordance with this **clause 3**; and
 - (B) it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches; and
 - (ii) PAR will provide a certificate (signed on behalf of PAR) to Emmerson confirming whether or not:
 - (A) in respect of matters within its knowledge, the Conditions Precedent (other than the Condition Precedent in **item 5** (Court approval) of **Schedule 1**) have been satisfied or waived in accordance with this **clause 3**; and
 - (B) it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches.
- (b) Each party must deliver to the other party a draft of its certificate to be provided under **clause 3.5(a)** by 5:00pm on the date that is two Business Days prior to the Second Court Date.

3.6 Termination on failure of a Condition Precedent

- (a) If:

- (i) there is an act, a failure to act, an event or an occurrence that would, or does, prevent any of the Conditions Precedent being satisfied, or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:
 - (A) the time and date specified in this document for the satisfaction of that Condition Precedent; and
 - (B) the End Date,
 or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable); or
- (ii) it becomes more likely than not that the Scheme will not become Effective by the End Date,

then:

- (iii) if PAR has given notice to Emmerson under **clause 3.4** in respect of an actual or alleged breach of one or more of the Conditions Precedent in **Items 6, 7, or 8 of Schedule 1**, if Emmerson remedies the breach to the satisfaction of PAR (acting reasonably) within 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which that notice is given, the relevant Condition Precedent or Conditions Precedent (as applicable) will not be taken to have been breached or not satisfied; and
 - (iv) Emmerson and PAR must promptly consult in good faith with a view to determining whether:
 - (A) the Scheme, or a transaction which results in the transfer of all of the Emmerson Shares to PAR, may proceed by way of alternative means or methods;
 - (B) to extend the relevant time or date for satisfaction of any Condition Precedent contemplated by **clause 3.6(a)(i)**;
 - (C) a party with a right to waive any Condition Precedent contemplated by **clause 3.6(a)(i)** will do so and if so on what (if any) conditions;
 - (D) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by the parties;
 - (E) to seek orders from the Court to postpone the Scheme Meeting, or recommend that there be an adjournment of the Scheme Meeting, to another date agreed to in writing by Emmerson and PAR;
 - (F) to extend the End Date;
 - (G) to otherwise amend the Timetable; or
 - (H) to take a combination of any of the actions referred to in **clause 3.6(a)(iv)(A) to 3.6(a)(iv)(G)**.
- (b) Subject to **clause 3.6(d)**, if the parties are unable to reach agreement under **clause 3.6(a)** by the earlier of:

- (i) the date that is 10 Business Days after commencing discussions in relation to the relevant act, failure to act, event or occurrence that would, or does, prevent the Condition Precedent being satisfied;
- (ii) the date that is 10 Business Days after the time and date specified in this document for the satisfaction of the Condition Precedent; and
- (iii) 5:00pm on the Business Day before the End Date,

then, unless that Condition Precedent has been waived in accordance with **clause 3.2**, a party noted in the table in **Schedule 1** as being entitled to the benefit of that Condition Precedent (which may be either party where both parties are noted in the table in **Schedule 1** as being entitled to the benefit of the Condition Precedent) may (subject to **clause 3.6(c)**) terminate this document without any liability to the other party because of that termination. For the avoidance of doubt, nothing in this **clause 3.6(b)** affects the obligation of Emmerson to pay the Reimbursement Fee, if it is required to do so under **clause 11**.

- (c) A party will not be entitled to terminate this document pursuant to **clause 3.6(b)** if:
 - (i) the relevant Condition Precedent has not been satisfied as a result of:
 - (A) a breach of this document by that party; or
 - (B) a deliberate act or omission of that party (except acts or omissions expressly permitted by this document) which either alone or together with other circumstances prevents or otherwise materially contributes to the Condition Precedent from being satisfied; or
 - (ii) the relevant Condition Precedent is stated in **Schedule 1** to be for the sole benefit of the other party.
- (d) If the Condition Precedent in **item 3** (Shareholder approval) of **Schedule 1** is not satisfied only because of a failure to obtain the majority required by sub-paragraph 411(4)(a)(ii)(A) of the Corporations Act (**Headcount Test**), then either party may by written notice to the other within five Business Days after the date of the conclusion of the Scheme Meeting require that an application be made for the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test, provided that the party has, in good faith, reasonably formed the view that there are reasonable prospects of the Court exercising its discretion. If:
 - (i) such an application is made:
 - (A) Emmerson must, promptly after the notice is given, apply to the Court by making submissions and filing such evidence as Emmerson and PAR consider is reasonably required to seek to persuade the Court to exercise its discretion; and
 - (B) PAR must support Emmerson's submissions, including by making such submissions to the Court and filing such evidence as Emmerson and PAR consider is reasonably required to seek to persuade the Court to exercise its discretion;
 - (ii) approval is given, the Condition Precedent in **item 3** (Shareholder approval) of **Schedule 1** is deemed to be satisfied for all purposes; or

- (iii) the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in **item 3** (Shareholder approval) of **Schedule 1**, Emmerson may (and must at PAR's request) appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel of the Western Australian bar practising in the field of corporate law indicates that, in their view, an appeal would not have reasonable prospects of success before the End Date) and:
 - (A) if any such appeal request is undertaken at the request of PAR and the appeal is not successful, PAR will bear Emmerson's costs of the appeal (including the costs of the independent senior counsel), unless the parties agree otherwise;
 - (B) if any such appeal is undertaken by Emmerson without the prior request from PAR and the appeal is not successful, Emmerson will bear PAR's costs of the appeal (including the costs of the independent senior counsel), unless the parties otherwise agree; or
 - (C) if any such appeal is successful, each party will bear its own costs of the appeal, unless the parties otherwise agree.

4 Transaction Steps

4.1 Scheme

- (a) Emmerson must propose the Scheme to Emmerson Shareholders on and subject to the terms and conditions of this document.
- (b) Emmerson must not consent to any modification of, or amendment to, or the making or imposition by a court of any condition in respect of the Scheme without the prior written consent of PAR.

4.2 Scheme Consideration

Subject to **clauses 4.4** and **4.5**, PAR covenants in favour of Emmerson (in Emmerson's own right and separately as trustee for each Scheme Shareholder) that, PAR will:

- (a) on and from the Effective Date, do everything that PAR is required to do to effect implementation of the Scheme; and
- (b) on the Implementation Date:
 - (i) accept the transfer of each Emmerson Share held by a Scheme Shareholder in accordance with the terms of the Scheme; and
 - (ii) as consideration for that transfer, provide, or cause to be provided, to each Scheme Shareholder the Scheme Consideration for each Scheme Share held by them, in accordance with this document, the Scheme and Deed Poll.

4.3 Provision of information in relation to Emmerson Shares

Emmerson must provide, or procure the provision of, a complete copy of the Emmerson Share Register (which must include the name, registered address and registered holding of each Emmerson Shareholder) to PAR:

- (a) as at the date of this document, within two Business Days after the date of this document;
- (b) within two Business Days of written request by PAR (which requests must not exceed once per week), as at the date of that request; and
- (c) as at the Record Date, within one Business Day after the Record Date.

The details and information to be provided under this clause must be provided in such form as PAR may reasonably require. Within two Business Days of providing the copy of the Emmerson Share Register pursuant to **clause 4.3(b)**, Emmerson must provide PAR with Emmerson's calculation of the respective entitlements of each Scheme Shareholder to the Scheme Consideration.

4.4 Fractional entitlements

If the number of Scheme Shares held by a Scheme Shareholder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration comprising New PAR CDIs includes a fractional entitlement, then the entitlement will be rounded as follows:

- (a) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New PAR CDIs; and
- (b) if the fractional entitlement is 0.5 or more, it will be rounded up to the nearest whole number of New PAR CDIs.

4.5 Ineligible Foreign Shareholders and Relevant Small Parcel Shareholders

- (a) PAR has no obligation to issue, and will not issue, any New PAR CDIs to:
 - (i) an Ineligible Foreign Shareholder; or
 - (ii) a Relevant Small Parcel Shareholder,
 and instead will issue or procure the issue of the New PAR Shares or (if applicable) New PAR CDIs to which an Ineligible Foreign Shareholder or the Relevant Small Parcel Shareholder would otherwise be entitled to as Scheme Consideration (**Relevant PAR Shares**) to the Sale Agent to be dealt with in accordance with the terms of the Scheme.
- (b) The net proceeds of the Relevant PAR Shares will be dealt with in accordance with the terms of the Scheme.
- (c) PAR must appoint the Sale Agent at least five Business Days prior to the First Court Date.

4.6 Share splitting

If PAR is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 4.4**) have, before the Record Date, been party to the splitting of Emmerson Shares into two or more parcels of Emmerson Shares (whether or not it results in any change in beneficial ownership of the Emmerson Shares) in an attempt to obtain unfair advantage by reference to such rounding, PAR may give notice to those Scheme Shareholders:

- (a) setting out their names and registered addresses as shown in the Emmerson Share Register;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the Scheme and Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme and Deed Poll, be taken to hold no Scheme Shares. PAR, in complying with the provisions of the Scheme and Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme and Deed Poll.

4.7 Emmerson Options

- (a) The parties must use reasonable endeavours (acting co-operatively and in good faith) to procure that, as soon as practicable after the date of this document and in any case prior to the Delivery Time on the Second Court Date, each holder of Emmerson Options enters into a deed with PAR and Emmerson (the form of which is acceptable to PAR and Emmerson, acting reasonably) under which the holder, subject to the relevant security terms and any required ASX waiver and the Scheme becoming Effective, agrees to exercise their Emmerson Options and receive Emmerson Shares prior to the Record Date.
- (b) Subject to compliance with the Listing Rules and the Corporations Act, Emmerson agrees to take such action as is necessary and within its power as soon as reasonably practicable after, and in any event within two Business Days of, Emmerson Shareholders approving the Scheme (by the requisite majorities) at the Scheme Meeting to ensure that Emmerson Options that are subject to vesting conditions and which have not already vested, so vest and are exercised, and the relevant Emmerson Shares to which those Emmerson Options relate are issued, prior to the Record Date, including the Emmerson Board (as is reasonably necessary, within its power and compliant with the Listing Rules):

For the avoidance of doubt, nothing in this **clause 10.1** limits PAR's rights to terminate this document under **clause 13**.

- (i) engaging an independent consultant, approved by PAR (acting reasonably), to run a tender process for the D&O Run Off Policy seeking at least three proposals from reputable insurance brokers (approved by PAR, acting reasonably) to provide a D&O Run Off Policy from a panel of Equivalent Insurers on the following basis:

If such policy does not satisfy the Policy Requirements or is not from an Equivalent Insurer, Emmerson must enter into the D&O Run Off Policy that is the next lowest cost that satisfies the Policy Requirements and is from an Equivalent Insurer.

10.4 Deeds of indemnity, access and insurance

- (a) Subject to the Scheme becoming Effective, PAR undertakes in favour of Emmerson and each other Emmerson Indemnified Party that it will procure that:
 - (i) for a period of seven years from the Implementation Date, the constitution of Emmerson and each Emmerson Group Member will continue to contain such rules that are contained in those constitutions at the date of this document that provide for each company to indemnify each of its previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than an Emmerson Group Member;
 - (ii) Emmerson and each Emmerson Group Member complies with any deeds of indemnity, access and insurance entered into by them in favour of their respective directors and officers from time to time; and

- (c) Emmerson receives and holds the benefit of **clause 10.4(a)** to the extent it relates to other Emmerson Indemnified Parties for and on behalf of, and as trustee for, them.

11 Reimbursement Fee

11.1 Acknowledgement

- (a) Emmerson believes, having taken advice from its external legal and financial advisers, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:

- (ii) PAR has requested that provision be made for the payment outlined in **clause 11.2** and it is reasonable and appropriate to agree to pay the Reimbursement Fee to secure PAR's entry into this document; and
- (iii) the Reimbursement Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of PAR in relation to the Scheme, including:
 - (A) fees for legal, financial and other professional advice in planning and implementing the Proposed Transaction (excluding success fees);
 - (B) reasonable opportunity costs incurred in engaging in the Proposed Transaction or in not engaging in other alternative acquisitions or strategic initiatives;

- (a) prior to the end of the Exclusivity Period a Competing Proposal of any kind is announced (whether or not such proposal is stated to be subject to any pre-conditions) and, within 12 months of the End Date, a Third Party or any Associate of that Third Party:
 - (i) completes a Competing Proposal of a kind referred to in any of **sub-paragraphs (a)(ii)** or **(a)(iii)** of the definition of Competing Proposal in **clause 1.1**;
 - (ii) enters into an agreement, arrangement or understanding with Emmerson, with another Emmerson Group Member or with the board of directors of any of the foregoing entities, which is of the kind referred to in **paragraph (b)** of the definition of Competing Proposal in **clause 1.1**; or
 - (iii) without limiting **sub-paragraphs (i)** and **(ii)** above, acquires (either alone or in aggregate) a Relevant Interest in more than 20% of the Emmerson Shares or otherwise acquires (either alone or together with another Third Party) Control of Emmerson excluding any acquisition by a Third Party of a Relevant Interest in more than 20% of the Emmerson Shares in reliance on the conditions in item 9 of section 611 of the Corporations Act;
- (b) a Superior Proposal is received by Emmerson or publicly announced at any time during the Exclusivity Period and Emmerson terminates this document in accordance with **clause 13.1(b)(ii)**;
- (c) prior to the end of the Exclusivity Period, any Emmerson Director:
 - (i) fails to make the Recommendation or give the Voting Intention in accordance with **clause 7**; or

- (ii) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation, Voting Intention or support for the Scheme generally, except where the Emmerson Director takes (or fails to take) any of the actions set out in **paragraphs (c)(i) to (c)(ii)**:
- (iii) because the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Emmerson Shareholders (other than in circumstances where that conclusion is due to wholly or partly to the existence, announcement or publication of a Competing Proposal), provided that any change of their Recommendation or Voting Intention must only occur after the Independent Expert has issued in writing its conclusion that the Scheme is not in the best interests of Emmerson Shareholders; or
- (iv) in accordance with an Abstain Order;
- (d) prior to the end of the Exclusivity Period, any Emmerson Director recommends, supports or endorses a Competing Proposal (including support by way of accepting or voting, or by way of stating an intention to accept or vote in respect to any Emmerson Shares), whether or not such proposal is stated to be subject to any pre-conditions;
- (e) there is a material breach of **clause 12** by Emmerson; or
- (f) PAR validly terminates this document in accordance with:
 - (i) **clause 13.1(a)(i)** or **13.1(c)(i)**; or
 - (ii) **clause 13.1(a)(iii)** and the failure to satisfy the relevant Condition Precedent resulted from a material breach of this document by Emmerson or a deliberate act or omission of Emmerson (which for the avoidance of doubt, includes the occurrence of a Prescribed Occurrence or a Regulated Event).

11.3 Timing of payment

- (a) A demand by PAR for payment of the Reimbursement Fee under **clause 11.2** must:
 - (i) be in writing;

 - (iv) state the circumstances which give rise to the demand; and
 - (v) nominate an account in the name of PAR into which Emmerson is to pay the Reimbursement Fee.
- (b) The payment of the Reimbursement Fee must be made within 10 Business Days of receipt of a written demand for payment by PAR in accordance with **clause 11.3(a)** and where PAR is entitled under **clause 11.2** to the Reimbursement Fee.

11.4 Compliance with law

- (a) If it is finally determined by the Takeovers Panel or a court of competent jurisdiction, after the exhaustion of all proper avenues of appeal and review (judicial or

otherwise), that all or any part of the Reimbursement Fee required to be paid under this **clause 11**:

- (i) is unlawful or unenforceable; or
- (ii) constitutes unacceptable circumstances (as determined by the Takeovers Panel or a court) or breaches an order of the Takeovers Panel,

(the **Impugned Amount**), then:

- (iii) the requirement to pay the Reimbursement Fee does not apply to the extent of any Impugned Amount; and
 - (iv) if PAR has received the Impugned Amount, it must refund it within five Business Days of the determination being made.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in **clause 11.4(a)**.

11.5 Reimbursement Fee if Scheme becomes Effective

The Reimbursement Fee is not payable under **clause 11.2** if the Scheme becomes Effective despite the occurrence of any event referred to in that clause, and, if the Reimbursement Fee has already been paid it must be refunded by PAR within five Business Days of receipt of a written demand from Emmerson.

11.6 Sole and exclusive remedy

- (a) PAR acknowledges and agrees that, subject to this clause, payment of the Reimbursement Fee is the sole and exclusive remedy available to PAR in connection with any event or occurrence referred to in **clause 11.2** and Emmerson is not liable for any loss or damage arising in connection with any such event or occurrence other than for any liability that it may have to pay PAR the Reimbursement Fee.
- (b) The limitation in **clause 11.6(a)** does not apply:
 - (i) in connection with a material breach by Emmerson of **clause 12** (which for the avoidance of doubt, does not include any action taken by Emmerson in accordance with the exception in **clause 12.8**) or where Emmerson has (whether in breach of **clause 12** or otherwise) agreed to pay a Third Party a break fee or similar cost reimbursement commitment in connection with any actual, proposed or potential Competing Proposal;
 - (ii) where PAR has a right to terminate under **clause 13.1(a)** or **13.1(c)(i)** arising from the wilful or reckless conduct of Emmerson;
 - (iii) to prevent PAR (in its own right or as trustee for another person, as the case may be under this document) from seeking orders from a court of competent jurisdiction for the specific performance by Emmerson of any obligations under this document or other injunctive relief;
 - (iv) to prevent PAR recovering the actual costs it incurs in connection with this document and the Scheme (to the extent such costs exceed the Reimbursement Fee) if Emmerson has breached its obligations to register all

transfers of Emmerson Shares to PAR in accordance with **clause 5.1(u)** and the Scheme; and

- (v) to extinguish or limit the liability of Emmerson for any:
 - (A) interest payable on any amount payable by that party under or in connection with this document; or
 - (B) breach of this document arising from criminal acts, fraud, wilful misconduct or wilful breach by Emmerson, its directors, officers or employees.

11.7 Reimbursement Fee payable only once

Where the Reimbursement Fee becomes payable to PAR under **clause 11.2** and is actually paid to PAR, PAR cannot make any claim against Emmerson for payment of any subsequent Reimbursement Fee.

12 Exclusivity

12.1 No existing discussions

Emmerson represents and warrants to PAR that, as at the date of this document:

- (a) neither it nor any Emmerson Group Member is party to any agreement, arrangement or understanding with a Third Party entered into for the purpose of facilitating a Competing Proposal;
- (b) it and each Emmerson Group Member and each of their respective Representatives have ceased, and are not currently party to, any discussions, negotiations or other communications with any Third Party in relation to, or which may reasonably be expected to lead to, a Competing Proposal;
- (c) it and each Emmerson Group Member and each of their respective Representatives have ceased to provide or make available any non-public information in relation to the Emmerson Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal;
- (d) it has agreed not to waive the provisions of any confidentiality or standstill agreement with any Third Party; and
- (e) it will use reasonable endeavours to enforce any standstill obligations in any confidentiality or standstill agreement with any Third Party.

12.2 No-shop

During the Exclusivity Period, Emmerson must not, and must ensure that each of the Emmerson Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, encourage or invite (including by the provision of non-public information to any Third Party) any enquiry, expression of interest, offer, proposal, negotiation, discussion or other communication by any person; or

- (b) communicate an intention to do any of the things referred to in **clause 12.2(a)**, in relation to, with a view to obtaining or which would otherwise reasonably be expected to encourage or lead to the making of any actual, proposed or potential Competing Proposal.

12.3 No-talk

Subject to **clause 12.8**, during the Exclusivity Period, Emmerson must not, and must ensure that each of the Emmerson Group Members and its and their respective Representatives do not, directly or indirectly:

- (c) communicate an intention to do any of the things referred to in **clause 12.3(a)** or **12.3(b)**,

even if the Competing Proposal was not directly or indirectly solicited, encouraged, invited or initiated by Emmerson or any of its Representatives, or the Competing Proposal has been publicly announced. Nothing in this **clause 12.3** prevents or restricts Emmerson or any Emmerson Group Member or any of its or their respective Representatives from responding to a Third Party in respect of an inquiry, expression of interest, offer or proposal by that Third Party to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal to merely: (i) acknowledge receipt; or (ii) direct that Third Party to the provisions of this **clause 12**.

12.4 No due diligence

Subject to **clause 12.8**, during the Exclusivity Period, except with the prior written consent of PAR, Emmerson must not, and must ensure that each of the Emmerson Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, invite, encourage, facilitate or permit any Third Party to undertake due diligence investigations in respect of any Emmerson Group Member or any of their businesses, affairs or operations; and
- (b) disclose or otherwise provide or make available to any person (other than PAR or a Government Agency that has the right to obtain that information and has sought it), or permit any such person, to receive any non-public information relating to any Emmerson Group Member or any of their businesses, affairs or operations,

in each case, in connection with, for the purposes of, with a view to obtaining or which otherwise could reasonably be expected to lead to or encourage the formulation, receipt or announcement of an actual, proposed or potential Competing Proposal, whether by that person or another person.

12.5 Notification of approaches

- (a) During the Exclusivity Period, Emmerson must as soon as possible, and in any event within two Business Days, notify PAR in writing if it, or any of the Emmerson Group Members or its or their respective Representatives, becomes aware of any:
- (i) approach, inquiry, proposal or other attempt made by any person to Emmerson or any of its Representatives to initiate any discussions, negotiations or other communications, or any intention to make such an approach or attempt to initiate any discussions, negotiations or other communications, in respect of any inquiry, expression of interest, offer, proposal, discussion or other communication in relation to an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal;
 - (ii) expression of interest, offer, proposal or other communication made to Emmerson or any of its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; or
 - (iii) request made by any person to Emmerson or any of its Representatives for, or the provision by Emmerson or any of its Representatives to any person of, any non-public information relating to the business, affairs or operations of any Emmerson Group Member in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, an actual, proposed or potential Competing Proposal,
- whether direct or indirect, solicited or unsolicited and whether in writing or otherwise. For clarity, any of the acts described in this **clause 12.5(a)** may only be undertaken by Emmerson or any of its Representatives if not prohibited by **clause 12.2** or if permitted by **clause 12.8**.
- (b) Subject to **clause 12.8**, a notification given under **clause 12.5(a)** must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all of the material terms and conditions of the actual, proposed or potential Competing Proposal (including the price (or if not cash, implied value), funding, the form of consideration, the conditions precedent, the proposed deal protection arrangements, break fee provisions, timing and other key terms and the identity of the proponent(s) of such proposal), in each case to the extent known by Emmerson or any Emmerson Group Member or its or their respective Representatives.
- (c) During the Exclusivity Period, Emmerson must also notify PAR in writing as soon as possible after it, or any Emmerson Group Member or its or their respective Representatives, becomes aware of any material developments in relation to the actual, proposed or potential Competing Proposal, including in respect of any of the information previously provided to PAR under this **clause 12.5**.

12.6 Provision of information

- (a) Subject to **clause 12.6(b)**, during the Exclusivity Period, if any non-public information about the business, operations or affairs of Emmerson or an Emmerson Group Member is disclosed, provided or otherwise made available to any person in

connection with any actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, which has not previously been provided or made available to PAR, Emmerson must promptly, and in any event within two Business Days of the provision of the information, provide to PAR:

- (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of or reasonable access to, that non-public information.
- (b) During the Exclusivity Period, Emmerson must not, and must procure that each of its Representatives do not, directly or indirectly disclose or otherwise provide or make available any non-public information about the business, operations or affairs of the Emmerson Group to any person (other than PAR) in connection with an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, unless permitted by **clause 12.4**.

12.7 Matching right

- (a) Without limiting any other provision of this document, during the Exclusivity Period, Emmerson:
- (i) must not and must procure that each Emmerson Group Member and each of its and their respective Representatives do not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which any person proposes, or proposes to undertake or give effect to, an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; and
 - (ii) must procure that no Emmerson Director:
 - (A) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation or Voting Intention; or
 - (B) publicly recommends, supports or endorses an actual, proposed or potential Competing Proposal (or recommends against the Scheme) or makes any public statement to the effect that they may do so at a future point in time or that they no longer support the Proposed Transaction or the Scheme (provided that a statement that no action should be taken by Emmerson Shareholders pending the assessment of a Competing Proposal by the Emmerson Board or the completion of the matching right process set out in this **clause 12.7** shall not contravene this **clause 12.7** and also subject to any change of Recommendation or Voting Intention by the Emmerson Board that is permitted by **clause 7.2**),

unless:

- (iii) the Emmerson Board, acting in good faith and in order to satisfy what the Emmerson Directors consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determine that the Competing Proposal is a Superior Proposal;
- (iv) Emmerson has provided PAR with the material terms and conditions of the actual, proposed or potential Competing Proposal (including the identity of the

person making the actual, proposed or potential Competing Proposal as well as the information referred to in **clause 12.5(b)**), in each case to the extent known by Emmerson or any Emmerson Group Member or any of their respective Representatives;

- (v) Emmerson has given PAR at least five Business Days after the provision of the information referred to in **clause 12.7(a)(iv) (Cut Off Date)** to provide a Counterproposal; and
 - (vi) PAR has not announced or provided to Emmerson a Counterproposal before the Cut Off Date which the Emmerson Board has determined in accordance with **clause 12.7(b)** would provide an equivalent or superior outcome for Emmerson Shareholders as a whole compared with the actual, proposed or potential Competing Proposal.
- (b) If PAR proposes to Emmerson, or announces, amendments to the Scheme or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Counterproposal**) before the Cut Off Date, Emmerson must procure that the Emmerson Board considers the Counterproposal and if the Emmerson Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) would provide an equivalent or superior outcome for Emmerson Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then:
- (i) Emmerson and PAR must use their reasonable endeavours to agree the amendments to this document, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) Emmerson must procure that each of the Emmerson Directors continue to recommend the Scheme (as modified by the Counterproposal) to Emmerson Shareholders.

If the Emmerson Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Emmerson Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then Emmerson must promptly (and in any event within 24 hours of the Emmerson Board making such determination) notify PAR in writing of the determination.

- (c) For the purposes of this **clause 12.7**, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new Competing Proposal, and the procedures set out in this **clause 12.7** must again be followed prior to any Emmerson Group Member entering into any agreement, arrangement, understanding or commitment in respect of such Competing Proposal.
- (d) For clarity and despite any other provision of this document, a statement by Emmerson or the Emmerson Board to the effect that:
 - (i) the Emmerson Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this **clause 12.7**; or

- (ii) Emmerson Shareholders should take no action pending the completion of the assessment of a Competing Proposal or completion of the matching right process set out in this **clause 12.7**,

does not of itself:

- (iii) constitute a withdrawal, change, modification or qualification of the Recommendation or Voting Intention or an endorsement of the Competing Proposal;
- (iv) contravene this document;
- (v) give rise to an obligation to pay the Reimbursement Fee under **clause 11.2**; or
- (vi) give rise to a termination right under **clause 13**.

12.8 Fiduciary out

The restrictions and obligations in **clauses 12.3** and **12.4** do not apply to the extent they restrict Emmerson or any Emmerson Group Member or any of its or their respective Representatives from taking or refusing to take any action with respect to a Competing Proposal that did not result, directly or indirectly, from a breach of this **clause 12** by Emmerson or any of its Representatives, provided that the Emmerson Board has first determined, acting in good faith that:

- (a) after receiving written legal advice from its external legal advisers and after consulting with its financial advisers, the Competing Proposal is a Superior Proposal or could reasonably be expected to become a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, compliance with that clause would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of the Emmerson Board.

12.9 Normal provision of information

Nothing in this **clause 12** prevents Emmerson from:

- (a) taking any action in good faith to comply with its disclosure requirements at law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the Listing Rules;
- (b) providing information to its auditors, customers, contractors or suppliers acting in that capacity in the ordinary course of business; or
- (c) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to its business generally,

subject to Emmerson complying with its obligations under the Confidentiality Deed and **clause 14**.

12.10 Acknowledgment

PAR and Emmerson acknowledge and agree that:

- (a) PAR has requested the inclusion of this **clause 12** in this document and would not have entered into this document without it; and

- (b) Emmerson has received legal advice in relation to the operation of this **clause 12**.

13 Termination

13.1 Termination by notice

- (a) Either party may, by notice in writing to the other, terminate this document:
- (i) at any time prior to the Delivery Time on the Second Court Date if the other is in material breach of any of its obligations under this document (other than a breach of a representation or warranty which is dealt with in **clauses 13.1(b)(i) and (c)(i)**), and, if capable of remedy, the other party has failed to remedy that breach within 10 Business Days (or 5:00pm on the day before the date of the Second Court Date, if earlier) of receiving notice from the terminating party that sets out details of the relevant circumstance relating to the breach and stating an intention to terminate this document. For the purposes of this **paragraph (i)**, any breach by Emmerson of its obligations under **clause 12** will constitute a material breach of Emmerson's obligations under this document;
 - (ii) at any time prior to the Delivery Time on the Second Court Date if the Court or another Government Agency (including any other court) has taken action permanently restraining or otherwise prohibiting or preventing the Proposed Transaction, or has refused to do anything necessary to permit the Proposed Transaction to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party (acting reasonably) believes that there is no realistic prospect of an appeal or review succeeding by the End Date;
 - (iii) in the circumstances set out in and in accordance with **clause 3.6(b)**;
 - (iv) if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date, unless the failure of the Scheme to become Effective on or before the End Date is due to the failure of the party seeking to terminate this document to perform or observe its obligations, covenants and agreements under this document; or
 - (v) subject to **clause 3.6(d)**, Emmerson Shareholders have not agreed to the Scheme at the Scheme Meeting by the requisite majorities.
- (b) Emmerson may, by notice in writing to PAR, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:
- (i) PAR is in breach of a PAR Warranty, or a PAR Warranty becomes untrue, and:
 - (A) the breach is material in the context of the Scheme as a whole;
 - (B) Emmerson has given written notice to PAR setting out the relevant circumstance and stating an intention to terminate; and
 - (C) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5:00pm on the day before the Second Court Date)

after the date on which the notice is given under **clause 13.1(b)(i)(B)**;
or

- (ii) if the Emmerson Board determines, in accordance with **clause 12.8** and after completion of the processes specified in **clauses 12.5** and **12.7**, that a Competing Proposal is a Superior Proposal, provided always that there has not been a material breach by Emmerson of its obligations under **clause 12** and that Emmerson has paid the Reimbursement Fee to PAR if required to do so under **clause 11.2**.
- (c) PAR may, by notice in writing to Emmerson, terminate this document at any time prior to the Delivery Time on the Second Court Date if, at any time before then:
 - (i) Emmerson is in breach of an Emmerson Warranty, or an Emmerson Warranty becomes untrue, and:
 - (A) the breach is material in the context of the Scheme as a whole;
 - (B) PAR has given written notice to Emmerson setting out the relevant circumstance and stating an intention to terminate; and
 - (C) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5:00pm on the day before the Second Court Date) after the date on which the notice is given under **clause 13.1(c)(i)(B)**;
 - (ii) any Emmerson Director:
 - (A) fails to recommend the Scheme;
 - (B) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation or Voting Intention;
 - (C) publicly recommends, supports or endorses a Competing Proposal; or
 - (D) otherwise makes a public statement indicating that they no longer support or recommend the Proposed Transaction,

for any reason, whether or not permitted to do so under this document, other than in accordance with **clause 7.2(a)(iii)**; or
 - (iii) Emmerson enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Competing Proposal.

13.2 Termination procedure

Where a party has a right to terminate this document, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this document.

13.3 Effect of termination

- (a) In the event of termination of this document, each party will be released from its obligations under this document (and all future obligations under this document will immediately terminate and be of no further force and effect, including obligations in respect of the Proposed Transaction), except that the provisions of **clauses 9, 10.1, 10.2, 11, 13, 14, 16** and **17** (inclusive) (other than **clause 17.1**) survive termination and remain in force.

- (b) Termination of this document does not affect any accrued rights of a party in respect of a breach of this document prior to termination or in respect of the right to payment of an amount under **clause 11**.

13.4 No other termination

Neither party may terminate or rescind this document or the Scheme except as permitted under **clauses 3.6(b)** or **13.1**.

- (b) The rights and obligations of the parties under the Confidentiality Deed survive the execution and termination of this document and will cease on the later of the termination of this document or the expiry of the 'Term' as stated in the Confidentiality Deed.

PAR must use all reasonable endeavours to provide such approval as soon as practicable. This clause does not apply to any announcement or disclosure relating to a Competing Proposal.

14.4 Required disclosure

- (a) Where a party is required by applicable law or the rules of an applicable stock exchange to make any announcement or to make any disclosure in connection with the Proposed Transaction or any other transaction the subject of this document or the Scheme, it may do so despite **clause 14.3** but only after using reasonable endeavours, to the extent practicable and lawful, to consult with the other party before making the relevant disclosure and take account of any reasonable comments received from the other party in relation to the form and content of the announcement or disclosure.

- (b) Notwithstanding **clause 14.4(a)**, a party does not require the other party's approval to issue any public disclosures if the content of those disclosures:
 - (i) is limited to procedural matters or information that has previously been disclosed within the Scheme Booklet or any other stock exchange announcement, provided that the disclosing party gives the other party prior notice that it proposes to make a public disclosure in reliance on this **clause 14.4(b)**; or

The provisions of clause 1.2 of the Scheme form part of this document as if set out in full in this document.

2 Nature of deed poll

PAR acknowledges that:

- (b) under the Scheme, on and from the Effective Date, each Scheme Shareholder irrevocably appoints Emmerson (and Emmerson may sub-delegate its functions, authorities or powers to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally)) as its attorney and agent for the purpose of enforcing this document against PAR.

3 Condition precedent and termination

3.1 Condition precedent

The obligations of PAR under this document are subject to the Scheme becoming Effective.

3.2 Termination

The obligations of PAR under this document will automatically terminate and the terms of this document will be of no further force or effect:

- (a) if the Scheme has not become Effective on or before the End Date; or
- (b) if the Scheme Implementation Deed is terminated in accordance with its terms, unless PAR and Emmerson otherwise agree in writing.

 - (iii) PAR must procure that the PAR Nominee complies with the relevant obligations of PAR under, and completes the acquisition in accordance with the terms of this document, the Scheme and the Scheme Implementation Deed; and
 - (iv) any such nomination will not relieve PAR of its obligations under this document, including the obligation to provide the Scheme Consideration in accordance with the terms of this document, the Scheme and the Scheme Implementation Deed, provided that PAR will not be in breach of this document for failing to perform an obligation of PAR if that obligation is fully discharged by the PAR Nominee.

Subject to the other provisions of this **clause 7**, the obligations of PAR to provide (or procure the provision of) the Scheme Consideration to the Scheme Shareholders will be satisfied by procuring:

- (b) that the name and address of CDN is entered into the PAR Share Register in respect of those New PAR Shares no later than the Implementation Date;
- (c) that a holding statement (or equivalent document) in the name of CDN representing those New PAR Shares or such other document evidencing the issuance of those New PAR Shares to CDN is sent to CDN;

 - (i) if the fractional entitlement is less than 0.5, it will be rounded down to the nearest whole number of New PAR CDIs; and
 - (ii) if the fractional entitlement is 0.5 or more, it will be rounded up to the nearest whole number of New PAR CDIs.
- (b) If a Nominee Holder holds more than one parcel of Scheme Shares as trustee or nominee for, or otherwise on account of, another person, then for the purposes of this **clause 7.4**, the Scheme Consideration for the Nominee Holder will be calculated and rounded based on the aggregate number of Scheme Shares held by the Nominee Holder in those parcels as trustee or nominee for, or otherwise on account of, other persons.

7.5 Shareholder splitting or division

If PAR is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with **clause 7.4**) have, before the Record Date, been party to the splitting of Emmerson Shares into two or more parcels of Emmerson Shares (whether or not it results in any change in beneficial ownership of the Emmerson Shares) in an attempt to obtain unfair advantage by reference to such rounding, PAR may give notice to those Scheme Shareholders:

- (a) setting out their names and Registered Addresses;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice is given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the other provisions of this Scheme and the Deed Poll, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the other provisions of this Scheme and the Deed Poll, be taken to hold no Scheme Shares. PAR, in complying with the other provisions of this Scheme and the Deed Poll relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme and the Deed Poll.

- (f) agrees to be bound by the constituent documents of PAR;
- (g) agrees and acknowledges that the issue of Scheme Consideration in accordance with **clause 7.1** constitutes satisfaction of all that person's entitlements under this Scheme;
- (h) acknowledges that this Scheme binds Emmerson and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or voted against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of Emmerson; and
- (i) irrevocably consents to Emmerson and PAR doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to this Scheme and the transactions contemplated by it,

and instead will issue to the Sale Agent (subject to **clause 7.4, 7.5 and 7.10**):

- (ii) dispatching, or procuring the dispatch, to that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) by prepaid post to the Registered Address (as at the Record Date) of that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable), a cheque in the name of that Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) (in the case of joint holders, the cheque will be drawn in the name of the joint holders and dispatched in accordance with the procedures set out in **clause 7.12**).
- (f) Each Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder appoints PAR, and each director and officer of PAR, as its agent to receive on its behalf any financial services guide (or similar or equivalent document) and any other notices (including any updates of those documents) that the Sale Agent is required to provide to the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) under the Corporations Act or any other applicable law.
- (g) Payment of the relevant amounts calculated in accordance with **clause 7.8(c)** satisfies in full PAR's obligations to the Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder or FRCGW Holder (as applicable) under this Scheme in respect of the Scheme Consideration, and no interest will be payable on any proceeds.

7.9 Other ineligible Scheme Shareholders

Where the issue of New PAR CDIs to which a Scheme Shareholder (other than an Ineligible Foreign Shareholder, a Relevant Small Parcel Shareholder or a FRCGW Holder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) PAR will issue the maximum possible number of New PAR CDIs to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further Scheme Consideration to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under **clause 7.8**, as if:
 - (i) references to Ineligible Foreign Shareholders also included that Scheme Shareholder; and
 - (ii) references to Relevant PAR Shares also included any of that Scheme Shareholder's New PAR Shares or New PAR CDIs that have been issued to the Sale Agent.

7.10 Orders of a Court or Government Agency

- (a) If written notice is given to Emmerson (or the Emmerson Registry) or PAR (or PAR's share registry) of an order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration which would otherwise be provided to a Scheme Shareholder in accordance with this **clause 7** to instead be paid or provided to a Government Agency or other third party (either through payment of a sum or the issuance of a security), then Emmerson or PAR (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order, direction or notice (and payment or provision of that consideration in accordance with that order, direction or notice will be treated for all purposes under this Scheme as having been paid or provided to that Scheme Shareholder); or

- (ii) prevents Scheme Consideration being provided to any particular Scheme Shareholder in accordance with this **clause 7**, or the payment or provision of such Scheme Consideration is otherwise prohibited by applicable law, Emmerson or PAR (as applicable) shall be entitled to (as applicable):
 - (A) direct PAR not to issue (or procure the issue of), or to issue or provide to a trustee or nominee, such number of New PAR CDIs as that Scheme Shareholder would otherwise be entitled to under this **clause 7**; or
 - (B) in the case of an Ineligible Foreign Shareholder, Relevant Small Parcel Shareholder and FRCGW Holder, retain an amount, in Australian dollars, equal to the relevant Scheme Shareholder's share of the proceeds calculated in accordance with **clause 7.8(c)**,

until such time as payment or provision of the consideration in accordance with this **clause 7** is permitted by that order or direction or otherwise by law.

7.11 Status of New PAR Shares and New PAR CDIs

PAR covenants in favour of Emmerson (in its own right and on behalf of the Scheme Shareholders) that, subject to the Scheme becoming Effective:

- (a) the New PAR Shares (including those issued to CDN in connection with the New PAR CDIs) required to be issued under this Scheme will:
 - (i) upon their issue, rank equally in all respects with all other PAR Shares then on issue;
 - (ii) be duly and validly issued in accordance with applicable laws;
 - (iii) upon their issue, be fully paid and free from any Security Interest; and
- (b) it will do everything reasonably necessary to ensure that:
 - (i) the New PAR Shares (including those issued to CDN in connection with the New PAR CDIs) required to be issued under this Scheme will be:
 - (A) London Listed; and
 - (B) quoted and listed for trading on the JSE; and
 - (ii) the New PAR CDIs required to be issued under this Scheme will be admitted to official quotation on the ASX as soon as reasonably practicable following the Implementation Date.

7.12 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any New PAR CDIs to be issued under this Scheme must be issued and registered in the names of the joint holders and entry in the PAR Share Register must take place in the same order as the holders' names appear in the Emmerson Share Register;
- (b) any cheque required to be sent under this Scheme must be payable to the joint holders and sent to the holder whose name appears first in the Emmerson Share Register on the Record Date; and
- (c) any document required to be sent under this Scheme must be forwarded to either, at the sole discretion of Emmerson, the holder whose name appears first in the Emmerson Share Register as at the Record Date or to the joint holders.

8 Dealings in Scheme Shares

8.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Scheme Shares or other alterations to the Emmerson Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the Emmerson Share Register as the holder of the relevant Scheme Shares at the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before 5:00pm (Perth time) on the day which is the Record Date at the place where the Emmerson Share Register is kept,

and Emmerson must not accept for registration, nor recognise for any purpose (except a transfer to PAR pursuant to this Scheme and any subsequent transfer by PAR or its successors in title) any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

8.2 Emmerson Share Register

Emmerson must register, or cause to be registered, any registrable transmission applications or transfers of Emmerson Shares received in accordance with **clause 8.1(b)** on or before the Record Date, provided that nothing in this **clause 8.2** requires Emmerson to register a transfer that would result in an Emmerson Shareholder holding a parcel of Emmerson Shares that is less than a 'marketable parcel' (as that term is defined in the Listing Rules).

8.3 No disposals after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or deal with or purport to deal with any interest in them after the Record Date in any way except as set out in this Scheme and any such disposal, dealing or purported disposal or dealing will be void, of no legal effect whatsoever and Emmerson will be entitled to disregard any such disposal, dealing or purported disposal or dealing.

8.4 Maintenance of Emmerson Share Register

For the purpose of determining entitlements to the Scheme Consideration, Emmerson must maintain the Emmerson Share Register in accordance with the provisions of this **clause 8** until the Scheme Consideration has been provided to the Scheme Shareholders and PAR has been entered in the Emmerson Share Register as the holder of all the Scheme Shares. The Emmerson Share Register in this form will solely determine entitlements to the Scheme Consideration.

8.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to PAR contemplated in **clauses 6.2** and **8.4**, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of PAR and its successors in title). After the Record Date, each entry current on the Emmerson Share Register as at the Record Date (other than entries in respect of PAR or its successors in title) will cease to have effect except

as evidence of entitlement to the Scheme Consideration in respect of the Emmerson Shares relating to that entry.

8.6 Details of Scheme Shareholders

- (a) Within one Business Day after the Record Date, Emmerson must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Emmerson Share Register at the Record Date, are available, and provided, to PAR in such form as PAR reasonably requires.
- (b) Each Scheme Shareholder agrees that the information referred to in this **clause 8.6** may be disclosed to PAR, its advisers, share registry and other service providers to the extent necessary to effect this Scheme.

8.7 Quotation of Emmerson Shares

Emmerson must apply to the ASX to suspend trading in the Emmerson Shares on the ASX with effect from the close of trading on ASX on the Effective Date, or such other date and time agreed between Emmerson and PAR.

8.8 Termination of quotation of Emmerson Shares

Emmerson must apply:

- (a) for termination of the official quotation of Emmerson Shares on ASX; and
- (b) to have itself removed from the official list of ASX,

in each case with effect on and from the close of trading on the Business Day immediately following the Implementation Date.

9 Instructions and notification

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Emmerson that are binding or deemed binding between the Scheme Shareholder and Emmerson relating to Emmerson or Emmerson Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Emmerson Shares; and
- (c) notices or other communications from Emmerson (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by PAR in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to PAR and to be a binding instruction, notification or election to, and accepted by, PAR until that instruction, notification or election is revoked or amended in writing addressed to PAR at its registry.

10 Power of attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder:

- (a) on and from the Effective Date, irrevocably appoints Emmerson as its attorney and agent for the purpose of enforcing the Deed Poll against PAR; and
- (b) on and from the Effective Date, irrevocably appoints Emmerson as its attorney and agent for the purpose of executing any document, or doing or taking any other act, necessary or expedient to give effect to this Scheme and the transactions contemplated by it, including the Share Scheme Transfer on the Implementation Date,

and Emmerson accepts such appointment. Emmerson as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this **clause 10** to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

11 Notices

11.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Emmerson, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Emmerson's registered office or at the office of the Emmerson Registry.

11.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Emmerson Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

12 General

12.1 Alterations and conditions

If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act, and those alterations or conditions have been agreed to by each of Emmerson and PAR:

- (a) Emmerson may, with the prior consent of PAR, by its counsel or solicitor, consent on behalf of all persons concerned to any such alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Emmerson has consented to pursuant to **clause 12.1(a)**.

12.2 Further assurances

- (a) Each Scheme Shareholder and Emmerson will execute all documents and do all things necessary or expedient to implement, and perform its obligations under, this Scheme and the transactions contemplated by it.
- (b) Without limiting Emmerson's other powers under this Scheme, Emmerson has power to do all things that it considers necessary or desirable to give effect to this Scheme and the transactions contemplated by it.

12.3 Consent

Each of the Scheme Shareholders irrevocably consents to Emmerson doing all things necessary or expedient for or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Emmerson or otherwise.

12.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, neither PAR nor Emmerson, nor any of their respective officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

12.5 Enforcement of Deed Poll

Emmerson undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against PAR on behalf of and as agent and attorney for the Scheme Shareholders.

12.6 Stamp duty

PAR will:

- (a) pay all stamp duty (if any) assessed as being payable on this document and with respect to the acquisition of the Scheme Shares pursuant to this Scheme, and any related fines, penalties and interest; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with **clause 12.6(a)**.

12.7 Scrip for scrip roll-over relief

In the event the Scheme Shareholders are eligible for scrip for scrip roll-over relief, PAR acknowledges it has not made, and will not make, a choice to deny roll-over relief to Scheme Shareholders under subsection 124-795(4) of the ITAA 1997.

13 Governing law

13.1 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.

13.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address set out in the section of this document headed 'Parties'.
