ASX Announcement / Media Release

Prodigy Investment Partners

Euroz Limited is a diversified wealth management company.

In June 2014 Euroz Limited formed an 80/20 funds management joint venture with former CEO of MLC, Mr Steve Tucker - Westoz Investment Management ("WIM").

We now advise that WIM has changed its name to Prodigy Investment Partners ("Prodigy") to better reflect the future direction and purpose of this growing funds management opportunity. Prodigy will look to attract and partner with fund managers of exceptional qualities and abilities.

The past year has seen Prodigy evolve to establish itself as a significant multi-boutique partnership model where we provide capital, infrastructure and distribution services and look to partner with talented investment professionals. Prodigy has now installed infrastructure and systems to support its growth and established offices in Sydney and Melbourne.

The first of these new boutique partnerships was established in July 2015 - Flinders Investment Partners.

Flinders Investment Partners is a new specialist small companies investment manager that brings together three of Australia's most experienced small and emerging company fund investors, Dr Andrew Mouchacca, Mr Richard Macdougall and Mr Naheed Rahman.

Our updated organisational structure below illustrates the Prodigy brand within our diversified group of wealth management businesses.
