## **Appointment of Corporate Finance Director**

Euroz Limited ('Euroz') is pleased to announce that Mr Greg Chessell has joined the Corporate Finance Department of its 100% owned subsidiary Euroz Securities Limited ('Euroz Securities') as a Corporate Finance Director.

Greg is an Executive Director of Euroz and Euroz Securities and through his role as Head of Research has been crucial in the evolution and development of the Research Department since the inception of Euroz seventeen years ago. Greg's in-depth knowledge, analytical skills and relationships across a wide range of WA resource companies will add significant value to both our corporate department and our corporate clients.

The board is pleased to announce the appointment of Mr Jon Bishop to the role of Head of Research of Euroz Securities, in addition to his existing role as a Resources Analyst.

Jon was formerly at Woodside Petroleum for 10 years and is an Executive Director of Euroz Securities. In his 10 years with Euroz he has been an important member of our research team and the board look forward to his initiatives and expanding research coverage
