## Completion of Hartleys Transaction

Euroz Limited (**Euroz**) (ASX: EZL) is pleased to announce the completion of the Hartleys Limited (**Hartleys**) transaction.

The merger of Euroz Securities and Hartleys brings together the two most iconic and successful stockbroking, corporate finance and wealth management businesses in Western Australia. Commencing tomorrow the combined business will be rebranded “Euroz Hartleys” and work is underway to bring the businesses together as one brand.

The merger of the two businesses will create a leading financial services firm, with combined history of over 85 years and a deep understanding of the local Western Australian investment landscape.

Hartleys, was founded in 1955, and is a leading Western Australian-based stockbroking, corporate finance, institutional dealing and wealth management firm with Funds Under Management (**FUM**) exceeding \$1 billion. Euroz Securities was established in 2000 and quickly established itself as a leader in institutional and private client dealing, research and corporate finance for the past twenty years.

We believe the combined entities will have many complementary strengths that will be beneficial to all shareholders, clients and staff, and provides an opportunity to build on both firms’ strong history of providing exceptional service to clients.

The combination of the two firms offers the chance to expand our service offering to clients. We are confident in our ability to successfully integrate both businesses and leverage the cultures of both firms to create a significant stockbroking, corporate finance and wealth management business with a bright and prosperous future.

Euroz Executive Chairman, Andrew McKenzie commented:

*“The completion of the Hartleys transaction represents a significant milestone in the evolution of our leading financial services group and paves the way for an exciting future for all our shareholders, clients and staff.”*
