

+Rule 3.10.1, 3.20.4, 7.18-7.24A, 15.3, Appendix 7A section 7.

Appendix 3A.3

Notification of +security consolidation or split

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Please note that two or more corporate actions on the same +security may not run with different record dates if the timetables result in overlapping (but not identical) ex-periods. It is permissible to run different corporate actions with the same record date except in the case of consolidations or splits which cannot run at the same time as any other corporate action for that entity.

If you are an entity incorporated outside Australia, for +securities other than CDIs / depository interests, please obtain and provide an International Securities Identification Number (ISIN) for the class(es) of +securities to be created during your corporate action. The ISIN(s) should be advised in the Further Information section of this form. Further information on this requirement can be found in the Online Forms section of ASX Online for companies.

*Denotes minimum information required for first lodgement of this form.

**Denotes information that must be provided on or before +business day 0 of the relevant Appendix 6A or Appendix 7A timetable.

The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Part 6 – Further Information

Question No.	Question	Answer
6.1	<p>Further information relating to the consolidation or split</p> <p><i>Please provide any further information relating to this event.</i></p>	<p>The total amount of the proposed equal capital reduction is approximately \$40 million and the Company currently has a total number of shares on issue of 197,297,073.</p> <p>Assuming the calculated VWAP on the record date is \$1.33 per share, then approximately 30,075,187 shares (approximately ~15.2% of issued capital) would be subject to cancellation such that the post the cancellation the issued capital of the Company will be 167,221,886</p> <p>The Company cannot with any certainty, predict the calculated VWAP on the record date. For the purposes of the above example the Company has utilised the last traded price of its securities on the Australian Securities Exchange (ASX) on 13 September 2022, being \$1.53 less the per share value of the special dividend (excluding franking credits) rounded up to the nearest whole cent.</p>
