EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Meeting.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to this Explanatory Memorandum.

1 Financial Reports

The first item of the Notice of Meeting deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2024, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor by the Company in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

2 Resolution 1 – Non Binding Resolution to adopt Remuneration Report

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Annual Report be adopted. The Remuneration Report is set out in the Annual Report and is also available on the Company's website (www.g11resources.com.au).

The vote on this Resolution is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Remuneration Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended 30 June 2023 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on 24 November 2023.

Accordingly, if at least 25% of the votes cast on this Resolution are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Voting

A voting exclusion applies to this Resolution in the terms set out in the Notice of Meeting.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1.

3 Resolution 2 – Re-election of Mr Jose Antonio Merino as a Director

Resolution 2 seeks approval for the re-election of Mr Jose Antonio Merino as a Director with effect from the close of the Meeting.

Pursuant to Clause 2.5 of the Company's Constitution, Mr Jose Antonio Merino, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Mr Merino, has over 15 years' experience in the natural resources sector. He is currently Managing Director (Chile) and CFO of Marimaca Copper Corporation, a TSX listed company, focused on the development of its flagship copper project, Marimaca, one of the largest greenfield copper projects in Chile.

Before joining Marimaca, Mr Merino served in various roles, including being head of M&A and Business Development of SQM, one of the world's largest lithium producers. He oversaw several M&A transactions involving world-class deposits, including the acquisition of a 50% stake in the Mount Holland project in Western Australia and the divestment of SQM's stake in the Argentinean brine deposit Cauchari-Olaroz to Ganfeng. Mr Merino holds a Civil Engineering Degree from Pontificia Universidad Católica de Chile.

The Board considers that Mr Merino, if re-elected, will be classified as an independent director.

Board recommendation

Based on Mr Merino's relevant experience and qualifications, the Board, in the absence of Mr Merino, supports the election of Mr Merino as a Director.

Voting

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 2.

4 Resolution 3 – Approval of Additional 10% Placement Capacity

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Listing Rule 7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

The number of Equity Securities which may be issued pursuant to the Listing Rule 7.1A Mandate

Based on the number of Shares on issue at the date of this Notice of Meeting, the Company will have 931,622,113 Shares on issue and therefore, subject to Shareholder approval being obtained under this Resolution, 93,162,211 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Listing Rule 7.1A Mandate is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities. That formula is:

$(A \times D) - E$

- A** is the number of Shares on issue 12 months immediately preceding the date of issue or agreement (**Relevant Period**):
- (a) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (b) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
 - (b) plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
 - (c) plus the number of fully paid Shares issued in the Relevant Period with approval of holders of Shares under Listing Rules 7.1 and 7.4;
 - (d) plus the number of party paid Shares that become fully paid in the Relevant Period;

- (e) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

Specific information required by Listing Rule 7.3A

- (a) If the Resolution is passed, the Listing Rule 7.1A Mandate will be valid during the period from the date of the Annual General Meeting and will expire on the earlier of:
 - (i) the date that is 12 months after the date of the Annual General Meeting;
 - (ii) the time and date of the Company's next Annual General Meeting; and
 - (iii) the time and date on which the Company receives approval by Shareholders for a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**Approval Period**).
- (b) The Equity Securities to be issued will be in an existing class of quoted securities and will be issued for cash consideration at an issue price per Equity Security of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - (ii) if the Equity Securities are not issued within ten Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) the Shares may be issued to fund:
 - (i) the Company's exploration activities;
 - (ii) the acquisition of new assets (should suitable assets be found);
 - (iii) administration costs; and
 - (iv) general working capital expenses.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the Listing Rule 7.1A Mandate, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date the Listing Rule 7.1A Mandate was approved; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities.

The table below demonstrates the potential dilution of existing Shareholders in three differing scenarios.

Variable 'A' (refer above for calculation)		Dilution		
		Issue Price at half the current market price (\$0.0095)	Issue Price at current market price (\$0.019)	Issue Price at double the current market price (\$0.038)

	Funds raised	\$885,041	\$1,770,082	\$3,540,164

	Funds raised	\$1,327,562	\$2,655,123	\$5,310,246
	Dilution	10%	10%	10%

	Funds raised	\$1,770,082	\$3,540,164	\$7,080,328
	Dilution	10%	10%	10%

Note: *This table assumes:*

- No Options are exercised before the date of the issue of the Equity Securities.
- The "Issue Price at current market price" is based on the closing price for Shares in the Company on 16 October 2024.
- The issue of Equity Securities under the Listing Rule 7.1A Mandate consists only of Shares.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Listing Rule 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4.
- The table does not set out any dilution pursuant to ratification under Listing Rule 7.4.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (e) The identity of the persons to whom Shares will be issued is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of matters including, but not limited to:

- (i) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlement offer, or a placement and an entitlements offer;
- (ii) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom Shares will be issued under the Listing Rule 7.1A Mandate have not been determined as at the date of this Notice of Meeting, but will not include related parties (or their Associates) of the Company.

- (f) The Company has previously issued Shares under Listing Rule 7.1A. on one occasion in the 12 months preceding the date of the Meeting. A total of 107,850,000 Shares were issued, which represents 14.40% of the total number of Shares on issue at the commencement of that 12 month period.
- (g) Details of the first issue of Shares under Listing Rule 7.1A are as follows:
 - (i) The date of issue was 23 July 2024.
 - (ii) 107,850,000 fully paid ordinary Shares were issued to sophisticated and institutional investors qualifying under s 708 of the Corporations Act 2001 (Cth) selected at the discretion of the Company, who were unrelated parties of the Company.
 - (iii) The issue price was \$0.02, which represents a discount of 13% on the closing market price of \$0.023 on the date on which it was agreed to issue the Shares.
 - (iv) The total cash consideration received was \$2,157,000 and will be used to accelerate exploration activities across the Koonenberry Project, commencing with additional drilling and geophysical surveys including downhole and ground based moving loop electromagnetic surveys at the Willandra Copper Prospect area which has been identified to have significant potential to develop future copper resources. Funds will also be used for drill testing of high priority new targets arising from recently completed geochemical surveys over Cymbric Vale and Black Hills. Of the amount received, nil has been spent.

Board recommendation

The Directors of the Company believe this Resolution is in the best interests of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

Voting

A voting exclusion applies to this Resolution in the terms set out in the Notice of Meeting.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 3.

5 Resolution 4 - Renewal of proportional takeover provisions in the Constitution

Clause 12.2 of the Constitution contains provisions dealing with member approval requirements if there was to be any proportional takeover bids for the Company's securities (**Proportional Bid Provisions**).

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the members. The Board believes it is appropriate that the Proportional Bid Provisions of the Constitution (Clause 12.2) be renewed.

A soft copy of the Constitution can be sent via email to any shareholder upon request made to Justin Mouchacca, the Company Secretary, by email to justin@jmcorg.com.au.

The Resolution to renew the Proportional Bid Provisions is proposed as a special resolution. Accordingly, to be passed at least 75% of the votes validly cast on the Resolution by shareholders eligible to vote of the Resolution by number of shares must be in favour of the Resolution.

If Resolution 4 is passed, shareholders holding at least 10% of the Company's issued ordinary shares may, within 21 days after the Meeting, apply to a court to have the purported renewal of the Proportional Bid Provisions set aside. The court may make an order setting aside the purported renewal of the Proportional Bid Provisions if it is satisfied that it is appropriate in the circumstances to do so.

In seeking the members' approval for the renewal of the Proportional Bid Provisions, the Corporations Act requires the below information to be provided to members.

Effect of provisions proposed to be renewed

Clause 12.2 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid unless and until after the proposed transfer has been approved by the members at a general meeting of the Company (**Prescribed Resolution**). The person making the offer for the securities (**Offeror**) (and their associates) cannot vote on the Prescribed Resolution and the Prescribed Resolution requires the approval of more than 50% of members who are entitled to vote at that meeting.

Clause 12.2 also provides that if a Prescribed Resolution is not voted upon at the end of the day before the relevant day in relation to the off-market bid under which offers have been made, the Prescribed Resolution is deemed approved and, if the Prescribed Resolution is rejected, all unaccepted offers under the proportional takeover bid are deemed withdrawn and the Offeror must rescind each contract created as a result of the acceptance of an offer under that proportional takeover bid.

If shareholders pass this Resolution 4, then Clause 12.2 as described above will continue to have effect for a period of three years from the date of the Meeting.

Reasons for the resolution

Section 648(G)(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 12.2 cease to apply at the end of 3 years from their adoption (or their last renewal).

The Proportional Bid Provisions were last renewed more than 3 years ago and are therefore required to be renewed.

Section 648(G)(4) enables the members to approve a renewal of Proportional Bid Provisions.

The Directors believe that the members should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of **all** of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). To preserve this choice, Clause 12.2 needs to be renewed. If Clause 12.2 is renewed and any proportional takeover bid (if any) is subsequently approved by members, each member will still have the right to make a separate decision whether that member wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of the Notice, none of the Directors is aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company.

Advantages and disadvantages of the Proportional Bid Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the initial adoption of the Proportional Bid Provisions, there has been no application of Clause 12.2 with respect to the Company as at the date of the notice of meeting. It may be considered that the potential advantages and disadvantages described below have applied for the period since adoption of Clause 12.2 as part of the Constitution.

Potential advantages and disadvantages of the proposed resolution for directors and members

The potential advantages and disadvantages of renewing the Proportional Bid Provisions to directors include:

- (a) If the Directors consider a partial bid should be opposed they will be assisted in preventing the bidder from securing control of the Company as the bidder requires a majority of votes to be cast in its favour by the independent shareholders before the bid can succeed.
- (b) With the Proportional Bid Provisions in place, the Directors must call a meeting to seek the members' view if any partial takeover offer is made, even if the Directors believe the offer should be accepted.
- (c) Under the Proportional Bid Provisions, the most effective view on a partial bid is the view expressed by the vote of the shareholders themselves, at the meeting.
- (d) The Proportional Bid Provisions may make it easier for Directors to discharge their fiduciary and statutory duties as Directors in the event of a partial takeover bid.
- (e) The Directors remain free to make a recommendation on whether a proportional takeover bid should be accepted.

The potential advantages of the renewal of the Proportional Bid Provisions for members include:

- (a) All members have an opportunity to study a proportional takeover bid, if made, and to attend or be represented by proxy at a meeting called specifically to vote on the proposal. A majority of shares voted at the meeting, excluding the shares of the bidder and its associates, will be required for the applicable resolution to be passed, following which members will be able to decide whether to accept the bid that may result in a change of the control of the Company.
- (b) Members are able to prevent a proportional takeover bid proceeding if they believe that control of the Company should not be permitted to pass under the bid and, accordingly, the terms of any future proportional takeover bid is likely to be structured in a manner that is attractive to a majority of members.
- (c) The Proportional Bid Provisions enable shareholders to act together to avoid the coercion of members that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept due to concerns that a significant number of shareholders may accept.
- (d) Members are protected against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price, putting members under pressure to accept the initial bid to maximise returns.
- (e) If a partial bid is made, the Proportional Bid Provisions may make it more probable that a bidder will set its offer price at a level that is attractive to members.

- (f) members, as a group, may more effectively advise, contribute to or guide the Directors' response to a partial bid.
- (g) The Proportional Bid Provisions may increase the likelihood that any takeover offer will be a full bid for the whole shareholding of each member, so that member will have the opportunity to dispose of all of their shares rather than only a portion.

The potential disadvantages to members of renewing the Proportional Bid Provisions include:

- (a) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for members to sell a portion of their holdings.
- (b) The continued existence of the Proportional Bid Provisions might adversely affect the market value of the Company's shares by making a partial offer less likely, thus reducing any takeover speculation element in the share price.
- (c) An individual member that wishes to accept the partial offer will be unable to sell to the offeror unless a majority of members vote in favour of the partial takeover bid.
- (d) If a partial takeover bid is made, the Company will incur the costs of calling a shareholders meeting.

Recommendation for Resolution 4

Balancing the above advantages and disadvantages, the Directors are of the view that the advantages of renewing the Proportional Bid Provisions outweigh any disadvantages and unanimously recommend the renewal.
