ASX ANNOUNCEMENT

Unit Purchase Plan (UPP) Results

One Managed Investment Funds Limited ACN 117 400 987 (**Responsible Entity**), in its capacity as responsible entity of the Gryphon Capital Income Trust ARSN 623 308 850 (ASX: GCI) (**GCI** or the **Trust**), announced on 7 September 2021 an offer of ordinary units in the Trust (**UPP Units**) to eligible unitholders. The UPP terms and conditions were distributed to eligible unitholders on 14 September 2021 and the offer of UPP Units closed at 5.00pm (Sydney time) on 1 October 2021.

The Responsible Entity is pleased to announce that it has received applications for **6,116,143** UPP Units in aggregate, at a price of \$2.01 (**Issue Price**) per UPP Unit.

The Responsible Entity confirms that the full value of all valid applications for UPP Units were accepted in full with no scale back applied to any applicant (other than where the value of an application could not be divided by the Issue Price to give a whole number of UPP Units, in which case the number of UPP Units to be allocated to each applicant was rounded down to the nearest whole number).

Allotment of the UPP Units is expected to take place on Thursday, 7 October 2021 and quotation of the UPP Units is expected to occur on the ASX on Friday, 8 October 2021.

Purpose of the UPP

The funds raised under the UPP will be used to undertake additional investments consistent with the Trust's Investment Strategy as disclosed in the Trust's most recent product disclosure statement dated 4 November 2019 and as amended by changes to the Trust's Investment Guidelines announced on Thursday 5 August 2021.

The Trust's investment manager Gryphon Capital Investments Pty Ltd ACN 167 850 535 (**Investment Manager or Gryphon**) believes the UPP will benefit existing GCI unitholders by providing additional scale for the Trust to expand participation in the Residential Mortgage-Backed Securities (**RMBS**) and Asset-Backed Securities (**ABS**) market and thereby diversifying the portfolio, providing greater liquidity for GCI unitholders and reducing the operating costs of the Trust on a cost per unit basis.
