1. Financial Reports

To receive and consider the financial report of the Company and the reports of the Directors and auditor for the year ended 31 December 2021.

Shareholders are invited to ask questions or make comments on these reports. A representative of the Company's auditor will be at the AGM to respond to any questions raised of the auditor or on the auditor's report in accordance with the Corporations Act.

Note: There is no requirement for Shareholders to approve these reports.

2. Resolution 1 – Re-election of Director – Mr Salvatore Pietro Amico

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

“That Mr Salvatore Pietro Amico, being a Director who retires by rotation in accordance with the Constitution and the Listing Rules and, being eligible, offers himself for re-election as a Director, is re-elected as a Director.”

3. Resolution 2 – Remuneration Report

To consider and, if thought fit, to pass the following resolution as a non-binding **ordinary resolution**:

“That the Remuneration Report for the year ended 31 December 2021 be adopted.”

Note: The Remuneration Report is set out in the 2021 Annual Report of the Company. In accordance with the Corporations Act, the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting prohibition statement: The Company will disregard any votes cast on Resolution 2:

- by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the remuneration report for the year ended 31 December 2021 or a Closely Related Party of any such member of the Key Management Personnel (regardless of the capacity in which the vote is cast); or
- as a proxy by a person who is a member of the Key Management Personnel at the time of the AGM or by a Closely Related Party of any such member of the Key Management Personnel,

unless the vote is cast as proxy for a person entitled to vote on Resolution 2 and:

- the vote is cast in accordance with a direction on the Proxy Form specifying how the proxy is to vote on the resolution; or
- the vote is cast by the Chairman of the AGM and the Proxy Form expressly authorises the Chairman to exercise the proxy and vote as the Chairman decides even though the resolution is connected directly or indirectly with the remuneration of members of the Key Management Personnel.

SPECIAL BUSINESS

4. Resolution 3 – Approval of grant of Performance Rights to Mr Giuseppe Vince Ariti

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

“That, for the purposes of section 208 of the Corporations Act and Listing Rule 10.14 and for all other purposes, approval be given for the Company to grant 2,735,000 Performance Rights to Mr Giuseppe Vince Ariti, Managing Director and Chief Executive Officer, or his nominee, under the Company’s Performance Rights Plan on the terms set out in the Explanatory Materials.”

Voting exclusion statement: The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of:

- a person referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Company’s Performance Rights Plan (including Mr Giuseppe Vince Ariti); or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of Resolution 3 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting prohibition statement: A vote on Resolution 3 must not be cast (in any capacity) by or on behalf of a related party of the Company to whom the Resolution would permit a financial benefit to be given, or an associate of such a related party (**Excluded Party**). However, this prohibition does not apply if the vote is cast by a person as proxy appointed by writing that specifies how the proxy is to vote on the Resolution and it is not cast on behalf of an Excluded Party.

Further, a person appointed as a proxy must not vote, on the basis of that appointment, on Resolution 3 if:

- the proxy is either:
 - a member of the Key Management Personnel; or
 - a Closely Related Party of such a member; and
- the appointment does not specify the way the proxy is to vote on this Resolution.

Provided the Chairman is not an Excluded Party, the above prohibition does not apply if:

- the proxy is the Chairman; and
- the appointment expressly authorises the Chairman to exercise the proxy even though this Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

5. Resolution 4 – Approval of grant of Performance Rights to Mr Salvatore Pietro Amico

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

“That, for the purposes of section 208 of the Corporations Act and Listing Rule 10.14 and for all other purposes, approval be given for the Company to grant 480,000 Performance Rights to Mr Salvatore Pietro Amico, Non-Executive Director, or his nominee, under the Company’s Performance Rights Plan on the terms set out in the Explanatory Materials.”

Voting exclusion statement: The Company will disregard any votes cast in favour of Resolution 4 by or on behalf of:

- a person referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Company’s Performance Rights Plan (including Mr Salvatore Pietro Amico); or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of Resolution 4 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting prohibition statement: A vote on Resolution 4 must not be cast (in any capacity) by or on behalf of an Excluded Party. However, this prohibition does not apply if the vote is cast by a person as proxy appointed by writing that specifies how the proxy is to vote on the Resolution and it is not cast on behalf of an Excluded Party.

Further, a person appointed as a proxy must not vote, on the basis of that appointment, on Resolution 4 if:

- the proxy is either:
 - a member of the Key Management Personnel; or
 - a Closely Related Party of such a member; and
- the appointment does not specify the way the proxy is to vote on this Resolution.

Provided the Chairman is not an Excluded Party, the above prohibition does not apply if:

- the proxy is the Chairman; and
- the appointment expressly authorises the Chairman to exercise the proxy even though this Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

6. Resolution 5 – Approval of Additional 10% Placement Capacity

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

“That, for the purposes of Listing Rule 7.1A and all other purposes, approval be given for the Company to issue Equity Securities of up to 10% of the issued share capital of the Company (at the time of issue or agreement to issue) calculated in accordance with the formula prescribed by Listing Rule 7.1A.2 and otherwise on the terms and conditions set out in the Explanatory Materials.”

Voting exclusion statement: The Company will disregard any votes cast in favour of Resolution 5 by or on behalf of:

- a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company); or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of Resolution 5 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Enquiries

If you have any questions in respect of the matters set out in the Notice, you can contact Ms Marnie Yazmadjian on +61 8 9200 5812 or by sending an email to marnie.yazmadjian@genmingroup.com.

1. Resolution 1 – Re-election of Director – Mr Salvatore Pietro Amico

As required by the Constitution and the Listing Rules, Mr Salvatore Pietro Amico retires as a Director by rotation and, being eligible, offers himself for re-election.

Experience and qualifications

Mr Amico has been a Director since 1 May 2019, and is a Belgium national currently residing in France. He has a degree in Metallurgical Engineering from Université de Mons, located in Belgium, and in 2003 completed the Advanced Management Programme at INSEAD, France.

Between 2013 and October 2018 he was the General Representative of Eramet (a global, diversified French mining and metallurgical group with its principal listing on the Paris stock exchange (ERA.PA)) in Gabon, resident in Libreville. Eramet (through its majority holding in COMILOG) owns and operates the Moanda manganese deposits. Eramet is also the majority owner of SETRAG, the entity operating the Trans-Gabon Railway.

Amongst other responsibilities, whilst Mr Amico was the General Representative of Eramet in Gabon, he oversaw the final permitting and government negotiations, construction and commissioning of the EUR228 million COMILOG metallurgical plant, which value adds manganese ore to manganese metal and silico-manganese (SiMn).

Prior to 2013, Mr Amico held various roles at Eramet including Head of the Chemicals Business Unit based in Paris, CEO of the manganese salts and oxides business with production sites in the USA, China, Europe and Mexico, and two years as head of Guangxi Eramet Comilog Chemicals Ltd based in Shanghai, China.

Mr Amico has had no other listed directorships in the previous 3 years.

Recommendation of Directors

The Directors (with Mr Amico abstaining) recommend that Shareholders vote in favour of Resolution 1. Mr Amico makes no recommendation regarding his re-election.

The Chairman intends to vote all available proxies in favour of Resolution 1.

2. Resolution 2 – Adoption of Remuneration Report

Background

The Remuneration Report for the year ended 31 December 2021 is set out in the Company's 2021 Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of Key Management Personnel and the Company's performance; and
- sets out the remuneration arrangements in place for the Directors and other Key Management Personnel.

Section 250R(2) of the Corporations Act requires the AGM to include a vote on the adoption of the Remuneration Report. In accordance with section 250R(3) of the Corporations Act, the vote on the resolution is advisory only and does not bind the Directors or the Company. However, the Directors will take the discussion at the AGM and the outcome of the vote into account when considering the Company's remuneration policies.

Section 250SA of the Corporations Act requires that a reasonable opportunity be allowed to Shareholders at the AGM to ask questions about, or make comments on, the remuneration report.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if at least 25% of votes cast are against adoption of the remuneration report at two (2) consecutive AGMs, the Company will be required to put to Shareholders at the second AGM a resolution proposing that another general meeting be held within 90 days, at which all of the Directors (other than the Managing Director) would need to stand for re-election (**Spill Resolution**).

This is the Company's second AGM since it was admitted to the official list of the ASX. In the Company's 2021 AGM, only 0.04% of votes were cast against the adoption of the Remuneration Report. As such, even if at least 25% of the votes cast on Resolution 2 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders at the AGM.

Recommendation of Directors

The Directors encourage all eligible Shareholders to vote on the adoption of the Remuneration Report.

The Chairman intends to vote all available proxies in favour of the adoption of the Remuneration Report.

3. Resolution 3 and 4 – Approval of grant of Performance Rights to Mr Giuseppe Vince Ariti and Mr Salvatore Pietro Amico

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- the giving of the financial benefits falls within one of the nominated exceptions to the provision; or
- Shareholder approval is obtained prior to the giving of the financial benefit and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, each of the Participating Directors is a related party of the Company.

Each of Resolutions 3 and 4 relate to the proposed grant of Performance Rights to a Participating Director, or their nominee, which is a financial benefit that requires Shareholder approval for the purposes of section 208 of the Corporations Act.

Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);

- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

The proposed grant of Performance Rights to the Participating Directors, or their nominees, pursuant to Resolutions 3 and 4 fall within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

If Resolutions 3 and 4 are passed, the Company will be able to proceed with the grant of the Performance Rights and any subsequent issue of Shares upon the vesting of such Performance Rights will not count towards the Company's 15% Placement Capacity under Listing Rule 7.1 (without the need for separate Shareholder approval under Listing Rule 7.1).

If Resolutions 3 and 4 are not passed, the Company will not be able to proceed to grant the Performance Rights to the Participating Directors, or their nominees. The Company may then need to consider alternative arrangements to appropriately remunerate and incentivise the Participating Directors.

Information required by section 219 of the Corporations Act and Listing Rule 10.15

- The Performance Rights will be granted to Mr Ariti and Mr Amico, or their nominees, on the terms and conditions set out above and pursuant to the Performance Rights Plan, a summary of which is set out in Appendix 1.
- Each of the Participating Directors is a related party of the Company under Listing Rule 10.14.1 by virtue of being a Director.
- Subject to Shareholder approval, the proposed financial benefit to be given is the granting of:
 - 2,735,000 Performance Rights to Mr Ariti, or his nominee; and
 - 480,000 Performance Rights to Mr Amico, or his nominee,
 for no consideration.
- The current total remuneration package of each Participating Director (on an annualised basis) is set out below:

Participating Director	Salary and fees
Mr Giuseppe Ariti	\$300,000 plus superannuation
Mr Pietro Amico	US\$60,000

- The Company has previously issued 6,000,000 Performance Rights to Mr Ariti and 1,200,000 Performance Rights to Mr Amico under the Performance Rights Plan for nil consideration. Mr Ariti does not currently hold any Performance Rights and Mr Amico currently holds 720,000 Performance Rights.
- The grant of further Performance Rights will encourage the Participating Directors to continue to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through increasing Share ownership. Under the Company's current circumstances, the Directors consider (in the absence of the Participating Directors) that the incentives intended for the Participating Directors represented by the grant of these Performance Rights are, for a company without an income stream, a cost effective and efficient means for the Company to provide a reward and an incentive.
- The highest and lowest closing market sale prices of the Shares since the Company was admitted to the official list of ASX prior to the date of this Notice were:

Highest	\$0.32 per Share on 30 April 2021
Lowest	\$0.135 per Share on 8, 10 and 11 November 2021

- RSM Australia Pty Ltd (RSM) have assessed the indicative fair value of each Performance Right to be granted to the Participating Directors as \$0.19 per Performance Right. In RSM's opinion, the vesting conditions attached to the Performance Rights do not fall within the definition of a 'market condition' under AASB Standard 2 given they are not dependent on the future market price of the Company's ordinary shares but rather are tied to achievement of operational milestones. Accordingly, and in accordance with AASB Standard 2, the non-market vesting conditions were not considered in RSM's assessment of the fair value of the Performance Rights and the fair value was assessed to be the traded share price on grant of the Performance Rights, with the closing share price of the Company shares on the date of RSM's assessment of 5 April 2022 being \$0.19.

- The issue of the Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Performance Rights vest and are exercised. The potential dilution effect on a fully diluted basis is summarised below:

Performance Rights	Dilutionary effect
2,735,000 Performance Rights proposed to be issued to Mr Ariti, or his nominee	0.64%
480,000 Performance Rights proposed to be issued to Mr Amico, or his nominee	0.11%

The above table assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on exercise of the Performance Rights. The exercise of all of the Performance Rights proposed to be issued to Mr Ariti and Mr Amico, or their nominees, will result in a total dilution of all other Shareholders' holdings of 0.75%. The actual dilution will depend on the extent that additional Shares are issued by the Company.

- The Performance Rights will be issued on a date which will be no later than three (3) years after the date of the AGM, unless otherwise extended by way of ASX granting a waiver to the Listing Rules.
- The Performance Rights will be granted for nil consideration.
- A summary of the material terms of the Performance Rights Plan is set out in Appendix 1.
- No loans will be made by the Company in relation to the acquisition of Performance Rights or any shares issued under the Performance Rights Plan to the Participating Directors or their nominees.
- Details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- Any additional persons who become entitled to participate in an issue of securities under the Performance Rights Plan after Resolutions 3 and 4 are approved and who are not named in the Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14 (if approval is required under that Listing Rule).
- A voting exclusion statement applies to each of Resolutions 3 and 4 as set out in the Notice of Meeting.

Recommendation of Directors

The Directors, other than Mr Ariti, recommend that Shareholders vote in favour of Resolution 3. Mr Ariti has an interest in the outcome of Resolution 3 and therefore declines to make any recommendation in relation to Resolution 3.

The Directors, other than Mr Amico, recommend that Shareholders vote in favour of Resolution 4. Mr Amico has an interest in the outcome of Resolution 4 and therefore declines to make any recommendation in relation to Resolution 4.

The Chairman intends to vote all available proxies in favour of Resolutions 3 and 4.

4. Approval of Additional 10% Placement Capacity

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the Equity Securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase the entity's 15% placement capacity under Listing Rule 7.1 by an additional 10% to a total of 25% (**Additional 10% Placement Capacity**).

An “eligible entity” for the purposes of Listing Rule 7.1A is an entity that, as at the date of the relevant special resolution under Listing Rule 7.1A, is not included in the S&P/ASX 300 Index and that has a market capitalisation equal to or less than the amount prescribed by ASX (currently \$300 million).

The Company has a market capitalisation of approximately \$80.94 million as at 20 April 2022 and is not included in the S&P/ASX 300 Index. Accordingly, the Company is an “eligible entity” for the purposes of Listing Rule 7.1A.

Resolution 5 seeks shareholder approval for the Company to access the Additional 10% Placement Capacity. If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval. If Resolution 5 is not passed, the Company will not be able to access the Additional 10% Placement Capacity and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Resolution 5 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Formula for calculating Additional 10% Placement Capacity

The maximum number of Equity Securities that the Company may issue under the approval sought by Resolution 5 will be calculated in accordance with the formula set out in Listing Rule 7.1A.2:

$$(A \times D) - E$$

Where:

A = the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- 1) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- 2) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- 3) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- 4) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
- 5) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- 6) less the number of fully paid ordinary securities cancelled in the relevant period.

D = 10%.

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4

Note: The “relevant period” is a 12-month period.

Information required by Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A:

- The Additional 10% Placement Capacity will be valid during the period commencing on the date of the AGM and will expire on the earlier of:
 - the date that is 12 months after the date of the AGM;
 - the time and date of the Company's next annual general meeting; and
 - the time and date of shareholder approval of any transaction under Listing Rule 11.1.2 (change to the nature or scale of the Company's activities) or Listing Rule 11.2 (disposal of the Company's main undertaking).
- Any Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of Equity Securities and be issued for cash consideration which is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued.
- As at the date of this Notice, the Company has not formed an intention to offer any Equity Securities under Listing Rule 7.1A. However, if Resolution 5 is passed and the Company does raise funds from the issue of Equity Securities under the Additional 10% Placement Capacity then the Company considers that the funds may be used for general working capital and further investment in its portfolio of iron ore assets located in Gabon, central West Africa.
- If Resolution 5 is passed and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is a risk that:
 - the market price for the Company's Equity Securities may be significantly lower on the date of issue of the Equity Securities than on the date of the AGM; and
 - the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the relevant issue.

If Resolution 5 is passed and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting interests of existing Shareholders in the Company will be diluted as shown in the table below. This table shows the potential dilution of existing Shareholders on the basis of three different assumed issue prices and values for variable 'A' in the formula in Listing Rule 7.1A.2.

Number of Shares on issue (Variable 'A' in Listing Rule 7.1A.2)		Dilution		
		\$0.09 (Issue price at half the current market price)	\$0.18 (Issue price at the current market price)	\$0.36 (Issue price at double the current market price)
404,708,831 Shares (Current variable 'A')	Shares issued	40,470,883	40,470,883	40,470,883
	Funds raised	\$3,642,379.47	\$7,284,758.94	\$14,569,517.90
	Dilution	10%	10%	10%
607,063,246 Shares (50% increase in current variable 'A')	Shares issued	60,706,324	60,706,324	60,706,324
	Funds raised	\$5,463,569.16	\$10,927,138.30	\$21,854,276.60
	Dilution	10%	10%	10%
809,417,662 Shares (100% increase in current variable 'A')	Shares issued	80,941,766	80,941,766	80,941,766
	Funds raised	\$7,284,758.94	\$14,569,517.90	\$29,139,035.80
	Dilution	10%	10%	10%

The table above assumes:

1. The current issue price is \$0.18, being the closing price of the Company's Shares on ASX on 12 April 2022.
2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity.
3. No convertible securities are exercised before the date of the issue of the Equity Securities.
4. The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes options, for the purposes of the above table, it is assumed that those options are exercised into Shares for the purposes of calculating the voting dilution effect on existing Shareholders.
5. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the AGM.
6. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The identity of the persons to whom Equity Securities will be issued under the Additional 10% Placement Capacity is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of a number of matters including, but not limited to:
 - subject to the scale of the capital raising opportunity, and the appetite of existing Shareholders, a general preference to existing Shareholders;
 - the structure and timeframe of the capital raising opportunities available to the Company (eg placement, entitlement offer or share purchase plan);
 - the Company's financial position and likely future capital requirements; and
 - advice from the Company's professional advisers (including corporate, financial and broking advisers if applicable).

The persons to whom Equity Securities may be issued under the Additional 10% Placement Capacity may include institutional, sophisticated and professional investors, existing Shareholders of the Company, clients of holders of an Australian Financial Services Licence and/or their nominees, or any other person to whom the Company is able to issue Equity Securities (but will not include related parties of the Company or their associates).

- The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.
- A voting exclusion statement applies to Resolution 5 as set out in the Notice of Meeting.

Recommendation of Directors

The Directors recommend that Shareholders vote in favour of Resolution 5.

The Chairman intends to vote all available proxies in favour of Resolution 5.
