RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass the following resolution as a **non-binding resolution**:

"That, for the purposes of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report in the Annual Report of the Company for the financial year ended 31 December 2019."

However, the voter may cast a vote on the Resolution as a proxy if the vote is not cast on behalf of a person described in paragraphs (a) or (b) and either:

- (c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (d) the voter is the chair of the meeting and the appointment of the chair as proxy:

 - (ii) expressly authorises the chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the company.

RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ANTHONY HO

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2019 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at: www.ggg.gl/investors/company-report-and-presentation/2019

Shareholders will be offered the following opportunities:

- (a) discuss the Annual Financial Report for the financial period ended 31 December 2019;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 31 December 2019.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 Proxy restrictions

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the proxy form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 31 December 2019. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ANTHONY HO

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Anthony Ho was last re-elected as a Director on 16 May 2018 at the 2018 annual general meeting. Mr Ho retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Ho is the non-executive chairman of the Company. Details of the qualifications and experience of Mr Ho is set out in the Company's 2019 Annual Report.

The Board of the Company recommends the re-election of Mr Ho as a Director.

4. RESOLUTION 3 – RATIFICATION OF PLACEMENT SHARES

4.1 Background

On 6 August 2019 ("**Issue Date**") the Company issued 58,333,334 Shares under a placement ("**Issue**").

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If this Resolution is passed, the Issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Date.

4.2 Listing Rule 7.5

For Shareholders to approve the Issue for the purposes of Listing Rule 7.4, the following information is provided to Shareholders in accordance with Listing Rule 7.5:

- (a) The securities were issued to institutional investors exempt from or outside the disclosure requirements under Chapter 6D of the Corporations Act. None of the subscribers is a related party of the Company.
- (b) The number of securities issued was 58,333,334 Shares.
- (c) The Shares are fully paid ordinary shares in the Company and rank equally with the Company's current issued shares.
- (d) The Shares were issued on 6 August 2019.
- (e) The Shares were issued at 12 cents per Share.
- (f) The funds raised from the issue of the Shares have and will be used for further advancing the technical development of the Kvanefjeld Project, progressing the mining licence application and developing the pathway to Kvanefjeld Project commercialisation as well as for general working capital.

(g) The securities were not issued under a relevant agreement.

5. RESOLUTION 4 – ADOPTION OF NEW CONSTITUTION

5.1 Background

This Resolution is a special resolution proposing to replace the Existing Constitution in its entirety.

Section 136 of the Corporations Act allows a company to adopt a new constitution by a special resolution passed at a general meeting of the company. A special resolution must be passed by at least 75% of the votes cast by Shareholders who are entitled to vote on the Resolution.

5.2 Reasons for the Resolution

The Existing Constitution was adopted by the Company in January 2012.

Since this time there have been a number of amendments to the Corporations Act, the Listing Rules and other applicable laws and rules which impact on the Company and for which provision has not adequately been made in the Existing Constitution. Additionally, the ASX amended Listing Rule 15.12 (restricted securities) from 1 December 2019. The New Constitution includes the terms of new Listing Rule 15.12. Thereby, the Company intends to seek to adopt the New Constitution to both update for best practice reasons (best practice) and to include the terms of the new Listing Rule 15.12 (ASX modified escrow regime). Each of these reasons are expanded upon below.

Best Practice

The Company has conducted a review of the Existing Constitution with a view to making it consistent with current law and best market practice. The changes to be introduced affects numerous provisions in the Existing Constitution and therefore it is proposed that the New Constitution be adopted rather than amending the Existing Constitution.

The New Constitution reflects a public company constitution and is drafted in a modern, clear style. It is further appropriate for a company listed on ASX.

The New Constitution updates the definitions used to reflect the current terminology and where possible relies upon terms defined in the Corporations Act, the Listing Rules and ASX Settlement Operating Rules.

The New Constitution further includes provisions on proportional takeover bids. Separate information on the proportional takeover provisions and approval in this regard is set out below.

It is not practicable to list all of the changes to the Existing Constitution in this Explanatory Statement and Shareholders are invited to contact the Company if they have any queries or concerns. For this purpose, a copy of the New Constitution is available for review by Shareholders at the office of the Company or, upon request, can be sent to Shareholders. Adoption of the New Constitution will provide consistency between the Company's constitution and the Listing Rules and the Corporations Act.

ASX modified escrow regime

In accordance with ASX's Public Consultation Paper of 28 November 2018 titled "*Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules*", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX proposed was to amend the Listing Rules to give effect to a modified escrow regime to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime came into effect from 1 December 2019. A two-tiered escrow regime was introduced.

The first tier of escrow involves ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier applies where ASX will instead allow listed entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime replaced the previous requirement where all holders of restricted securities were required to enter into a formal escrow agreement.

Listing Rule 15.12 from 1 December 2019 requires the constitution of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

Rule 2.11 of the New Constitution reflects the new Listing Rule 15.12 and is in the following terms:

"2.11 Restricted Securities

(a) The Company must comply with the Listing Rules in respect of Restricted Securities.

(b) Notwithstanding the generality of Rule 2.11(a):

- (i) a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (ii) if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a Holding Lock applied for the duration of the escrow period applicable to those securities;*
- (iii) the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (iv) a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (v) if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

Rule 2.11 of the New Constitution provides the constitutional underpinning for ASX's modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new rule) took effect from 1 December 2019 and apply to restricted securities after this date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of Listing Rule 15.12 in force immediately prior to this date.

5.3 Adoption of proportional takeover provisions

A proportional takeover bid is where the bidder offers to buy a proportion only of each shareholder's shares in the Company. This means that control of the Company may pass without members having the chance to sell all their shares to the bidder.

The law regarding takeovers allows companies to amend their constitutions to prohibit the registration of a transfer of shares resulting from an offer made under a proportional takeover bid, unless shareholders in a general meeting approve the bid.

The New Constitution (as with the Existing Constitution) contains proportional takeover provisions.

Section 648G of the Corporations Act requires certain information to be included in the notice of meeting where the approval of members is sought to adopt proportional takeover provisions. The Company is seeking member approval to adopt proportional takeover provisions for the statutory period of 3 years after the date of approval. Information in relation to this approval is set out below.

Effect of the proposed provisions

The effect of the proposed provisions is that where offers have been made under an off market bid in respect of shares included in a class of shares in the Company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under the off market bid is prohibited unless and until a resolution to approve an off market bid is passed by Shareholders.

If a proportional takeover bid is made, the Directors must ensure that Shareholders vote on a resolution to approve the bid more than 14 days before the bid period closes.

The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote, but the bidder and its associates are not allowed to vote. If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's New Constitution.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for 3 years after the date of approval (for this Resolution, being 3 years from the date of this Meeting). The provisions may be renewed, but only by further Shareholder resolution.

Reasons for proportional takeover provisions

The Directors consider that proportional takeover approval provisions should be included in the New Constitution. Without the inclusion of such a provision, a proportional takeover bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Shares to the bidder. Accordingly, Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The proposed provisions deal with this possibility by providing that if a proportional takeover bid is made for Shares in the Company, Shareholders must vote on whether or not a proportional takeover bid should be permitted to proceed.

The benefit of the provision is that Shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

No knowledge of any acquisition proposals

As at the date on this Notice the Directors are not aware of any proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages for Shareholders include the following:

- (a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) they may assist Shareholders from being locked in as a minority;
- (c) they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages for Shareholders including the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

The Board of Directors considers that the potential advantages for Shareholders of adopting the proportional takeover approval provisions outweigh the potential disadvantages of not adopting the provisions.

5.4 Board recommendation

The Directors consider that the proposed proportional takeover provisions are in the interests of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution. The Company's Existing Constitution and New Constitution are available on the Company's website: www.ggg.gl/investors/corporate-governance/
