Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Introduced 01/12/19; amended 31/01/20

Annexure 1
OPTION TERMS AND CONDITIONS

1. Each Option entitles the Holder to one ordinary fully paid share upon exercise.
2. The exercise price of the options is 35 cents each.
3. The Expiry Date of the Options will be 31 January 2023.
4. The Options will expire on the Expiry Date. Options not exercised on or before the Expiry Date will automatically lapse.
5. The Holder must, no later than the close of business (Perth time) on the Expiry Date, give written notice to the Company of its intention to exercise the Options in whole or in part, such notice to be accompanied by cash or certified cheque, payable to the Company in the appropriate amount. After receipt of such notice, the Company will forthwith allot and issue the required number of Shares.
6. The Holder may exercise the Options on more than one occasion, and the Holder exercising some of the Options does not prevent the Holder exercising others.
7. The Company must:
 - i. *apply for quotation of the Shares allotted pursuant to the exercise of the Options within the time required by the Listing Rules of ASX after the date of allotment; and*
 - ii. *give ASX notice under s708A(5) of the Corporations Act 2001 in respect of the issue of the Shares that complies with s708A(6) of the Corporations Act 2001, or otherwise ensure that an offer of the Shares for sale will not require disclosure to investors under s707 of the Corporations Act 2001.*
8. The Options may only be transferred with the prior written consent of the Company. The granting of consent will be at the Company's sole discretion.
9. There are no participating rights or entitlements inherent in the Options and Holders will not be entitled to participate in new issues of capital that may be offered to the Company's shareholders.
10. Subject to the rights above, Holders shall have the right to exercise their Options prior to the date for determining entitlements to any capital issues to the then existing Company shareholders made during the term of the Options. The Company will use its reasonable endeavours to provide the Holders with 10 business days' notice of any record date for an entitlements offer, other than where the *Corporations Act 2001* or the ASX Listing Rules require that a particular record date be used for an entitlements offer, and in the reasonable opinion of the directors, the provision of the notice would be inconsistent with the *Corporations Act 2001* or ASX Listing Rules.
11. In the event of any re-organisation (including reconstruction, consolidation, subdivision, reduction or return of capital) of the issued capital of the Company, the Options will be re-organised as required by the Listing Rules of ASX, but in all other respects the terms of exercise will remain unchanged.
12. If there is a bonus share issue to the holders of Shares, the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Holders would have received if the Option had been exercised before the date for the bonus issue.
13. The Options will not be quoted on ASX.
